SC Court of Appeals

APPEAL FROM CHARLESTON COUNTY
Court of Common Pleas

The Honorable Bentley Price, Circuit Court Judge

Gregory
Muxlow.....Appellant,

v.

Ruby Tuesday, KC Mulligan's, St. Ives' and Carroll Management
Group.....Respondents.

Appellate Case No. 2020-000129

**MOTION FOR AN EXTENSION OF TIME TO AMEND THE RECORD ON APPEAL
AND TO SUPPLEMENT THE DESIGNATION OF MATTER**

The appellant respectfully requests that the Appellate Court grant the appellant an extension of time to amend the Record on Appeal and to supplement the Designation of Matter. The appellant requested the transcript of the December 18, 2020 hearing from the court reporter, who guaranteed that the transcript would be ready no later than March 23, 2021. The undersigned's office has attempted to contact the court reporter multiple times over the last two weeks to check on the status of the transcript. The court reporter has not responded to any of these attempted communications.

On March 25, 2021, the undersigned contacted Court Administration about the status of the transcript. Court Administration informed the undersigned that the court reporter for the December 18, 2020 hearing is no longer employed by Court Administration. Further, Court Administration stated that its office is working to obtain that court reporter's records but does not

yet have them. Once the records are obtained, Court Administration stated that it will send the record of the hearing to be transcribed and provide the undersigned's office with a copy of the transcript.

For the foregoing reasons, the appellant respectfully requests an extension of time to amend the Record on Appeal and to supplement the Designation of Matter to allow time for Court Administration to obtain the record of the December 18, 2020 hearing and have it transcribed.
