Dear Mr. Bolick:

First, I know you do not want representation from this office, and I am only writing to provide you with a quick update. Obviously, the motions that were scheduled for March 10, 2021 did not go forward. The solicitor stated that he has scheduled them for the morning of April 14.

Second, I am providing you with this update because I believe that I have the ethical duty to communicate with you as appointed counsel of record until such time as I am relieved by the court. Please know that I respect your right to proceed pro se, and I wish you all the best.

I hope you take this letter in the spirit in which it was sent, which is simply to try and keep you informed of information presented to me. I simply do not want to rely on the state to provide you with notice.

Sincerely,

Jonathan Hiller

SC Court of Appeals

Dear Mr. Hiller,

As I plainly informed you on March 5, 2021 there is a substantial conflict of interest between me and your office as I have previously sued your office. Further, I wish to proceed pro se on my post trial motions, and I have plainly made this known by written motion.

The Judge who appointed you, Judge John has recused himself from these cases. I find it very disturbing that Judge John would appoint you then recuse himself. If he was going to recuse himself he should have done it before appointing you to represent me as all facts and circumstances were and are the same.

I also find it amusing that the court is still allowing the solicitor to schedule when and what motions will be heard. That is why the Court of Appeals remanded this case back to circuit court to start with. Further, the order states the Circuit Court is to consider all outstanding motions, not just the ones the solicitor chooses!

I have filed several motions and I supplied the Court of Appeals copies of said motions. In order for me to have a fair hearing these motions must be considered.

Respectfully
Theodore Bolick
