

# The Supreme Court of South Carolina

The State, Respondent,

v.

James H. Harrison, Appellant.

Appellate Case No. 2018-002128

---

## ORDER

---

After careful consideration of the petition for rehearing, the Court is unable to discover any material fact or principle of law that has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the State's petition for rehearing is denied.
