Clerk, Supreme of S.C.  
P.O. Box 11330  
Columbia, SC 29211

Re: O'Shaun Robinson, Respondent v. State of South Carolina. Petitioner.

Dear Mr. Shearouse,

My Return to the State's Petition for Writ of Certiorari was due for service and filing on Monday, April 5, 2021. I was unfortunately out of work yesterday due to a bad reaction to my second Covid vaccine shot. I went to the office briefly yesterday and attempted to confirm this due date and file an extension request. For some reason my computer server was down.

This morning I was able to call the Court and confirm the due date. At this time, I respectfully ask for a thirty (30) day extension in which to serve and file my Return to the Petitioner's PCR Appeal. This is my first extension at this stage of the Petitioner's appeal. I spoke with Megan Harrigan Jameson, Senior Assistant Deputy Attorney General, concerning this request, and she has graciously consented on behalf of the State. By copy of this e-mailed filing, I have served Ms. Jameson, and Assistant Attorney General, Lilly Meadows, with a copy of this request.

I thank the Court for its consideration of this request and remain,

Sincerely,

S/ \_\_\_\_\_
