RE: Shawn Eubanks v. S.C. Public Employee Benefit Authority, S.C. Retirement Systems,
Appellate Case No. 2020-001640

Dear Ms. Kitchings:

I respectfully request an extension of time to file Respondent's initial brief and designation of matter in the above-referenced case. Respondent's initial brief and designation of matter are currently due to be filed on March 18, 2021. I am requesting an additional thirty (30) days to file Respondent's initial brief and designation of matter.

I have consulted with Appellant regarding the requested extension of time, and he has indicated that he consents to my requested extension. Further, I have made no prior requests for an extension of time with regard to filing the initial brief and designation of matter in this appeal.

I am filing this request in electronic form only, pursuant to the Order of the Supreme Court titled "Operation of the Appellate Courts During the Coronavirus Emergency (As Amended May 29, 2020)." On that same basis, I have served a copy of this request by electronic mail to Appellant at his email address listed in the Attorney Information System. Please do not hesitate to let me know if anything additional is required to properly file this request.

Thank you for your consideration of this requested extension of time. If you have any questions or concerns regarding the request, please feel free to contact me by telephone at 803.737.6894 or by email at jwerner@peba.sc.gov.

Respectfully,

Justin R. Werner
Deputy General Counsel
