Civil Lawsuit in the amount of \$61,770.00, by Petition of redress of grievances, of U.S. Constitution.

Against Rose Mae Walsh by Kelvin W Crosby, beneficiary of Estate of Annie Mae Crosby.

From: Kelvin W Crosby

181 Azalea Drive

Waynesville, NC 28786

Your honor,

One I, have incurred a debt of \$61,770.00 by the Dennis O'Neill Law Firm, Mount Pleasant SC due to the actions of Rose Walsh which I was no part of this matter before the Court, only an innocent bystander, but beneficiary.

Two I, have not only been harmed financially but I have experienced extreme emotional stress and anguish over a period of (4) many-years, by the legal actions of Rose Walsh.

Three I, have come very close two years ago of loss of my life, verifiable by my own attorney, as well as The Town of Waynesville, NC, Haywood County Sheriff's Office records and all documented in my medical records by The Department of Veterans Affairs in it's entirety.

Four I, have during the past two years back had my wife separate from me, my children leave in tears in their vehicles to find peace from the unrest and discord caused by the legal actions of Rose Walsh. I take this with seriousness now reflecting back that the actions of Rose Walsh created chaos in my family.

*That as a past trained Firefighter III/EMT, an Aeromedical Evacuation Medical Technician in the USAF one of my children could have been hurt or killed in an automobile accident due to the stress placed into my home whereby they sought to leave to get away from this situation.

*That I hold Rose Walsh accountable for her actions in this regard.

*That I never testified due to stress inflicted on me, had to read the untruths told by Rose Walsh at the hearing on 5 December 2018 transcript later after that date in Charleston County Probate Court, Judge Irving Condon presiding.

*That I can present through request all pertinent information regarding everything I have said, by documentation.

*That finally I seek restitution for the four mentioned actions placed upon me by Rose Walsh to the full extent of the law. That being I was not a participant, but a beneficiary only entitled to what was just due me.

Sincerely,

Kelvin W. Crosby

I, Kevin W Crosby, Kelvin W Crosby attest to these facts with such contempt to the

dishonesty that is being done to myself and my inheritance. I am losing almost one half of my inheritance as a beneficiary,

due to the actions of the Personal Representative and it is not right in any manner the financial harm inflicted on me by Rose Walsh as the PR.

I will include two witnesses to attest to how strongly I feel on this matter.

Witness Number one as follows

Janice Turner
Rhonda E. Easter

Witness Number two as follows

I swear that these statements are true and accurate to the court.

Case # 2019-CP-1001887, Probate Case #2016ES1002054

To your honor,

I am apprehensive and worried that my financial safeguards for the remainder of my inheritance are in jeopardy. I sent this one sentence to the attorney of Rose Walsh with no answer in a professional manner. It is record in the court and stated below. The court has a carbon copy of both requests from myself and my spouse. It follows her unending doing as she pleases with the court as to her actions she must address, but manipulates the law. My Non-probate Inventory was never addressed and it was 7 months before my brothers request. I did it legally, notarized and with the basic understanding I would receive an answer, which I did not. Since July 28, 2018-January 27, 2020 I have incurred \$46,770.00 plus \$15,000.00 paid for a total of \$61,770.00 by my previous attorneys Dennis O'Neill and Mac Gibson. Please understand I was told by Mr. O'Neill by dismissing them I saved approximately \$18,000.00 which would have been in addition to the \$61,770.00. That in itself is unfair to me as a beneficiary who did not cause this matter. Sir this matter if one can't see what is occurring here is a blatant travesty of law. If this is the fairness of the law my serving my country was in vain. The following statement was sent to Gregg Meyers, duly notarized by myself and my wife, no answer nor response of any kind.

Dear sir,

KWC1

"Please provide me with the expenditures from this Probate estate account to date August 20, 2020 and to include the balance of the estate funds remaining, as record for Kelvin W Crosby."

If this matter continues and is by procedural error continued to linger on, my sister will accomplish the starving both my brothers and myself out of our inheritance. And in doing so the disputed parcel of land she will retain to make an extreme profit if not a small fortune. Is there any law besides a Civil lawsuit to attain what was rightly due me, expenses never addressed by the court to my fees, simply placed in documentation but no definitive answer. Is this fair to me as a beneficiary Sir, with saying I have no part in this matter yet a legal beneficiary it is affecting me financially? I just can't forget about this debt is not incurred. When is a line drawn to say enough of this fiasco of the law. Where are my Constitutional rights your honor? I can not afford an attorney. I have two daughters in college with student loans to consider and this expense now stated does effect me tremendously!

I, Petition the Court for this expense placed on me as it is extreme and unjust in every regard of law. *Kelvin W. Crosby*

Gregg Meyers stated in the appeal "I am a pro se individual", no your honor I am a legal beneficiary who is being harmed severely and continues financially to do so by the actions of Rose Mae Walsh.

I, Brandi Crosby agree with my father and that harm has also been done to me as his daughter through family unrest and arguments that has affected me tremendously and Rose Mae Walsh should be held accountable for her actions. It is legally not within the integrity of the law to see my father suffer as he has over these years.

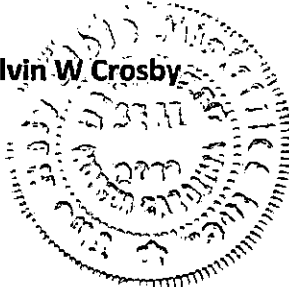

I, Join him in petitioning the Court for these reasons so stated. I am 18 years old. Born June 10, 2002.

Sincerely,

Brandi Crosby
