Thank you for your response.

The motion fee was paid when the motion was filed in McCormick County Court of common pleas, which is where the motion is pending before Judge Maddox.

I am happy to pay the \$50.00

fee, but previously when this has happened the Court of Appeals ultimately issues a refund to me .

Which I only can assume causes the Court additional work.

Again I am more than glad to tender the motion fee, but there is no motion pending before your Court of Appeals.

Please advise and I Will happily comply.

Thank you in advance for your cooperation.

R Jay Lagroon
