March 31, 2021

Appellant, Nelson L. Bruce, hereby moves pursuant to Rule 263(b), SCACR, for a 20-day extension of time from the current deadline in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for service and filing of Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal is currently April 2, 2021.
2. This is the Second extension that Appellant has sought in this appeal.
3. Because appellant had to go back and research all previous filings from over 2 years, it has taken some time to complete this appeal brief to properly address what has been filed over time.
4. Appellant believes there is good cause to grant the requested 20-day extension to April 22, 2021.

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal for twenty (20) days from the current set deadline. Presented by depositing an original and 7 copies of the motion for extension of time to the court via U.S. Post office by U.S. Poster Service, postage prepaid, Priority Express Mail Tracking No.: EJ 556 045 222 US Dated this 31<sup>st</sup> day of March, 2021.
