

The South Carolina Court of Appeals

M B Hutson, Appellant.

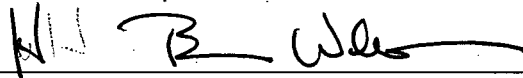

v.

A. Paul Weissenstein, Respondent.

Appellate Case No. 2019-000873

ORDER

This appeal was dismissed due to Appellant's failure to serve and file a sufficient record on appeal. Appellant filed a petition to reinstate, and on January 26, 2021, this court ordered Appellant to serve and file a record on appeal that complied with the South Carolina Appellate Court Rules. On February 1, 2021, Appellant did serve and file an amended record on appeal. The amended record, however, is not in compliance with the South Carolina Appellate Court Rules. Within ten days of the date of this order, Appellant shall serve and file a supplemental record that includes the matters that were designated for inclusion in the record but inadvertently omitted. Specifically, the supplemental record shall include (1) the April 13, 2012 consent order, (2) the entirety of the item designated "Common Pleas: Plaintiff's response to 'Defendant's Memorandum in Support of Motion to Dismiss or for Summary Judgment"; and (3) the email "confirming work on a development." This court will act on the petition to reinstate upon receipt of the supplemental record on appeal or the expiration of ten days.
