

The South Carolina Court of Appeals

Nancy Miramonti, Respondent,

v.

Richland County School District One, a body politic and corporate; and the Board of Commissioners of Richland County School District One, Appellants.

Appellate Case No. 2019-001624

ORDER

Respondent has filed a motion to expedite this appeal, arguing delays in resolving this appeal could impact the Board of Commissioners of Richland County School District One's (the Board's) decision relating to its transfer request policy and prejudice students and families affected by the policy. Respondent requests that this appeal be resolved expeditiously "to allow the Board . . . to take . . . action by May 1, [2021], or soon thereafter. . . ." Respondent asserts Appellants do not oppose the motion, and Appellants did not file a return.

After careful consideration, the motion is denied. This court will notify the parties when this appeal will be considered.
