MOTION FOR EXTENSION OF TIME TO SERVE AND FILE INITIAL BRIEF AND
DESIGNATION OF MATTER TO BE INCLUDED IN RECORD ON APPEAL

Appellants-Respondents hereby move pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file their initial appellants’ brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellants-Respondents’ initial appellants’ brief and designation of matter is due tomorrow, March 24, 2021. If this request for an extension is granted, this initial

brief and designation of matter to be included in the record on appeal will be due on April 23, 2021.

2. This is the second extension sought of this deadline.
3. The undersigned counsel has had a heavy writing schedule lately, along with recent and upcoming court appearances and writing deadlines. The undersigned's office is undergoing repairs that have also interfered with his work schedule. This has delayed him in spending the time needed to review the record and draft the brief.
4. Appellants-Respondents believe there is good cause to grant the requested extension.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellants-Respondents pray for an order extending the time in which to serve and file their initial appellant's brief and designation of matter to be included in the record on appeal by 30 days, to April 23, 2021.

Respectfully submitted,
