RE: Portfolio Recovery Associates LLC v. Jennifer Campney  
Appellate Case No. 2020-000935

Dear Miss Kitchings:

Our deadline to file the Record and final briefs is coming up in one week on March 30, 2021. Upon reviewing my initial Appellant brief, I noticed that on the Table of Authorities page, that there appear to be two typographical errors. The first one relates to the cases cited in the Table of Authorities. Although the first page that each case appears in the brief is listed, other pages where the cases were cited in the brief were not listed. Also, it appears that only case authorities were listed in the Table of Authorities, and not statutes or rules that were cited. I would like clarification from the court whether it would be proper for me to correct these two typographical errors in the final Appellant brief? I have consulted with opposing counsel by email, and the Respondent takes no position regarding this request.

Also, I hereby certify that I have served a copy of this letter on all other parties to this appeal by simultaneous email only as indicated below.
