Attorney for Appellant/Respondent

Appellant/Respondent hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file the Appellant/Respondent's brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The current COVID-19 pandemic and its attendant disruption of the ordinary functioning of business has disrupted Appellant/Respondent's counsel's schedule and ordinary pace of work, affecting several matters, including the completion of the brief in this case. Counsel is also involved in other contest matters, which also require considerable time commitments.
2. Appellant/Respondent's brief and designation of matter to be included in the record on appeal is presently due Monday, March 8, 2021. If the request is granted, Appellant/Respondent's brief and designation of matter to be included in the record on appeal will be due on Wednesday, April 7, 2021.
3. This is the second extension of Appellant/Respondent brief and designation of matter to be included in the record on appeal has requested in this appeal.
4. Respondent/Appellant has consented to this proposed extension of time to serve the initial brief and designation of matter.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant/Respondent prays for an order extending the time in which to serve and file the Appellant/Respondent's brief and designation of matter to be included in the record on appeal by 30 days, to April 7, 2021.

March 8, 2021

Respectfully submitted,

/s/ Taylor Smith
