

The South Carolina Court of Appeals

Jerome Addison, Appellant,

v.

South Carolina Department of Corrections Health Care
Authority, Respondent.

Appellate Case No. 2020-001709

ORDER

Appellant has filed a petition to reinstate, which this court construes as a petition to rehear the dismissal of this appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
