Re: George H. Brock v. Kris Langville
Appellate Case No. 2019-001707

Dear Counsel:

Pursuant to the Court's letter dated December 21, 2020, respondents were given thirty (30) days to serve and file their initial brief and designation of matter along with a motion to requesting the Court to allow late service and filing of the initial brief and designation of matter. Respondents did not serve and file the required brief and motion and appellant proceeded with serving the record on appeal. The Court's letter dated March 16, 2021 which requested the respondent's final brief was sent due to clerical error. Our records reflect that only the appellant's brief and record will be considered in this appeal.

Very truly yours,

CLERK
