Good Afternoon!

I am granting Mr. Samuels' Motion for Recusal. This will take it out of my jurisdiction. In light of the Supreme Court's recent direction in Russell 4/3/19, this should have stayed at the Full Commission level upon remand, anyway. As such, a Panel will address the Remand from the Court of Appeals. Luckily, we are in Full Commission this week, so I can get everything turned back over to Judicial today.

This actually saves the parties time because it avoids a whole level of appeal, which was the clear directive from the Court. The reassignment will not add any delay.

Please let me know if you have any questions.

Thanks,

Commissioner Aisha Taylor

W.C.C. FILE NO. 1112328

MOTION FOR RECONSIDERATION

TO: South Carolina Workers' Compensation Commission and Stephen B. Samuels, Esq.,
attorney for the Claimant:

PLEASE TAKE NOTICE that the above-named Defendants hereby move the South
Carolina Workers' Compensation Commission pursuant to S.C. Code Reg. 67-215(B)¹ to

¹ Regulation 67-215 permits motions to reconsider "if the purpose of the motion is not an attempt to reargue the merits of the dispute." In the case *sub judice*, the Appellate Panel addressed issues which were not before it on appeal, as they were not raised in Claimant's Form 30 or in his Brief to the Appellate Panel, and improperly awarded benefits *sua sponte*. Therefore, the Defendants have never been given any opportunity to argue "the merits of the dispute" to the Appellate Panel. While the Defendants have a statutory and constitutional right of notice and opportunity to be heard on these issues, this motion is proper because it focuses not on the "merits" of the dispute, but on the fact that the Appellate Panel does not have the authority or jurisdiction to even address the dispute.

Reconsider the Appellate Panel's Order dated June 17, 2019². The grounds for said Motion are as follows:

1. This matter came before Commissioner Taylor for a hearing on September 23, 2013 pursuant to the Defendants' Form 21 dated June 13, 2013.
2. By Order dated September 2, 2014, Commissioner Taylor concluded that the Claimant failed to satisfy the requirements of S.C. Code Ann. § 42-1-560. In addition, Commissioner Taylor ruled that the Defendants were entitled to terminate temporary disability pursuant to S.C. Code Ann. § 42-9-260 and § 42-9-210; that the Claimant is not entitled to any additional medical treatment under S.C. Code Ann. § 42-15-60; and that the Claimant is not entitled any benefits under S.C. Code Ann. §§ 42-9-10, 42-9-20, and 42-9-30.
3. The Claimant appealed Hearing Commissioner Taylor's conclusion regarding the application of S.C. Code Ann. § 42-1-560 to the Commission's Appellate Panel. However, the Claimant's Form 30 dated September 14, 2014 raises no argument with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 and raises no exception to the Hearing Commissioner's conclusions about the application of these statutes. Therefore, no argument under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 is preserved for appeal. Jones v.

² Note that the Defendants have not been served with page 12 of the June 17, 2019 Appellate Panel Order and have notified the Commission of this deficiency. The Defendants reserve the right to amend this Motion upon receipt of the Appellate Panel's Order in its entirety.

Anderson Cotton Mills, 205 S.C. 247, 31 S.E.2d 447 (1944) (holding that general exceptions, such as “the commission erred in making an award,” are too ambiguous to fulfill the notice requirements of due process and do not preserve an issue for review); *see also* S.C. Code Reg. 67-701 (requiring that “[t]he grounds for appeal must be set out in detail on the Form 30 in the form of questions presented...Each question presented must be concise and concern one finding of fact, conclusion of law, or other proposition the appellant believes is in error.”)

4. Furthermore, the Claimant does not make any argument with respect to §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 in his November 14, 2014 Brief to the Appellate Panel³. Of course, mere “conclusory statements unaccompanied by argument and citation to authority are insufficient to preserve an issue for appellate review.” State v. Crocker, 366 S.C. 394, 621 S.E.2d 890 (Ct. App. 2005) (citing Fields v. Melrose Ltd. P'ship, 312 S.C. 102, 106, 439 S.E.2d 283, 285 (Ct. App. 1993 (holding that failure to provide argument or supporting authority for an issue renders it abandoned))).
5. Therefore, the Hearing Commissioner’s rulings regarding S.C. Code Ann.

³ The Claimant’s November 14, 2014 Brief to the Appellate Panel raises only 2 arguments on appeal, both of which deal solely with the application of S.C. Code Ann. § 42-1-560. In addition, according to the “Conclusion” of the Claimant’s November 14, 2014 brief, relief sought by the Claimant did not involve the application of S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. The Claimant’s Brief simply does not argue the merits of, or evidentiary support for, any claim for medical or compensation benefits and does not request that the Appellate Panel award benefits under these statutes.

§§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 are the law of the case and cannot be disturbed by the Appellate Panel or any reviewing court on appeal. (See S.C. Code Ann. § 42-17-50; Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970); Creech v. Ducane Co., 320 S.C. 559, 476 S.E.2d 114, *reh'g denied*, *cert. denied* (Ct. App. 1995) (holding that S.C. Code Ann. § 42-17-50 provides the procedure for appealing a Hearing Commissioner's Order; however, "only issues within the application are preserved for the full Commission"); Ham v. Mullins Lumber Co., 193 S.C. 66, 7 S.E.2s 712 (1940) (holding that all findings of fact and law by the Hearing Commissioner "become and are the law of the case, except only those within the scope of the exception").

6. Because the Hearing Commissioner's rulings regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 are the law of the case, the Appellate Panel has no jurisdiction to address any issue with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. Allison v. W.L. Gore & Assoc., 394 S.C. 185, 714 S.E.2d 547 (2011) (holding that the question of compliance with rules, regulations, and statutes governing an appeal is one of appellate jurisdiction the Commission lacks the authority or jurisdiction to extend the fourteen days permitted for the perfecting of an appeal).

7. Considering the fact that the Appellate Panel has no jurisdiction to address any issue with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, the Defendants respectfully contend that the Appellate Panel erred as a matter of law in awarding benefits under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, or in otherwise disturbing the Hearing Commissioner's unappealed conclusions with regard to these statutes in its June 17, 2019 Order, which should be reconsidered and withdrawn.
8. While the Appellate Panel's June 17, 2019 Order vaguely concludes that it has jurisdiction by virtue of the Remittitur from the Court of Appeals, the Order of the Court of Appeals does not, and cannot, extend the Appellate Panel's jurisdiction to address any unappealed rulings under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. Allison v. W.L. Gore & Assoc., supra; see also Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970)).
9. In fact, the April 18, 2018 Order from the Court of Appeals says nothing of awarding the Claimant medical or compensation benefits and does not purport to expand the Appellate Panel's jurisdiction vested by virtue of S.C. Code Ann. § 42-17-50 and the Claimant's Form 30, but merely states, "[w]e reverse the Appellate Panel's order and remand for further proceedings

consistent with this opinion.” Of course, that opinion dealt solely with the application of S.C. Code Ann. § 42-1-560, as the Claimant similarly made no argument with regard to his entitlement to benefits under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 to the Court of Appeals. Therefore, like the Appellate Panel, the Court of Appeals had no jurisdiction to disturb the Hearing Commissioner’s conclusions with regard to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. See Wilder Corp. v. Wilke, 330 S.C. 71, 76, 497 S.E.2d 731, 733 (1998) (“It is axiomatic that an issue cannot be raised for the first time on appeal,” but must have been first raised and ruled upon by the lower tribunal).

10. As such, the Remand and Remittitur merely returned the claim to the Appellate Panel to address the issues actually raised in the Claimant’s November 14, 2014 Brief to the Appellate Panel, consistent with the Court’s analysis of S.C. Code Ann. § 42-1-560, and consistent with the Appellate Panel’s jurisdiction under S.C. Code Ann. § 42-17-50. To accomplish this task, the Appellate Panel was only empowered to amend its February 8, 2016 Order as follows:
 - a. To make an additional Finding of Fact (#3), consistent with the Order of the Court of Appeals, to reflect that the Claimant’s civil action against the at-fault third party was voluntarily dismissed pursuant to a stipulation of dismissal filed in the Court of Common Pleas on December 5, 2013.

b. To amend the second sentence of Conclusion of Law (#3), consistent with the Order of the Court of Appeals, to state that because the Claimant has taken a voluntary dismissal of his third-party suit, S.C. Code Ann. § “42-1-560 is not applicable. As a result, there is no violation of [section] 42-1-560.”

11. In addition, because the Appellate Panel does not have power, authority, or jurisdiction to disturb the Hearing Commissioner’s conclusions of law with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 by virtue of S.C. Code Ann. § 42-17-50, the Appellate Panel should reconsider and withdraw the following findings of fact⁴:

a. Finding of Fact #11 addresses the Defendants’ provision of medical treatment with Dr. Greg Jones; however, neither the Claimant’s Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the provision of medical treatment or the opinions of Dr. Jones. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. Creech v. Ducane Co., 320 S.C. 559, 476 S.E.2d 114, *reh’g denied, cert. denied* (Ct. App. 1995).

b. Finding of Fact #12 addresses the opinions of the Claimant’s family physician, Dr. Abel, regarding physical therapy and an EMG; however, neither the Claimant’s Form 30, nor his November 14, 2014 Brief to the

⁴ The Defendants reserve the right to amend and supplement these argument upon receipt of page 12 of the Appellate Panel’s June 17, 2012 Order, which has not yet been served upon the Defendants.

Appellate Panel, makes any argument with respect to the opinions of Dr. Abel, or his entitlement to physical therapy or and EMG. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. Green v. City of Columbia, 311 S.C. 78, 427 S.E.2d 685 (Ct.App.1993) (holding the Full Commission does not have authority to address an issue not raised in a Form 30, Application for Review).

- c. Finding of Fact #13 addresses the opinions of Dr. Poletti, who performed a one-time independent medical evaluation at the request of the Claimant's attorney, regarding the Claimant's alleged need for additional medical treatment. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the opinions of Dr. Poletti, or his entitlement to additional medical treatment generally. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*.
- d. Finding of Fact #14 addresses whether the Claimant is at maximum medical improvement; however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the issue of maximum medical improvement. Therefore, the Appellate Panel has no authority or jurisdiction to address this issues on remand. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*.

- e. Finding of Fact #14 further addresses the weight and credibility of the medical evidence regarding the issue of additional medical treatment. However, however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the weight or credibility of the evidence on the issue of additional medical treatment. Therefore, the Appellate Panel has no authority or jurisdiction to address this issue on remand. See Creech v. Duane Co. and Green v. City of Columbia, *supra*.
- f. Finding of Fact #15, also addresses the weight and credibility of the medical evidence and contains a legal conclusion regarding the need for additional medical treatment, including surgery. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the weight or credibility of the evidence on the issue of additional medical treatment, or his entitlement to additional medical treatment, including surgery. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act" to the Court of Appeals, making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding

that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970)). Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand, to award additional medical benefits, or to disturb the previously unappealed legal conclusion with regard to additional medical treatment. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*.

- g. Finding of Fact #16, which is also a legal conclusion, addresses the Claimant's right to direct and control the provision of medical treatment and the appointment of Dr. Poletti as the authorized treating physician. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right to direct or control the provision of medical treatment or the appointment of Dr. Poletti as the authorized treating physician. In fact, the Claimant did not even request that the Hearing Commissioner appoint Dr. Poletti as the authorized treating physician. Neither the Claimant's Form 58, Pre-Hearing Brief, dated August 5, 2013, nor his arguments at the September 23, 2013 Hearing (see Hrg. T. pp.10—11), makes even the slightest suggestion that the Defendants should be deprived of their statutory rights under S.C. Code Ann. § 42-15-60 and § 42-15-80. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for

any additional medical care or treatment under the Workers' Compensation Act," making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*.

Therefore, the Appellate Panel has no authority or jurisdiction to address this issue on remand, or to order a change in the authorized treating physician, or to appoint Dr. Poletti as the authorized treating physician, or to otherwise disturb the previously unappealed legal conclusion with regard to additional medical treatment. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*; see also Wilder Corp. v. Wilke, *supra*.

- h. Finding of Fact #17, which is also actually a legal conclusion, addresses the Claimant's entitlement to an evaluation with an orthopaedic surgeon "to obtain updated MRI scans and an assessment of Claimant's continued complaints of pain in his right knee." Not only is there no medical evidence in the record that the Claimant requires "updated MRI scans" of his right knee, but there is no evidence that the Claimant "continues" to complain of pain in his right knee because the Claimant has not given testimony in this case since September 23, 2013 – 5 years and 9 months ago. Moreover, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right knee, makes no request for an MRI of his right knee, and makes no request for additional treatment for his right knee.

Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*. Furthermore, the Appellate Panel has no authority or jurisdiction to speculate as to the current condition of the Claimant's right knee or any need for medical treatment or diagnostic studies at the present time. See Sola v. Sunny Slope Farms, 244 S.C. 6, 10 (1964) (holding that claimants who assert their right to compensation must establish by the preponderance of the evidence the facts that will entitle them to an award under the Workmen's Compensation Act and such award must not be based on surmise, conjecture or speculation). In addition, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act." This conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*.

- i. The June 17, 2019 Appellate Panel Order acknowledges that "the Claimant testified that he fell down a flight of stairs at his mother's house in November 2011 and again in January of 2012 and re-injured his back and neck on both occasions. (Hrg. Transcript p. 34, ll.2-7)." While the Defendants maintain that the fact of these two intervening accidents

breaking the chain of causation are moot given the conclusive nature of Hearing Commissioner Taylor's denial of benefits S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, the Defendants would respectfully argue that if the Appellate Panel is going to address benefits under these statutes, it is incumbent upon the Appellate Panel to address this issue. Based upon the Claimant's own admission, the proximate cause of the Claimant's neck and low back problems are 2 falls wholly unrelated to his employment, but are due to falls down a flight of stairs at home in November 2011 and again in January of 2012.

- j. Conclusion of Law #4 address the issue of maximum medical improvement; however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the issue of maximum medical improvement. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*.
- k. Conclusion of Law #5 addresses the Claimant's right to direct and control the provision of medical treatment and the appointment of Dr. Poletti as the authorized treating physician. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right to direct or control the provision of medical treatment or the appointment of Dr. Poletti as

the authorized treating physician. In fact, the Claimant did not even request that the Hearing Commissioner address this issue or appoint Dr. Poletti as the authorized treating physician. Neither the Claimant's Form 58, Pre-Hearing Brief, dated August 5, 2013, nor his arguments at the September 23, 2013 Hearing (see Hrg. T. pp.10—11), makes even the slightest suggestion that the Defendants should be deprived of their statutory rights under S.C. Code Ann. § 42-15-60 and § 42-15-80. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act," making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*. Therefore, the Appellate Panel has no authority or jurisdiction to address this issue on remand, or to order a change in the authorized treating physician, to appoint Dr. Poletti as the authorized treating physician, or to otherwise disturb the previously unappealed legal conclusion with regard to additional medical treatment. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*; see also Wilder Corp. v. Wilke, *supra*.

1. Conclusion of Law #5 further addresses the Claimant's entitlement to additional medical treatment, including surgery. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate

Panel, makes any argument with respect to his alleged entitlement to additional medical treatment, including surgery. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act," making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. *See Atl. Coast Builders & Contractors, LLC v. Lewis*, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing *Buckner v. Preferred Mut. Ins. Co.*, 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970)). Therefore, the Appellate Panel has no authority or jurisdiction to award additional medical treatment, including surgery, on remand, or disturb the previously unappealed legal conclusion with regard to additional medical treatment. *See Creech v. Ducane Co. and Green v. City of Columbia, supra*.

- m. Conclusion of Law #5 further also purports to make a blanket award of future medical treatment that has not even been recommended, which is plain legal error. Even if the Appellate Panel had jurisdiction to award future medical benefits, the Appellate Panel has no authority to make a blanket award of benefits that includes vague entitlement to "any referral made by Dr. Poletti." The Commission's authority is clearly prescribed by S.C. Code Ann. § 42-15-60 and limited to awards of

medical treatment that have actually been proved to “lessen the period of disability” with actual expert medical evidence “stated to a reasonable degree of medical certainty.” There is no statutory authority for an award of speculative future treatment or referrals for which no recommendation has even been made.

- n. Conclusion of Law #5 also addresses the Claimant’s entitlement to additional medical treatment for his right knee.” Not only is there no medical evidence in the record stated to the requisite “reasonable degree of medical certainty” that the Claimant requires any additional medical treatment for his right knee to lessen any alleged period of disability, but neither the Claimant’s Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right knee and makes no request for additional treatment for his right knee. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. *See Creech v. Ducane Co.* and *Green v. City of Columbia, supra*. Furthermore, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to S.C. Code Ann. § 42-15-60, “the Defendants shall have no liability for any additional medical care or treatment under the Workers’ Compensation Act.” This conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case. *See Atl. Coast Builders & Contractors, LLC v. Lewis, supra*.

o. Conclusion of Law #6 awards the Claimant “temporary total disability benefits from August 11, 2011 through the present and continuing” and further awards the Claimant “a lump-sum payment of any back-owed TTD accrued during litigation. The Appellate Panel was without authority or jurisdiction to make this award, which is otherwise premised on impermissible surmise, conjecture, and speculation, and premised upon an error of law. Furthermore, neither the Claimant’s Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to temporary disability compensation or a lump sum payment of (what was then) future temporary disability compensation through June 2019. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on appeal or even on remand. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*. In addition, the Appellate Panel has no authority or jurisdiction to speculate as to whether the Claimant is presently totally disabled, whether he has been consistently disabled since last hearing from the Claimant in September 2013, whether any alleged disability after September 2013 is causally-related to the accident, or even whether the Claimant has earned wages since September 2013. See Sola v. Sunny Slope Farms, 244 S.C. 6, 10 (1964) (holding that claimants who assert their right to compensation must establish by the preponderance of the evidence the facts that will entitle them to an award under the Workmen's Compensation Act and such award must not be based on

surmise, conjecture or speculation). The issue of whether the Claimant has been totally disabled since September 2013 is simply not before the Commission and the record contains no evidence upon this issue that could support such an award. In addition, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to S.C. Code Ann. § 42-9-260, "the Defendants are entitled to terminate temporary disability compensation effective...September 23, 2013." This conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case and cannot lawfully be disturbed at this juncture.⁵ See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*. Moreover, no request for a "lump sum" of benefits has ever been made by the Claimant and; therefore, the Appellate Panel's *sua sponte* award violates the Defendants' statutory and constitutional right to Due Process. By awarding a lump sum of benefits for period after this matter was tried before the Hearing Commissioner and the record was closed, the

⁵ Even assuming, *arguendo*, that the Appellate Panel has the authority or jurisdiction to address the Claimant's entitlement to temporary disability benefits for the period after September 23, 2013, the Appellate Panel could only properly address whether the Defendants were permitted to terminate benefits as of the date of the hearing. There is no authority by which the Commission can award a lump sum of future disability benefits absent proof of permanent disability under S.C. Code Ann. §§ 42-9-10, 42-9-20, or 42-9-30. Of course, the Claimant did not appeal the Hearing Commissioner's denial of benefits under S.C. Code Ann. §§ 42-9-10, 42-9-20, or 42-9-30, so the Appellate Panel has no authority to award benefits under these statutes.

Appellate Panel not only violates the Defendants' Due Process Rights, but also forestalls any future argument (should the June 17, 2019 Order be affirmed on appeal) with regard to the Claimant's entitlement to benefits, or the Defendants' right to a credit for overpayment of benefits, for the period after September 23, 2013, based upon actual evidence.

WHEREFORE, the Defendants respectfully request that the Appellate Panel reconsider and vacate its Order dated June 17, 2019 on the basis that the Appellate Panel has made new findings of fact and conclusions of law upon issues over which it has no jurisdiction and where contrary conclusions of the Hearing Commissioner are the final and binding law of the case. The Defendants request that the Appellate Panel enter a new Order, affirming the previous Order of the Appellate Panel dated February 8, 2016 with such necessary amendments to conform to the remand instructions of the Court of Appeal, to wit:

- a. Enter an additional Finding of Fact (#3) to reflect that the Claimant's civil action against the at-fault third party was voluntarily dismissed pursuant to a stipulation of dismissal filed in the Court of Common Pleas on December 5, 2013; and
- b. Amend the second sentence of Conclusion of Law (#3) to state that because the Claimant has taken a voluntary dismissal of his third-party suit, S.C. Code Ann. § "42-1-560 is not applicable. As a result, there is no violation of [section] 42-1-560."

Any further amendment of the February 8, 2016 Appellate Panel Order (or the Hearing Commissioner's Order of September 2, 2014) would exceed the Appellate Panel's jurisdiction and authority on remand, which is prescribed, not only by the Court's remand instructions, but by S.C. Code Ann. § 42-17-50, as well as the Claimant's Form 30 dated September 11, 2014 and the Claimant's Brief to the Appellate Panel dated November 14, 2014, by which he failed to preserve any argument with respect to his entitlement to benefits under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30.

Should the Appellate Panel insist on exercising jurisdiction in excess of that prescribed by S.C. Code Ann. § 42-17-50, the Claimant's Form 30 dated September 11, 2014, and the Claimant's Brief to the Appellate Panel dated November 14, 2014, the Defendants respectfully request that the Appellate Panel reconsider its speculative and impermissibly vague awards of medical and compensation benefits for the period after September 23, 2013 for which there is no evidence in the record and for which the Defendants have not been afforded their statutory and constitutional right to notice and opportunity to be heard.

**MOTION FOR RECONSIDERATION
OF THE APPELLATE PANEL'S
ORDER DATED JUNE 24, 2017**

TO: South Carolina Workers' Compensation Commission and Stephen B. Samuels, Esq.,
attorney for the Claimant;

PLEASE TAKE NOTICE that the above-named Defendants hereby move the South
Carolina Workers' Compensation Commission pursuant to S.C. Code Reg. 67-215(B)¹ to

¹ Regulation 67-215 permits motions to reconsider "if the purpose of the motion is not an attempt to reargue the merits of the dispute." In the case *sub judice*, the Appellate Panel addressed issues which were not before it on appeal, as they were not raised in Claimant's Form 30 or in his Brief to the Appellate Panel, and improperly awarded benefits *sua sponte*, without any notice to the Defendants. Therefore, the Defendants have never been given any opportunity to argue "the merits of the dispute" to the Appellate Panel and their due process rights have been violated. Ross v. Med. Univ. of S.C., 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997) (citing Stono River Envtl. Prot. Ass'n v. S.C. Dep't of Health & Envtl. Control, 305 S.C. 90, 94, 406 S.E.2d 340, 342 (1991)); accord Kurschner v. City of Camden Planning Comm'n, 376 S.C. 165, 171, 656 S.E.2d 346, 350 (2008) (holding the "fundamental requirements of due process include

Reconsider the Appellate Panel's Order dated June 24, 2019². The grounds for said Motion are as follows:

1. This matter came before Commissioner Taylor for a hearing on September 23, 2013 pursuant to the Defendants' Form 21 dated June 13, 2013.
2. By Order dated September 2, 2014, Commissioner Taylor concluded that the Claimant failed to satisfy the requirements of S.C. Code Ann. § 42-1-560. In addition, Commissioner Taylor specifically ruled that the Defendants were entitled to terminate temporary disability pursuant to S.C. Code Ann. § 42-9-260 and § 42-9-210; that the Claimant is not entitled to any additional medical treatment under S.C. Code Ann. § 42-15-60; and that the Claimant is not entitled any benefits under S.C. Code Ann. §§ 42-9-10, 42-9-20, and 42-9-30.
3. The Claimant appealed Hearing Commissioner Taylor's conclusion regarding the application of S.C. Code Ann. § 42-1-560 to the Commission's

notice, an opportunity to be heard in a meaningful way, and judicial review.”). While the Defendants have a statutory and constitutional right of notice and opportunity to be heard on these issues, this motion is proper because it focuses not on the “merits” of the dispute, but on the fact that the Appellate Panel does not have the authority or jurisdiction to even address the dispute.

² Note that the Appellate Panel originally issued an Order dated June 17, 2019; but this June 17, 2019 Order did not include a page 12 when served upon the Defendants. The Defendants notified the Commission of this deficiency in the June 17, 2019 Order, but did not receive the missing page 12 for one week. During this time, the Defendants were forced to file a Motion for Reconsideration of the June 17, 2019 Order, which is currently pending. The Appellate Panel has now issued an Order dated June 24, 2019, which makes no mention of the June 17, 2019 Order, making it unclear whether it has been withdrawn, vacated, or is still in effect.

Appellate Panel. However, the Claimant's Form 30 dated September 14, 2014 raises no argument with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 and elucidates no question as to the Hearing Commissioner's application of these statutes. Therefore, the Claimant did not comply with the requirements of S.C. Code Ann. § 42-17-50 or S.C. Code Reg. 67-701 and, as such, no argument under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 is preserved for review by the Appellate Panel. S.C. Code Reg. 67-701(A)(3)(a) (requiring that "[t]he grounds for appeal must be set out in detail on the Form 30 in the form of questions presented...Each question presented must be concise and concern one finding of fact, conclusion of law, or other proposition the appellant believes is in error."); S.C. Dep't of Transp. v. First Carolina Corp. of S.C., 372 S.C. 295, 301-302, 641 S.E.2d 903, 907 (2007) (holding that to preserve an issue for appeal, it must be raised by the appellant in a timely manner and with sufficient specificity (citing Jean Hoefer Toal *et al.*, Appellate Practice in South Carolina 57 (2d ed. 2002)); Jones v. Anderson Cotton Mills, 205 S.C. 247, 31 S.E.2d 447 (1944) (holding that general exceptions, such as "the commission erred in making an award," are too ambiguous to fulfill the notice requirements of due process and do not preserve an issue for review).

4. Furthermore, the Claimant does not make any argument with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-

30 in his November 14, 2014 Brief to the Appellate Panel³. Of course, mere "conclusory statements unaccompanied by argument and citation to authority are insufficient to preserve an issue for appellate review." State v. Crocker, 366 S.C. 394, 621 S.E.2d 890 (Ct. App. 2005) (citing Fields v. Melrose Ltd. P'ship, 312 S.C. 102, 106, 439 S.E.2d 283, 285 (Ct. App. 1993 (holding that failure to provide argument or supporting authority for an issue renders it abandoned))). Therefore, even if the Claimant had properly raised any argument regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 in his Form 30, he clearly abandoned those issues in his November 14, 2014 Brief, such that the Appellate Panel has no jurisdiction or authority to disturb the Hearing Commissioner's conclusions regarding these statutes.

5. Of course, the Appellate Panel, in reviewing the Hearing Commissioner's September 2, 2014 Decision and Order in the first instance, could have made its own findings and conclusions regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 had they actually been preserved for appeal and argued to the Appellate Panel. Green v. Raybestos-Manhattan, Inc., 250 S.C. 58, 156 S.E.2d 318 (1967); S.C. Code

³ The Claimant's November 14, 2014 Brief to the Appellate Panel raises only 2 arguments, both of which deal solely with the application of S.C. Code Ann. § 42-1-560. In addition, according to the "Conclusion" of the Claimant's November 14, 2014 brief, relief sought by the Claimant did not involve the application of S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. The Claimant's Brief simply does not argue the merits of, or evidentiary support for, any claim for medical or compensation benefits and does not request that the Appellate Panel award benefits under these statutes.

Ann. § 42-17-50. However, the Claimant did not make any argument with regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 in his Form 30 or his Brief to the Appellate Panel; therefore, arguments regarding the application of these statutes cannot now be raised on remand, or at any time in the future. See Patterson v. Reid, 318 S.C. 183, 185, 456 S.E.2d 436, 437 (Ct. App. 1995) (holding that a party cannot raise that issue for the first time in a post-trial motion if the issue could have been initially presented to the trier of fact (citing generally C.A.H. v. L.H., 315 S.C. 389, 434 S.E.2d 268 (1993); Hickman v. Hickman, 301 S.C. 455, 392 S.E.2d 481 (Ct. App. 1990)). Indeed, the right to argue the propriety of the Hearing Commissioner's conclusions regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 was forever relinquished in 2014 with the filing of a Form 30 and a Brief to the Appellate Panel that was silent on these issues. Wall v. CY Thomason Co., 232 S.C. 153, 101 S.E.2d 286 (1957) (holding that an award unappealed from is conclusive not only of the issues actually decided, but also of those that might have been raised before the Commission). Because the "adjudications and awards of compensation boards or commissions...in proceedings for the recovery of compensation, are generally held to be conclusive upon the parties and their privies, as to the matters involved or justiciable therein, so as to preclude, under the doctrine of *res judicata*, the relitigation thereof in subsequent proceedings," the Appellate Panel erred as a matter of law in addressing any issue with respect to S.C. Code

Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 on remand. *Id.* (citing 58 Am. Jur., Workmen's Compensation, Section 493, p. 886; Trigg v. Industrial Commission, 1936, 364 Ill. 581, 5 N.E. (2d) 394, 108 A.L.R. 153; and 122 A.L.R. at pp. 550 *et seq.*)

6. Therefore, the Hearing Commissioner's rulings regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 are the law of the case and neither the appellate courts, nor the Appellate Panel, have any authority to address these statutes on appeal or on remand. (See S.C. Code Ann. § 42-17-50; Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970); Creech v. Ducane Co., 320 S.C. 559, 476 S.E.2d 114, *reh'g denied*, *cert. denied* (Ct. App. 1995) (holding that S.C. Code Ann. § 42-17-50 provides the procedure for appealing a Hearing Commissioner's Order; however, "only issues within the application are preserved for the full Commission"); Ham v. Mullins Lumber Co., 193 S.C. 66, 7 S.E.2s 712 (1940) (holding that all findings of fact and law by the Hearing Commissioner "become and are the law of the case, except only those within the scope of the exception").
7. In addition, because the Hearing Commissioner's rulings regarding S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 are the law of the case, neither the appellate courts, nor the Appellate

Panel have jurisdiction to address any issue with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. Allison v. W.L. Gore & Assoc., 394 S.C. 185, 714 S.E.2d 547 (2011) (holding that the question of compliance with rules, regulations, and statutes governing an appeal is one of appellate jurisdiction the Commission lacks the authority or jurisdiction to extend the fourteen days permitted for the perfecting of an appeal).

8. Considering the fact that the Appellate Panel has no authority and no jurisdiction to address any issue with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, the Defendants respectfully contend that the Appellate Panel acted arbitrarily and erred as a matter of law in awarding benefits under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, or in otherwise disturbing the Hearing Commissioner's unappealed conclusions with regard to these statutes in its June 17, 2019 Order, which should be reconsidered and withdrawn. *See Ex parte Morris*, 367 S.C. 56, 624 S.E.2d 649 (2006) (holding that although the family court erred in rejecting Custodian's request for an evidentiary hearing, the Custodian failed to appeal the family court's ruling that the Custodian "is dismissed as a party," rendering that ruling the law of the case and requiring affirmation of the family court's order).
9. While the Appellate Panel's June 17, 2019 Order vaguely concludes that it has jurisdiction by virtue of the Remittitur from the Court of Appeals, the Order of the Court of Appeals does not, and cannot, extend the Appellate

Panel's jurisdiction to address any unappealed rulings under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. Allison v. W.L. Gore & Assoc., *supra*; see also Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970)); see also Bailey v. Covil Corp., 291 S.C. 417, 354 S.E.2d 35 (1987) (holding that the Supreme Court could not address issues that were not argued before the lower appellate tribunal).

10. In fact, the April 18, 2018 Order from the Court of Appeals says nothing of awarding the Claimant medical or compensation benefits and does not purport to expand the Appellate Panel's jurisdiction vested by virtue of S.C. Code Ann. § 42-17-50 and the Claimant's Form 30, but merely states, "[w]e reverse the Appellate Panel's order and remand for further proceedings consistent with this opinion." Of course, that opinion dealt solely with the application of S.C. Code Ann. § 42-1-560, as the Claimant similarly made no argument with regard to his entitlement to benefits under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 to the Court of Appeals. Therefore, because the Court of Appeals had no authority or jurisdiction to disturb the Hearing Commissioner's conclusions with regard to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, the Appellate Panel should not assume that it remanded any issue with regard to these statutes to the Appellate Panel. See Wilder Corp.

v. Wilke, 330 S.C. 71, 76, 497 S.E.2d 731, 733 (1998) ("It is axiomatic that an issue cannot be raised for the first time on appeal," but must have been first raised and ruled upon by the lower appellate tribunal); Talley v. S.C. Higher Education, 28 S.C. 483, 487 (1986) (citing American Hardware Supply Co., Inc. v. Whitmire, 278 S.C. 607, 300 S.E.2d 289 (1983) for the proposition that it "is an axiomatic rule of law that issues may not be raised for the first time on appeal" to a higher appellate court, when not raised by the lower reviewing court).

11. As such, the Remand and Remittitur from the Court of Appeals merely returned the claim to the Appellate Panel to address the issues actually raised in the Claimant's November 14, 2014 Brief to the Appellate Panel, consistent with the Court's analysis of S.C. Code Ann. § 42-1-560, and consistent with the Appellate Panel's jurisdiction under S.C. Code Ann. § 42-17-50. To accomplish this task, the Appellate Panel was only empowered to amend its February 8, 2016 Order as follows:
 - a. To make an additional Finding of Fact (#3), consistent with the Order of the Court of Appeals, to reflect that the Claimant's civil action against the at-fault third party was voluntarily dismissed pursuant to a stipulation of dismissal filed in the Court of Common Pleas on December 5, 2013.
 - b. To amend the second sentence of Conclusion of Law (#3), consistent with the Order of the Court of Appeals, to state that because the Claimant has taken a voluntary dismissal of his third-party suit, S.C.

Code Ann. § “42-1-560 is not applicable. As a result, there is no violation of [section] 42-1-560.”

12. The Defendants respectfully contend that, not only does the Appellate Panel’s June 24, 2019 Order exceed the Commission’s authority and jurisdiction, but the Order also constitutes an abuse of discretion by the Commission and otherwise violates the Defendant’s right to due process and equal protection under the law, including their right to notice and opportunity to be heard on the issues addressed, *sua sponte*, and without notice by the Appellate Panel, regarding the application of S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. These issues were not preserved for appeal by the Claimant in his Form 30 or his 2014 Brief to the Appellate Panel and were not addressed by the Court of Appeals; therefore, the Defendants did not and could not have had an opportunity to address these issues on appeal in the first instance, much less on remand, and the Defendants were not given any notice that the Appellate Panel intended to address these issues *sua sponte* in June 2019. The Constitution of the United States of America and the Constitution of the State of South Carolina guarantee due process and equal protection rights to all parties. See U.S. Const. amend. V; U.S. Const. amend. XIV, § 1; S.C. Const. art. I, § 3 & § 22. The South Carolina Constitution provides:

“The privileges and immunities of citizens of this State and of the United States under this Constitution shall not be abridged, nor shall any person be deprived of life, liberty, or property without due

process of law, nor shall any person be denied the equal protection of the laws." S.C. Const. art. I, § 3.

Our state Constitution additionally assures:

"No person shall be finally bound by a judicial or quasi-judicial decision of an administrative agency affecting private rights except on due notice and an opportunity to be heard; nor shall he be subject to the same person for both prosecution and adjudication; nor shall he be deprived of liberty or property unless by a mode of procedure prescribed by the General Assembly, and he shall have in all such instances the right to judicial review." S.C. Const. art. I, § 22.

The South Carolina Supreme Court has interpreted this provision to provide "persons the right to notice and an opportunity to be heard by an administrative agency." Ross v. Med. Univ. of S.C., 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997) (citing Stono River Envtl. Prot. Ass'n v. S.C. Dep't of Health & Envtl. Control, 305 S.C. 90, 94, 406 S.E.2d 340, 342 (1991)); accord Kurschner v. City of Camden Planning Comm'n, 376 S.C. 165, 171, 656 S.E.2d 346, 350 (2008) (holding the "fundamental requirements of due process include notice, an opportunity to be heard in a meaningful way, and judicial review."). At a minimum, due process requires adequate notice and adequate opportunity for a hearing. Clear Channel Outdoor v. City of Myrtle Beach, 372 S.C. 230, 235, 642 S.E.2d

565, 567 (2007) (citing In re Vora, 354 S.C. 590, 595, 582 S.E.2d 413, 416 (2003)); accord Dangerfield v. State, 376 S.C. 176, 179, 656 S.E.2d 353, 354 (2008). Importantly, an interested party must be given notice “reasonably calculated under all circumstances to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections.” Blanton v. Stathos, 351 S.C. 534, 542, 570 S.E.2d 565, 569 (2002) (citing Mullane v. Cent. Hanover Bank & Trust Co., 339 U.S. 306, 314 (1950); Murdock v. Murdock, 338 S.C. 322, 334, 526 S.E.2d 241, 248 (Ct. App. 1999)). Here, the Appellate Panel wholly failed to apprise the Defendants of their intent to address arguments regarding the application of S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, which were not preserved for appeal and which were not even briefed⁴ or argued before the Appellate Panel at the initial review hearing in 2015. Therefore, the Defendants have been denied due process and the Appellate Panel’s Order of June 24, 2019 should be reconsidered and vacated. Leventis v. S.C. Dep’t of Health & Envtl. Control, 340 S.C. 118, 131-132, 530 S.E.2d 643, 650 (Ct. App. 2000) (holding that to “prove the denial of due process in an administrative proceeding, a party must show that it was substantially prejudiced by the administrative process”)(quoting Ogburn-Matthews v. Loblolly Partners, 332 S.C. 551,

⁴ The Claimant raised no argument with regard to regarding the application of S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 in his brief; however, the Defendants did argue to the Appellate Panel that the Hearing Commissioner’s conclusions about these statutes are the law of the case.

561, 505 S.E.2d 598, 603 (Ct. App. 1998), overruled on other grounds by Brown v. S.C. Dep't of Health & Envtl. Control, 348 S.C. 507, 560 S.E.2d 410 (2002)). The Defendants' right of equal protection has likewise been infringed by the Appellate Panel's failure to adhere to the statutory mandates of S.C. Code Ann. § 42-17-50 and to confine its inquiry and its order to those matters properly before it.

13. In addition, because the Appellate Panel does not have power, authority, or jurisdiction to disturb the Hearing Commissioner's conclusions of law with respect to S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30 by virtue of S.C. Code Ann. § 42-17-50, and because the Appellate Panel's award of benefits under these statutes violates the Defendants' right to due process and equal protection, the Appellate Panel should reconsider and withdraw the following findings of fact:
 - a. Finding of Fact #11 addresses the Defendants' provision of medical treatment with Dr. Greg Jones; however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the provision of medical treatment or the opinions of Dr. Jones. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants' right to due process and equal protection under the law. Creech v. Ducane Co., 320 S.C. 559, 476 S.E.2d 114, *reh'g denied*, *cert. denied* (Ct. App. 1995); Ross v. Med. Univ. of S.C., 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997).

- b. Finding of Fact #12 addresses the opinions of the Claimant's family physician, Dr. Abel, regarding physical therapy and an EMG; however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the opinions of Dr. Abel, or his entitlement to physical therapy or and EMG. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. Green v. City of Columbia, 311 S.C. 78, 427 S.E.2d 685 (Ct.App.1993) (holding the Full Commission does not have authority to address an issue not raised in a Form 30, Application for Review). Furthermore, by addressing these issues on remand, without notice to the Defendants, or allowing the Defendants any opportunity to address these issues on appeal, the Appellate Panel violated the Defendants' right to due process and equal protection. Blanton v. Stathos, 351 S.C. 534, 542, 570 S.E.2d 565, 569 (2002).
- c. Finding of Fact #13 addresses the opinions of Dr. Poletti, who performed a one-time independent medical evaluation at the request of the Claimant's attorney, regarding the Claimant's alleged need for additional medical treatment. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the opinions of Dr. Poletti, or his entitlement to additional medical treatment generally. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants' right to due process and equal protection

under the law. See Creech v. Ducane Co. and Green v. City of Columbia, supra.; Ross v. Med. Univ. of S.C., supra.

- d. Finding of Fact #14 addresses whether the Claimant is at maximum medical improvement; however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the issue of maximum medical improvement. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants' right to due process and equal protection under the law. See Creech v. Ducane Co. and Green v. City of Columbia, supra.; Ross v. Med. Univ. of S.C., supra.
- e. Finding of Fact #14 further addresses the weight and credibility of the medical evidence regarding the issue of additional medical treatment. However, however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the weight or credibility of the evidence on the issue of additional medical treatment. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants' right to due process and equal protection under the law. See Creech v. Ducane Co. and Green v. City of Columbia, supra.; Ross v. Med. Univ. of S.C., supra.
- f. Finding of Fact #15, also addresses the weight and credibility of the medical evidence and contains a legal conclusion regarding the need for

additional medical treatment, including surgery. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the weight or credibility of the evidence on the issue of additional medical treatment, or his entitlement to additional medical treatment, including surgery. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act" to the Court of Appeals, making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970)); see also Ex parte Morris, 367 S.C. 56, 624 S.E.2d 649 (2006). Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand, to award additional medical benefits, or to disturb the previously unappealed legal conclusion with regard to additional medical treatment. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*. Furthermore, by addressing these issues on remand, without notice to the Defendants, or allowing the Defendants any opportunity to address these issues on appeal, the

Appellate Panel violated the Defendants' right to due process and equal protection under the law. Blanton v. Stathos, 351 S.C. 534, 542, 570 S.E.2d 565, 569 (2002).

- g. Finding of Fact #16, which is also a legal conclusion, addresses the Claimant's right to direct and control the provision of medical treatment and the appointment of Dr. Poletti as the authorized treating physician. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right to direct or control the provision of medical treatment or the appointment of Dr. Poletti as the authorized treating physician. In fact, the Claimant did not even request that the Hearing Commissioner appoint Dr. Poletti as the authorized treating physician and the Hearing Commissioner; therefore, did not address this issue (because it was not an issue.) Moreover, neither the Claimant's Form 58, Pre-Hearing Brief, dated August 5, 2013, nor his arguments at the September 23, 2013 Hearing (*see* Hrg. T. pp.10—11), makes even the slightest suggestion that the Defendants should be deprived of their statutory rights under S.C. Code Ann. § 42-15-60 and § 42-15-80 and; therefore, this issue was not preserved for review by the Appellate Panel in the first instance and is certainly not properly before the Appellate Panel on remand. *See Pratt v. Morris Roofing, Inc.*, 353 S.C. 339, 577 S.E.2d 475 (Ct. App. 2003) (holding the Claimant "did not raise this issue before the Single Commissioner or in his Request for Commission

Review of the Single Commissioner's order. The issue was not ruled upon by the Commissioner, the Full Commission, or the Circuit Court. Concomitantly, the issue is not preserved for our review")(rehearg denied, cert. granted, affirmed as modified 357 S.C. 619, 594 S.E.2d 272).

Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act," making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*. Therefore, the Appellate Panel has no authority or jurisdiction to address the issue of additional medical treatment on remand, or to order a change in the authorized treating physician, or to appoint Dr. Poletti as the authorized treating physician, or to otherwise disturb the previously unappealed legal conclusion with regard to additional medical treatment. See Creech v. Ducane Co. and Green v. City of Columbia, *supra*; see also Wilder Corp. v. Wilke, *supra*. Additionally, by addressing this argument, *sua sponte*, on appeal, despite the binding legal conclusions of the Hearing Commissioner, and without notice or opportunity for the Defendants to ever address this issue, violates the Defendants' statutory and constitutional rights to due process and equal protection under the law. Ross v. Med. Univ. of S.C., 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997).

h. Finding of Fact #17, which is also actually a legal conclusion, addresses the Claimant's entitlement to an evaluation with an orthopaedic surgeon "to obtain updated MRI scans and an assessment of Claimant's continued complaints of pain in his right knee." Not only is there no medical evidence in the record that the Claimant requires "updated MRI scans" of his right knee, but there is no evidence that the Claimant "continues" to complain of pain in his right knee because the Claimant has not given testimony in this case since September 23, 2013 – 5 years and 9 months ago. Moreover, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right knee, makes no request for an MRI of his right knee, and makes no request for additional treatment for his right knee. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants' right to due process and equal protection under the law. See Creech v. Ducane Co. and Green v. City of Columbia, *supra.*; Ross v. Med. Univ. of S.C., *supra.* Furthermore, the Appellate Panel has no authority or jurisdiction to speculate as to the current condition of the Claimant's right knee or any need for medical treatment or diagnostic studies at the present time. See Sola v. Sunny Slope Farms, 244 S.C. 6, 10 (1964) (holding that claimants who assert their right to compensation must establish by the preponderance of the evidence the facts that will entitle them to an award under the Workmen's Compensation Act and

such award must not be based on surmise, conjecture or speculation). In addition, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act." This conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*. Even if the issue of additional medical treatment for the right knee were properly before the Appellate Panel, any award of medical treatment for the right knee must be predicated upon a factual finding, based upon actual evidence, that the proposed treatment would "tend to lessen the period of disability," as plainly required by S.C. Code Ann. § 42-15-60; however, here the Appellate could not and did not make any such factual finding, which is plain legal error. See Shealy v. Algernon Blair, Inc., 250 S.C. 106, 110, 156 S.E.2d 646, 658 (1967)., (holding that "awards without such specific findings do not comply with the requirements of the [workers' compensation] act and are illegal").

- i. Finding of Fact #18, which is also actually a legal conclusion, addresses the Claimant's entitlement to temporary disability compensation "to the present and continuing" and "to a lump-sum award of any back payment of temporary disability benefits due." Not only did the Appellate Panel

fail to make and predicate finding of current, causally-related loss of wage-earning capacity, but there is no evidence in the record to support a finding that the Claimant is disabled at "present and continuing" because the record in this case was closed in September 2013. *See Airco, Inc. v. Hollington*, 269 S.C. 152, 160, 236 S.E.2d 804, 808 (1977) (finding that the commission has a statutory duty to make a finding of fact for all "essential factual issues."). More importantly, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to temporary disability compensation or a lump sum payment, therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand. *See Creech v. Ducane Co.* and *Green v. City of Columbia*, *supra*. Furthermore, the Appellate Panel has no authority or jurisdiction to speculate as to the Claimant's current ability to earn wages, or his ability to do so at any time since September 2013. *See Sola v. Sunny Slope Farms*, 244 S.C. 6, 10 (1964) (holding that claimants who assert their right to compensation must establish by the preponderance of the evidence the facts that will entitle them to an award under the Workmen's Compensation Act and such award must not be based on surmise, conjecture or speculation). In addition, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to "S.C. Code Ann. Sec. 42-9-260, the Defendants are entitled to terminate temporary disability compensation effective...September 23, 2013." This

conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, *supra*. Finally, by addressing this issue, *sua sponte*, on appeal, despite the binding legal conclusions of the Hearing Commissioner, and without notice or opportunity to make any arguments on appeal or on remand, violates the Defendants' statutory and constitutional rights to due process and equal protection. Ross v. Med. Univ. of S.C., 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997).

- j. The June 24, 2019 Appellate Panel Order acknowledges that “the Claimant testified that he fell down a flight of stairs at his mother’s house in November 2011 and again in January of 2012 and re-injured his back and neck on both occasions. (Hrg. Transcript p. 34, ll.2–7).” While the Defendants maintain that the fact of these two intervening accidents breaking the chain of causation are moot given the conclusive nature of Hearing Commissioner Taylor’s denial of benefits S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30, the Defendants would respectfully argue that if the Appellate Panel is going to address benefits under these statutes, it is incumbent upon the Appellate Panel to address the fact of these intervening, non-work-related accidents. Based upon the Claimant’s own admission, the proximate cause of the Claimant’s neck and low back problems is not work-related, but instead his problems are due to falls down a flight of

stairs at home in November 2011 and again in January of 2012.

Conclusion of Law #3 acknowledges that an "intervening cause" can break the chain of causation, but fails to apply this law to the facts of the case, making the conclusion improper, and impermissibly vague.

- k. Conclusion of Law #4 address the issue of maximum medical improvement; however, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to the issue of maximum medical improvement. Therefore, the Appellate Panel has no authority or jurisdiction to address this issue on remand and, in so doing, violated the Defendants' right to due process and equal protection under the law. See Creech v. Ducane Co. and Green v. City of Columbia, supra.; Ross v. Med. Univ. of S.C., supra
- l. Conclusion of Law #5 addresses the Claimant's right to direct and control the provision of medical treatment and the appointment of Dr. Poletti as the authorized treating physician. However, neither the Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right to direct or control the provision of medical treatment or the appointment of Dr. Poletti as the authorized treating physician. In fact, the Claimant did not even request that the Hearing Commissioner address this issue or appoint Dr. Poletti as the authorized treating physician. Neither the Claimant's Form 58, Pre-Hearing Brief, dated August 5, 2013, nor his arguments at the September 23, 2013 Hearing (see Hrg. T. pp.10—11), makes even the

slightest suggestion that the Defendants should be deprived of their statutory rights under S.C. Code Ann. § 42-15-60 and § 42-15-80. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act," making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. *See Atl. Coast Builders & Contractors, LLC v. Lewis, supra.* Therefore, the Appellate Panel has no authority or jurisdiction to address this issue on remand, or to order a change in the authorized treating physician, to appoint Dr. Poletti as the authorized treating physician, or to otherwise disturb the previously unappealed legal conclusion with regard to additional medical treatment. *See Creech v. Ducane Co. and Green v. City of Columbia, supra; see also Wilder Corp. v. Wilke, supra.* Lastly, by addressing this argument, *sua sponte*, on appeal, despite the binding legal conclusions of the Hearing Commissioner, and without notice or opportunity to ever address the appointment of Dr. Poletti, violates the Defendants' statutory and constitutional rights to due process and equal protection under the law. *Ross v. Med. Univ. of S.C.*, 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997).

- m. Conclusion of Law #5 further addresses the Claimant's entitlement to additional medical treatment, including surgery. However, neither the

Claimant's Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his alleged entitlement to additional medical treatment, including surgery. Furthermore, the Claimant did not appeal the Appellate Panel's previous (February 8, 2016) legal conclusion (#13) that pursuant to S.C. Code Ann. § 42-15-60, "the Defendants shall have no liability for any additional medical care or treatment under the Workers' Compensation Act," making this conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed, the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, 398 S.C. 323, 329, 730 S.E.2d 282, 285 (2012) (holding that "an unappealed ruling, right or wrong, is the law of the case" and citing Buckner v. Preferred Mut. Ins. Co., 255 S.C. 159, 160-61, 177 S.E.2d 544 (1970)). Therefore, the Appellate Panel has no authority or jurisdiction to award additional medical treatment, including surgery, on remand, or disturb the previously unappealed legal conclusion with regard to additional medical treatment. See Creech v. Duane Co. and Green v. City of Columbia, *supra*. In addition, by addressing this issue, *sua sponte*, on appeal, despite the binding legal conclusions of the Hearing Commissioner, and without notice or opportunity to address this issue on appeal or on remand, violates the Defendants' statutory and constitutional rights to due process and equal protection under the law. Ross v. Med. Univ. of S.C., 328 S.C. 51, 68, 492 S.E.2d 62, 71 (1997).

- n. Conclusion of Law #5 further also purports to make a blanket award of future medical treatment that has not even been recommended, which is plain legal error. Even if the Appellate Panel had jurisdiction to award future medical benefits, the Appellate Panel has no authority to make a blanket award of benefits that includes vague entitlement to “any referral made by Dr. Poletti.” The Commission’s authority is clearly prescribed by S.C. Code Ann. § 42-15-60 and limited to awards of medical treatment that have actually been proved to “lessen the period of disability” with actual expert medical evidence “stated to a reasonable degree of medical certainty.” There is no statutory authority for an award of speculative future treatment or referrals for which no recommendation has even been made.
- o. Conclusion of Law #5 also addresses the Claimant’s entitlement to additional medical treatment for his right knee.” Not only is there no medical evidence in the record stated to the requisite “reasonable degree of medical certainty” that the Claimant requires any additional medical treatment for his right knee to lessen any alleged period of disability, but neither the Claimant’s Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to his right knee and makes no request for additional treatment for his right knee. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants’ right to due process and equal protection under the law. See Creech v. Ducane Co.

and Green v. City of Columbia, supra.; Ross v. Med. Univ. of S.C., supra. Furthermore, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to S.C. Code Ann. § 42-15-60, “the Defendants shall have no liability for any additional medical care or treatment under the Workers’ Compensation Act.” This conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case. See Atl. Coast Builders & Contractors, LLC v. Lewis, supra.

- p. Conclusion of Law #6 awards the Claimant “temporary total disability benefits from August 11, 2011 through the present and continuing” and further awards the Claimant “a lump-sum payment of any back-owed TTD accrued during litigation. The Appellate Panel was without authority or jurisdiction to make this award, which is otherwise premised on impermissible surmise, conjecture, and speculation, and premised upon an error of law. Furthermore, neither the Claimant’s Form 30, nor his November 14, 2014 Brief to the Appellate Panel, makes any argument with respect to temporary disability compensation or a lump sum payment of (what was then) future temporary disability compensation through June 2019. Therefore, the Appellate Panel has no authority or jurisdiction to address these issues on remand and, in so doing, violated the Defendants’ right to due process and equal protection under the law. See Creech v. Ducane Co. and Green v. City of Columbia, supra.; Ross v. Med. Univ. of

S.C., *supra*. In addition, the Appellate Panel has no authority or jurisdiction to speculate as to whether the Claimant is presently totally disabled, whether he has been consistently disabled since last hearing from the Claimant in September 2013, whether any alleged disability after September 2013 is causally-related to the accident; or even whether the Claimant has earned wages since September 2013. *See Sola v. Sunny Slope Farms*, 244 S.C. 6, 10 (1964) (holding that claimants who assert their right to compensation must establish by the preponderance of the evidence the facts that will entitle them to an award under the Workmen's Compensation Act and such award must not be based on surmise, conjecture or speculation). The issue of whether the Claimant has been totally disabled since September 2013 is simply not before the Commission and the record contains no evidence upon this issue that could support such an award. In addition, the Appellate Panel is without authority or jurisdiction to disturb the unappealed legal conclusion that, pursuant to S.C. Code Ann. § 42-9-260, "the Defendants are entitled to terminate temporary disability compensation effective...September 23, 2013." This conclusion, which was originally entered by the Hearing Commissioner and thereafter unappealed to either the Appellate Panel or the Court of Appeals, is the law of the case and cannot lawfully be disturbed at this juncture.⁵ *See Atl. Coast*

⁵ Even assuming, *arguendo*, that the Appellate Panel has the authority or jurisdiction to address the Claimant's entitlement to temporary disability benefits for the period after September 23, 2013; the Appellate Panel could only properly address whether the Defendants were permitted to terminate benefits as of the date of the hearing. There is

Builders & Contractors, LLC v. Lewis, supra. Moreover, by awarding a lump sum of benefits for period after this matter was tried before the Hearing Commissioner and the record was closed, the Appellate Panel not only violates the Defendants' due process and equal protection right, but also forestalls any future argument (should the June 24, 2019 Order be affirmed on appeal) with regard to the Claimant's entitlement to benefits, or the Defendants' right to a credit for overpayment of benefits, for the period after September 23, 2013, based upon actual evidence after notice and opportunity to be heard.

WHEREFORE, the Defendants respectfully request that the Appellate Panel reconsider and vacate its Order dated June 24, 2019 on the basis that the Appellate Panel has made new findings of fact and conclusions of law upon issues over which it has no authority or jurisdiction and where contrary conclusions of the Hearing Commissioner are the final and binding law of the case. The Defendants request that the Appellate Panel enter a new Order, affirming the previous Order of the Appellate Panel dated February 8, 2016 with such necessary amendments to conform to the remand instructions of the Court of Appeal, to wit:

no authority by which the Commission can award a lump sum of future disability benefits absent proof of permanent disability under S.C. Code Ann. §§ 42-9-10, 42-9-20, or 42-9-30. Of course, the Claimant did not appeal the Hearing Commissioner's denial of benefits under S.C. Code Ann. §§ 42-9-10, 42-9-20, or 42-9-30, so the Appellate Panel has no authority to award benefits under these statutes.

- a. Enter an additional Finding of Fact (#3) to reflect that the Claimant's civil action against the at-fault third party was voluntarily dismissed pursuant to a stipulation of dismissal filed in the Court of Common Pleas on December 5, 2013; and
- b. Amend the second sentence of Conclusion of Law (#3) to state that because the Claimant has taken a voluntary dismissal of his third-party suit, S.C. Code Ann. § "42-1-560 is not applicable. As a result, there is no violation of [section] 42-1-560."

Any further amendment of the February 8, 2016 Appellate Panel Order (or the Hearing Commissioner's Order of September 2, 2014) would exceed the Appellate Panel's authority and jurisdiction on remand, which is prescribed, not only by the Court's remand instructions, but by S.C. Code Ann. § 42-17-50, as well as the Claimant's Form 30 dated September 11, 2014 and the Claimant's Brief to the Appellate Panel dated November 14, 2014, by which he failed to preserve any argument with respect to his entitlement to benefits under S.C. Code Ann. §§ 42-9-210, 42-9-260, 42-15-60, 42-9-10, 42-9-20, or 42-9-30. Any further amendment of the February 8, 2016 Appellate Panel Order (or the Hearing Commissioner's Order of September 2, 2014) would also serve to violate the Defendants' right to due process and equal protection under the law, as the Appellate Panel failed to give the Defendants any notice or opportunity to be heard on remand regarding issues that were long-since abandoned by the Claimant and the Appellate Panel otherwise failed to properly exercise their statutory authority and jurisdiction in entering its June 24, 2019 Order.

Should the Appellate Panel insist on exercising jurisdiction and authority in excess of that prescribed by S.C. Code Ann. § 42-17-50, the Claimant's Form 30 dated September 11, 2014, and the Claimant's Brief to the Appellate Panel dated November 14, 2014, the Defendants respectfully request that the Appellate Panel reconsider its speculative and impermissibly vague awards of medical and compensation benefits for the period after September 23, 2013 for which there is no evidence in the record and for which the Defendants have not been afforded their statutory and constitutional right to notice and opportunity to be heard.

Page 5 1 that? 2 MS. BARR: Yes, Your Honor. We did include 3 the SLED report, it's APA No. 1, in part due to the fact 4 that the delay in this matter was due in part to 5 Mr. Rose's recent incarceration, but there's also 6 contained in that arrest record crimes of moral turpitude 7 which we believe would affect claimant's credibility. I 8 don't have a problem redacting some of the minor 9 offenses, but I believe it's within the discretion of 10 you, Your Honor, to weigh and accord it the way you feel 11 it is appropriate. 12 THE COURT: Okay. And that is -- that's what 13 I'm going to do. I'm going to weigh it and give it 14 whatever weight it's due. 15 MR. FISHER: Yes. 16 THE COURT: Any other objections? 17 MS. BARR: Yes, Your Honor. There is one late 18 APA submission from the claimant. It is a medical report 19 from Dr. Wildstein dated 12/14/11. I'm not sure how he's 20 included it in his APA submission or what page number 21 he's given it, but this was only served on the parties -- 22 I received it on Friday. So we don't believe it meets 23 the statutory -- the regulatory requirement of 67-6-12 24 because we weren't afforded the 15 day's notice of that 25 report. Kimberly T. Power, Court Reporter	Page 7 1 MR. WARDER: No, sir. 2 THE COURT: Where is that medical report? 3 MR. FISHER: Just one second, sir. 4 MS. BARR: Is it Page 56? 5 MR. FISHER: It's 56 and 57. 6 THE COURT: Mr. Fisher, do you disagree with 7 Ms. Barr's assessment that it suggests something 8 different than the earlier medical report? 9 MR. FISHER: Oh, yes, sir, I do. I do agree 10 with her assessment, that it -- that it does. My client 11 has been denied medical treatment by both of these 12 parties ever since we started. We did the best we could 13 with regard to getting him the treatment that we could 14 get him. He hasn't had any money since we started this 15 proceeding back in August. And I admit that that -- that 16 it's late and it does change. But if the claim is found 17 to be compensable, that's all we're asking for. We're 18 not asking for a determination with regard to you 19 ordering the surgery today. We're not asking for a 20 determination with regard to anything other than, you 21 know, a compensable claim right now. So if you want to 22 remove that, I don't think -- I don't think that would 23 prejudice us in any way. 24 THE COURT: Okay. Well, it's not timely, so 25 it's out. All right. Anything else? Kimberly T. Power, Court Reporter
Page 6 1 THE COURT: Mr. Fisher? 2 MR. FISHER: We didn't receive that report 3 until late. We submitted it when we received it. I 4 don't think it prejudiced any one in any way because 5 Dr. Wildstein has other records that are part of this 6 case. But all we're asking for, again, is a finding of 7 compensability and, you know, treatment. But I don't 8 think it prejudice any one in any way because they're 9 aware that Dr. Wildstein has treated Mr. Rose in the past 10 and I don't think it affects them in any way adversely. 11 MS. BARR: Your Honor, prior to Friday, the 12 most recent record from Dr. Wildstein that had been 13 submitted by the claimant is APA Page 44 and said, "I 14 don't think he's currently a reasonable surgical 15 candidate as most of his complaints are rather 16 non-specific and out of proportion with his physical exam 17 findings." The late APA submission says something quite 18 different and recommends potentially surgical treatment. 19 It does drastically change the nature of his opinions and 20 would have been something we would have responded to if 21 afforded the opportunity under the regulation. 22 THE COURT: Okay. Anything else from 23 Ms. Coffield? 24 MS. COFFIELD: Not on the APAs. No, sir. 25 THE COURT: Mr. Warder, anything else? Kimberly T. Power, Court Reporter	Page 8 1 (No response.) 2 THE COURT: All right. The Commission file 3 becomes part of the record with the exception of 4 self-serving declarations and unstipulated medical 5 reports. 6 Mr. Fisher, would you please state your 7 client's position for the record? 8 MR. FISHER: Yes, sir. Samuel Rose was 9 injured on August 10, 2011. He was an employee of JJS 10 Trucking. JJS Trucking was a subcontractor to Chris 11 Thompson Services. On August 10, 2011, he picked up a 12 load of woodchips. He was taking the woodchips from a 13 sawmill in Summerville to a paper mill in North 14 Charleston. On his way there, another Chris Thompson 15 truck that was behind him hit him, knocked him into a 16 wall. Both vehicles burned up. They were totaled. 17 My client was injured. He was taken to MUSC. 18 He was hospitalized for a period of time following the 19 accident. He filed a workers' compensation claim 20 alleging injuries to his head, knee, leg, back, the neck. 21 We filed that with JJS Service -- JJS Trucking. Excuse 22 me. We found out JJS Trucking didn't have any insurance, 23 so we went upstream to Chris Thompson asking for them to 24 pay his benefits. Benefits were denied. 25 My client started -- he's received \$75 a week Kimberly T. Power, Court Reporter

Page 9 1 benefits since going back to the day he was hurt. His 2 comp rate is \$433.34 or \$433. His medical bills from 3 MUSC haven't been paid. None of his medical bills have 4 been paid. 5 We're just set -- we're here today asking for 6 you to find this to be a compensable claim award. His 7 entitlement to medical treatment, payment of any medical 8 bills that he's incurred as a result of this accident. 9 We're asking for him to be compensated \$433 a week back 10 to the day that he got hurt because he hasn't worked 11 since this accident occurred. And, of course, they would 12 be entitled to a \$75 a week credit for what they've paid. 13 We're just looking for, again, you to find this 14 compensable and award him the benefits that he deserves 15 in accordance with the Act. Thank you, sir. 16 THE COURT: Thank you. Ms. Barr. 17 MS. BARR: Thank you, Your Honor, and thank 18 you for your patience in allowing to get our positions on 19 the record. It is true the claimant was a direct 20 employee of JJS Trucking which is Chris Thompson 21 Services, my client's subcontractor. We don't dispute 22 that there was an accident as alleged on August 10 of 23 2011, although we do dispute the severity or permanency 24 of those injuries and the need for future treatment. 25 But most importantly our position here today Kimberly T. Power, Court Reporter	Page 11 1 that UEF has unreasonably denied the request and has 2 submitted a return to the petition. 3 Now, the petition was originally filed back in 4 January and the issues raised back as early as our Form 5 50 and again on a pre-hearing brief in November of 2010. 6 But on a more recent return to our petition, the UEF 7 claims that the statute places some obligation on Chris 8 Thompson to -- to -- to update a representation of 9 coverage because it does not contain a policy number, but 10 simply lists that there is a binding insurance contract. 11 We believe that the details of the coverage, including 12 the coverage period, the coverage limits, the name of the 13 insurer were all accurate representations of the coverage 14 that was in fact written by Travelers. I believe 15 Travelers -- and I'll ask Mr. Warder to speak to this, 16 but that Travelers would stipulate that it insured JJS as 17 of October 18, 2010, the date the Certificate of 18 Insurance, due to a contract that initially covered the 19 period from October 8, 2010 to October 8, 2011. 20 Therefore the representations contained in that 21 Certificate of Insurance at the time it was issued were 22 correct despite the fact the policy later lapsed. 23 Would Travelers be in a position to stipulate 24 to that fact? 25 MR. WARDER: The -- certainly Travelers gave Kimberly T. Power, Court Reporter
Page 10 1 is that we believe we would be entitled to transfer 2 liability to the South Carolina Uninsured Employers Fund 3 under Statute 42-1-415 because JJS Trucking and its 4 principal, Mr. Cedric Smalls, represented -- represented 5 himself to Chris Thompson as having workers' comp 6 insurance at the time he was initially engaged to perform 7 work for and Chris Thompson Services and, thereafter, 8 updated the Certificate of Insurance and that 9 representation of coverage on an annual basis. On 10 October 18, 2010, Chris Thompson Services obtained an 11 ACORD Form 25 Certificate of Insurance showing that JJS 12 Trucking was covered by a contract with workers' 13 compensation issued by Travelers Insurance for the period 14 from October 8, 2010 to October 8, 2011. And that's Page 15 39 of our APA submissions. 16 At no time prior to Mr. Rose's accident did 17 JJS Trucking, Cedric Smalls, the Swamp Fox Insurance 18 Agency which was the producer of this policy, Travelers 19 or any other person or entity notify Chris Thompson 20 Services that his coverage had changed or lapsed. And as 21 required by Section 42-1-415, Chris Thompson Services and 22 his insurance carrier, Bridgefield, have paid temporary 23 total disability benefits since the date of accident and 24 request as a part of their petition to transfer liability 25 that the UEF reimburse these benefits to us. We believe Kimberly T. Power, Court Reporter	Page 12 1 the authority to Swamp Fox Agency to write insurance on 2 their behalf. And at the time that the policy was 3 created and inbound initially and a deposit was made, it 4 was fully in effect and it was a valid policy. And 5 therefore later on afterwards, due to non-payment, it was 6 cancelled later on. But, yes, otherwise we would have no 7 cancellation of anything or a policy in existence. They 8 certainly had the authority of Travelers to write 9 policies on their behalf because they're an insurance 10 agent. 11 MS. BARR: For these reasons we believe that 12 the certificate that we rely upon is a valid 13 representation of insurance as required by 42-1-415. 14 The second argument the UEF raises is that the 15 Certificate of Insurance is not proper documentation of 16 insurance because it doesn't contain a description of 17 operations. They cite the Hopper case and Regulation 18 67-4-15. Now, Hopper, which I believe you now have a 19 copy of, has an important distinction that makes it not 20 applicable to this case. And you will see that the court 21 noted that this certificate, the certificate at play in 22 Hopper, contained no information regarding the policy -- 23 the coverage that the policy provided. And, in fact, the 24 Certificate of Insurance we rely upon does contain a 25 detailed description of the policy terms including the Kimberly T. Power, Court Reporter

Page 13 1 policy period and policy limits and, therefore, we 2 believe it is distinguishable. 3 Furthermore, Hopper dealt with an out-of-state 4 employer or multi-state employer and the regulations add 5 additional burdens for Certificate of Insurance for an 6 out-of-state employer under 67-415, and the description 7 of operations is required for an out-of-state employer. 8 That's not an issue here. Mr. Cedric Smalls, JJS 9 Trucking, is right here in North Charleston, South 10 Carolina and -- and -- and has no multi-state operations. 11 So we believe that that alleged deficiency does not 12 defeat our ability to transfer. 13 The third issue they raise is that the 14 Certificate of Insurance is invalid because they contest 15 the authority of David Hayes. But as you've heard from 16 Travelers's attorney, they don't dispute the authority of 17 Swamp Fox Agency, the principal of which is David Hayes, 18 to issue a Certificate of Insurance on their behalf. 19 Furthermore, there's no requirement under the 20 statute or the regulations that we investigate the 21 authority of the signator. We simply can rely on a 22 reasonable representation of insurance and that's what we 23 did. On the face of that Certificate of Insurance, it 24 raises no red flag about the authority of the signator. 25 We even took an extra step because my client didn't Kimberly T. Power, Court Reporter	Page 15 1 interpretation. 2 The UEF, their sixth claim is that we should 3 have obtained a new Certificate of Insurance each time 4 JJS pulled a load on behalf of Chris Thompson Services. 5 This is certainly belied by the statutory interpretation 6 of this case -- of this statute. JJS only performed one 7 service for JJS, was engaged a single time to do a single 8 service, and that's to go back and forth between two 9 mills. The terms of this engagement never changed, and 10 for that reason we did not need to continually update the 11 certificate each time he pulled a load. 12 We believe that we have met all the 13 requirements and we appreciate your consideration. 14 THE COURT: All right. Ms. Cofield. 15 MS. COFIELD: Yes, Your Honor. It's been a 16 long established policy that a statutory employer bears 17 the absolute liability to injured workers. Section 18 42-1-415 was a narrow exception whereas the employer 19 could pass liability to the UEF. It must, therefore, be 20 construed strictly. Recent case law that -- that we have 21 discussed and that we've presented -- I have presented in 22 my return has described further what some of these 23 necessities to meet the statutory requirements are. One 24 of those cases is Barton vs. Hicks, 674 Southeastern 2nd 25 145. In this case the only thing wrong with the Kimberly T. Power, Court Reporter
Page 14 1 obtain the certificate directly from JJS Trucking. They 2 had it faxed to them directly from the producer of that 3 policy, the Swamp Fox Agency, and you'll see at the top 4 of the certificate the fax number there and that will be 5 borne out by the testimony of my client. 6 The UEF also argues that we are not entitled 7 to transfer of liability because they question the timing 8 of the presentation of our Certificate of Insurance. 9 42-415 says that the certificate is to be turned over at 10 the time a claim is filed. The claim was filed and we 11 filed a Form 50 raising 42-1-415 as a defense. We 12 served the certificate on November 4th of 2011, six and a 13 half months ago. It was served again when we initially 14 filed our petition to transfer liability in January and 15 again when we had to renew our motion due to some recent 16 scheduling difficulties. 17 The claim has yet to be adjudicated. The 18 claim filed by Cedric Smalls is still pending. We 19 haven't even determined that claim yet. So we believe 20 that the certificate that's turned over six and a half 21 months before the claim is even adjudicated for the first 22 time is timely under the statute. The UEF seems to 23 suggest that we need to show up at the Commission at the 24 time that Form 50 was delivered in order to meet our 25 burden, and I don't believe that's a justified Kimberly T. Power, Court Reporter	Page 16 1 certificate was that it lacked a signature. One box was 2 empty. Supreme Court ruled that that was not an 3 acceptable form because there was no signature on it. 4 The Court has taken the position that an employer cannot 5 pass liability to the UEF by simply accepting a piece of 6 paper without reviewing it and checking to make sure it's 7 accurate thereby ignoring the information that appears on 8 the certificate. 9 That in this case has been ignored in several 10 ways. One, the description of operations box is blank. 11 The Hopper case stands for the proposition that you can't 12 have blanks on your certificate. Barton had a blank 13 signature. This one has a description of operations 14 that's blank. That case in nowhere stands for the 15 proposition that that only applies to out-of-state 16 employers. In that case there was an out-of-state 17 employer, but that was not what the court relied on to 18 rule that the certificate was invalid. They ruled upon 19 the fact that it had not been filled out and the fact 20 that the employer had failed to read it and see that it 21 had not been filled out and to take proper steps to 22 verify the information on the certificate. 23 Another problem with the certificate is it 24 doesn't say anywhere that they have procured a policy. 25 The only thing the certificate says is there's a binder. Kimberly T. Power, Court Reporter

Page 17 1 A binder is only a temporary piece of coverage until a 2 policy is issued. A binder cannot be expected to last 3 for ten months into the period stated on here. As far as 4 we know, the -- he never received another certificate 5 that ever indicated that there was a policy of insurance. 6 We did raise the question about David Hayes's 7 signature on this certificate. There has been no 8 evidence presented until today, and all we have today 9 really is that Swamp Fox Agency was authorized to issue 10 the certificate. Normally what is required is that some 11 evidence be given that David Hayes was a -- she called 12 him a principal of Swamp Fox. I don't know that. I 13 don't know who David Hayes is. There's nothing in the 14 record and nothing in evidence to show David Hayes was an 15 authorized agent to sign the certificate. 16 There is a problem with the timing of the 17 presentation of the certificate because 42-1-415 18 provides, "Documentation must be turned over to the 19 Commission at the time a claim is filed by the injured 20 employee." I would say that turning a certificate over 21 months later to the Commission is not at the same time. 22 Also raised is the question of whether or not 23 they have met the requirements of 42-1-415(A) which says 24 the upstream contractor must pay all the benefits due 25 before requesting that liability be transferred. There Kimberly T. Power, Court Reporter	Page 19 1 THE COURT: All right. Ms. Barr, anything 2 else? 3 MS. BARR: No, thank you, Your Honor. 4 THE COURT: Ms. Cofield? 5 MS. COFIELD: No, sir. 6 THE COURT: All right. Mr. Fisher, do you 7 want to call your witness? 8 MR. FISHER: Yes, sir. 9 THE COURT: Mr. Rose, I'm going to swear you 10 in here in just a second, and then I'm going to ask you 11 to state and spell your full name for the record. I have 12 two requests for you. One, please speak loudly enough so 13 that the court reporter who is making a record of this 14 hearing, all of the attorneys and I can hear you. And 15 the second thing is if you are asked a yes or no 16 question, please respond with yes or no. Don't say 17 uh-huh or unh-unh. That can get confused in the record. 18 And please don't shake or nod your head because 19 especially in this dynamic it would be very difficult for 20 her to take down. Okay. 21 THE WITNESS: Yes, sir. 22 (SAMUEL ARCHIE DELL ROSE, being duly sworn to 23 tell the whole truth and nothing but the truth, testified 24 as follows.) 25 THE COURT: Would you state and spell your Kimberly T. Power, Court Reporter
Page 18 1 has not been an order. That is true. An order would 2 establish all benefits due, then they should pay all 3 benefits due, and then at that time they may petition to 4 transfer liability. That issue makes this case premature 5 as far as the transfer of liability. 6 Commissioner, I would rely further on the 7 return that I have sent to you that outlines specifically 8 further the arguments and case law that support my 9 position. 10 THE COURT: All right. Mr. Warder. 11 MR. WARDER: Thank you, Commissioner. I'm 12 here today on behalf of Travelers Indemnity Company, and 13 we take the position that since the policy that was 14 issued to JJS Trucking was effectively cancelled on 15 February 5th of 2011, that we certainly have no liability 16 whatsoever for the date of injury in this matter which is 17 August 10th of 2011, over six months later. I don't 18 think anyone here is contending that we had an effective 19 policy at that time. As I pointed out in our pre-hearing 20 on Page 73 of my APA submissions, Swamp Fox Agency had 21 received a notice of cancellation January 18th of 2011. 22 Therefore, we would ask that we be released from this 23 matter. Thank you. 24 THE COURT: Mr. Fisher, anything else? 25 MR. FISHER: No, sir. Kimberly T. Power, Court Reporter	Page 20 1 full name for the record, please? 2 THE WITNESS: Samuel Archie Dell Rose. 3 S-A-M-U-E-L, A-R-C-H-I-E, D-E-L-L, R-O-S-E. 4 THE COURT: All right. Mr. Fisher. 5 DIRECT EXAMINATION 6 BY MR. FISHER: 7 Q. Mr. Rose, please try and speak as loud as you 8 can. Where were you working on -- were you working on 9 August 10, 2011? 10 A. Yes. 11 Q. And where were you working at? 12 A. For JJS Trucking out of Summerville at 13 Keystone Lumber Mill. 14 THE COURT: Why don't you turn just a little 15 bit so they can see you, at least a profile. 16 BY MR. FISHER: 17 Q. Where were you working at? 18 A. For JJS Trucking out of Summerville. 19 Q. Okay. And who owns JJS Trucking? 20 A. Cedric. Cedric Smalls. 21 Q. And how long had you worked there before 22 August 10, 2011? 23 A. Between four and a half to five months. 24 Q. And what did you do at JJS Trucking? 25 A. Haul loads from Summerville to North Kimberly T. Power, Court Reporter

Page 21 1 Charleston. 2 Q. And was that -- and when you say from 3 Summerville, where at -- where did you start your trip 4 at? 5 A. Keystone Lumber Mill to Westvaco in North 6 Charleston. 7 Q. Did you drive anywhere else? 8 A. No. 9 Q. That was the only route that you drove the 10 whole time you worked there? 11 A. Yes. 12 MS. BARR: Your Honor, I apologize for 13 interrupting. We haven't yet put Mr. Smalls on the 14 record. 15 THE COURT: This is true. 16 MS. BARR: I'm sorry, Mr. Rose. 17 MR. FISHER: We can go ahead and then we can 18 go back if you would like. 19 THE COURT: Let's do that. Mr. Smalls, do you 20 have a statement for the record? 21 MR. SMALLS: Yes, Your Honor. I wanted to 22 state that as far as being properly -- 23 (CEDRIC SMALLS, being duly sworn to tell the 24 whole truth and nothing but the truth, testified as 25 follows.) Kimberly T. Power, Court Reporter	Page 23 1 THE COURT: Any of y'all have questions for 2 Mr. Smalls? 3 MS. COFIELD: Not at this time. When we put 4 him up to testify, we will. 5 THE COURT: All right. 6 MS. BARR: And, Your Honor, I believe 7 Mr. Smalls, he previously gave a statement in his 8 deposition that he was prepared to -- to appear on his 9 own behalf without assistance of counsel. 10 THE COURT: Yes. You do know you are entitled 11 to a lawyer? 12 MR. SMALLS: Yes, sir. I have been working on 13 that matter. Yes, sir. 14 THE COURT: But you are appearing today 15 without counsel? 16 MR. SMALLS: Yes, sir. 17 THE COURT: All right. 18 MR. SMALLS: Thank you, Your Honor. 19 THE COURT: Anything else before we go back to 20 Mr. Rose? 21 (No response.) 22 THE COURT: All right. Mr. Fisher. 23 BY MR. FISHER: 24 Q. Okay. Mr. Rose, now, how long did you drive 25 for JJS Trucking before August 10, 2011? Kimberly T. Power, Court Reporter
Page 22 1 THE COURT: Please state and spell your full 2 name for the record. 3 THE WITNESS: Cedric Smalls. C-E-D-I-C. 4 Smalls, S-M-A-L-L-S. 5 THE COURT: Go ahead, Mr. Smalls. 6 STATEMENT ON THE RECORD 7 MR. SMALLS: In regards of the matter on being 8 properly notified of the lapse of insurance, I am stating 9 that I was not properly notified. I also give in support 10 of that that Mr. Chris Thompson is listed as additionally 11 insured. From my understanding he was never notified of 12 the lapse of insurance. There is a situation in my past 13 to where one time my insurance was about to lapse and 14 Swamp Fox had as Chris Thompson being -- knowing as 15 additionally insured, contacted Mr. Chris. Mr. Chris 16 contacted me immediately and the situation was rectified. 17 In this particular case, nothing of that sort 18 ever happened. Mr. -- Mr. Thompson would have never 19 allowed me to actually work that long of a period without 20 being notified. We both have the same -- the same agent, 21 which is Swamp Fox. I clearly believe that there was a 22 mistake made in the notification of lapse. And I just 23 wanted to go on record as stating that as far as JJS is 24 concerned, at -- at this point in time, I believe that we 25 were not properly notified. Kimberly T. Power, Court Reporter	Page 24 1 A. About four and a half to five months. 2 Q. Okay. And your route was what? 3 A. From Summerville to North Charleston. From 4 Keystone Lumber Mill in Summerville to Westvaco in North 5 Charleston. 6 Q. And was that the only route that you ever 7 drove for Cedric Smalls -- 8 A. Yes. 9 Q. -- JJS Trucking? 10 A. Yes. 11 Q. Okay. And let me see. And what did you haul? 12 A. Woodchips. 13 Q. Okay. And what happened on August 10, 2011? 14 A. As I was -- well, I was on my last run for the 15 night from Summerville to Westvaco. I got on the 16 interstate at Exit 199. I came up I-26. And as I 17 approached Ashley Phosphate, I was rear-ended. The truck 18 hit me -- well, I downshifted to go through the 19 construction. There was construction going on at the 20 time. I slowed up and I was rear-ended by a truck that 21 was following me. I jackknifed. I hit the median wall. 22 The trucks exploded and I passed out. 23 Q. Okay. And at the -- what happened after the 24 accident? Did you go to the doctor? 25 A. I went to MUSC. Kimberly T. Power, Court Reporter

Page 25 1 Q. And what were the problems you were 2 experiencing physically whenever you went to MUSC? 3 A. My right knee was fractured, lower back pains, 4 my neck was injured, and dizziness and problems with my 5 left hand. 6 Q. Now, were you knocked unconscious as a result 7 of this accident? 8 A. Yes. 9 Q. And after the accident did you report your 10 accident and injuries to the supervisor? 11 A. Yes. 12 Q. And who is your supervisor? 13 A. Cedric Smalls. 14 Q. Okay. And after they sent you home from MUSC, 15 did they -- did the doctors at MUSC make any appointments 16 for you to continue treatment? 17 A. Yes. 18 Q. And where were those appointments made at? 19 A. On my discharge from MUSC, I was scheduled to 20 go see an orthopedic surgeon and there was another 21 doctor. I'm not sure. But I'm assuming that it was a 22 neurologist, but both appointments -- both appointments 23 was cancelled. 24 Q. Why were they cancelled? 25 A. No insurance. Kimberly T. Power, Court Reporter	Page 27 1 A. No. 2 Q. And why is that? 3 A. The nerve damage that I have in my -- from my 4 neck, back problems that I continue to have, dizziness, 5 and numbness in my arm. 6 Q. Are you able to drive now? You drove a truck 7 for a living. Are you able to drive now? 8 A. As long as I'm not on medication, I can drive, 9 but not a truck. 10 Q. Okay. Do you have any idea how far you can 11 drive now without having any physical problems? 12 A. Not far. 13 Q. Okay. Is there any way you could run the 14 circuit that you used to run for Cedric Smalls in the 15 condition you're in now? 16 A. No. The vibrations from the truck will -- I 17 was told that it's going to do a little bit more damage 18 to my neck. 19 Q. Okay. And what's the worst current problem 20 that you have right now? 21 A. Neck pain, numbness in my arm, and lower back 22 pain. 23 Q. Okay. How about your knee? 24 A. My knee is the only thing that I was told 25 that's healed -- that's healing fine. Kimberly T. Power, Court Reporter
Page 26 1 Q. Okay. And did you tell them it was a 2 work-related accident? 3 A. Yes, I did. 4 Q. And there was no workers' comp insurance that 5 paid for that? 6 A. They said they needed the policy and without 7 the policy number or -- they couldn't do anything without 8 a policy number or approval. 9 Q. Okay. And nothing ever got approved? 10 A. Nothing was ever approved. 11 Q. After that, did you ever get any treatment 12 after you left MUSC? 13 A. Yes. 14 Q. Where did you treat? 15 A. I went to a general practitioner, Dr. Abel. 16 And from there I went to Tri-County Spinal Care for pain 17 management. And from there I went to Dr. Wildstein, an 18 orthopedic surgeon. 19 Q. Okay. And what did they treat you for, 20 Dr. Abel, Dr. Wildstein, and the folks at Tri-County 21 Spine? 22 A. My neck, my lower back, and my knee. 23 Q. And have you missed any time from work? 24 A. Yes. 25 Q. Have you worked since August 10, 2011? Kimberly T. Power, Court Reporter	Page 28 1 Q. Okay. And whenever your neck hurts, your back 2 hurts, is there anything that alleviates the pain? 3 A. Well, I'm on medication for pain, but that's 4 not really working. What I try to do is just about 5 anything that will get my mind off the pain whether it's 6 walking or just anything. 7 Q. Okay. And can you describe the pain that you 8 feel in your neck to the Commissioner? 9 A. The base of my skull is still swollen. It's a 10 throbbing headache. My left arm is numb. I have 11 numbness and I feel my fingers. My lower back. If I 12 stand too fast, I get dizzy. If I move too fast, it just 13 starts hurting. If I stay in one position and one place, 14 it's fine. 15 Q. Do you take any medication currently for your 16 neck and your back pain? 17 A. Yes. 18 Q. And what do you take? 19 A. I'm on Viracept, Flexeril, Neurontin, and 20 Elavil, as well as ibuprofen. 21 Q. And who is writing you these prescriptions for 22 these medications? 23 A. I just want what is your understanding. 14 THE COURT: What is your understanding. 15 THE WITNESS: My understanding is that I have 16 a herniated disc in my back and neck. That's my 17 understanding. 18 BY MR. FISHER: 19 Q. Okay. Do you have any understanding with 20 regard to any future medical treatment? 21 A. Yes. You said Chris Thompson? 22 A. Yes. 23 Q. And how do you know that? 24 A. I was told by Cedric Smalls that he is the 25 boss and we work for him. Kimberly T. Power, Court Reporter	Page 32 1 THE COURT: Ms. Barr. 2 MS. BARR: Thank you. 3 CROSS-EXAMINATION 4 BY MS. BARR: 5 Q. Mr. Rose, we met before. But, again, my name 6 is Kirsten Barr and I represent Chris Thompson Services 7 and their insurance carrier. Have you attempted to work for anybody? 14 A. No, ma'am. 15 Q. Have you driven a car or a truck anywhere? 16 A. I have driven a car. And because of the 17 medication I am taking, I have not driven a truck. 18 Q. You haven't tried to drive a truck? 19 A. I can't deal with the vibrations of a car, so 20 I know I can't deal with the vibrations of a truck. 21 Q. Have you surrendered your commercial driver's 22 license then? 23 A. No. I have my license, but my medical -- my 24 DOT card, the doctor took that from me. 25 Q. Which doctor? Kimberly T. Power, Court Reporter

Page 33 1 A. Dr. Abel. 2 Q. Tell me Dr. Wildstein, this doctor you've gone 3 to, how do you pay Dr. Wildstein? 4 A. To my knowledge, he hasn't been paid yet. 5 Q. So you've got an arrangement with 6 Dr. Wildstein that you'll just pay him from whatever you 7 can get out of this workers' comp claim? 8 A. It's my understanding, yes. 9 Q. And who sent you to Dr. Wildstein? 10 A. My lawyer. 11 Q. Do you recall that we had a hearing scheduled 12 in your case a few weeks ago? 13 A. Yes, ma'am. 14 Q. And why were you incarcerated in St. George 22 for three weeks last month? 23 A. I was accused of stealing a 32-inch 24 television, some bar stools, and a laptop. The police 25 said that a witness observed me running across a parking Kimberly T. Power, Court Reporter	Page 35 1 testified that you only wear a neck brace when you were 2 driving a car? 3 A. Yes, ma'am. 4 Q. Has your neck problem gotten worse since then? 5 A. It's hurting. It's continuous. And I still 6 wear my back brace. I still have it on now. 7 Q. A back brace? 8 A. Yes. 9 Q. Why aren't you doing exercises and therapy 10 instead of wearing a brace? 11 A. The doctor told me the only exercise he wanted 12 me to do was walking. Other than that, he told me to 13 stay off my feet as much as possible. 14 Q. The cane, did you just buy that at a drugstore 15 or something? 16 A. No. 17 Q. You paid for it, right? 18 A. Yes, I did. I was told by Dr. Abel to get it 19 because of dizziness. And I fell once down the stairs. 20 When I stood up, I use it for balance. 21 Q. When did you fall down the stairs? 22 A. Last year back in November and I fell again in 23 January. 24 Q. When you fell down the stairs in November, 25 where were you? Kimberly T. Power, Court Reporter
Page 34 1 lot running from an apartment across the street to my 2 mom's car and putting it in the car. And the police said 3 based on what their witness said that I did, that I was 4 arrested. 5 Q. And then you stayed in jail for three weeks as 6 a result of those allegations? 7 A. Yes. I was told that I could only be released 8 by a circuit judge in St. George. I had to wait for the 9 circuit judge to come. 10 Q. Did you have any medical treatment while you 11 were incarcerated? 12 A. No. 13 Q. And you were cleared to be in the general 14 prison population? 15 A. No, I was not cleared to be in the population. 16 From the day that I got there, the nurse that I spoke 17 with and she spoke to the doctors, they kept me in the 18 front in the holding cell under 24 hour observation. 19 Q. But you didn't receive any treatment? 20 A. The only thing they gave me was pain 21 management and they just kept me under observation. And 22 they gave me a few of my medications, but they told me 23 that I was not allowed to have narcotics while there. 24 Q. You're wearing a neck brace here today. Back 25 when we took your deposition several months ago, you Kimberly T. Power, Court Reporter	Page 36 1 A. At my mother's house. 2 Q. And how many stairs did you fall down? 3 A. About five. 4 Q. He gave me an 13 epidural injection and a cortisone injection in the base 14 of my skull. 15 Q. And he had to do that because you had fallen 16 down the stairs? 17 A. To help me manage the pain. Once he got it 18 back under control, I just kept doing what I was told. 19 Q. So the pain in your back and in your neck and 20 in your arms was worse after you fell the down stairs at 21 your mother's house in November of 2011? 22 A. Yes, it was worse. 23 Q. And you say you fell down a flight of stairs 24 in January 2012 as well? 25 A. Yes. Kimberly T. Power, Court Reporter

Page 37 1 Q. Where were you when you fell down the stairs 2 then? 3 A. At my mother's house. 4 Q. How many stairs did you fall down in January? 5 A. About five or six. 6 Q. What did you injure when you fell down the 14 stairs at your mother's house in January of this year? 15 A. I irritated my back. 16 Q. Your low back or your neck or both? 17 A. Yes, both. 18 Q. And did you have to get some medical treatment 19 or some medication to deal with the injuries you 20 sustained or the worsening of your symptoms as a result 21 of that fall in January? 22 A. I already had the medication. I told Dr. Abel 23 about it. I took -- at the time was on Lorab and 24 Oxycodone, and I took that at the time. 25 Q. Your symptoms were worse after you fell that Kimberly T. Power, Court Reporter	Page 39 1 MS. BARR: Okay. That's all the questions I 2 have for you, Mr. Rose. I appreciate it. 3 THE COURT: Ms. Coffield. 4 MS. BARR: It appeared Mr. Smalls -- I don't 5 know if he had a question for Mr. Rose. 6 THE COURT: Sure. Mr. Smalls, you're pro se. 7 CROSS-EXAMINATION 8 BY MR. SMALLS: 9 Q. At the accident, how long were you passed out? 10 A. I was told by the EMTs that I was in and out. 11 I was awake long enough to notify you and I called my mom 12 and that was afterwards. 13 Q. I recall that at the scene, I gave the state 14 troopers all the insurance information at the scene. I 15 also came to the hospital to provide additional insurance 16 information at the time. I recall you stated they 17 wouldn't -- they wouldn't do any surgery on you at that 18 time because of lack of insurance information? 19 A. Right. They needed policy numbers. 20 Q. When you were released from the hospital, did 21 the hospital give you a time frame in which they felt 22 that you would be able to perform your work tasks? 23 A. They told me I needed to speak to -- well, I 24 needed to go to an orthopedic surgeon and they scheduled 25 the appointment to go to the orthopedic surgeon and that Kimberly T. Power, Court Reporter
Page 38 1 second time at your mother's house? 2 A. It hurt as well. 3 Q. Have you fallen down any other flights of 4 stairs or fallen anywhere else? 5 A. No, ma'am. 6 Q. Have you had any other accidents or injuries 7 since August of 2010? 8 A. No, ma'am. 9 Q. No. Just the two falls down the stairs at 10 your mother's house? 11 A. Yes. 12 Q. Were those carpeted stairs or hardwood stairs 13 or -- 14 A. Carpeted. 15 Q. Were you wearing shoes when you fell either of 16 those times? 17 A. Slippers. 18 Q. And as we're here today, I don't believe -- 19 you don't have a slip from any doctor excusing you from 20 work at this point in time, do you? 21 A. I have one from Dr. Abel. It said no work. 22 Q. You don't have one here with you today -- 23 A. No. 24 Q. -- saying you can't work at this time? 25 A. I gave the slip to my lawyer. Kimberly T. Power, Court Reporter	Page 40 1 got cancelled twice. They gave me another appointment to 2 see a neurologist, and that was cancelled as well. And 3 then MUSC sent a physical therapist to the house, and 4 that was cancelled by Dr. Abel. 5 Q. Okay. So when you were released, they never 6 gave you a time frame in which they felt like you would 7 be able to go back to work? 8 A. They told me not until the doctor releases me. 9 Q. Were you hired from JJS Trucking as an 10 employee or a subcontractor yourself? 11 A. Contractor. 12 Q. When it came time for you to take your loads, 13 did Cedric Smalls tell you when to take your loads or did 14 you contact the actual loader spreader and you would come 15 into work based on work at the mill? 16 A. I came based on my schedule at the mill in the 17 afternoons, went to the loader spreader, got the loads, 18 took the loads to North Charleston. 19 Q. So -- so Cedric Smalls himself never told you 20 when to go or start work? 21 A. He only told -- well, Cedric Smalls only told 22 me to work 12 hours from the time that I start and -- 23 just 12 hours from that time. No more. 24 Q. Did you ever sign a document stating that you 25 were a subcontractor, not an employee? Kimberly T. Power, Court Reporter

Page 41 1 A. The only documents I've signed was an 2 application. 3 MR. SMALLS: I don't know -- I don't know 4 procedure, Your Honor, but Mr. Samuel Rose signed an 5 owner driver obligation. And in that owner -- owner 6 obligation contract it states that he was to obtain his 7 own workers' comp if it was deemed necessary because he 8 was actually signed on from JJS Tucking as a 9 subcontractor. That's why he picked his own loads. 10 He -- he decided actually when he went to work, and I 11 just wanted that to be a matter of record. 12 MR. FISHER: I would object unless you have a 13 copy of that. 14 THE COURT: Do you have a copy of that? 15 MR. SMALLS: I do. It has his signature on it 16 as well. And I also gave this document at a hearing 17 previously. 18 THE COURT: Any other questions, Mr. Smalls? 19 MR. SMALLS: No, Your Honor. 20 THE COURT: All right. Ms. Cofield. 21 CROSS-EXAMINATION 22 BY MS. COFIELD: 23 Q. Mr. Rose, you testified a minute ago that you 24 thought of yourself as a subcontractor, not an employee; 25 is that correct? Kimberly T. Power, Court Reporter	Page 43 1 Q. Since that time has Bridgefield or 2 Mr. Thompson offered to pay any of your medical bills? 3 A. I have not spoken with Mr. Thompson. 4 Q. Have any of your medical bills been paid? 5 A. Nothing has been paid. 6 Q. Thank you. 7 MS. BARR: Your Honor, we would stipulate if 8 you found past medical bills casually-related to this 9 accident, Bridgefield would pay medical bills that you 10 believe are due and owing in an effort to expedite the 11 transfer of liability. 12 BY MS. COFIELD: 13 Q. Mr. Rose, when you were arrested last month on 14 April 12th, were you using your cane? 15 A. No, I didn't have my cane. No. 16 Q. Were you on your Oxycodone or other 17 medications? 18 A. Yes, ma'am. 19 Q. Did you get those medicines while you were in 20 jail? 21 A. They were brought to the jail, but I was told 22 that I couldn't have a Schedule III narcotic. They gave 23 me the Neurontin, the Viracept, the Flexeril, the 24 ibuprofen, and Tylenol. 25 Q. That's what you took in jail? Kimberly T. Power, Court Reporter
Page 42 1 A. A subcontractor for Chris Thompson working for 2 JJS. 3 Q. What was your relationship with JJS? Were you 4 a subcontractor for JJS or an employee? 5 A. I believe I was an employee. I worked for JJS 6 Trucking. 7 Q. Okay. And you were paid per load? 8 A. Yes, ma'am. 9 Q. And your loads varied each week; is that 10 correct? 11 A. Yes, ma'am. 12 Q. And no taxes were taken out of your check? 13 A. No, ma'am. 14 Q. And, in fact, you were given a 1099 at the end 15 of the year, correct? 16 A. I have not received a 1099. 17 Q. Okay. Did Mr. Thompson know you were getting 18 medical treatment? 19 A. Not -- I have never spoke with Mr. Thompson 20 about my -- any treatment. 21 Q. Okay. When your deposition was taken in 22 November of 2011, did you not testify that you were 23 getting medical treatment? 24 A. Yes. I testified that I was being treated by 25 Dr. Abel, Dr. Kellett, and Dr. Wildstein. Kimberly T. Power, Court Reporter	Page 44 1 A. Yes, ma'am. 2 MS. COFIELD: Okay. That's all I have for 3 you. 4 THE COURT: All right. Mr. Warder. 5 MR. WARDER: I have no questions of this 6 witness at this time, Your Honor. 7 THE COURT: All right. Anything further? 8 MR. FISHER: Yes, sir. 9 REDIRECT EXAMINATION 10 BY MR. FISHER: 11 Q. Mr. Smalls stated that you had signed a 12 document and I just looked at it. Did he ever tell you 13 that you needed to buy your own workers' compensation 14 insurance? 15 A. No. 16 Q. Never told you that? 17 A. No. 18 MR. FISHER: Okay. Thank you. 19 THE COURT: Any other questions for this 20 witness, Mr. Smalls? 21 MR. SMALLS: No, Your Honor. 22 THE COURT: Ms. Barr? 23 MS. BARR: Your Honor, just briefly. The 24 document that was presented by Mr. Smalls, it's marked as 25 Exhibit No. 1? Kimberly T. Power, Court Reporter

Page 45 1 THE COURT: It will be. 2 MS. BARR: Or will be. 3 RECROSS-EXAMINATION 4 BY MS. BARR: 5 Q. Mr. Rose, this is your signature on Page 2 of 6 this owner driver contract? 7 A. Yes, ma'am. 8 Q. All right. And that's your signature dated 9 April 28, 2011? 10 A. Yes, ma'am. 11 Q. That was prior to this accident that you were 12 involved with. Right. And you agreed to the obligations 13 as outlined of the driver's obligations under this 14 contract? 15 A. Yes, ma'am. I never made over -- I never made 16 over a thousand. The minimum amount it says is 1,000 per 17 week and I never made that. 18 Q. Okay. And it says that you were responsible 19 for keeping your truck in a responsible and clean manner? 20 A. Yes, ma'am. 21 Q. All right. And you were also responsible for 22 any fines due to your own negligence? 23 A. Yes, ma'am. 24 Q. And you were responsible for all state and 25 federal taxes? Kimberly T. Power, Court Reporter	Page 47 1 THE COURT: All right. Other witnesses, 2 Mr. Fisher? 3 MR. FISHER: No more witnesses, sir. 4 THE COURT: All right. Ms. Barr? 5 MS. BARR: Your Honor, I have one witness, 6 Mr. Chris Thompson, and he's asked for a momentary 7 adjournment if you would allow. 8 THE COURT: Certainly. 9 (Exhibit No. 1, Owner Driver Contract, was 10 marked and entered into evidence.) 11 (Off the record.) 12 MS. BARR: Mr. Chris Thompson. 13 THE COURT: I'm going to swear you in, and 14 then please state and spell your full name for the 15 record. Speak loudly enough so everyone can hear you. 16 THE WITNESS: Christopher A. Thompson. 17 THE COURT: Hold on, hold on. You're getting 18 ahead of me. And then if you're asked a yes or no 19 question, answer yes or no and not uh-huh or unh-unh. 20 Don't shake or nod your head. Please say yes or no if 21 it's a yes or no question. 22 (CHRISTOPHER A. THOMPSON, being duly sworn to 23 tell the whole truth and nothing but the truth, testified 24 as follows:) 25 THE COURT: Would you state and spell your Kimberly T. Power, Court Reporter
Page 46 1 A. Yes, ma'am. 2 Q. And you were also responsible for your 3 workers' comp insurance when applicable? 4 A. That's what it says. Yes, ma'am. 5 Q. And this was the agreement you signed on April 6 11th -- or April 28th of 2011? 7 A. That's what it says. 8 MS. BARR: Thank you. 9 THE COURT: Anything further, Ms. Barr? 10 MS. BARR: Nothing, Your Honor. Thank you. 11 THE COURT: Ms. Cofield? 12 MS. COFIELD: No, sir. 13 THE COURT: Mr. Warder? 14 MR. WARDER: No, Your Honor. 15 THE COURT: All right, sir. You may step 16 down. Before we go any further, several of you have 17 referred to depositions taken of Mr. Rose and Mr. Smalls. 18 I do not see either of those in the file. Should they be 19 here? 20 MS. BARR: Your Honor, I think both are 21 contained in my APA submissions. 22 MR. FISHER: This is the original of Cedric 23 Smalls. 24 MS. BARR: And here is Samuel Rose. That 25 lightens my load. Kimberly T. Power, Court Reporter	Page 48 1 full name for the record, please? 2 THE WITNESS: Christopher A. Thompson. 3 C-H-R-I-S-T-O-P-H-E-R, A, T-H-O-M-P-S-O-N. 4 THE COURT: All right. Thank you. Ms. Barr. 5 DIRECT EXAMINATION. 6 BY MS. BARR: 7 Q. Thank you, Mr. Thompson. Tell us where you're 8 employed, where you do business? 9 A. My office is in Berkeley County, Summerville, 10 South Carolina. We do business for a trucking company. 11 We do business from Summerville to North Charleston. 12 Q. All right. And what's the name of your 13 business? 14 A. Chris Thompson Services, LLC. 15 Q. And what is your role at Chris Thompson 16 Services, LLC? 17 A. I reckon from CEO to janitor. 18 Q. Okay. And back in August of 2011, was JJS 19 Trucking a subcontractor for Chris Thompson Services? 20 A. Yes, ma'am. 21 Q. And what did you engage JJS Trucking to do for 22 you? 23 A. Aid in hauling the woodchips from Summerville 24 Sawmill at SC-78 to North Charleston paper mill. 25 Q. Did you ever engage JJS Trucking to perform Kimberly T. Power, Court Reporter

Page 49 1 any other subcontract work for you? 2 A. No, ma'am. 3 Q. Who owns JJS Trucking? 4 A. Cedric Smalls. 5 Q. Do you know how many employees or 6 subcontractors JJS Trucking may have had? 7 A. No, ma'am. 8 Q. Do you know if they had more than one office? 9 A. No, ma'am. 10 Q. Do you believe they did have more than one 11 office? 12 A. No, ma'am. 13 Q. And did, to your knowledge, JJS Trucking 14 operate anywhere other than the State of South Carolina? 15 A. No, ma'am, not to my knowledge. 16 Q. When did JJS Trucking start doing work for 17 Chris Thompson Services? 18 A. Approximately around 2008. 19 Q. Okay. And at the time you engaged JJS 20 Trucking, did you inquire as to whether or not they had 21 workers' compensation coverage for their employees? 22 A. For their employees, no, ma'am. JJS -- Cedric 23 Smalls provided Chris Thompson Services with a 24 certificate of workman's comp. Now, did I check the 25 depth of that policy or the parameters of that policy? Kimberly T. Power, Court Reporter	Page 51 1 the APA of our submissions. We have submitted this 2 document into evidence entitled, "Certificate of 3 Liability Insurance." Are you familiar with that 4 document? It's my 39. 5 A. Yes, ma'am, I am. 6 Q. And do you recall approximately when you 7 received that document? 8 A. Judging from the date on the document, 9 October the 18th. 10 Q. Of 2011? 11 A. 2010. 12 Q. 2010. And who is listed as the certificate 13 holder for that Certificate of Insurance? 14 A. JJS Trucking, LLC. 15 Q. That's the insured or the certificate holder? 16 A. Certificate holder is Chris Thompson Services, 17 LLC. 18 Q. Okay. And who -- from whom did you obtain 19 this Certificate of Insurance? 20 A. Come faxed from Swamp Fox Agency. 21 Q. Had you done business with Swamp Fox yourself 22 through Chris Thompson Services? 23 A. Yes, ma'am, since about 2002. 24 Q. So when you -- you knew that they were the 25 agent for JJS Trucking? Kimberly T. Power, Court Reporter
Page 50 1 No, ma'am, that's not something I was privileged to. 2 Q. But at the time you first hired JJS Trucking, 3 you were presented by JJS Trucking with a Certificate of 4 Insurance showing that they had workers' compensation 5 coverage? 6 A. Yes, ma'am. JJS always provided workman's 7 compensation coverage -- workman's compensation policy 8 that JJS was covered. 9 Q. And why did you get that certificate? Why -- 10 why did you have to get a Certificate of Insurance from 11 JJS? Was that a policy of yours? 12 A. Yes, ma'am. Because I also have workman's 13 comp coverage and I'm required to verify that everyone 14 else who works for me has workman's comp or I have to 15 pay -- or I have to pay additional premiums to my 16 workman's comp policy. 17 Q. Now, did you -- after you first hired JJS 18 Trucking or engaged them to work for you, did you ever 19 request any updated documentation of their workers' 20 compensation insurance coverage? 21 A. Once a year. 22 Q. And why did you do that once a year? 23 A. Policy -- the existing policy would expire and 24 we would have to issue a new policy. 25 Q. We have submitted a document that's page -- in Kimberly T. Power, Court Reporter	Page 52 1 A. Yes, ma'am. And had been for quite a while. 2 Q. Okay. And there's a signature at the bottom 3 of that Certificate of Insurance. Who signed that 4 Certificate of Insurance? 5 A. Appears to be David Hayes. 6 Q. And do you know who David Hayes is? 7 A. Yes, ma'am. He owns Swamp Fox Insurance 8 Agency. 9 Q. Now, after you received the Certificate of 10 Insurance from Swamp Fox Agency, did you take any further 11 actions to verify the insurance coverage that's indicated 12 on that form? Did you speak with anybody at Swamp Fox? 13 A. Yes, ma'am. I spoke with Greg Hudson. That 14 was my CSR. And I spoke with him and asked him just in 15 conversation, you know, got the certificate, everything 16 is good to go. He said everything is good to go, you're 17 covered. 18 Q. Did you have any reason after you had reviewed 19 that certificate and spoken with folks at Swamp Fox to 20 question whether or not JJS Trucking had workers' 21 compensation insurance at the time you received that 22 certificate? Did you have any reason to suspect that -- 23 A. No, ma'am. No, ma'am. I got a certificate 24 which was good enough, and I verbally spoke with Greg 25 Hudson and he told me that Cedric was good to go. Those Kimberly T. Power, Court Reporter

Page 53 1 were his exact words, good to go. 2 Q. So after you reviewed that Certificate of 3 Insurance, did you believe that JJS in fact had workers' 4 compensation coverage through Travelers Insurance as of 5 October 18, 2010? 6 A. Yes, ma'am. 7 Q. And what was the coverage period for that 8 insurance through Travelers? 9 A. October 8, 2010 until October 8, 2011. 10 Q. Now, could you tell from that Certificate of 11 Insurance what the policy limits were for that workers' 12 comp policy? 13 A. Yes, ma'am. \$500,000. 14 Q. And could you tell who the company was who 15 insured JJS Trucking for purposes of workers' 16 compensation? 17 A. Yes, ma'am. It would be Travelers Insurance. 18 Q. At any time prior to Samuel Rose's accident in 19 August of 2011, did anyone -- anyone with JJS or Swamp 20 Fox or Travelers or anyone else at all ever give you any 21 reason to believe that Mr. -- JJS Trucking did not have 22 insurance coverage as described on that Certificate of 23 Insurance? 24 A. No, ma'am. 25 Q. At any time prior to the accident in August of Kimberly T. Power, Court Reporter	Page 55 1 believe that Mr. Smalls did not know. 2 Q. And after -- after you learned of the lapse in 3 JJS Trucking's workers' compensation insurance, you said 4 you spoke with him, but did you take any further action 5 with regard to your relationship with JJS Trucking? 6 A. Yes, ma'am. I stopped him immediately. I 7 stopped him within the hour. I called him and told him I 8 needed to meet with him immediately, not to haul -- not 9 to load his trucks anymore under my -- my company. And 10 he met with me and I explained to him what was going on. 11 I verified and I can only do -- CTS can only do business 12 with JJS Trucking until such time as he obtained proof of 13 workman's comp coverage. 14 MS. BARR: Thank you very much, Mr. Thompson. 15 I'm sure that the other attorneys may have questions for 16 you as may well the Commissioner. 17 THE COURT: Mr. Smalls has a question. Are 18 y'all comfortable with him asking him questions? 19 MR. FISHER: Certainly. 20 MS. COFIELD: That's fine. 21 THE COURT: All right. Mr. Smalls. 22 CROSS-EXAMINATION 23 BY MR. SMALLS: 24 Q. Mr. Chris Thompson, as being the certificate 25 holder, can you think of a time in the past when an Kimberly T. Power, Court Reporter
Page 54 1 2011, did you -- were you given any reason to believe by 2 any person at all that JJS Trucking's workers' comp 3 insurance had lapsed? 4 A. No, ma'am. 5 Q. Now, it's my understanding that after the 6 accident, you were informed by your own insurance company 7 that there had been a lapse in JJS's policy; is that 8 correct? 9 A. Yes, ma'am. It took almost until middle of 10 September, that's the best I can recall at the time, 11 middle of September, maybe even beginning of October, 12 before I was actually positively told that he didn't have 13 insurance. The first hint of it I called Mr. Smalls and 14 Mr. Smalls verified, yes, I do have it. I had 15 documentation showing that he had it. We were both -- 16 and I believe I was the one that actually informed 17 Mr. Smalls that -- that it was found that his policy had 18 expired. It was a shock to both of us. 19 Q. So you believe that Mr. Smalls at least 20 sincerely believed that he had continuous workers' 21 compensation coverage through the date of the accident? 22 A. Yes, ma'am, I do. 23 Q. But you now know that that's not -- that was 24 not true, that the policy had in fact lapsed? 25 A. I've been told the policy had lapsed. I still Kimberly T. Power, Court Reporter	Page 56 1 insurance company informed you of an -- let me make sure 2 I say this right. You being a certificate holder, in the 3 past was your company ever notified when a 4 subcontractor's insurance might have been about to lapse? 5 A. Yes, sir. I've been notified in the past at 6 times that I've had other subcontractors that insurance 7 had been cancelled and you've been notified immediately, 8 and there's been times in the past where CTS doing 9 business with JJS Trucking it got to a time where it was 10 extremely close. I do not know the reasons or the 11 circumstances behind it, but it was in danger of lapsing 12 in a couple of days. Swamp Fox notified me, gave me 13 ample notice. I in turn notified Cedric Smalls, and 14 Cedric Smalls brought his insurance back into compliance 15 before any lapse ever happened. So I felt very confident 16 with Cedric because in the past when we have gotten into 17 rocky cases, he has done the right thing. 18 Q. The question is, procedure and notification. 19 So you believe it is a procedure to be notified of a 20 possible lapse of an insured? 21 A. In the past how I've been notified -- I cannot 22 state the South Carolina laws of notifications. But in 23 the past the way I've been notified is an immediate fax 24 from the insurance agency followed up by a registered 25 letter coming certified mail. Kimberly T. Power, Court Reporter

Page 57 1 Q. Okay. 2 A. Neither one I received from JJS Trucking or 3 from Swamp Fox Agency nor from Travelers nor from anyone. 4 Had I received any notification, Mr. Smalls would not 5 have been pulling and he is fully aware of that. He 6 would not have been pulling for Chris Thompson Services 7 had any -- any hint of workman's comp been cancelled. 8 MR. SMALLS: Thank you. 9 THE COURT: That's it? 10 MR. SMALLS: Yes, Your Honor. 11 THE COURT: Okay. Ms. Coffield. 12 CROSS-EXAMINATION 13 BY MS. COFFIELD: 14 Q. I'm going to show you again it's that same 15 thing you have in front of you. It's the certificate 16 dated October 18, 2010. I'm going to be referring to 17 that in just a second. Okay? 18 A. Yes, ma'am. 19 Q. How many subs do you use in your business? 20 A. Now or in the past? 21 Q. Both. 22 A. Now, none. 23 Q. In the past? 24 A. In the past, I've had up to approximately four 25 or five at one time. The aggregate total has been Kimberly T. Power, Court Reporter	Page 59 1 one? 2 A. Generally, yes, ma'am. 3 Q. Okay. Do you take an opportunity to look at 4 and read the certificates when you get one? 5 A. Yes, ma'am. 6 Q. Well, when you look at this certificate here 7 that you have there dated October 18th, is there any 8 description in the description of operations box? 9 A. No, ma'am, there's not. 10 Q. And when you look at the automobile liability 11 on here, it gives you a policy number, doesn't it? 12 A. Yes, ma'am, it sure does. 13 Q. When you look at the workers' comp section, 14 there is no policy number, is there? 15 A. No, ma'am. It says binder. 16 Q. It says binder. 17 MS. COFFIELD: I have another certificate that 18 was also in her brief, Your Honor, dated September 29, 19 2011. It's in there too, I believe, but you can look at 20 mine. Is that in your brief? 21 MS. BARR: No, it's not. 22 MS. COFFIELD: It's not? 23 MR. FISHER: What is it? 24 MS. COFFIELD: I'm going to mark this one. 25 THE COURT: Show it to Mr. Fisher. Kimberly T. Power, Court Reporter
Page 58 1 probably ten to 12, maybe 15. 2 Q. And I think it was your testimony that you 3 always require your subs to provide you a Certificate of 4 Insurance? 5 A. Yes, ma'am. 6 Q. And how long did JJS Trucking perform services 7 for you? 8 A. Best I can recall from 2008 until 9 approximately September/October of 2011. 10 Q. Okay. And it's your testimony I believe, too, 11 that he always provided you a Certificate of Insurance; 12 is that correct? 13 A. Yes, ma'am. 14 Q. Because if he hadn't, you wouldn't let him 15 work? 16 A. Yes, ma'am. 17 Q. Where do you keep your certificates? 18 A. In my file in my office at my house. 19 Q. Okay. So if I subpoenaed from you all the 20 certificates you have for JJS, would you have one for 21 each year he's performed services for you? 22 A. No, ma'am, probably not. We're not required 23 to keep them once the certificate gets outdated. It's no 24 longer a benefit. Generally it's purged. 25 Q. So when you get a new one, you purge the old Kimberly T. Power, Court Reporter	Page 60 1 (Exhibit No. 2, Certificate of Insurance, was 2 marked and entered into evidence.) 3 BY MS. COFFIELD: 4 Q. I'm going to show you what they've now marked 5 as Exhibit No. 2, a Certificate of Insurance whereas the 6 insured is JJS Trucking, LLC. Certificate holder is Chris 7 Thompson Services, LLC. Looks like it was faxed that 8 same day, September 29, 2011. You would agree with me 9 that September 29, 2011 is sometime after the claimant's 10 accident in this case? 11 A. Yes, ma'am. 12 Q. And you would agree that this certificate 13 shows an actual policy number? 14 A. Yes, ma'am. 15 Q. Okay. Why did you receive this -- this 16 certificate if you had already released JJS from your 17 services? 18 A. Personally I don't know exactly the date I 19 released him of his services. He might have still been 20 -- he might have still been at this time. I don't know. 21 I'd have to double check. I don't know the exact date of 22 the last time that he pulled a load for CTS. Down here 23 it says it's a revised certificate. 24 Q. Stop right there. Stop right there. You 25 testified as soon as you found out about the accident, Kimberly T. Power, Court Reporter

Page 61 1 you found out there was no insurance and you let him go? 2 MS. BARR: Objection. 3 THE WITNESS: No, ma'am, I did not. That's 4 incorrect. 5 BY MS. COFIELD: 6 Q. Well, tell me what you said. 7 A. I said that at the time of the accident, 8 everyone assumed -- everyone was under the belief -- or 9 the assumption -- was fully belief we had workman's comp 10 coverage. It took until sometime in -- sometime in 11 September or October, I'm a little fuzzy on the time 12 frame, for Bridgefield Casualty to tell me that Cedric 13 Smalls's insurance -- and that was the first person that 14 actually could positively tell me. I called Swamp Fox 15 and I asked them. Swamp Fox said as far as they knew, it 16 was in effect. Bridgefield Casualty is the first person 17 to actually tell me, no, JJS Trucking's policy was not in 18 effect. 19 Q. So which of them did you rely on before you 20 quit using JJS? 21 A. The only person that could tell me -- the 22 first time I was told by Bridgefield Casualty -- the 23 first time I was told pointblank without any doubt that 24 JJS workman's comp policy is not in effect. We have 25 researched it. He does not have a valid policy. At that Kimberly T. Power, Court Reporter	Page 63 1 bound. It's a legally binding policy that you have 2 workman's coverage is in effect and that it has not gone 3 to the agent, been processed through the actual 4 underwriter, and a policy number issued and sent back. I 5 also know there's -- and I don't really understand how 6 this works. Once again, I'm a truck driver, not an 7 insurance agent. My understanding is that there's also a 8 workman's comp pool that sometimes that have to get 9 signed and I have had binders that I've had for six to 10 eight weeks, nine, ten weeks before a policy has been 11 issued. 12 Q. Have you ever had one that lasted ten months? 13 A. Yes, ma'am. That one right there. 14 MS. COFIELD: Exactly. All right. Thank you. 15 I have no more questions. 16 THE COURT: All right. Mr. Warder? 17 MR. WARDER: Your Honor, I really don't have 18 any questions for this witness. 19 THE COURT: All right. Mr. Fisher? 20 MR. FISHER: No questions, sir. 21 THE COURT: Anything else, Ms. Barr? 22 MS. BARR: Just briefly. 23 REDIRECT EXAMINATION 24 BY MS. BARR: 25 Q. Mr. Thompson, when you initially reviewed the Kimberly T. Power, Court Reporter
Page 62 1 point when I hung up the phone, I immediately called 2 Cedric Smalls's number and immediately stopped him from 3 hauling at that point right then. That was the first 4 time. Swamp Fox, everyone else I spoke to still said as 5 far as we know, he has workman's comp, we'll have to look 6 into it. And I -- and I -- as far my documentation 7 showed that he had it. So until I got positive evidence 8 that said that he didn't have it, everything I showed, 9 showed that he had it. 10 Q. So you kept using JJS for some weeks then 11 after the accident? 12 A. Yes, ma'am. 13 Q. Okay. Why did you get this -- this 14 certificate? 15 A. I don't really know. 16 Q. Okay. And you would agree with me that on the 17 workers' comp section here, it at least gives a policy 18 number this time, correct? 19 A. Yes, ma'am, it does. 20 Q. Okay. Do you know the difference between a 21 binder and a policy? 22 A. Yes, ma'am. 23 Q. Tell me the difference. 24 A. My understanding is the difference is when a 25 policy is issued for workman's comp, that the policy is Kimberly T. Power, Court Reporter	Page 64 1 Certificate of Insurance dated October 18, 2010, APA Page 2 39, did you notice that it said binder instead of 3 specifying a policy number? 4 A. Yes, ma'am. Every -- every single workman's 5 comp policy says binder when you first get it. There is 6 a time lapse. 7 Q. All right. You needed it quickly after this 8 policy started. And what was the date of the -- the 9 period of this coverage that's represented on the 10 certificate? 11 A. 10/08/2010. 12 Q. And what was the date of the certificate? 13 A. 10/18/2010. 14 Q. So ten days later would you have expected or 15 thought it unusual to not have an actual policy number? 16 A. I would have thought it more unusual to have a 17 policy number than to be binder. Binder is what should 18 be expected on all new policies for workman's comp. 19 Q. Simply because it says binder there instead of 20 listing a series of letters and numbers, did that cause 21 you to question whether or not Cedric -- JJS Trucking was 22 covered for the purposes of workers' compensation as 23 stated on this Certificate of Insurance? 24 A. No, ma'am. 25 Q. So you believed he was in fact covered? Kimberly T. Power, Court Reporter

Page 65	Page 67
1 A. Absolutely. 2 Q. And based on what you've heard here today, is 3 it your understanding that Travelers actually did cover 4 him for the purposes and as indicated on the Certificate 5 of Insurance until the policy lapsed sometime in 6 January or February of 2012? 7 A. Yes, ma'am. 8 Q. And, again, after you received this, not only 9 did you review it, you actually called the Swamp Fox 10 Agency, the producer of this policy? 11 A. Yes, ma'am. Swamp Fox Agent Greg Hudson is my 12 agent and is also Cedric Smalls's agent and a lot of 13 things happened verbally, you know, conversations about 14 insurance that CTS had. We have several different lines 15 of insurance with them. I was on the phone with Greg 16 Hudson. Did I call -- have any reason to call Greg 17 Hudson and verify that certificate individually? No. 18 While I was on the phone with him, I brought up Cedric 19 Smalls, and he said Cedric Smalls is good to go. His 20 insurance is great. And I believe -- I fully believe 21 that if Swamp Fox had any knowledge, I certainly hope 22 they would have notified Cedric Smalls and myself with a 23 simple phone call. 24 Q. And based on your work history with Mr. Smalls 25 and his company, JJS Trucking, you've experienced him to Kimberly T. Power, Court Reporter	1 This is a -- what appears to be -- it speaks for itself. 2 Do you have any -- let me ask it this way: Is it a 3 possibility that Swamp Fox Agency as indicated by this 4 record here was notified of the cancellation of JJS 5 Trucking's insurance and never informed you? 6 A. I can't say it's possible or impossible. I 7 don't know. There's certainly nothing on there from 8 Swamp Fox Agency showing that that they received it. 9 Q. There's not? What does it say here? 10 A. It says received from Swamp Fox Agency. But 11 I'm assuming -- 12 Q. What date, sir? 13 A. Sir, I'm assuming it was sent by Travelers. 14 And if Travelers sent it, how could Swamp Fox get on it 15 and you get a copy back unless you got a signed copy sent 16 back to you? 17 Q. I am Travelers. 18 A. Sir, I'm telling you that's between you and 19 Swamp Fox and I'm not inclined to comment on it. 20 Q. Okay. Understood. But is it possible that 21 the notice of cancellation was mailed to both JJS 22 Trucking who I don't represent, I represent Travelers, 23 and it was also sent to Swamp Fox as indicated by their 24 received date stamp here on the cancellation -- notice of 25 cancellation? Kimberly T. Power, Court Reporter
Page 66	Page 68
1 be forthright in his representations to you in the past 2 regarding his workers' comp insurance coverage? 3 A. Yes, ma'am. And he's been put through the 4 test because there's been times that he's gotten very 5 close and he's been very honest with it. 6 MS. BARR: Thank you very much, Mr. Thompson. 7 THE COURT: Ms. Coffield? 8 RE-CROSS-EXAMINATION 9 BY MS. COFFIELD: 10 Q. So it's your testimony that he did not 11 purposely defraud you? 12 A. I don't believe he defrauded me. 13 Q. Okay. He did not purposely give you a false 14 Certificate of Insurance, did he? 15 A. It's my belief that -- my understanding and my 16 belief is that Cedric Smalls fully believed until the 17 time I told him -- Bridgefield Casualty told me and I 18 immediately told him, I believe he thought he had -- was 19 fully -- fully believed he had workman's comp coverage in 20 effect. 21 MS. COFFIELD: Okay. That's all I have. 22 THE COURT: Mr. Warder? 23 CROSS-EXAMINATION 24 BY MR. WARDER: 25 Q. Quick question, sir. This is my APA Page 73. Kimberly T. Power, Court Reporter	1 A. Sir, I -- I would -- I would not venture to 2 say that. I have no knowledge what transpired between 3 Travelers and JJS and Travelers and Swamp Fox and I would 4 decline to comment on any -- any business y'all had. 5 MR. WARDER: Understood. 6 THE COURT: Anything else, Mr. Fisher? 7 MR. FISHER: No, sir, I have nothing. 8 THE COURT: Mr. Smalls? 9 MR. SMALLS: Yes, Your Honor. 10 MS. BARR: And, Your Honor, we don't take an 11 issue with the cancellation at this point. 12 RE-CROSS-EXAMINATION 13 BY MR. SMALLS: 14 Q. On the definition of defraud, has JJS Trucking 15 ever forwarded you a Certificate of Insurance dealing 16 with workers' comp or any type of insurance? 17 A. No, sir. And in his defense, I would not have 18 accepted anything directly from any -- any owner 19 operator, any subcontractor. It all has to come directly 20 from the insurance company or a fax with their -- 21 something indicating that they sent it. 22 MR. SMALLS: Thank you. 23 THE COURT: Anything else, Ms. Barr? 24 MS. BARR: No, thank you, Your Honor. We 25 appreciate your time. Kimberly T. Power, Court Reporter

	Page 69
1	THE COURT: Anything else from anyone?
2	MS. COFIELD: No, sir.
3	MR. WARDER: No, sir.
4	THE COURT: All right, sir. You may step
5	down. Other witnesses, Ms. Barr?
6	MS. BARR: No, Your Honor. Thank you.
7	THE COURT: Witnesses, Ms. Cofield?
8	MS. COFIELD: We're going to rely on the

12	THE COURT: Okay. Any witnesses, Mr. Warder?

14	THE COURT: All right. Anything else from

25 OKAY. THANK YOU. I WILL THE ALLOW THE SLED

1 REPORT INTO EVIDENCE AS A WHOLE. FURTHER OBJECTIONS
2 MAY BE RAISED LATER ON SHOULD THEY BECOME RELEVANT.
3 ANY OTHER OBJECTIONS? WITHOUT ANY FURTHER OBJECTION
4 THE COMMISSION FILE BECOMES A PART OF THE RECORD
5 WITH THE EXCEPTION OF SELF SERVING DECLARATIONS AND
6 UNSTIPULATED MEDICAL REPORTS. MS. BARR, YOUR
7 POSITION STATEMENT?

8 BY MS. BARR:

9 THANK YOU, YOUR HONOR. MY CLIENTS WERE ORDERED
10 TO PROVIDE, QUOTE, "AN EVALUATION TO DETERMINE THE
11 EXTENT OF THE CLAIMANT'S INJURIES AND HIS
12 ENTITLEMENT TO ONGOING MEDICAL TREATMENT AS
13 PRESCRIBED BY AN AUTHORIZED TREATING PHYSICIAN TO BE
14 SELECTED BY THE CARRIER." THAT'S PAGE 120 OF THE
15 RECORD, PAGE 8 OF COMMISSIONER HUFFSTETLER'S ORDER -
16 - OR EXCUSE ME A SEC -- COMMISSIONER -- I APOLOGIZE,
17 MCCASKILL'S ORDER. PURSUANT TO THAT ORDER, WE
18 PROVIDED AN EVALUATION WITH DR. GREG JONES WHO
19 PLACED THE CLAIMANT AT MAXIMUM MEDICAL IMPROVEMENT
20 AS OF MARCH 20, 2013, WITH IMPAIRMENT RATINGS OF
21 FIVE PERCENT OF THE CERVICOTHORACIC SPINE AND FIVE
22 PERCENT OF THE LUMBAR SPINE AND STATED NO SPECIFIC
23 RESTRICTIONS REGARDING VOCATIONAL OR AVOCATIONAL
24 PURSUITS. DR. JONES DID NOT RECOMMEND ANY
25 ADDITIONAL MEDICAL TREATMENT BECAUSE HE BELIEVED THE

1 CLAIMANT'S OBJECTIVE FINDINGS DID NOT SUPPORT HIS --
2 HIS SUBJECTIVE COMPLAINTS, AND ALL PRIOR TREATMENT
3 HAD BEEN FRUITLESS. THIS OPINION AS TO MAXIMUM
4 MEDICAL IMPROVEMENT IS IN FACT SUPPORTED BY THE
5 CLAIMANT'S OWN FAMILY PHYSICIAN WHO IS NOT AN
6 AUTHORIZED TREATING PHYSICIAN. YOU'LL SEE AT PAGE
7 70, DR. ABEL STATED ON MAY 29, 2013, "IT IS THIS
8 EXAMINER'S OPINION THAT THE PATIENT IS AT MAXIMUM
9 MEDICAL IMPROVEMENT, AND UNFORTUNATELY I AM NOT
10 OPTIMISTIC HE WILL IMPROVE TO ANY SIGNIFICANT DEGREE
11 IN THE FUTURE." I SEE NO STATEMENTS FROM DR. ABEL,
12 THE FAMILY PHYSICIAN, IN THE RECORD RECOMMENDING ANY
13 ADDITIONAL MEDICAL TREATMENT THAT WOULD TEND TO
14 LESSEN THE PERIOD OF DISABILITY TO A REASONABLE
15 DEGREE OF MEDICAL CERTAINTY. WE BELIEVE THAT THE
16 CLAIMANT IS AT MAXIMUM MEDICAL IMPROVEMENT, IS NOT
17 ENTITLED TO ANY ADDITIONAL MEDICAL TREATMENT FOR HIS
18 NECK, BACK, OR KNEE. THE KNEE IS AN ISSUE ACCORDING
19 TO THE FAMILY PHYSICIAN'S REPORTS AND THE CLAIMANT'S
20 OWN TESTIMONY THAT'S WAXED AND WANED. WE BELIEVE IT
21 WAS ADEQUATELY ASSESSED BY DR. HARTZOG IN THE
22 EMERGENCY ROOM FOLLOWING THE ACCIDENT WHO FOUND THAT
23 X-RAYS SHOWED NO ACUTE FRACTURE. IT WAS ALSO
24 SUPPORTED BY DR. WILDSTEIN, THE SURGEON THAT THE
25 CLAIMANT CHOSE FOR HIMSELF, AN UNAUTHORIZED SURGEON,

1 WHO STATED AT PAGE 96 THAT HE WOULD NOT BENEFIT FROM
2 KNEE SURGERY. DR. WILDSTEIN MADE THAT STATEMENT
3 HAVING BENEFIT OF BOTH THE X-RAY, THE HOSPITAL
4 RECORDS, AND THE M.R.I. REPORT WHICH HE INTERPRETED.
5 THERE IS AN OPINION FROM DR. POLETTI GIVING SOME
6 VAGUE OPINIONS ABOUT HIS NEED FOR FURTHER WORK UP,
7 BUT DR. POLETTI ADMITS THAT HE HAS NOT EVALUATED A -
8 - A -- ANY M.R.I. SCANS OR X-RAYS OR PRIOR RECORDS
9 REGARDING HIS KNEE, AND WE THEREFORE BELIEVE IT'S
10 ENTITLED TO LITTLE WEIGHT AND ASK THAT YOU FIND THAT
11 HE'S NOT ENTITLED TO ANY ADDITIONAL MEDICAL
12 TREATMENT FOR HIS KNEE. WE SEEK A CREDIT FOR
13 TEMPORARY TOTAL DISABILITY PAYMENTS PAID FOLLOWING
14 THE DATE OF MAXIMUM MEDICAL IMPROVEMENT, MARCH 20,
15 2013, AND A FINDING COMMENSURATE WITH THE IMPAIRMENT
16 RATINGS OF FIVE PERCENT TO THE NECK AND FIVE PERCENT
17 TO THE LUMBAR SPINE.

18 BY COMMISSIONER TAYLOR:

19 WHAT WAS THE HEARING DATE THAT WAS POSTPONED
20 ORIGINALLY DUE TO THE CLAIMANT'S INCARCERATION?

21 BY MS. BARR:

22 IT WAS ORIGINALLY SCHEDULED FOR APRIL 23, 2012.

23 IT WAS WITH COMMISSIONER BARDEN.

24 BY COMMISSIONER TAYLOR:

25 OKAY. MR. AKERY.

1 BY MR. AKERY:

2 MAY IT PLEASE THE COURT. IT'S THE CLAIMANT'S
3 POSITION THAT HE'S NOT AT MAXIMUM MEDICAL
4 IMPROVEMENT. HE SUFFERED INJURIES TO HIS HEAD,
5 KNEE, LEG, BACK, AND NECK ON AUGUST 10TH, 2011, IN A
6 SEVERE MOTOR VEHICLE ACCIDENT INVOLVING TWO TRACTOR
7 TRAILERS. HE HAD LOSS OF CONSCIOUSNESS AND HAD TO
8 BE REMOVED FROM HIS VEHICLE. HE HAD TREATMENT AT
9 M.U.S.C., WHICH SHOWED HE SUFFERED A TRAUMATIC BRAIN
10 INJURY WITH LOSS OF CONSCIOUSNESS AT THE SCENE, AS
11 WELL AS NECK, BACK, AND RIGHT LEG AND KNEE INJURIES.
12 HE HAD AN AUGUST 23RD, 2011, RIGHT KNEE M.R.I.,
13 WHICH SHOWED A FEMORAL CONDYLE IMPACTION FRACTURE;
14 THAT'S CLAIMANT'S APA PAGE 73. HE WAS REFERRED TO
15 FURTHER ORTHOPEDIC FOLLOW UP BY M.U.S.C., WHICH WAS
16 NEVER AUTHORIZED. ON NOVEMBER 9TH, 2011, HE HAD A
17 CERVICAL SPINE M.R.I., WHICH SHOWED DISC HERNIATION
18 C5/6, C6/7 WHICH IS CLAIMANT'S APA PAGE 91. HE WAS
19 TREATING WITH DR. ABEL WHO MADE MULTIPLE
20 RECOMMENDATIONS FOR FURTHER NEUROLOGICAL EVALUATION,
21 E.M.G. NEUROSURGICAL EVALUATION, ORTHOPEDIC FOLLOW
22 UP, NONE OF WHICH WERE PROVIDED. ADDITIONALLY, HE'S
23 SEEN TWO SURGEONS, A DR. WILDSTEIN ON DECEMBER 14TH,
24 2011, WHICH IS CLAIMANT'S APA PAGE 96, WHO
25 RECOMMENDED A C5/6 FUSION SURGERY. ALSO A DR.

1 POLETTI ON JULY 15TH OF 2013, WHICH IS CLAIMANT'S
2 APA PAGE 100, WHO AGREED WITH DR. WILDSTEIN AND FELT
3 THAT SURGICAL INTERVENTION IS INDICATED. DR.
4 POLETTI ALSO RECOMMENDED A LOW BACK M.R.I. AND
5 REFERRAL TO AN KNEE SURGEON FOR A FRACTURE AND
6 FURTHER ORTHOPEDIC FOLLOW UP FOR THE KNEE.
7 THEREFORE, WE TAKE THE POSITIONS THAT NEITHER
8 ORTHOPEDIC SURGEON AND THE ONLY TWO ORTHOPEDIC
9 SURGEONS THAT HAVE SEEN THE CLAIMANT HAVE PLACED HIM
10 AT MAXIMUM MEDICAL IMPROVEMENT AND HAVE BOTH
11 RECOMMENDED SURGICAL INTERVENTION.

12 BY COMMISSIONER TAYLOR:

13 OKAY. THANK YOU. MS. COFIELD.

14 BY MR. AKERY:

15 THAT'S -- THAT'S IT.

16 BY COMMISSIONER TAYLOR:

17 OKAY.

18 BY MS. COFIELD:

19 COMMISSIONER, IT'S OUR POSITION THAT -- WELL,
20 WE AGREE WITH THE POSITION SET FORTH BY MS. BARR,
21 THAT THE CLAIMANT HAS REACHED MAXIMUM MEDICAL
22 IMPROVEMENT AND THAT THE EMPLOYER HAS PROVIDED
23 EVERYTHING THAT THEY WERE ORDERED TO DO PREVIOUSLY.

24 BY COMMISSIONER TAYLOR:

25 MR. KAUFMANN.

1 BY MR. KAUFMANN:

2 THANK YOU, MADAM COMMISSIONER. AGAIN FOR
3 PURPOSES OF THE ISSUES BEFORE THE COMMISSION TODAY,
4 WE JOIN IN MS. BARR'S POSITION.

5 BY COMMISSIONER TAYLOR:

6 OKAY. THANK YOU.

7 BY MR. AKERY:

8 IF I MAY I HAVE ONE QUICK THING. IF -- IF --
9 IF THE CLAIMANT IS FOUND TO BE AT MAXIMUM MEDICAL
10 IMPROVEMENT, WE TAKE THE POSITION THAT HE IS
11 PERMANENTLY AND TOTALLY DISABLED AND UNABLE TO
12 RETURN TO WORK BASED UPON DR. ABEL'S DEPOSITION PAGE
13 26, LINE 8, AND THEN ALSO DR. POLETTI'S JULY 15TH,
14 2013, I.M.E., WHICH STATES THAT HE IS TO BE ON OFF-
15 DUTY STATUS. THAT'S ALL.

16 BY MS. BARR:

17 YOUR HONOR, WE WOULD DENY THAT THE CLAIMANT'S
18 ENTITLED TO ANY BENEFITS UNDER 42-9-10 AS A MATTER
19 OF LAW. IT'S A SINGLE SCHEDULED MEMBER CASE. HIS
20 PERMANENT IMPAIRMENT IMPACTS A SINGLE BODY MEMBER,
21 THE BACK, AT THIS TIME, AND THERE ARE NO IMPAIRMENT
22 RATINGS TO ANY OTHER BODY MEMBERS.

23 BY COMMISSIONER TAYLOR:

24 ALL RIGHT. MR. AKERY, YOU MAY CALL YOUR FIRST
25 WITNESS.

1 BY MR. AKERY:

2 MR. ROSE.

3 BY COMMISSIONER TAYLOR:

4 MADAM COURT REPORTER, WILL YOU PLEASE SWEAR THE

25 BY MR. SMALLS:

1 HE HAD BEEN REAR ENDED.

2 BY THE WITNESS:

3 --- I WAS REAR ENDED.

4 BY MR. SMALLS:

5 YES, MA'AM, WE AGREE.

7 YOU -- YOU CAN CONTINUE.

9 OKAY. I'M SORRY. YOU MAY CONTINUE.

2 ALREADY BEEN GIVEN IN THE FIRST HEARING. I BELIEVE
3 THAT THE QUESTIONS WERE ALL ASKED AND ANSWERED.

4 BY COMMISSIONER TAYLOR:

5 I'M GOING TO OVERRULE THE OBJECTION, BUT JUST
6 LIMIT THE QUESTIONS SINCE THEY -- THEY'RE ALREADY IN
7 THE RECORD.

8 BY MR. AKERY:

9 OKAY. I'LL ---

10 BY COMMISSIONER TAYLOR:

11 YOU CAN -- YOU CAN FINISH THAT LAST ANSWER.

12 THE WITNESS RESUMES ANSWER:

19 A. YES.

20 Q. OKAY. WELL, WHAT TREATMENT DID THEY RECOMMEND FOR
21 YOU?

22 BY MS. BARR:

23 OBJECTION. THE MEDICAL RECORDS SPEAK FOR
24 THEMSELVES.

25 BY MR. AKERY:

1 THIS GOES TO WHETHER OR NOT THE TREATMENT WAS
2 AUTHORIZED, YOUR HONOR.

3 BY MS. BARR:

4 NO TREATMENT WAS AUTHORIZED AT THE TIME HE WAS
5 SEEN IN THE HOSPITAL. THE CLAIM HADN'T BEEN FILED.

6 BY COMMISSIONER TAYLOR:

7 I'M GOING TO SUSTAIN THE OBJECTION. I MEAN,
8 I'M SORRY; I'M GOING TO OVERRULE THE OBJECTION.

9 DIRECT EXAMINATION RESUMED BY MR. AKERY:

10 Q. AND WHAT TREATMENT WAS RECOMMEND IN M.U.S.C.?

11 A. THEY RECOMMENDED I SEE AN ORTHOPEDIC SURGEON, AND I
12 HAD A FOLLOW UP WITH DR. HARTZOG, WHICH WAS DENIED,
13 AND I HAVEN'T HAD ANY TREATMENT.

14 Q. NOW, WHO DID YOU GO NEXT TO FOR TREATMENT?

15 A. DR. ABEL.

16 Q. AND WHAT TREATMENT DID YOU OBTAIN OR -- OR GET FROM
17 DR. ABEL?

18 BY MS. BARR:

19 YOUR HONOR, THE SAME OBJECTION. THIS WAS
20 ALREADY GIVEN WITH THE TESTIMONY AT -- AT THE
21 REGIONAL HEARINGS CONTAINED IN THE TRANSCRIPT. I'D
22 HATE FOR US TO HAVE TO GO BACK THROUGH ALL THE
23 INCONSISTENCIES OF HIS TESTIMONY TODAY IN RESPONSE
24 TO THESE SAME QUESTIONS.

25 BY COMMISSIONER TAYLOR:

1 THEY'RE THE SAME QUESTIONS.

2 BY MR. AKERY:

3 YOUR HONOR, I -- I'D REPLY TO THAT THAT THERE
4 HAS BEEN SOME TREATMENT THAT'S BEEN RECOMMENDED
5 SINCE THAT.

6 BY MS. BARR:

7 AND, YOUR HONOR, I WOULD SAY ---

8 BY MS. COFIELD:

9 IT'S ALL IN THE MEDICAL RECORDS.

10 BY MS. BARR:

11 --- THE MEDICAL RECORDS WOULD SPEAK FOR
12 THEMSELVES.

13 BY MS. COFIELD:

14 THAT'S WHY YOU TURN THEM IN.

15 BY COMMISSIONER TAYLOR:

16 OKAY.

17 BY MR. AKERY:

18 AND I'LL BE BRIEF.

19 BY COMMISSIONER TAYLOR:

20 I'M GOING TO SUSTAIN THE OBJECTION. LET'S FAST
21 FORWARD TO WHATEVER IS NEW THAT WASN'T ADDRESSED
22 BEFORE.

23 BY MR. AKERY:

24 OKAY.

25 DIRECT EXAMINATION RESUMED BY MR. AKERY:

1 Q. NOW, YOU HAD ADDITIONALLY SEEN TWO SURGEONS A DR.
2 WILDSTEIN, WHAT DID HE RECOMMEND FOR YOU?

3 BY MS. BARR:

4 OBJECTION. SAME -- SAME OBJECTION. HE HAD
5 SEEN DR. WILDSTEIN PRIOR TO ---

6 BY COMMISSIONER TAYLOR:

7 AT THE TIME OF THE HEARING? YEAH, LET'S ---

8 BY MS. COFIELD:

9 WELL, NOT ONLY THAT, BUT ALL OF THE MEDICAL
10 RECORDS ARE HERE. SO IT'D BE HEARSAY FOR HIM TO SAY
11 WHAT DR. WILDSTEIN SAID. IT'S HERE IN THE MEDICAL
12 RECORDS.

13 BY MR. AKERY:

14 AND I'LL PHRASE IT THIS WAY, YOUR HONOR.

15 DIRECT EXAMINATION RESUMED BY MR. AKERY:

16 Q. DR. WILDSTEIN HAS RECOMMENDED A CERVICAL SPINE
17 SURGERY?

18 BY MS. BARR:

19 OBJECTION TO THE LEADING.

20 BY COMMISSIONER TAYLOR:

21 WELL, OKAY.

22 BY MR. AKERY:

23 OKAY.

24 BY COMMISSIONER TAYLOR:

25 I'M GOING TO SUSTAIN THE OBJECTION. YOU CAN

1 ASK HIM WHAT HIS UNDERSTANDING OF WHAT HIS ---

2 BY MR. AKERY:

3 OKAY.

4 BY COMMISSIONER TAYLOR:

5 --- WHAT HIS CURRENT STATUS IS BUT GENERALLY

6 SPEAKING ---

7 BY MR. AKERY:

8 OKAY.

9 BY COMMISSIONER TAYLOR:

10 --- BECAUSE THAT'S ALL HE CAN TESTIFY TO.

11 DIRECT EXAMINATION RESUMED BY MR. AKERY:

12 Q. AND, MR. ROSE, YOU'VE SEEN SEVERAL SURGEONS: A DR.

13 WILDSTEIN AND A -- A DR. POLETTI; IS THAT CORRECT?

14 A. YES.

15 Q. OKAY. AND WHAT'S YOUR UNDERSTANDING OF -- OF WHAT

16 YOUR CONDITION IS?

17 A. THEY TOLD ME I HAVE A HERNIA IN ---

18 BY MS. BARR:

19 OBJECTION TO THE HEARSAY.

20 DIRECT EXAMINATION RESUMED BY MR. AKERY:

21 Q. AND WHAT'S YOUR UNDERSTANDING? YOU DON'T HAVE TO

22 TELL ME WHAT THEY SAID.

23 A. OKAY. THAT I HAVE A HERNIA IN MY NECK AND IN MY

24 LOWER BACK.

25 Q. AND HAVE -- IS THERE ANYTHING THAT YOU'VE LIKE TO

1 HAVE DONE IN ORDER TO HELP THAT?

2 A. I'D LIKE TREATMENT. I HAVEN'T HAD ANY TREATMENT
3 YET.

4 Q. OKAY. AND AS FAR AS YOUR EVALUATION WITH DR.
5 WILDSTEIN, HOW MUCH TIME DID HE SPEND WITH YOU?

6 A. DR. WILDSTEIN SPENT ABOUT AN HOUR WITH ME.

7 Q. AND DID HE SEE YOU ON TWO SEPARATE VISITS?

8 A. YES, HE DID.

9 Q. HOW LONG DID HE SPEND WITH YOU ON EACH VISIT?

10 A. ABOUT THE SAME AMOUNT OF TIME WITH EVERYTHING AND
11 ALL ---

12 Q. ABOUT AN HOUR EACH TIME. HOW MUCH TIME DID DR.
13 POLETTI SPEND WITH YOU?

14 A. THIRTY TO FORTY-FIVE MINUTES.

15 Q. OKAY. NOW, YOU'VE SEEN ALSO A DR. JONES ON MARCH
16 THE 20TH, 2013, AND THIS IS APPROXIMATELY 19 MONTHS
17 AFTER THE WRECK. HOW MUCH TIME DID DR. JONES SPEND
18 WITH YOU?

19 A. LESS THAN TEN MINUTES.

20 Q. WHAT'S YOUR UNDERSTANDING OF THE RECOMMENDATIONS
21 THAT HE GAVE YOU?

22 A. WELL, HE TOLD US ONE THING AND ---

23 BY MS. BARR:

24 OBJECTION TO HEARSAY.

25 DIRECT EXAMINATION RESUMED BY MR. AKERY:

1 Q. AND --- AND --- AND AGAIN, SAMUEL, I JUST WANT TO KNOW
2 WHAT YOUR UNDERSTANDING IS OF THE RECOMMENDATIONS
3 THAT HE GAVE.

4 A. THAT I WOULD RECEIVE TREATMENT IS WHAT HE TOLD ME.

5 Q. WELL ---

6 BY MS. BARR:

7 OBJECTION TO HEARSAY, "WHAT HE TOLD ME," I MEAN
8 PRETTY CLASSIC.

9 BY COMMISSIONER TAYLOR:

10 IT'S SUSTAINED.

11 DIRECT EXAMINATION RESUMED BY MR. AKERY:

12 Q. AND, MR. ROSE, I'M GOING TO ASK YOU WHAT'S YOUR
13 UNDERSTANDING OF WHAT RECOMMENDATIONS WERE GIVEN;
14 WHAT DID YOU UNDERSTAND WAS GOING TO BE CARRIED OUT
15 AFTER THAT VISIT?

16 A. THAT I WOULD HAVE MY SURGERY.

17 Q. NOW, DR. POLETTI RECOMMENDED THREE THINGS IN HIS
18 REPORT ---

19 BY MS. BARR:

20 OBJECTION TO LEADING.

21 BY MR. AKERY:

22 OKAY.

23 BY COMMISSIONER TAYLOR:

24 SUSTAINED.

25 DIRECT EXAMINATION RESUMED BY MR. AKERY:

1 Q. AS FAR AS THE -- LET'S TALK ABOUT YOUR CURRENT
2 CONDITIONS, OKAY, MR. ROSE. I WANT TO ADDRESS THESE
3 ONE AT A TIME. OKAY. AS FAR YOUR NECK, HOW IS YOUR
4 NECK DOING RIGHT NOW?

5 A. IT HURTS, AND STIFFNESS ON THE SIDE, AND IT HURTS.

6 Q. AND -- AND JUST SPEAK UP A LITTLE BIT.

7 Q. CAN YOU DESCRIBE THE PAIN FOR US?

8 A. THROBBING AND JUST RADIATING PAIN, IT JUST HURTS.

9 Q. AND WHERE DOES IT RADIATE TO?

10 A. MY SHOULDERS, MY ARMS, MY HEAD.

11 Q. AND IS ONE ARM WORSE THAN THE OTHER?

12 A. YEAH.

13 Q. AND WHICH ARM?

14 A. THE LEFT SOMETIMES HURTS MORE THAN MY RIGHT. I CAN
15 FEEL THE NUMBNESS IN IT.

16 Q. AND WHERE DO YOU FEEL THE NUMBNESS?

17 A. LIKE MY ARM AND MY FINGERS.

18 Q. IS THAT NUMBNESS CAUSING ANY ISSUES WITH YOUR
19 ACTIVITIES OF DAILY LIVING?

20 A. WHEN I LIFT SOMETHING, I CAN'T HOLD IT FOR -- WELL -
21 - WELL, THE STANDARD PERIOD OF TIME. I JUST LOSE MY
22 GRIP ON IT.

23 Q. HOW MUCH WEIGHT CAN YOU LIFT WITH YOUR -- FIRST WITH
24 YOUR RIGHT ARM?

25 A. SOMETIMES I CAN LIFT LIKE 25 POUNDS.

1 Q. AND WITH YOUR LEFT ARM, HOW MUCH CAN YOU LIFT?

2 A. VERY LITTLE.

3 Q. NOW, THE NUMBNESS IN -- THAT YOU DESCRIBED IN -- IN

23 BY COMMISSIONER TAYLOR:

24 THIS TIME I'M GOING TO SUSTAIN THE OBJECTION AS
25 TO THE -- THE WORD, RECOMMENDATION; HOWEVER, I THINK

1 THE QUESTION IS IF -- IF SOMEONE OFFERED IT, WOULD
2 HE GO, AND HE ANSWERED THAT SO...

3 BY THE WITNESS:

4 YES.

- 12 ACCIDENT, WERE YOU HAVING ANY PROBLEMS WITH YOUR

- 15 Q. NOW, LET'S TALK ABOUT YOUR RIGHT KNEE. DESCRIBE THE
- 16 ISSUES YOU'RE HAVING WITH YOUR RIGHT KNEE RIGHT NOW.
- 17 A. MY LEG GIVES OUT ON ME. IT SWELLS UP, AND SOMETIMES
- 18 IT HURTS; SOMETIMES IT DOESN'T.
- 19 Q. PAIN LEVEL ZERO TO TEN, WHERE IS YOUR PAIN IN YOUR

5 A. NO.

6 Q. AND WHY IS THAT?

7 A. 'CAUSE I CAN'T -- I CAN'T DRIVE A TRUCK. I CAN'T

13 Q. WHAT ARE YOU ON?

14 A. ELAVIL, TYLENOL THREE, CYMBALTA, AND IBUPROFEN.

16 A. THE TYLENOL THREE HAS CODEINE IN IT, AND THE
17 CYMBALTA IS A PAIN MANAGEMENT, AND ELAVIL IS A PAIN
18 MANAGEMENT IS WELL AS ---

19 BY MS. BARR:

20 OBJECTION TO THE CLAIMANT'S CHARACTERIZATION OF
21 -- OF ELAVIL AND CYMBALTA. I BELIEVE THOSE ARE
22 MEDICAL ISSUES AND ---

23 BY COMMISSIONER TAYLOR:

24 I'M GOING TO OVERRULE THE OBJECTION. HE CAN
25 TESTIFY AS TO WHAT HE THINKS IT IS.

1 BY MS. BARR:

2 ALL RIGHT. I WOULD ASK THAT THE -- THE
3 COMMISSION TAKE JUDICIAL NOTICE OF THE NATURE OF
4 THOSE MEDICATIONS.

5 BY COMMISSIONER TAYLOR:

6 THANK YOU.

7 DIRECT EXAMINATION RESUMED BY MR. AKERY:

8 Q. WHAT ARE YOUR PLANS AT THIS TIME?

9 A. JUST TO GET BETTER AND GO BACK TO WORK.

10 BY MR. AKERY:

11 I HAVE NO FURTHER QUESTIONS, YOUR HONOR.

12 BY COMMISSIONER TAYLOR:

13 OKAY. THANK YOU. MS. BARR.

14 BY MS. BARR:

15 THANK YOU.

16 CROSS EXAMINATION BY MS. BARR:

17 Q. MR. ROSE, WE'VE MET BEFORE, BUT AGAIN I'M KIRSTEN
18 BARR, AND I REPRESENT CHRIS THOMPSON SERVICES AND
19 HIS INSURANCE CARRIER IN YOUR WORKERS' COMPENSATION
20 CLAIM. I NOTICE YOU'RE HERE WITH A CANE TODAY; IS
21 THAT RIGHT?

22 A. YES.

23 Q. ALL RIGHT. AND THAT WAS A CANE THAT DR. ABEL GAVE
24 YOU SOME -- AT SOME POINT IN TIME BECAUSE YOU WERE
25 FALLING DOWN THE STAIRS?

- 1 A. YES.
- 2 Q. OKAY. AND IN FACT, YOU TESTIFIED PREVIOUSLY THAT IN
- 3 NOVEMBER OF 2011 AND AGAIN IN JANUARY OF 2012, YOU
- 4 FELL DOWN A FLIGHT OF STAIRS AT YOUR MOTHER'S HOUSE
- 5 ON BOTH OCCASIONS AND RE-INJURED YOUR BACK AND NECK;
- 6 IS THAT RIGHT?
- 7 A. YES.
- 8 Q. HAVE YOU FALLEN DOWN STAIRS OR ANYWHERE ELSE TO
- 9 FURTHER INJURE YOU NECK AND BACK SINCE THAT TIME?
- 10 A. SLIPS, NOT FALLING, NOT RECENTLY.
- 11 Q. OKAY. BUT YOU ADMIT THAT YOU RE-INJURED YOUR BACK
- 12 AND NECK AFTER FALLING DOWN THE STAIRS AT HOME?
- 13 A. YES.
- 14 Q. OKAY. AND IS WAS AFTER THAT YOU FELL DOWN THE
- 15 STAIRS AT YOUR MOTHER'S HOUSE AND RE-INJURED YOUR
- 16 BACK AND NECK THAT YOU BEGAN TREATMENT WITH TRI-
- 17 COUNTY SPINAL CENTER; IS THAT RIGHT?
- 18 A. NO.
- 19 Q. NO. OKAY. WE -- WE HAVE THE RECORDS. YOU HAD
- 20 TESTIFIED ON -- ON DIRECT EXAMINATION THAT YOU'D
- 21 NEVER HAD ANY TREATMENT FOR YOUR NECK OR BACK?
- 22 A. RIGHT. I WENT TO TRI-COUNTY SPINAL CARE, AND THAT
- 23 WAS FOR PAIN MANAGEMENT.
- 24 Q. YEAH, AND ---
- 25 A. AND THEY GAVE ME EPIDURAL INJECTIONS AND CORTISONE

1 SHOTS, AND THEY RECOMMENDED I SEE A NEUROSURGEON,
2 AND I NEVER SEEN THEM.

3 Q. ALL RIGHT.

4 A. I JUST RECEIVED PILLS AND SHOTS, AND THAT'S IT,
5 NOTHING.

6 Q. ALL RIGHT. YOU SAID YOU HADN'T HAD ANY TREATMENTS,
7 BUT ARE SO YOU SAYING NOTHING CONSTITUTES EPIDURAL
8 INJECTIONS, A RADIOFREQUENCY ABLATION PROCEDURES ---

9 A. BY TREATMENT ---

10 Q. --- INJECTIONS, THERAPY?

11 A. BY TREATMENT, I MEAN, THEY -- THE SURGEONS.
12 RECOMMENDED I HAVE SURGERY. I'VE NEVER HAD SURGERY.
13 THEY RECOMMENDED THAT I SEE A NEUROLOGIST. I'VE
14 NEVER SEEN A NEUROLOGIST. THEY RECOMMENDED THAT I
15 HAVE TESTS DONE. THE ONLY TEST I HAD DONE WAS
16 M.R.I.s, NOTHING ELSE. I HAVEN'T HAD TREATMENT.

17 Q. OKAY. EXCEPT FOR THE INJECTIONS, THE M.R.I.s, THE
18 X-RAYS, THE HOSPITAL TREATMENT?

19 A. YEAH, AND FOR PAIN. I'VE HAD STUFF FOR PAIN TO HELP
20 ME DEAL WITH PAIN, AND EVERYTHING WORKS marginally,
21 BUT I STILL HAVE PAIN.

22 Q. OKAY.

23 A. EVERY DAY I STILL HAVE PAIN.

24 Q. ALL RIGHT.

25 A. I STILL GET DIZZY. I STILL -- MY HEAD STILL SWELLS

1 UP. -- MY LEG STILL GIVES OUT ON ME.

2 Q. YOUR HEAD SWELLS UP?

3 A. YES, THE BACK OF MY HEAD SWELLS.

4 Q. ALL RIGHT. AND THAT'S NOT -- CAN YOU SHOW ME ANY
5 MEDICAL RECORDS WHERE A DOCTOR'S DOCUMENTED YOUR
6 HEAD SWELLING UP?

7 A. I HAVE TOLD THEM I HAD SWELLING BACK THERE. THEY'VE
8 FELT BACK THERE.

9 Q. ALL RIGHT.

10 A. I HAVE HAD ---

11 Q. IS THAT FROM FALLING DOWN THE STAIRS AT HOME?

12 A. NO. I DIDN'T BUMP MY HEAD WHEN I FELL DOWN.

13 Q. ALL RIGHT. WELL, YOU WERE ASKED EARLIER ABOUT WHAT
14 HURT WHEN YOU WENT TO THE HOSPITAL INITIALLY AFTER
15 THE ACCIDENT AND YOU ---

16 A. AND I TOLD THEM I HURT.

17 Q. WELL, YOU TESTIFIED TODAY ---

18 A. 'CAUSE I FEEL PAIN.

19 Q. YOU TESTIFIED TODAY THAT WHEN YOU WENT TO THE
20 HOSPITAL RIGHT AFTER THIS ACCIDENT, YOU WERE FEELING
21 PAIN EVERYWHERE?

22 A. YEAH.

23 Q. BUT WHEN YOU TESTIFIED AT THE HEARING BEFORE
24 COMMISSIONER MCCASKILL IN MAY OF 2012, ---

25 BY MS. BARR:

1 AND, COMMISSIONER, I'M LOOKING AT PAGE 26.

2 BY COMMISSIONER TAYLOR:

3 THANK YOU.

4 CROSS EXAMINATION RESUMED BY MS. BARR:

5 Q. YOU -- YOU SAID THAT YOU WERE HAVING PROBLEMS WITH
6 YOUR NECK, YOUR LOWER BACK, AND YOUR KNEE; IS THAT
7 RIGHT?

8 A. YES.

9 Q. OKAY. BUT NOW YOU SAY YOUR HEAD SWELLS?

10 A. THE BACK OF MY HEAD RIGHT HERE, IT -- IT SWELLS UP.
11 I MEAN, DR. ABEL COULD HAVE DOCUMENTED IT, DR.
12 KELLETT; I'VE TOLD ALL THE DOCTORS ABOUT IT.

13 Q. OKAY.

14 A. I DON'T -- I DON'T KNOW WHAT'S IN THEIR RECORD, BUT
15 I TOLD THEM, AND IT'S THERE; YOU CAN SEE IT.

16 Q. ALL RIGHT. NOW, SPEAKING OF DR. ABEL, WE TALKED
17 ABOUT THIS CANE YOU HAVE. YOU CARRY, AND WE WATCHED
18 YOU BEFORE THE HEARING WHEN YOU CAME IN, YOU -- YOU
19 CARRY THAT CANE IN YOUR RIGHT HAND; IS THAT CORRECT?

20 A. YES.

21 Q. BUT YOU CLAIM THAT IT'S YOUR RIGHT KNEE THAT'S
22 INJURED; IS THAT RIGHT?

23 A. YES.

24 Q. ALL RIGHT. AND EVEN DR. WILDSTEIN NOTED, PAGE 93 OF
25 THE APAs, THAT ---

- 1 A. HE STATED THAT ACTUALLY ---
- 2 Q. --- THAT THAT'S THE INCORRECT HAND TO CARRY A CANE
- 3 IN IF YOU ---
- 4 A. HE TOLD ME I SHOULD CARRY THE CANE IN MY LEFT HAND,
- 5 BUT I TOLD HIM IT HURTS. SO I CARRY IT THE WAY
- 6 THAT'S COMFORTABLE FOR ME. AND I'D BEEN TELL HIM I
- 7 CARRY IT TO WHAT'S COMFORTABLE.
- 8 Q. OKAY. BUT IT'S NOT NECESSARILY THERAPEUTIC FOR YOUR
- 9 KNEE OR WOULD HELP YOUR KNEE?
- 10 A. BUT IT HURTS, I TRY TO ALLEVIATE THE PAIN.
- 11 Q. ALL RIGHT. WHAT HURTS?
- 12 A. WHEN I CARRY IT IN MY LEFT HAND TOO MUCH, I CAN FEEL
- 13 THE PAIN IN MY NECK, AND I CAN FEEL IT IN MY
- 14 SHOULDERS. IT HURTS. SO I CARRIED IT IN MY RIGHT
- 15 HAND TO ALLEVIATE SOME OF THAT, AND THEN I SWITCH IT
- 16 BACK AND FORTH BECAUSE I HURT.
- 17 Q. OKAY. BUT I THOUGHT YOUR KNEE ONLY HURT SOMETIMES?
- 18 A. MY KNEE GIVES OUT. IT HURTS SOMETIMES, BUT THE REST
- 19 OF MY BODY HURTS. MY BACK HURTS. MY NECK HURTS. I
- 20 HURT.
- 21 Q. OKAY. DO YOU REMEMBER DR. WILDSTEIN TELLING YOU
- 22 THAT HE BELIEVED THAT YOUR COMPLAINTS WERE OUT OF
- 23 PROPORTION WITH WHAT HE COULD FIND ON YOUR PHYSICAL
- 24 EXAM?
- 25 A. NO, I DON'T.

1 BY MS. BARR:

2 THAT'S PAGE 94, COMMISSIONER.

3 BY COMMISSIONER TAYLOR:

4 THANKS.

5 THE WITNESS RESUMES ANSWERS:

6 A. AND I TOLD ALL THE DOCTORS I HURT; I JUST NEED
7 SOMETHING FOR PAIN. I HURT. I NEED SOMETHING DONE.

8 CROSS EXAMINATION RESUMED BY MS. BARR:

9 Q. BUT THE THINGS THAT THEY'VE GIVEN YOU FOR PAIN, YOU
10 SAY HAVEN'T HELPED?

11 A. THEY DIDN'T.

12 Q. OKAY.

13 A. THE EPIDURALS ONLY WORK FOR A FEW DAYS. THEY TOLD
14 ME IT SHOULD HAVE LASTED FOR A FEW WEEKS. IT
15 DIDN'T. AND THE PILLS, THEY WORKED FOR A LITTLE
16 WHILE, BUT THERE'S -- WHEN I NEEDED IT, IT'S NOT
17 THERE. I HURT.

18 Q. THE MEDICATIONS YOU GET NOW ARE FROM DR. ABEL, YOUR
19 FAMILY PHYSICIAN; IS THAT RIGHT?

20 A. YES.

21 Q. AND YOU REALIZE DR. ABEL SAID THAT HE DIDN'T THINK
22 THAT THERE WAS ANY TREATMENT THAT WOULD MAKE YOU ANY
23 BETTER?

24 A. OTHER THAN HAVING SURGERY, HE SAID SURGERY CAN HELP
25 ME, BUT I -- HE RECOMMENDED IT, BUT NOTHING'S

1 HAPPENING, NOTHING'S BEEN DONE.

2 Q. BUT YOU REALIZE THAT -- THAT DR. ABEL, THE LETTER HE
3 WROTE TO YOUR LAWYER ON MAY 29, 2013, HE SAID, "I'M
4 NOT OPTIMISTIC HE WILL IMPROVE TO ANY SIGNIFICANT
5 DEGREE IN THE FUTURE."

6 A. I'M NOT AWARE OF THAT.

7 Q. SO HE BASICALLY TOLD YOU YOU NEED TO LIVE WITH THIS?

8 A. HE SAYS I NEED TO LEARN TO LIVE WITH IT, THEN HE
9 RECOMMENDED THAT I GO TO A PAIN MANAGEMENT
10 SPECIALIST, AND I STILL HAVEN'T. EVER SINCE I SEEN
11 DR. KELLETT ---

12 Q. WELL, NOTHING THAT THE PAIN MANAGEMENT ---

13 A. I HAVEN'T SEEN A ---

14 Q. --- YOU SAID NOTHING WORKED THAT THEY TRIED AT PAIN
15 MANAGEMENT.

16 A. IT DON'T. THE SHOTS THAT THEY GAVE ME, THE
17 CORTISONE SHOTS, THE EPIDURALS, THEY LAST FOR A
18 LITTLE WHILE. AT NIGHT, I STILL CAN'T SLEEP. I
19 CAN'T RELAX. I CAN'T REST 'CAUSE I HURT. DEPENDING
20 ON WHAT POSITION I'M IN, I HURT.

21 Q. AND YOU HURT WORSE NOW BECAUSE YOU FELL DOWN THE
22 STAIRS THAN YOU DID ORIGINALLY AFTER THE ACCIDENT?

23 BY MR. AKERY:

24 OBJECTION.

25 THE WITNESS ANSWERS:

1 A. NO. I HURT WORSE NOW BECAUSE NOTHING'S EVER BEEN
2 DONE. IT'S BEEN OVER TWO YEARS AND NOTHING'S BEEN
3 DONE, NOTHING.

4 CROSS EXAMINATION RESUMED BY MS. BARR:

5 Q. BUT YOU ADMITTED THAT FALLING DOWN THE STAIRS TWICE
6 AT HOME INCREASED YOUR BACK AND NECK PAIN; IS THAT
7 RIGHT?

8 A. BACK THEN. YES, IT DID.

9 Q. OKAY. HAVE YOU APPLIED FOR ANY JOBS?

10 A. NO, I HAVEN'T.

11 Q. PUT IN AN APPLICATION ANYWHERE?

12 A. NO, I HAVEN'T.

13 Q. TRIED TO WORK ANYWHERE?

14 A. NO, I HAVEN'T.

15 Q. HAVE YOU APPLIED FOR SOCIAL SECURITY DISABILITY?

16 A. NO.

17 Q. HAVE YOU HAD ANY FURTHER INJURIES LIKE THE ONE
18 DESCRIBED FALLING DOWN THE STAIRS?

19 A. NO.

20 Q. JUST YOU SAY YOU'VE -- YOU'VE ALMOST FALLEN BUT
21 CAUGHT YOURSELF?

22 A. YEAH.

23 Q. HAVE YOU BEEN INCARCERATED SINCE THE TIME OF THE
24 LAST HEARING?

25 A. HAVE I BEEN SINCE THE TIME OF THE LAST HEARING?

- 1 Q. YES.
- 2 A. NO. 'CAUSE THAT HEARING WAS CANCELLED.
- 3 Q. RIGHT. BUT HAVE YOU BEEN INCARCERATED FOR ANY OTHER
- 4 REASON?
- 5 A. NOT SINCE THE LAST HEARING.
- 6 Q. ALL RIGHT. YOUR RIGHT KNEE, YOU HAVE OSGOOD-
- 7 SCHLATTER DISEASE?
- 8 A. I HAD IT, YES.
- 9 Q. IT WAS NEVER TREATED SURGICALLY, WAS IT?
- 10 A. IT DIDN'T REQUIRE SURGERY, BUT IT WAS TREATED.
- 11 Q. HOW WAS YOUR OSGOOD-SCHLATTER'S DISEASE TREATED?
- 12 A. WITH PHYSICAL THERAPY MOSTLY.
- 13 Q. DID YOU WEAR A BRACE?
- 14 A. YES, I DID. AND A CAST.
- 15 Q. DO YOU STILL HAVE THE BONEY PROMINENCE; CAN YOU SEE
- 16 IT, THE EVIDENCE OF THE OSGOOD-SCHLATTER ---
- 17 A. YES.
- 18 Q. --- DISEASE ON YOUR KNEE?
- 19 A. YES.
- 20 Q. ALL RIGHT. THE COMMISSIONER MAY NOT BE FAMILIAR,
- 21 BUT IT'S LIKE A BUMP BELOW YOUR KNEECAP; IS THAT
- 22 RIGHT?
- 23 A. YEAH.
- 24 Q. IT'S TENDER TO THE TOUCH?
- 25 A. YES. AND IT WAS EXACERBATED WHEN MY KNEE SHATTERED

1 THE STEERING COLUMN.

2 Q. AND OSGOOD-SCHLATTER DISEASE, AS I'M FAMILIAR WITH
3 IT, IT -- IT'S PAINFUL TO KNEEL WHEN YOU HAVE
4 OSGOOD-SCHLATTER'S DISEASE; IS THAT RIGHT?

5 A. YES, IT IS.

6 BY MS. BARR:

7 THAT'S ALL THE QUESTIONS I HAVE FOR YOU AT THIS
8 TIME.

9 BY COMMISSIONER TAYLOR:

10 OKAY. MS. COFIELD, ANY QUESTIONS.

11 BY MS. COFIELD:

12 YES, COMMISSIONER.

13 CROSS EXAMINATION BY MS. COFIELD:

14 Q. MR. ROSE, WHY DO YOU USE THAT CANE?

15 A. FOR DIZZINESS, FOR BALANCE, AND TO HELP ME -- JUST
16 TO HELP ME WALK.

17 Q. OKAY. SO IT'S NOT BECAUSE YOUR KNEE IS HAVING
18 TROUBLE, IT'S ---

19 A. MY KNEE GIVES OUT ON ME SOMETIMES. I DON'T KNOW
20 WHEN IT'S GOING TO DO IT, BUT IT DOES IT, AND I DO
21 GET DIZZY A LOT.

22 Q. OKAY. AND -- AND YOU SAID IN YOUR LAST DEPOSITION
23 THAT YOU GOT THE CANE BECAUSE OF DIZZINESS?

24 A. YES.

25 Q. OKAY.

- 1 A. THERE'S NOTHING'S CHANGED.
- 2 Q. IS IT THE MEDICINE THAT'S MAKING YOU DIZZY?
- 3 A. NO, I DON'T THINK SO.
- 4 Q. WELL, WHAT DO YOU THINK MAKES YOU DIZZY?
- 5 A. JUST LIKE RIGHT NOW, MY -- I'M DIZZY. AND IT'S JUST
- 6 I CAN FEEL MY HEAD THROBBING, AND IF I MOVE TO FAST,
- 7 I GET DIZZY. IT'S JUST DOING CERTAIN THINGS. I
- 8 DON'T -- AND THAT'S WHY THEY RECOMMENDED I SEE A
- 9 NEUROSURGEON -- I MEAN A NEUROLOGIST, BUT I NEVER
- 10 SEEN ONE.
- 11 Q. BECAUSE OF YOUR HEAD?
- 12 A. I DON'T KNOW WHAT'S HAPPENING.
- 13 Q. BECAUSE OF YOU BEING DIZZY?
- 14 A. BECAUSE OF THE HEADACHES THAT WON'T GO AWAY BECAUSE
- 15 OF THE ---
- 16 Q. WHO -- WHO RECOMMENDED THAT?
- 17 A. DR. KELLETT, HE DID, DR. ABEL.
- 18 Q. BECAUSE OF YOUR HEADACHES?
- 19 A. I HAVE HEADACHES EVERY DAY, MISS. I HAVE HEADACHES
- 20 EVERY NIGHT. I HAVE HEADACHES SOMETIMES THAT JUST
- 21 WON'T GO AWAY.
- 22 Q. IS THAT YOUR MAIN PROBLEM?
- 23 A. NO. THAT'S ONE OF MY PROBLEMS.
- 24 Q. OKAY. A FEW MINUTES AGO, YOU TOLD -- TOLD MS. BARR
- 25 THAT NOTHING'S BEEN DONE FOR YOU?

1 A. IT HASN'T BEEN DONE.

2 Q. YOU'VE SEEN DR. ABEL ACCORDING TO HIS RECORD ON PAGE
3 105, 42 TIMES?

4 A. OKAY.

5 Q. IS THAT CORRECT?

6 A. YES, AND HE -- HE'S MADE PLENTY OF RECOMMENDATIONS
7 AND NOTHING'S BEEN DONE.

8 Q. YOU'VE SEEN HOW MANY OTHER DOCTORS?

9 A. I'VE SEEN DR. KELLETT, AND I'VE SEEN DR. WILDSTEIN,
10 DR. WILLS, DR. POLETTI, DR. JONES, AND NOBODY -- ANY
11 RECOMMENDATION THAT'S BEEN MADE HAS NOT BEEN
12 FOLLOWED THROUGH ON OR FOLLOWED UP ON.

13 Q. WELL, NOW WAIT A MINUTE?

14 A. WAIT A MINUTE FOR WHAT?

15 Q. YOU HAD INJECTIONS, DIDN'T YOU?

16 A. INJECTIONS FOR PAIN, TO HELP ME DEAL WITH PAIN.

17 Q. OKAY.

18 A. AND THE INJECTIONS WEREN'T WORKING.

19 Q. AND YOU HAD MEDICINE AS WELL, TOO, DIDN'T YOU?

20 A. PAIN MEDICINE.

21 Q. OKAY. SO YOU DID HAVE TREATMENT?

22 A. I WANT TO GET RID OF MY PAIN.

23 Q. OKAY.

24 A. THE TREATMENT HELPS ME GET RID OF THE PAIN, NOT TO
25 HELP ME DEAL WITH IT EVERY DAY. I WANT TO GET RID

1 OF IT.

2 Q. WHAT -- WHAT DO YOU THINK IS GOING TO GET RID OF IT?

3 A. I DON'T KNOW. SURGERY MIGHT HELP.

4 Q. WHO TOLD YOU THAT?

5 A. THE DOCTORS.

6 Q. THEY TOLD YOU THAT; IT'S NOT IN THEIR RECORD.

7 A. I DON'T KNOW WHAT'S IN THE RECORDS. I HAVEN'T SEEN
8 THE RECORDS.

9 Q. NOBODY ---

10 A. ALL I KNOW IS I GO THROUGH PAIN. ALL I KNOW IS THEY
11 TELL ME I NEED SOME TYPE OF ---

12 Q. MR. ROSE, CAN I ASK A QUESTION, PLEASE?

13 A. GO AHEAD.

14 Q. NO DOCTOR HAS SAID TO YOU THAT IF YOU HAVE SURGERY
15 IT'S GOING TO ALLEVIATE YOUR PAIN, HAVE THEY?

16 BY MR. AKERY:

17 OBJECT TO FORM.

18 THE WITNESS ANSWERS:

19 A. HE SAID IT MAY -- IT MAY ALLEVIATE SOME OF MY PAIN.

20 BY MS. COFIELD:

21 OKAY. I DON'T HAVE ANYTHING ELSE.

22 BY COMMISSIONER TAYLOR:

23 OKAY. MR. KAUFMANN.

24 BY MR. KAUFMANN:

25 JUST A COUPLE.

CROSS EXAMINATION BY MR. KAUFMANN:

Q. MR. ROSE, DID YOU MENTION THAT AMONG THE MEDICINES
YOU'VE BEEN PRESCRIBED WERE ELAVIL AND CYMBALTA?

A. YES.

Q. WHEN WERE YOU FIRST PRESCRIBED ELAVIL?

A. I THINK ABOUT TWO YEARS AGO.

Q. AND WHO PRESCRIBED THAT FOR YOU?

A. DR. ABEL.

Q. AND HAS HE BEEN THE ONLY DOCTOR TO PRESCRIBE THAT
FOR YOU?

A. YES.

Q. AND HAVE YOU BEEN TAKING THAT MEDICATION
CONSISTENTLY THROUGHOUT THE ---

A. YES.

Q. --- THIS PERIOD OF TIME SINCE HE FIRST PRESCRIBED
IT?

A. YES.

Q. AND THEN THE SAME QUESTION WITH CYMBALTA, HOW LONG
HAVE YOU BEEN TAKING THAT?

A. SINCE THEY SENT -- SINCE I SAW DR. JONES; I DON'T
REMEMBER THE DAY.

Q. BUT DR. JONES WAS THE DOCTOR WHO PRESCRIBED THAT FOR
YOU INITIALLY?

A. NO. HE RECOMMENDED IT, AND HE GAVE ME A SAMPLE OF
LYRICA TO TAKE BACK TO DR. ABEL, AND THEY CONSULTED,

- 1 AND THEN THEY PUT ME ON CYMBALTA.
- 2 Q. WHO WAS IT WHO ORIGINALLY PRESCRIBED THE CYMBALTA?
- 3 A. IT WAS RECOMMENDED BY DR. JONES, AND IT WAS
- 4 PRESCRIBED BY DR. ABEL.
- 5 Q. AND WAS THAT PRESCRIBED AROUND THE SAME TIME THAT
- 6 THE ELAVIL WAS PRESCRIBED?
- 7 A. NO.
- 8 Q. LATER OR -- OR EARLIER?
- 9 A. OVER A YEAR LATER.
- 10 Q. OH, OKAY. AND HAVE YOU BEEN TAKING THAT
- 11 CONTINUOUSLY SINCE YOU WERE PRESCRIBED ---
- 12 A. YES.
- 13 Q. --- CYMBALTA? OKAY. HAVE YOU EVER SEEN A
- 14 PSYCHIATRIST OR A PSYCHOLOGIST ---
- 15 A. NO.
- 16 Q. --- FOR ANY REASON?
- 17 A. NO.
- 18 BY MR. KAUFMANN:
- 19 THAT'S ALL I HAVE, COMMISSIONER.
- 20 BY COMMISSIONER TAYLOR:
- 21 OKAY. THANK YOU. MR. AKERY.
- 22 BY MR. AKERY:
- 23 A BRIEF FOLLOW UP.
- 24 RE-DIRECT EXAMINATION BY MR. AKERY:
- 25 Q. A LITTLE EARLIER YOU WERE ASKED THE QUESTION IF

1 ANYBODY HAD TOLD YOU THAT SURGERY WOULD HELP YOUR
2 PAIN, AND I'M LOOKING AT PAGE 96 HERE OF THE APAs.
3 IT SAYS "A ONE LEVEL C5/6 A.C.D.F., WHICH I FEEL
4 WOULD RELIABLY TAKE CARE OF THE PERISCAPULAR PAIN
5 AND NECK PAIN," AND THAT WAS FROM DR. WILDSTEIN. IS
6 THAT WHAT HE HAD INSTRUCTED YOU?

7 BY MS. BARR:

8 WHAT PAGE ARE YOU LOOKING AT?

9 BY MR. AKERY:

25 RE-DIRECT EXAMINATION RESUMED BY MR. AKERY:

1 Q. IS THAT WHAT HE DISCUSSED WITH YOU?

5 RE-DIRECT EXAMINATION RESUMED BY MR. AKERY:

6 Q. OKAY. ADDITIONALLY, DR. ABEL HAS BEEN TREATING YOU

9 A. YES.

10 Q. AND WHAT MENTAL ISSUES ARE YOU HAVING RIGHT NOW?

11 A. DEPRESSION.

12 Q. AND DID YOU HAVE ANY DEPRESSION BEFORE THIS
13 ACCIDENT?

14 A. NO.

15 Q. WHAT IS CAUSING THE DEPRESSION?

16 A. THE FACT THAT NOTHING'S BEING DONE.

17 BY MS. BARR:

18 OBJECTION.

10 A. IT'S JUST THE FEELINGS THAT I HAVE THAT -- WELL,
11 NOTHING'S BEING DONE.

12 BY MS. BARR:

13 OBJECTION. YOUR HONOR, I'D ALSO OBJECT ON THE
14 GROUNDS OF RELEVANCE. THERE'S NO FORM 50 ALLEGING
15 RELEVANCE; THERE WAS NO RESPONSE TO THE FORM 21
16 ALLEGING RELEVANCE. THE PRE-HEARING BRIEF DOESN'T
17 TALK ABOUT DEPRESSION. MENTAL INJURY IS SIMPLY NOT
18 SOMETHING THAT'S BEFORE THE COMMISSION.

19 BY MR. AKERY:

20 AND I'M GOING TO REFERENCE AN APA PAGE NUMBER,
21 IN WHICH THE PHYSICIAN ADDRESSES DEPRESSION. OKAY?

22 BY MS. BARR:

23 WELL, THAT'S GREAT THAT THERE'S AN APA HE IS
24 GOING TO POINT TO. THE FACT REMAINS THAT NO CLAIM
25 FOR DEPRESSION HAS EVER BEEN MADE. NO CLAIM FOR

1 MENTAL INJURY HAS NEVER BEEN MADE. IT'S NOT EVEN

3 BY MR. AKERY:

4 WELL, I'LL TELL YOU WHICH PAGE.

5 BY MS. BARR:

12 AND THIS IS WHERE DR. ABEL STATES ON HIS VISITS OF
13 MARCH 15TH, 2012, AND APRIL 12TH, 2012, "HIS
14 SYMPTOMS PERSISTED. I THOUGHT THERE WAS DEVELOPING
15 ANXIETY AND DEPRESSION AS A RESULT OF DELAY IN HIS

17 BY COMMISSIONER TAYLOR:

24 HE'S JUST TESTIFYING AS TO WHAT HE THINKS HE HAS.
25 IT'S EVIDENCE, THE WEIGHT TO BE CONSIDERED TO THE

1 ISSUES BEFORE ME, THAT'S A MATTER FOR ME TO DECIDE,
2 BUT HE -- I'LL LET HIM TESTIFY AS TO HOW HE FEELS.

3 BY MS. BARR:

4 CERTAINLY, AND WE -- SIMPLY WE WOULD OBJECT TO
5 ANY ATTEMPT TO CREATE A NEW CLAIM FOR INJURIES NOT
6 PREVIOUSLY PLED IN THE ATTEMPT TO CLAIM ENTITLEMENT
7 IN BENEFITS FOR THESE ALLEGED PROBLEMS.

11 STATE. HE'S FRUSTRATED. HE'S ANGRY. HE'S UPSET,
12 AND THAT MIGHT NOT BE THE WAY HE WAS BEFORE THIS
13 ACCIDENT. OKAY.

14 BY COMMISSIONER TAYLOR:

15 OKAY. AND I'LL ALLOW IT JUST TO -- TO GO TO
16 HIS STATE OF MIND; THAT'S FINE. YOU MAY CONTINUE,

March 20, 2013

CHIEF COMPLAINT: Multifocal generalized pain.

HISTORY OF PRESENT ILLNESS: Patient is a 42 year old male who presents with multiple complaints of pain which he states began in neck, back, and right knee on 8/14/11 when he was involved in collision when his tractor-trailer was hit by another tractor-trailer truck. He states that he experienced initial neck pain and low back pain as well as right knee pain after MVA, which involved explosion, prior to and during which patient was physically "thrown" over guard rail to get him away from fire.

Patient states that he was told that he sustained a right knee fracture, not only by Dr. Abel, his primary physician, but also by Dr. Kelleff and an orthopedist at MUSC, although imaging 8/10/11 immediately post injury showed soft tissue swelling right knee anterior to tibial tuberosity and medially about knee joint with some fragmentation of tibial tuberosity consistent with contusion and/or reactivation of old preexistent Osgood-Schlatter's disease, with no acute fracture line identified. As for cervical symptoms, patient underwent extensive subsequent treatment, as he did for lumbar symptoms, all to no avail.

Patient states that he now experiences chronic neck and right predominant shoulder pain, average 6/10 to 8/10 severity, with similar pain of aching/throbbing and occasional stabbing nature across low back. Patient describes chronic aching pain right medial and lateral as well as anterior knee, where he states he believes his knee hit steering column while braking with right leg. Patient relates that his knee has intermittently "given out" on several occasions since MVA in August and November 2012, and he has developed chronic "cracking and creaking" with motion right knee, average pain 4/10 to 6/10 with flaring up to 8/10 on prolonged weight bearing or excessive walking. Patient experiences two to three flares weekly on average, usually lasting anywhere from two hours to remainder of day, dependent on activities including walking.

As for lumbar symptoms, patient notes that pain generally 6/10 on average, flaring up to 10/10 even now, in spite of previously undergoing three epidural blocks in low back with no change or improvement in symptomatology, accomplished in September, October, and November of 2011 by Dr. Kelleff. Patient relates no sciatica complaints either lower limb, but back and bilateral upper buttock pain persistent since injury 8/10/11. Patient states that low back pain "flares every day," typical duration "couple of hours" for flaring, and usually "moving around or getting off feet" tends to reduce symptoms, as does activities like walking. Prolonged sitting, lying supine, or side-lying all tend to increase back symptoms. He has recently continued using four-point cane for ambulation assist, states that this seems to "take pressure off back" and "seems to help some" in regard to back pain. He states that he has gone through physical therapy as recommended previously by Dr. Wildstein and other physicians in 2011, no benefit achieved with therapy.

For cervical symptoms, patient has also undergone multiple treatments to include epidural injection and trial right-sided cervical facet injection C3-4 level. Although neither of these procedures by Dr. Richard Kelleff helped neck symptoms or arm complaints for any length of time, patient did note decrease in neck pain from 9/10 down to 6/10 for several weeks after 9/5/11 initial epidural, but also apparently similar response after single right-sided cervical facet block C3-4 level, both accomplished by Dr. Kelleff. Block lasted for more than one to two weeks in regard to the estimated 25-30% improvement in neck and shoulder symptoms, and symptoms were largely recurrent and back to baseline/pre-block level within 10 to 14 days after each block procedure. Patient had already developed what he describes as right upper limb numbness and tingling primarily involving right deltoid and biceps region

HISTORY OF PRESENT ILLNESS (continued): with ROM deficits right shoulder subjectively, along with numbness and tingling and pins and needles sensation intermittently in all fingers of right hand. More recently, patient has occasionally experienced similar symptoms left upper limb. Patient was even considered for possible botulinum toxin injection for right shoulder and neck trigger points, but that was not accomplished by Dr. Kellett. He also discussed possibility of patient undergoing cervical facet radiofrequency ablation, but found patient did not tolerate even single level right-sided cervical facet block 10/11/11, and apparently this was not pursued due to lack of more significant or lasting benefit with the facet injection trial.

Patient states that all activities flare symptoms including prolonged sitting or standing, walking or driving, twisting or reaching, lying on back or stomach, coughing or sneezing, or bending neck and back backwards or forwards. Patient states that all medications have failed to help to any significant extent, including oral anti-inflammatories, Elavil, and "pain spray" for fibromyalgia, and also notes that even Tylenol with codeine and other narcotic analgesics simply "take edge off" pain at best. Heating pad also used with at best temporary relief.

Patient was seen by Dr. Wildstein who suggested possible option of single level cervical fusion, but patient is concerned this would prove of little benefit as has all other treatments thus far.

PAST MEDICAL HISTORY: Significant for prior nephrolithiasis.

REVIEW OF SYSTEMS: Positive for hypertension, urinary system stones as indicated above, chronic alternating constipation and diarrhea, worsening over past year or more, chronic knee pain, and difficulty sleeping, otherwise noncontributory.

MEDICATIONS: Tylenol #3 and Elavil as well as ibuprofen all given for pain by Dr. Abel. Also uses topical pain spray for myofascial pain and Ben Gay lotion prn.

ALLERGIES: No known drug allergies.

SOCIAL HISTORY: Patient is single, no children, had worked only a few months at his current job for Chris Thompson Services since April 2011 when he was injured 8/10/11. States that he cannot return to work, feels that he is unable to drive truck while taking pain medications, and states that pain is too severe to allow him to drive. Patient feels that he is disabled due to his chronic pain in various regions noted above. No tobacco or alcohol use. Previously participated in sports including football, basketball, and baseball.

FAMILY HISTORY: Noncontributory.

PHYSICAL EXAMINATION: Exam reveals a cooperative male, appears somewhat older than stated age, no acute distress, height 6'2", weight 220 pounds, no antalgia to gait, although patient does appear to affect at times a stepage gait on right, mildly antalgic, not consistently seen. No difficulty getting onto or off of exam table. Lower extremity exam reveals GPS positional monitoring device in place on right ankle. There is focal tenderness noted medial and lateral joint line at right knee as well as over anterior tibial region right knee, with mild crepitus noted both knees at extreme ranging of motion for extension and flexion, dorsalis pedis and tibialis posterior pulses adequate bilaterally, no pedal or ankle edema, but with focal patchy non-dermatomal sensory hypesthesias to light touch noted anterior left thigh, medial right calf, and dorsal aspect left foot comparing side to side. Multifocal tender points and trigger points noted throughout hip girdle and gluteal regions bilaterally with most significant trigger points noted piriformis, gluteus maximus, gluteus medius, and gluteus minimus muscles as well as originating fibers quadratus lumborum muscles bilaterally. Multilevel lumbar multifidus tender points noted with tenderness also noted over essentially all lumbar facets to varying degrees bilaterally. No palpable step off lumbar spine, no CVA tenderness to percussion, no scapulothoracic motion deficits or scapular winging, no obvious scoliotic curvature. Marked tenderness noted over both SI joints and bilateral sciatic notches. Significant tenderness also noted over greater trochanteric bursal regions, with tenderness noted over tensor fascia latae tendon

PHYSICAL EXAMINATION (continued): sheathis and hamstring tightness noted bilaterally, with quadriceps tightness noted worse on right than left. No definite focal myotomal weakness noted, other than slight give-way weakness noted 5-/5 right quadriceps due to pain per patient. Although poor effort noted on manual muscle testing lower extremities throughout, no focal weakness identified with retesting with distraction as allowed. Straight leg raise nonprovocative bilaterally for radicular symptoms, sciatic stretch nonprovocative bilaterally, no ischial bursal tenderness.

Upper extremity exam reveals increased hypesthesia to light touch in non-dermatomal distribution throughout entire right upper limb all regions tested comparing side to side, and there is decreased strength noted right supraspinatus and right deltoid as well as right biceps muscles 4-/5, as patient complains of pain on any abduction of right shoulder. Patient also complains of concordant right greater than left shoulder girdle pain without radicular symptoms on foraminal compression test to right and to slightly lesser extent to left side, and on Spurling's test to each side. Neither of these latter tests cause radicular symptoms past shoulder however. Slight hypesthesia to light touch also noted finger tips and dorsal aspect all fingers and thumb left hand comparing distal to proximal. Multifocal trigger points noted throughout shoulder girdle and lateral neck muscles including supraspinatus, levator scapulae, upper and middle trapezi, rhomboid major and minor muscles, scalene muscles, and splenius capitis as well as splenius cervicis muscles bilaterally. There is tenderness over greater occipital nerve routes bilaterally. No palpable step off cervical spine, but multilevel cervical and upper thoracic facet tenderness noted along with palpable tender points and trigger points throughout cervical and upper and middle thoracic paraspinal/multifidus muscles to varying degrees bilaterally, essentially all levels palpated. No focal myotomal wasting noted either shoulder girdle or distal upper limb comparing side to side. Reflexes 1+ and symmetric triceps, biceps, and brachioradialis.

IMAGING: Multiple imaging studies reviewed. Refer to detailed reports for findings. No additional findings or interpretations noted by this examiner, agree with all written interpretations of these various studies as previously published.

- IMPRESSION:**
1. Chronic cervicothoracic and right greater than left shoulder girdle myofascial pain, with underlying multilevel cervical spondylosis and facet hypertrophy with C5-6 and C6-7 preexistent degenerative disc-osteophyte complexes/stenoses, symptomatic chronically since MVA work-related 8/10/11 with right upper limb dysesthesias and numbness.
 2. Chronic lumbosacral myofascial and/or facet-generated pain due to chronic lumbosacral strain injury sustained in work-related 8/10/11 MVC, with underlying preexistent multilevel degenerative disc lesions and facet arthropathy L2-3 through L5-S1 levels with chronic bilateral sacroiliitis and preexistent SI joint osteoarthritis.
 3. History of right knee contusion with transient history of intermittent swelling S/P MVA 8/10/11, with preexistent Osgood-Schlatter's disease.

RECOMMENDATIONS/DISCUSSION: This patient has developed chronic primarily myofascial pain in cervicothoracic, right greater than left shoulder girdle, low back, and bilateral buttock regions relating to 8/10/11 MVA. Unfortunately, he had fairly severe underlying preexistent degenerative pathology in both cervical and lumbar spine present prior to MVA 8/10/11. This has likely contributed to chronicity of symptoms and lack of any significant response to prior extensive nonsurgical measures including various blocks, therapy, and medications. Please refer to narrative for answers and current opinions relating to specific questions posed in 3/12/13 Summit/Liberty Mutual accompanying letter for this IMR.

This examination above carried out for purpose of IMR only, and did not constitute forming doctor/patient relationship. No treatments were accomplished, and no medications prescribed. The nature of the IMR, reasoning behind this interpretation/examination, and importance of patient questionnaire explained to examinee. Examinee informed to notify examiner of any pain, discomfort, numbness, or other symptomatology produced by any portion of exam or any maneuver accomplished during examination. If further information becomes available, such additional information may or may not change the opinion rendered in this evaluation. Opinions in this IMR do not constitute recommendation for claims to be made.

CHARLESTON SPINE & PHYSICAL MEDICINE

April 16, 2013 Narrative

There has been a request to address various issues in relation to this patient's IME of 3/20/13 in letter 3/12/13 from Heritage Summit Healthcare.

1. Refer to IME of 3/20/13 for current diagnoses.
2. It is my opinion that this patient would likely not benefit significantly from single level fusion C5-6. He does not have any evidence of definitive cervical radiculopathy, as his weakness about right shoulder girdle appears to be entirely pain related, and there is no atrophy present. Although patient may require surgical intervention at some point in future for most probably C5-6 and C6-7 disc levels due to the degenerative disc-osteophyte complexes, uncovertebral and facet hypertrophic changes, and neural impingement at both levels, this surgery would be necessitated only if patient develops cervical radiculopathy consistent with MRI findings and neural impingement previously identified, and it would indeed be related to preexisting conditions in this patient. It appears that most of patient's symptoms currently relate to myofascial pain in cervicothoracic spine musculature and particularly right shoulder girdle musculature, and this is primary explanation for patient's failure to respond to prior cervical epidural block and even cervical facet block trial in this examiner's opinion. Dr. Abel and other physicians have diagnosed this patient with myofascial pain and/or fibromyalgia, and had already begun treatment directed toward management of this chronic condition.
3. It does not appear that any future treatment would be warranted to help this patient achieve higher level of functional status or lessen his disability. He is likely at maximum medical improvement. All treatments accomplished thus far have largely been failures, patient is still complaining of 8/10 and up to 10/10 level intensity in all affected regions in spite of extensive prior treatment.
4. Mr. Rose has likely received maximum medical improvement with respect to 8/10/11 injury as of 3/20/13 IME date.
5. It is my opinion that patient has likely suffered DRE Category II, 5% cervicothoracic spine impairment and DRE Category II, 5% lumbar spine impairment per *AMA Guides to the Evaluation of Permanent Impairment, 5th edition*, relating to injuries sustained 8/10/11. This takes into account at least the myofascial and/or facet-generated pain present cervicothoracic and lumbosacral spine, chronic sacroiliitis, and significant trigger points noted throughout neck, interscapular and right greater than left shoulder girdle regions as well as low back and buttock regions bilaterally.
6. Mr. Rose is capable of working without restrictions based on current neurologic assessment and current understanding of his underlying multilevel degenerative preexistent pathology cervicothoracic and lumbar spine regions. Based on response, as stated previously, to prior therapeutic interventions (non-surgical), it does not appear that patient is suffering from significant discogenic/facet-generated pain in cervical or lumbar regions, and thus it is most likely that he has developed chronic myofascial pain in these regions. He could even be developing full-blown fibromyalgia, although this condition cannot be blamed on injury event 8/10/11, to a reasonable degree of medical certainty. Patient should be able to return to gainful employment at any job that he desires with no specific restrictions regarding vocational and/or avocational pursuits with relation to the myofascial injuries sustained 8/10/11 to these various regions. I see no need for continued use of narcotic analgesics in this patient with primarily myofascial pain; in fact, these types of drugs are contraindicated in myofascial pain as they are notoriously ineffective (as seen in this patient). Patient might want to seek more appropriate treatment through rheumatologist or primary physician at some point in future for myofascial pain through his primary health insurance.

1 A Yes. 2 Q Sole owner? 3 A Yes, President, yes. 4 Q And do you know a gentlemen named Samuel Rose? 5 A Yes. 6 Q How do you know Mr. Rose? 7 A I employed him at JJS Trucking. 8 Q Do you remember when he went to work for you? 9 A I believe it was the fourth month. 10 Q I think he testified earlier he went to work for you in April of 2011. Would that be about right? 11 A Correct, correct. 12 Q Was he working for you in August of 2011? 13 A Yes. 14 Q And JJS Trucking, you guys subcontract work for Chris Thompson Services, is that correct? 15 A Correct. 16 Q And how long have you had a relationship to work with Chris Thompson Services? 17 A For over three plus years. 18 Q And what is that relationship? 19 A I'm a subcontractor. He -- I pull loads for him. He provides a trailer, and I provide my insurance coverage to him, and he pays me by the ton to carry each load. 20 Q And where do these loads go to, and where do the loads	1 A Yes. 2 Q Take your time. 3 A Here we go. If you want to make a copy of that. 4 Q That would be great. 5 A That's the same thing I provided to the insurance company. 6 (Where upon an off the record discussion took place.) 7 Q Sir, you provided us with what looks like a payroll log, is that what that is? What is that? And I'll show you a copy of it. 8 A Exactly. This is what we call a load sheet and for each ticket number you see represents a load. For each load that's turned in, that's how he gets paid his \$25. It just verifies what he done that particular week. 9 Q And for example on 7/12/2011, if you'll take a look at that. 10 A Correct. 11 Q Which is one, two, three, four, five, six, seven numbers; is that correct? One, two, three, four, five, six, seven numbers. 12 A Correct. 13 Q Does that mean he made seven loads that day? 14 A Correct. 15 Q And then on the 13th it shows one, two, three, four,
1 come from? 2 A They come from a lumber mill in Summerville, and then they go to a paper mill in Charleston, and the lumber mill is off of Highway 78 and they go to Virginia Avenue. 3 Q And that's your exclusive contract with him? 4 A Yes. 5 Q You don't haul anything else anywhere other than this route from Summerville to the paper mill; is that right? 6 A Correct. 7 Q And let me see, my client had started working for you in April of 2011. Did you pay my client? 8 A Yes, I paid him. Yes. 9 Q And how did you pay him? 10 A I paid him as a subcontractor by the per load. For every load that he received, he got paid for each load. 11 Q And how much did he get paid per load? 12 A Twenty-five dollars per load. 13 Q And how many loads would you say he could make on average in a day? 14 A Focus -- he would on average per day it was normally around five loads. Sometimes a little bit more, sometimes a little bit less, but on average for Mr. Samuel every week, he typically got 25 to 30 loads every week. I do have some documentation for that. 15 Q You do. Could I see what you have?	1 five numbers, so he made five loads that day, correct? 2 A Correct. 3 Q And I would assume it varies on traffic and other things; is that correct? 4 A Correct. 5 Q As to how many loads you could get a day. And what you've given us is from July 12, 2011, through August 8, 2011; is that correct? 6 A Correct. But I do have all of his since he was employed. I just thought it might be handy here today because that's for the insurance company. They just wanted "X" amount for representation so, but that's what you're looking at right there. 7 Q I would like to mark this as Plaintiff's Exhibit One, please. 8 (Plaintiff's Exhibit No. 1 was marked for identification.) 9 Q Now, what was your arrangement with Chris Thompson Services, your business arrangement? 10 A My arrangement was to -- and we only had a verbal agreement, but my arrangement was to haul loads, and I was to receive compensation for each load that I carried, and I would turn in my sheets at the end of the week, and then the following week he would relinquish me a check for what I did the previous week.

1 Q Were you paid by the ton? 2 A Correct. 3 Q And then he was also paid by the ton. "He" being Chris Thompson, did he get paid so much per ton as well? 4 A I believe so, yes. 5 Q Who paid Chris Thompson? 6 A I would believe he got paid from Capstone because that's the -- maybe -- matter of fact, he might have got paid from the lumber mill. Actually, I really don't know, but I know that's where we delivered it to, Capstone. 7 Q And Chris Thompson would cut a check JIS Trucking -- 8 A Correct. 9 Q -- every week and then you would cut a check to your employees -- 10 A Yes. 11 Q -- or is it the fellows who drove a truck for you -- 12 A Correct. 13 Q -- and that's how that worked? 14 A Correct. 15 Q And how many trucks did you have working for you at the time of this accident? 16 A Three. 17 Q Three. And how many trucks do you own? 18 A Four. 19 Q Four trucks. Who all drove a truck for you?	1 A Exactly. But excluding the trailer. Everything on the trailer would be Chris Thompson's. 2 Q How long have you had JIS Trucking? 3 A If I'm not mistaken -- I know I got a date for when it was established, but I would say somewhere around seven years. 4 Q Have you ever had any trouble with insurance like what's going on now? 5 A No, sir. 6 Q Now, you've provided and I believe your insurance agency provided some insurance certificates to us, and the state has concluded that your insurance had lapsed from February 5, 2011. Until September 23, 2011. Did you ever receive a letter from the state? 7 MR. KILLEN: Let me just object to the form of that question. 8 Q Well, if you could just answer that. Have you ever received a letter from the South Carolina Workmen's Compensation Commission by a gentleman named Gary Smith? 9 A Please repeat that question. 10 Q Have you ever received a copy of this letter right here, I want to show you? 11 A No, sir. 12 Q It says it was mailed to [REDACTED]? 13 A Let's see, this is on October -- okay, October the
1 A At that time of the incident, it was me, Samuel Rose, Shaun Thompson -- Shaun Thomas, and Reggie Washington. Reggie was really part time. He didn't run every day. 2 Q Did you have a truck driver named Tom? 3 A Yes, I did, but he was not employed with me at that time. He was a subcontractor for me at that time. 4 Q Did you have a truck driver named Max? 5 A Yes. I did at that time, but he was not working for me at that time. 6 Q The deal with Chris Thompson was in order for you to work for him you had to provide him with copies of your certificates of insurance -- 7 A Correct. 8 Q -- to cover your drivers and yourself for worker's compensation purposes; is that right? 9 A Correct. 10 Q And what would happen if you didn't provide those certificates of insurance to Chris Thompson? 11 A I would be terminated. 12 Q And who paid for the gas for the trucks that you drove? 13 A I did. 14 Q What about the tires? 15 A I did. All maintenance to the vehicles, I was responsible for. 16 Q But the trailers were owned by Chris Thompson?	1 28th. Okay. Okay. 2 Q Is this your address here, [REDACTED]? 3 A Yes. Well, what I want to say is I haven't actually seen it myself, but they have sent quite a bit of letters to me. 4 Q And has any insurance company or anyone told you that your insurance had lapsed starting February 5, 2011, through September 23, 2011? 5 A I had not received anything from my actual insurance carrier. 6 Q But have you talked with anyone at the State of South Carolina Workmen's Compensation Commission about that? 7 A No, sir. 8 Q And no one's discussed any sort of fine with you for not having it -- 9 A I did receive a letter saying that if I do not show that I had insurance over "X" amount of years that I would receive a fine. 10 Q Now, are you aware that the insurance company -- your worker's compensation carriers has said that you didn't have insurance at the time of this accident? 11 A I am aware that they said that. 12 Q Have you talked to them about that since then? 13 A Have I talked with them? 14 Q Your insurance company?

1 A I have, and they still stand by the fact that I do not 2 have worker's compensation. 3 Q And which company said that, is it Travelers, Zurich, 4 do you remember? 5 A Towers. 6 Q After Mr. Rose was in the accident, when did you find 7 out this accident happened? 8 A I found out immediately. I mean, within an hour. 9 Q Did you go to the hospital and see him? 10 A Yes, I did. 11 Q Did you ever talk to Chris Thompson about this 12 accident? 13 A Yes, I did. 14 Q What did Chris Thompson and you discuss? 15 A I informed him that at this time his driver hit my 16 driver in the rear, that at the scene DOT and South Carolina 17 State Troopers had faulted his driver at fault and that my 18 driver was in no way -- they called it not contributing. So 19 I informed him of all of this. 20 Q After this accident, did you and Chris Thompson ever 21 discuss worker's compensation coverage? 22 A We did later on once I found out that I was not being 23 covered. 24 Q What did Mr. Thompson tell you? 25 A That when he informed me that --	15 1 but I don't know what's going on because if you look at 2 those documents, it would state that you would have it, but 3 again, if I don't I don't, but I was not aware that I did 4 not. 5 Q Is this the documents you were just asking me about? 6 A Yes, sir. 7 Q And one of them is dated 10/18/2010. Can you take a 8 look at that? Number one it has Tower Insurance Company. 9 Below it it has Travelers Insurance; is that correct? 10 A Correct. 11 Q And it shows the date covered 10/8/10 to 10/31/11? 12 A I know on this policy, if I'm not mistaken, I had just 13 renewed it after the incident because after I found out, I 14 went to go get reinstated, you know, and so that's what 15 we're looking at right here. 16 Q And this was generated after the accident; is what 17 you're saying? 18 A That's right, that's right. 19 Q And where it says under down there, what does that 20 mean? 21 A That means that I'm covered. 22 Q That's your understanding that it means you're covered. 23 Then I have this other one from Swap Fox Agency? Is this 24 your agency? 25 A No, No, No. We're looking at the wrong thing, I'm
14 1 MS. BARR: Object to the hearsay. 2 Q Go ahead and answer the question. 3 A He informed me that I can no longer work for him based 4 on the fact that my insurance had lapsed at that time. 5 That's what he said. 6 Q Did he ever say anything about his insurance taking 7 care of this claim with regard to Mr. Rose? 8 A What he stated is that -- 9 MS. BARR: Same objection to hearsay. 10 Q Go ahead. 11 A What he stated was that Sedrick -- that I was 12 responsible for keeping my worker's comp coverage current. 13 He stated that he was not informed that my insurance had 14 lapsed. Actually, I was looking for it here, but I don't 15 have it. But I was going to ask you -- remember I faxed you 16 two copies of -- he in turn said to me, Sedrick -- so this 17 bottom line I was terminated. Later on, a week or so later 18 he informed me that he did an investigation or he had come 19 across the fact that my insurance had not lapsed, and he 20 provided me with documents. I in turn called my insurance 21 agent that happened to look into this because ever since I 22 worked for Mr. Thompson, if my insurance was ever in 23 jeopardy of lapsing, my insurance carrier always would 24 inform him because he's listed down there, but all I can say 25 is, he said, Sedrick you know you can't be employed here,	16 1 sorry. This is not what I'm looking at because this here 2 says 10/2/2010 -- 3 Q Yes, sir. 4 A -- through 10/2/2011. 5 Q Yes, sir. 6 A So therefore when I looked this I would have been 7 covered through -- because I received a couple of them now, 8 so let me retrack what I stated. 9 Q This is another one that you -- no, this one's dated 10 9/29/11. 11 A Okay. There we go. This is the one probably I was 12 referring to. 13 Q And this one, the 10/8/10, that says -- does that say 14 Travelers Insurance? 15 A Yeah, that says Travelers Insurance; correct. 16 Q And this 9/29/11, now whose insurance company picks up 17 coverage at that point. 18 A Zurich America Insurance Company. 19 Q And that's good from August 24, 2010, it says, to 20 August 24, 2011; is that correct? 21 A Correct. 22 Q But you didn't purchase it until 9/29/11; is that 23 correct? 24 A Actually -- the best thing I can say to you is -- 25 purchase -- I was under the impression that I didn't -- if

1 this is 9/29/11 -- I wasn't the person -- that was not a 2 purchase actual date because if that's a purchase date, why 3 would it be 9/29/11 where it actually says here, you know, 4 coverage 8/24/10 through 8/24/11. I -- 5 Q That's a good question. 6 A I was under the impression that that's when probably 7 someone actually sent it out verifying the date it was sent 8 out but not the actual date of coverage. These -- from my 9 interpretation -- these are the actual dates of coverage. 10 Q Why would there have been one from August 24, 2010 for 11 Zurich and one from October 8, 2010 from Travelers? I don't 12 have any idea. 13 A The only idea that I could have is maybe the insurance 14 had lapsed and somebody else picked it up. I don't know. 15 What I do is I make my payments to Swap Fox and -- but I 16 don't know. 17 Q Have you ever went and showed these and discussed these 18 with anyone at Swap Fox? 19 A We talked -- I sent it back to Swap Fox. I have not 20 gotten a response back from Swap Fox, and that would be 21 attention Gregg Hudson, I believe, operations manager via 22 Swap Fox. 23 Q When you hired Samuel Rose, his job was to haul 24 woodchips from Summerville to the Capstone Plant, is that 25 correct?	17 1 EXAMINATION BY MS. BARR: 2 Q Mr. Smalls, my name is Kirsten Barr. We met briefly 3 before we went on. I represent Chris Thompson and the 4 insurance carrier. Do you recall making payments to Swap 5 Fox or to anybody else for worker's comp insurance in 2011? 6 A No, ma'am. 7 Q Would you have written one check. I mean, do you 8 recall making any payments toward the purchase of a worker's 9 comp insurance policy in the year prior to the accident? 10 A Yes, ma'am. 11 Q Now, do you have business records showing -- would you 12 write the check to Swap Fox, then? 13 A Sometimes I made them to Swap Fox and sometimes I -- 14 flo, if I was close to being terminated, they would say, 15 hey, just make it out to us and make sure it stays current. 16 Q At any time in the months prior to this accident that 17 happened in August of 2011, did you stop making your regular 18 payment? 19 A Focus: I'm not going to say that I didn't -- I might 20 not have had some times when I might have been late. But 21 what would happen is that my insurance agent would say, 22 Smalls, well this is where you are and this is what you need 23 to do. But, yes, ma'am -- and -- focus -- if my insurance 24 had lapsed, I would have to go in and sign something saying 25 that I didn't for that particular period that might have
18 1 A Correct. 2 Q And you furnished the truck, is that correct? 3 A Correct. 4 Q You paid for the gas, is that correct? 5 A Correct. 6 Q You paid for the maintenance on the truck, is that 7 correct? 8 A Correct. 9 Q And really all he did was he was suppose to get in the 10 truck and drive it safely to and from Summerville, dumped in 11 Capstone, come back. His job was just to drive the truck? 12 A His job was just to drive the truck, yes. 13 Q And you told him where to go? 14 A No, I did not. 15 Q You didn't tell him where to go? 16 A No, sir. At Summerville, we have a loader box and each 17 driver has a shift, but you can start your shift earlier or 18 later. I did not make that determination. 19 Q Not when, but where? I mean, he had your truck. His 20 job was to drive your truck from Summerville saw mill, to 21 Capstone. He couldn't just take that truck if he wanted to 22 haul chips to Savannah or something like that? 23 A No, sir. 24 Q Well, thank you, sir. I don't have any other 25 questions. Appreciate it.	19 20 1 just lapsed that I was not covered, so again, the best way I 2 can put it is that I'm not going to say that I didn't have 3 any issues, but at the time of this incident, I was under 4 the impression that I was covered. 5 Q Would you be able to put your hand on like the canceled 6 checks or check stubs that you would have written to pay for 7 your worker's compensation insurance in the months prior to 8 Mr. Rose's accident? 9 A I'm pretty sure I could go back and find documentations 10 of payments. 11 Q Do you recall ever getting a notice from Swap Fox or 12 from the worker's comp insurance company saying that your 13 policy had lapsed -- 14 A No. 15 Q -- or that they were going to cancel it? 16 A No, ma'am. 17 Q You still got your insurance with Swap Fox? 18 A As of now, I'm out of business pretty much. I'm 19 exhausted. 20 Q Were you running trucks for anybody other than -- 21 A No. No, ma'am. 22 Q -- what you did for Chris Thompson? 23 A Exactly. That was everything for me. 24 Q And you have (our truck)? 25 A Yes.

21 1 Q Do you still have the four trucks? 2 A I still have -- yes, I still have them. 3 Q And where do you keep your trucks? 4 A I keep one of them at the shop that broke, but I have 5 three in a yard, what they call Red Top. 6 Q Is that something that you own or -- 7 A It's a friend's property. 8 Q And where is Red Top is that? 9 A That's off of Charleston -- I think that's Old 10 Charleston Road. 11 Q And who owns the property where they're located? 12 A Rodney Doctor. 13 Q Doctor? 14 A Yes, ma'am. 15 Q And do you pay him rent to keep those trucks there, or 16 is he just a friend, or what's the arrangement? 17 A Oh, no, he's a friend. 18 Q And you say that you have not worked or done any kind 19 of work with JIS Trucking since you talked to Mr. Thompson 20 about the lapse in your worker's comp insurance? 21 A Yes, ma'am. 22 Q Just a quick question. We've marked this as Claimants 23 One, but I think you said this was a load sheet; is that 24 what you called it? 25 A Yeah. By definition, we call them load sheets, but	23 1 Q So Mr. Rose would leave this in a box for Chris 2 Thompson; is that correct? 3 A Correct. 4 Q And Chris Thompson or someone in his company would do 5 these calculations? 6 A Correct. 7 Q And then Mr. Thompson's company would pay you -- 8 A Correct. 9 Q -- and send these sheets back? 10 A Correct. 11 Q And then you would have them for your records; is that 12 right? 13 A Correct. 14 Q So would you just then write a check to Samuel Rose for 15 the amount shown on the bottom of this load sheet? 16 A No, I would write a check to him for each load -- his 17 compensation was \$25. 18 Q That's right. 19 A I would count each load that was turned in to verify, 20 and I would cut him a check for those amount of loads. 21 Q Did Mr. Rose ever tell you how many trips he took in a 22 certain week? 23 A Sometimes we would discuss -- you know, he would say, 24 well, yes Smalls, I got 25 loads, or I got 30 loads and 25 then, so we would discuss it and then what would happen is
22 1 that's how we determine compensation. 2 Q And would this be something that an employee like Mr. 3 Rose would turn in to you each week? 4 A Yes. But technically he turned it in to the office. 5 He didn't really turn them in to me, but I look at it as 6 being turned in to me. Every week he would fill it out just 7 like I did and put it in a box, and then when the checks 8 came from Chris Thompson then it would come back to me. 9 Q So when you say he leaves it in a box, this was a box 10 at Capstone? 11 A Correct. 12 Q But Chris Thompson didn't write a check to Samuel Rose. 13 He wrote you a check? 14 A Exactly. He wrote me a check. Yes, ma'am. 15 Q I think Mr. Kilen probably has some questions for you. 16 That's all I have for you right now. 17 EXAMINATION BY MR. KILLEN: 18 Q Mr. Smalls, I'm Tim Kilen. I represent South Carolina 19 Worker's Compensation Uninsured Employers Fund, and this 20 load sheet, this is filled out by Samuel Rose; is that 21 correct? 22 A Correct. 23 Q And did Mr. Rose do the calculations on this document? 24 A No. No. Chris Thompson did the calculations on the 25 sheet.	24 1 when this came back this was like double checking what this 2 verbal communication was. 3 Q The verbal communication was just informative; right? 4 A Correct. 5 Q This document, this load sheet, I mean, that's the holy 6 grail. 7 A Yes. 8 Q That's the document where everything is based off of; 9 right? 10 A Correct. 11 Q Let me ask you a few background questions. What's your 12 date of birth? 13 A [REDACTED] 14 Q And your social security number? 15 A [REDACTED] 16 Q And your driver's license number? 17 A [REDACTED] 18 Q And that's South Carolina? 19 A Correct, sir. 20 Q I know your home address, is that your business address 21 as well? 22 A Correct, sir. 23 Q Have you ever operated any other locations other than 24 the [REDACTED] location? 25 A No, sir.

25 1 Q Where do you house your trucks? 2 A Red Top or if I was -- 3 Q I'm sorry. Let me ask that a better way. When you were in business, where did you house your trucks? 4 A In Sumterville at the mill. 5 Q And who owns that mill? 6 A Well, owns the mill would be Capstone. 7 Q And so you would park your trucks there, did you pay anyone for the space? 8 A No, sir. 9 Q Who did you negotiate that with? 10 A Well, you use the word, "negotiate." I was just authorized by Mr. Chris Thompson to be able to park there. 11 Q And you went into business with Chris Thompson about three-and-a-half years ago, right? 12 A Yes, sir. 13 Q You never had a written contract with him? 14 A No, sir. 15 Q But you had a written contract with all your drivers? 16 A Yes, sir, most of them. 17 Q You're the only member of your LLC? 18 A Yes, sir. 19 Q How are you taxed? 20 A When you say, how am I taxed? 21 Q Are you taxed like a sole proprietor? Do you know?	27 1 A Correct. 2 Q Where do you bank? 3 A First Citizens. 4 Q Do you have personal accounts there? 5 A I don't have a personal account. 6 Q All your bank accounts there -- if there -- is there more than one? 7 A No. It's just one, JJS Trucking. 8 Q And it's just a checking account? 9 A Yes. 10 Q Do you have a mortgage on your house at Gordon Street? 11 A I do. 12 Q Is that in your name alone? 13 A It is. 14 Q How do you pay the mortgage? 15 A By check. 16 Q Out of your JJS Trucking, LLC account? 17 A Most of time I would assume so, yes. 18 Q You would assume so or yes or no? 19 A I would say yes. 20 Q So you use that JJS Trucking account for your personal needs? 21 A I guess you can say it like that. 22 Q Do you separate your money from your corporation with your personal money?
26 1 It's okay if you don't know. 2 A I mean, I got some tax documents, but I know there's different ways you can be taxed. 3 Q Do you pay corporate taxes for your income through your LLC? If you don't know, it's okay? 4 A Well, I know on my taxes my corporation is listed so. 5 Q Okay. Your LLC? 6 A Yes, sir. 7 Q You pay personal income tax? 8 A Can I make a call? Because my accountant might answer the phone. 9 Q It's all right. Who's your accountant? 10 A Liberty Tax. Warren -- Warren Frazier. 11 Q Where is he located? 12 A Goose Creek. 13 Q Do you own the property at Gordon Street? 14 A Yes, I do. 15 Q Personally? 16 A Yes. 17 Q Does your LLC own any property? 18 A No, sir. 19 Q Who owns those trucks? 20 A My corporation. 21 Q Their listed in the name of JJS Trucking, LLC; is that correct?	28 1 A Oh, no, I see what you're saying. No, I do pull it out. 2 Q How do you pull it out? 3 A I write a check to myself. 4 Q And then you cash it? 5 A Correct. 6 Q At First Citizens? 7 A Correct. 8 Q How do you pay your electric bill? 9 A I would pay it off of my account. 10 Q From your corporate account? 11 A Correct. 12 Q What about when you go get groceries? 13 A I pay cash. 14 Q Do you ever write a check for groceries? 15 A No, sir. 16 Q Do you own any automobiles personally? 17 A Yes, sir. 18 Q How do you get gas? 19 A I pay for it with the cash. 20 Q You pay cash for your gas at all times? 21 A Correct. 22 Q You never use your corporate account to pay for your personal vehicle's gas. 23 A No, sir.

29 1 Q What kind of cars do you own personally? 2 A I got a Kia Sorento and a F250 true cab truck and a 3 F150 that's an older truck. 4 Q Any other automobiles or trucks? 5 A No, sir. 6 Q Does your wife own those vehicles as well? 7 A No. 8 Q Did you ever take money out of any of your drivers 9 checks to pay for worker's comp insurance? 10 A No. 11 Q Did Chris Thompson ever take money out of what he paid 12 you to pay for worker's compensation insurance? 13 A No. 14 Q Did the terms of your agreement with Chris Thompson 15 ever change at any time during the course of your 16 relationship? 17 A No. 18 Q So he took the same percentage out when you started us 19 he did from your last load? 20 A Same percentage out -- same percentage out. I would 21 say -- you say take the same percentage out. I would word 22 it as I was paid by the ton, but that would change based off 23 of fuel cost or what he was being compensated with because 24 it did go up and down. But I don't see it as -- you say 25 take something out.	31 1 (Where upon an off the record 2 discussion took place.) 3 Q Do you have a copy of that certificate dated 10/18/2010 4 or do you need -- 5 A I got it. 6 Q Now, in October of 2010, did you get a new policy 7 through the Swap Fox Agency for worker's comp insurance? 8 A I'm sorry. Which one am I looking at? 9 Q Your looking at the one dated 10/18/2010. 10 A Okay. 11 Q That's the one that we're dealing with here. That's 12 the most important one, in my opinion. 13 Did you get a new policy of insurance that year in 14 October of 2010 for worker's comp; do you remember that? 15 A A new? 16 Q Yes. 17 A 10th, the 18th, 10/18/10, did I get a new? 18 Q Let me go through this certificate with you. This 19 purports to show that the document was created on 20 October 18, 2010 by someone at Swap Fox Agency, and it has 21 Insure B Travelers Insurance or Indemnity and Affiliates. I 22 can't read, it and that's where your worker's comp policy 23 would be in effect. That Insure B up there at the top is 24 referencing this right here where it says binder and then 25 these dates of effective coverage down here, 10/8/10 through
30 1 Q So when it changed, how did you find out that it 2 changed? 3 A I saw it on the -- I mean, I got the load sheet -- the 4 statement. 5 Q When you got paid, that's when you learned? 6 A Correct. 7 Q There was no negotiating those factors? 8 A No, sir. 9 Q What Chris Thompson paid you, you got; is that correct? 10 A Correct. 11 Q And you didn't have any say so in that? 12 A No, sir. 13 Q And you said earlier your job was to provide insurance 14 coverage, and his job was to provide the trailer? 15 A Well, I mean, no. My job was to provide a truck and a 16 driver. 17 Q Okay. 18 A But under the terms, I was supposed to make sure I keep 19 my insurance, you know, current. 20 Q And that's your liability insurance and your worker's 21 comp insurance? 22 A Correct. 23 Q I believe Mr. Fisher showed you a certificate of 24 insurance earlier. I don't think we made it an exhibit. 25 There's one dated 10/18/2010.	32 1 10/8/11. Did you go get a new insurance policy around that 2 time? 3 A If that's the 10/18/10 -- I would -- are you saying 4 this is the time when I was renewing it? 5 Q I'm asking you. Did you renew a policy, or did you get 6 a new one or what? 7 A I renew it every year, so if I'm renewing it every year 8 and it starts on the 10th, the 8th, the 10, the 2nd and 9 then this date up here is -- I would have believed that this 10 is the beginning of a new policy. 11 Q It shows binder down there. Did you ever have an 12 actual policy issued to you from Travelers? 13 A I'm pretty sure I would have had to. I mean -- 14 Q When did you make your payments to Swap Fox? 15 A Oh, wow, I mean, normally there would have been a 16 deposit made, and I would be making monthly payments. 17 Q So around the time, you either renewed or got a new 18 policy you make a deposit; is that correct? 19 A Correct. 20 Q And then from the rest of the year you make -- 21 A Correct. 22 Q -- equal monthly installments; is that correct? 23 A Pretty much. 24 Q And there were times in the past where you would fall 25 behind?

33 1 A Correct. 2 Q But someone from Swap Fox would contact you and let you 3 know and then you would catch up, correct? 4 A Correct. 5 Q Now, the worker's comp commission is showing a -- that 6 this policy was canceled sometime in February of 2011. Now, 7 between October of 2010 and February of 2011, were you 8 missing payments to Swap Fox or Travelers? 9 A Okay. Say that one more time, please. 10 Q Between October of 2010 and February of 2011, that's 11 about what, four months? 12 A Okay. Between October -- go ahead now. 13 Q Did you miss any of your payments? 14 A For my worker's comp, I'm going to say I really don't 15 recall missing any payments, but if worker's comp says -- 16 well, not worker's comp but if they say my insurance lapsed 17 in January, I would have to say obviously I didn't make a 18 payment. 19 Q Are you telling me you know that you didn't make a 20 payment or just because this paperwork, which is not 21 binding, says it. 22 A Exactly. 23 Q Are you relying on these documents? 24 A Yeah, pretty much. 25 Q Solely for your recollection?	35 1 Chris Thompson? 2 A I myself don't send certificates over to Chris 3 Thompson. My agent would send it over to Chris Thompson. 4 Q Did you ever ask your agent to do that? 5 A In the past I think one time I did. It wasn't in the 6 last year. I think one time before my -- he questioned me 7 on my insurance renewal date, and I called my agent and say 8 could you send over Chris Thompson a current, you know, 9 certificate of insurance, but that was -- that had probably 10 happened two years plus ago. 11 Q How long was your agreement with Chris Thompson 12 supposed to last? 13 A He never -- we never discussed a time frame for how 14 long it was supposed to last. 15 Q How long did it actually last? 16 A I'm going to say about three and a half years. 17 Q So for three and a half years, you two companies never 18 had a written agreement? 19 A No, sir. 20 Q Three and a half years you two companies, both of your 21 LLCs, never put anything on paper to show that you two had a 22 contract with each other? 23 A No, sir. 24 Q And nothing changed since three and a half years before 25 the contract terminated, as far as the terms of contract are
34 1 A Pretty much. 2 Q Are you telling me that it's possible you missed a 3 payment or two? 4 A I'm saying it is possible. 5 Q Is it probable? 6 A Probable? If that has same meaning as saying possible, 7 I'm going to say it's possible. 8 Q Did you ever get a call from anyone at Swap Fox during 9 that time? 10 A No, sir. 11 Q Did you ever get a letter from anyone at Swap Fox 12 during that time telling you your policy was getting ready 13 to lapse? 14 A No, sir. 15 Q Did you ever get a letter from Travelers during that 16 period of time telling you your policy was getting ready to 17 lapse and what you could do to cure that? 18 A I don't recall it, no, sir. 19 Q Did you ever get any of your premiums refunded to you? 20 A No, sir. 21 Q Neither Travelers nor Swap Fox ever wrote you a check 22 for any worker's compensation insurance you paid for, but 23 they weren't providing coverage for you? 24 A No, sir. 25 Q How frequently would you send certificates over to	36 1 concerned, is that correct? 2 A Yes, sir, that's what I am saying. 3 Q After Chris Thompson terminated the contract with your 4 company, did your company receive full payment for the work 5 it had already performed? 6 A If you are saying if anything was owed to me from him, 7 did I receive it, then I would say, yes. 8 Q Was it effective immediately, or did you get a 30 day 9 grace period? 10 A Immediately. 11 Q And you would make your insurance payments to Swap Fox 12 Agency? 13 A Yes, sir, sometimes, yes. 14 Q Sometimes? 15 A Yes, sometimes. 16 Q Where would you make them if you weren't making them 17 directly to Swap Fox? 18 A If I'm not mistaken it would have been to like a 19 finance company maybe. I don't know if it was actually to 20 Towers or Zurich, but sometimes it would be like a finance 21 company that would be established, and I would pay them. 22 Q What is the last time you remember making payments to a 23 finance company? 24 A I would have to go and look at my records. Right this 25 second I --

37 1 Q Just to the best of your recollection? 2 A I would -- I would believe in this -- in the early 3 portion of this year because like I said, I know I was 4 making payments. 5 Q So you were making payments in 2011? 6 A 2011. 7 Q It's 2011. 8 A Yes. 9 Q It is your testimony that you never received notice of 10 a cancellation? 11 A No, sir. 12 Q By notice of cancellation, I mean a letter from the 13 insurance company or the agent saying that they were getting 14 ready to cancel your policy unless you followed up with the 15 payment? 16 A It's a possibility they might have sent me something. 17 Also when I was aware of a possible lapse then, I would 18 bring it current. In this particular case here, I was not 19 aware that my insurance had lapsed, and any other time if my 20 insurance was about to lapse, Chris Thompson would have been 21 all over me because he did not want my insurance to lapse, 22 so I can't say I didn't make a mistake. What I can say is 23 that ever since I dealing with Swap Fox and ever since I've 24 been running for Chris, I never had this problem, and when 25 he brought it to my attention, I didn't have nothing to say.	39 1 deal with my policy. They might have had a more faster, 2 efficient way of dealing with the situation. 3 Q Well, there's this note here -- cancellations, 4 reinstatements, non renewals and it shows on 1/5/11 that 5 your policy was canceled; and it says by the request of the 6 finance company? 7 MR. KILLEN: Can you tell him where that is, Joe? 8 MR. FISHER: Yeah. 9 Q It says TOC inquiry on line with South Carolina. This 10 is something to show whether or not you had insurance. But 11 anyway, the finance company, if you don't make a payment to 12 the finance company, does your coverage lapse? 13 A I would say I'm sure it would lapse. I guess, that's 14 an answer. 15 Q Do you know what finance agency it was that you were 16 dealing with at this time? 17 A I would have to really go back and talk to my agent. I 18 can find that out. 19 Q It would be worth it for you to do that. Thank you, 20 sir. I don't have any other questions. 21 EXAMINATION BY MR. KILLEN: 22 Q Quick follow up. Did you ever sign a contract with the 23 finance agency? 24 A You know something, I have to go back and look at my 25 documents because like I said, normally when I start the
38 1 Q "He" being who? 2 A Chris Thompson. 3 Q And he didn't know about this problem until after the 4 accident, is that correct? 5 A Correct. 6 Q That's all the questions I have. 7 EXAMINATION BY MR. FISHER: 8 Q Let me ask you one, Mr. Smalls. The finance company, 9 whenever you say sometimes you made insurance payments 10 through a finance company and not directly to Swap Fox, what 11 finance company would that be, and how did that work? 12 A The best way I can put it is Swap Fox was my insurance 13 agent. Normally, when I would go and establish a insurance 14 binder, I would have to put "X" amount of dollars down, and 15 then it would say, okay, well, to the balance on this -- if 16 the policy was \$5,000, I might put down \$2,000. They might 17 finance 3,000. I would give Swap Fox a check and then what 18 would happen would be I would either make payments to a -- 19 normally, I don't think it was the actual insurance, I think 20 it was to like a finance company. And then if I got in 21 trouble, you know, they would say, Hey, you know your 22 insurance is about to cancel. I would talk to my insurance 23 agent and say, Hey, what's the deal, well, you got "X" 24 amount of time. Sometimes I would just cut them a direct 25 check, you know, and they would deal with it however they	40 1 policy I would sign "X" amount of papers, and I'd have to go 2 back and try to start looking at all those things to verify 3 that. 4 MR. FISHER: Okay. Thank you. That's all. 5 (The deposition was concluded at 6 12:10 p.m. November, 14th, 7 2011.) 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25

BARR: 4 Q Mr. Rose, my name is Kirsten Barr and I represent a 5 company called Bridgefield Casualty Insurance Company, and 6 Chris Thompson Services regarding your worker's compensation 7 claim. And I'm sure Mr. Fisher's explained to you what 8 we're doing here today, but again, it's called a discovery 9 deposition, and it really is just what it sounds. It's my 10 chance to discover a little bit more about you as a person 11 and about the accident and your injuries and how you've been 12 doing since then. My questions are intended to be straight 13 forward, so if I ask something that is unclear or doesn't 14 make sense, please ask me to rephrase or repeat my question. 15 I'm happy to do that. Because otherwise, if you answer my 16 questions, number one, I'm going to assume you're answering 17 truthfully, and number two that you understood the question 18 before you answered it, fair enough? 19 A Okay. 20 Q The other thing is the court reporter is going to take 21 down everything we say here today. This is the microphone, 22 so we just need to speak up and speak clearly. I'll 23 understand you if you nod your head here today, but she 24 can't take that down on paper very well, so we just need to 25 remember to say yes or no and just again, answer it to the

1 best of your ability. 2 If you would state your full name for the record? 3 A Samuel Archibald Rose. 4 Q Could you spell your middle name for me? 5 A A-R-C-H-I-B-A-L-D. 6 Q And Mr. Rose, what is your date of birth? 7 A [REDACTED] 8 Q And your social security number? 9 A [REDACTED] 10 Q And are you married, single, divorced? 11 A Single. 12 Q Have you ever been married? 13 A No. 14 Q Do you have any children? 15 A No. 16 Q And what is your current you address? 17 A [REDACTED] 18 Q And who do you live with at [REDACTED]? 19 A My cousin. 20 Q And how long have you lived there? 21 A I grew up there. 22 Q And it's just the two of you living there? 23 A Yes. 24 Q Anybody depending on you for support? 25 A No.	1 early. 2 Q And would you work until the North Charleston plant 3 closed or the saw mill up in Summerville closed? 4 A Summerville. North Charleston is open 24/7. 5 Q So you would begin and start your day at Summerville? 6 A Yes. 7 Q Did you keep the truck you used at your home or JJS 8 Trucking, how did your day start? 9 A It was parked in Summerville at the saw mill. 10 Q So would you drive your personal vehicle to the saw 11 mill then? 12 A Yes. 13 Q Did you have to punch a time card or anything like 14 that, or how did you keep track - how would JJS keep track 15 of your time? 16 A Our daily logs. 17 Q What would you keep track of in your daily log? 18 A The time that I start work, the inspection of the 19 truck, and number of runs I made. 20 Q And would you also get receipts from either the saw 21 mill or from the mill in Charleston as far as what you 22 loaded or unloaded? 23 A Each load that we pick up we received a receipt. When 24 we got to Capstone we received another receipt. 25 Q And what would you do with those receipts?
1 Q Tell me, it's my understanding you were working for a 2 company called JJS Trucking at the time of this accident, is 3 that right? 4 A Yes. 5 Q And who did you work for at JJS Trucking? 6 A Sedrick Smalls. 7 Q And when did you start working for Sedrick Smalls at 8 JJS Trucking? 9 A Back in February or March. 10 Q Of 2011? 11 A Yes. 12 Q And what were you hired to do for JJS Trucking? 13 A To haul woodchips from Summerville to North Charleston. 14 Q And that was to North Charleston to the Capstone plant? 15 A Yes. 16 Q Did you have a set work schedule that you did? 17 A From 12:00 o'clock until 12 noon. Either 12 noon or 18 2:00 o'clock, and I worked a 10 to 12 hour shift. 19 Q And during your ten to 12 hour shift, I guess it would 20 be a ten hour shift if you started at 2:00 o'clock in the 21 afternoon? 22 A Yes - well, no. From the time I started, I worked 23 either 10 to 12 hours, and I worked until the plant closed. 24 Q And to your knowledge, what time did the plant close? 25 A It's suppose to close at 2:30, but sometimes it closes	1 A We turned them in at the end of the week. 2 Q And who did you turn the receipts in to? 3 A They went to Chris Thompson. He has a mailbox placed 4 at the saw mill in Summerville, and we fill out our work 5 sheet, and we put everything in the envelope for him. 6 Q And then how would you get paid? 7 A By check. W.C.C. FILE NO. 1112328

PETITION TO TRANSFER LIABILITY
TO S.C. UNINSURED EMPLOYERS' FUND
PURSUANT TO S.C. CODE ANN. § 42-1-415

TO: The South Carolina Workers' Compensation Commission; Joseph B. Fisher, Esq., attorney for the Claimant; JJS Trucking, LLC; Timothy B. Killen, Esq., attorney for The South Carolina Uninsured Employers' Fund; and F. Reid Warder, Esq., attorney for Travelers Insurance Company.

PLEASE TAKE NOTICE that Chris Thompson Services, LLC and Bridgefield Casualty Insurance Company hereby Petition the South Carolina Workers' Compensation Commission pursuant to S.C. Code Ann. § 42-1-415 to transfer liability for this claim to the S.C. Uninsured Employers' Fund based upon the following:

1. In his December 6, 2011 Form 50, the Claimant named JJS Trucking, LLC and Chris Thompson Services, LLC (upstream contractor) as employers at the time of

his August 10, 2011 work-related accident. The Claimant alleges injuries to the right knee, back, neck, and head as a result of an August 10, 2011 motor vehicle accident.

2. JJS Trucking, LLC was the Claimant's direct employer at the time of the August 10, 2011 accident. (See attached depositions of Samuel Rose and Sedrick Smalls).
3. JJS Trucking, LLC was a subcontractor for Chris Thompson Services, LLC at the time of the Claimant's alleged injuries.
4. JJS Trucking, LLC provided Chris Thompson Services, LLC with a Certificate of Liability Insurance, with effective date of October 8, 2010 and expiration date of October 8, 2011 for its workers' compensation policy, at the time it commenced work for Chris Thompson Services, LLC. (Exhibit A).
5. Travelers Insurance Company is listed as the workers' compensation insurer on the Certificate of Insurance provided by JJS Trucking, LLC to Chris Thompson Services, LLC.
6. JJS Trucking's workers' compensation policy with Travelers apparently lapsed, without notice to or the knowledge of Chris Thompson Services, LLC, prior to the August 10, 2011 accident.
7. Pursuant to S.C. Code Ann. § 42-1-415(A), "[n]otwithstanding any other provision of law, upon the submission of documentation to the commission that a contractor or subcontractor has represented himself to a higher tier subcontractor, contractor, or project owner as having workers' compensation insurance at the time the contractor or subcontractor was engaged to perform work, the higher tier subcontractor, contractor, or project owner must be relieved of any and all liability under this

title...In the event that employer is uninsured...the higher tier subcontractor, contractor, project owner, or his insurance carrier shall in the first instance pay all benefits due under this title. The higher tier subcontractor, contractor, project owner, or his insurance carrier may petition the commission to transfer responsibility for continuing compensation and benefits to the Uninsured Employer's Fund."

8. Pursuant to S.C. Code Ann. § 42-1-415(B), "[t]o qualify for reimbursement under this section, the higher tier subcontractor, contractor, or project owner must collect documentation of insurance as provided in subsection (A) on a standard form acceptable to the commission. The documentation must be collected at the time the contractor or subcontractor is engaged to perform work and must be turned over to the commission at the time a claim is filed by the injured employee."
9. Under S.C. Code Ann. § 42-1-415, it is clear that when a contractor or subcontractor has represented himself to a higher tier subcontractor, contractor, or project owner as having workers' compensation insurance, and the higher tier subcontractor, contractor, or project owner collects documentation of said insurance, the higher tier party must be relieved of any and all liability under this title.
10. JJS Trucking, LLC represented itself to Chris Thompson Services as having workers' compensation insurance coverage as evidenced by the attached Accord Form 25, Certificate of Insurance, which is a standard form acceptable to the Commission. (Exhibit A).
11. Furthermore, S.C. Code Ann. § 42-1-415(C) requires that the lower tier subcontractor notify, by certified mail, the higher tier contractor, subcontractor, or project owner of a lapse in coverage within five days of such a lapse in coverage.

12. ~~US Trucking, LLC~~ never provided Chris Thompson Services, LLC with notice, by certified mail or otherwise, that its workers' compensation coverage had lapsed, as required by S.C. Code Ann. § 42-1-115(3).

13. Based on all of the above, Chris Thompson Services, LLC is informed and believes it must be relieved of any and all liability under this bill.

~~WHEREFORE~~, Defendants Chris Thompson Services, LLC and Bridgefield Casualty Insurance Company respectfully request that the South Carolina Workers' Compensation Commission issue an Order relieving Chris Thompson Services, LLC and Bridgefield Casualty Insurance Company from any liability under the Act for WCC Claim Number 1109316 in accordance with S.C. Code Ann. § 42-1-410 and transfer liability, if any, to the S.C. Uninsured Employers' Fund.

Respectfully submitted,

EXAMINATION: BRAIN CT 08/10/11 05:43:00

ACCESSION NUMBER: 6414045

INDICATION: mvc

COMPARISON: None

TECHNIQUE: CT of the brain without intravenous contrast.

FINDINGS: Notably diminutive appearance of the lateral ventricles and third ventricle, suggestive of increased intracranial pressure, with intact appearance of the basilar cisterns and no CT evidence for hemorrhagic or non-hemorrhagic diffuse axonal injury. No evidence of focal contusions, subarachnoid hemorrhage, extra-axial collections, or other intracranial bleed. There are no signs of acute infarction. The CSF spaces are symmetrical. There is no evidence of fracture. Minimal mucosal thickening in the maxillary sinuses bilaterally, but the paranasal sinuses and mastoids are otherwise unremarkable. Significant beam hardening present due to dental hardware limiting evaluation of the posterior fossa.

IMPRESSION:

Slightly decreased caliber of the lateral and third ventricles, suggestive of increased intracranial pressure, but no other evidence of acute intracranial abnormality.

Findings discussed with Dr. Ellett by Dr. Rogers at 1128 on 8/10/2011. Patient is walking/talking with no clinical signs of increased intracranial pressure. Patient's ventricular system is decreased in caliber, but at the upper limits of normal, per attending review.

INDICATION: Right knee laceration and pain following trauma

COMPARISON: None

FINDINGS: Antero-posterior and lateral views of right knee demonstrate the bones to be well mineralized. Well corticated ossific fragments noted at the tibial insertion of the patellar tendon, likely due to prior Osgood-Schlatter disease. There is minimal narrowing and osteophytosis of the medial tibiofemoral as well as the patellofemoral compartments, but no evidence of acute bony, joint or soft tissue abnormality. There is no evidence of fracture or dislocation. The joint spaces are normal. There is no evidence of capsular distention.

IMPRESSION:

Mild to moderate two compartment osteoarthritis.

Evidence of Osgood-Schlatter disease.

No evidence of acute fracture or dislocation.

Discussed with Dr. Malouf at 06:32 on 8/10/11 via telephone who reports that the laceration is superficial over the lateral aspect of the patella.

muscle strength in all muscle groups in the right lower extremity.

RADIOGRAPHIC EVALUATION: AP and lateral views of the patient's right knee is negative for fracture dislocation. However, there is evidence of a tibial avulsion this is an old finding that is consistent with previous Osgood-Schlatter disease.

ASSESSMENT AND PLAN: This is a 40-year-old male with right knee pain after a MVC 1 day ago. We recommend an MRI to evaluate the patient's ligamentous structures in his knee as well as the meniscus for possible soft tissue injury. The patient will be discharged from the trauma surgery service today and he will follow up with Dr. Hartsock in approximately 10 days with an outpatient MRI. This patient has been discussed with Dr. Laura Liles of the orthopedic surgery service and will be discussed with Dr. Hartsock.

RE: SAMUEL A. ROSE

Dear Mr. Fisher:

This is an update on Mr. Rose. I continue to see him for ongoing neck and back symptoms and associated headaches.

He was seen on 10/04/12 complaining of new symptoms of losing feeling in his right hand, with a decrease in grip in the right hand at times. He has ongoing low back pain and headaches in the occipital/cervical region. There is a decreased sensation of sharpness over the right hand vs. the left. There is still bilateral paracervical and paralumbar muscle tenderness, with painful range of motion of the neck.

This patient continues to be frustrated by the lack of recommended treatment. He does need to see a neurosurgeon for evaluation of surgery on his neck. He is to continue Elavil and ibuprofen, and see me again in three weeks.

I am concerned about any further delay in getting this patient the treatment that he needs. I wanted you to be aware of this.

Sincerely,

Alan N. Abel, M.D.

RE: SAMUEL A. ROSE

Dear Mr. Fisher

I am continuing to see Mr. Rose for his injuries. He remains symptomatic, and if at all possible, I would like to make arrangements for physical therapy for this gentleman as I feel this might help his condition improve.

Kindly let me know if you have any suggestions.

Sincerely,

Alan N. Abel, M.D.

RE: SAMUEL A. ROSE

Dear Mr. Fisher:

As you are aware, I have treated Mr. Rose since 08/16/11 for injuries sustained in a truck accident that occurred on 08/10/11.

Initially, Mr. Rose presented to my office with neck, back and right knee discomfort. My initial impression is that he had a neck and back strain/sprain injury in addition to a right knee injury as a result of this accident. He also informed me of having a slow heart rate for which he was evaluated at MUSC prior to seeing me. I requested that his records be obtained.

He was next seen on 08/22/11 with persistent neck and back pain and right knee discomfort. He stated that he was seeing an orthopaedist at the Medical University where pain medication had been prescribed for the patient.

He was seen again on 08/29/11 with ongoing back and neck discomfort. He was receiving physical therapy at home.

When seen on 08/31/11, he informed me of receiving therapy three times per week at home, and he thought this might be increasing his pain. He remained symptomatic, and I was agreeable to holding physical therapy at that time as the patient felt this might be aggravating his condition.

Re: Samuel A. Rose

Page 2

He returned on 09/06/11. He had been referred to Tri-county Spinal Care Center where he was receiving "shots in the back." He stated that he had a "fracture in the leg."

Mr. Rose was next seen on 09/20/11 and was doing somewhat better, having had an epidural injection and an injection into his occipital/cervical region. He still had neck soreness and low back pain after prolonged sitting and standing. He remained tender over the paracervical muscles and paralumbar muscles, with painful range of motion. The exam was non-revealing at that time.

I continued to see Mr. Rose who remained symptomatic. He was noted to have elevated blood pressure on 10/26/11. On subsequent visits of 11/03/11 and 11/28/11, he reported continued occipital/cervical headaches with some dizziness and persistent back pain. At this point, it was thought he had an occipital/cervical neuritis with secondary headaches and ongoing back pain. He was still seeing an orthopaedist for his neck and back.

X-rays of his lumbar spine done on 11/30/11 showed mild degenerative changes and facet arthropathy of the lumbar spine and mild degenerative changes of the sacroiliac joint. X-rays of the right knee showed mild soft tissue swelling anterior to the knee and over the tibial tuberosity. There was some fragmentation of the tibial tuberosity, suggesting prior Osgood-Schlatter's disease.

A cervical/lumbar scan was done on 11/09/11 which showed significant degenerative changes in the mid cervical region with moderate exit stenosis. There was also evidence of swelling of the lower cervical ligaments suggesting ligamentous strain/sprain.

When the patient returned to see me on 12/15/11, he informed me of having seen the orthopaedist who recommended that he have neck surgery based on an MR scan. He continued to have neck and back discomfort, and now had intermittent numbness reportedly in the left shoulder and forearm. There was improvement in his knee at this time, stating that it was "healing fine."

I continued to follow Mr. Rose. His symptoms in the neck and back region were continuing, with persistent occipital/cervical headaches.

Re: Samuel A. Rose
May 29, 2013
Page 3

Because of the chronicity of his discomfort, I placed him on a low-dose antidepressant on 02/09/12 to control his pain. The patient was awaiting a neurologic appointment.

We discussed the possibility of more physical therapy on his visit of 02/24/12. He stated that he was being scheduled for surgery on his neck. His shoulder was also bothersome.

On his visits of 03/15/12 and 04/12/12, his symptoms persisted. I thought there was developing anxiety and depression as a result of the delay in his worker compensation determination. He stated that his left arm got "cold" with tingling in the tips of all fingers of the left hand, and I suggested an EMG nerve conduction study.

When seen on 05/10/12, his back was getting worse and his left arm remained numb.

There was no change on his visit of 05/30/12, at which time he was using a cane for support.

On 06/27/12, he continued to have neck and back discomfort, along with headaches and dizziness. His blood pressure was slightly elevated. He reported still having numbness in the left upper arm with tingling in all of his fingers. He was given a pain medication, and I again suggested resumption of physical therapy.

On 07/20/12, he reported "pain, pain and more pain" in the neck, back and occipital/cervical region. He was very tender in the paralumbar and paracervical muscles at this time, and range of motion was painful in all directions. He was to continue his Elavil, and efforts were again made to arrange for physical therapy.

On 08/07/12, his low back was still bothersome, as was his neck. He still had numbness in the left arm and shoulder and "throbbing headaches that won't go away." He had persistent dizziness and was still quite anxious about the need for surgical intervention. He had not seen the orthopaedist since 12/28/11.

He reported no change in his condition upon his visit on 08/23/12. He stated that his right knee goes out at times. His examination was essentially unchanged.

He remained symptomatic on subsequent visits of 09/12/12 and 10/04/12, stating that he was losing feeling in his right hand and losing his grip in that hand. I suggested that he see a neurosurgeon as soon as possible. He was to continue his Elavil and ibuprofen.

Re: Samuel A. Rose
May 29, 2013
Page 4

There was no change in his clinical condition or his treatment on subsequent visits of 10/25/12 and 11/16/12.

On his visit of 12/07/12, he reported more pain in his right knee. It was thought that he had a possible Baker's cyst in the posterior knee. He remained tender in the neck and back region with painful range of motion.

The patient appeared to become more and more depressed on subsequent visits due to lack of improvement and intervention. He reported increasing pain and seemed to have more difficulty walking. He was referred by his insurance carrier to Dr. Gregory Jones whose records indicate that he felt the patient had chronic cervicothoracic and left shoulder girdle myofascial pain and chronic lumbosacral myofascial and facet-generated pain due to lumbosacral strain from the above accident. He allegedly told the patient that he had developed a fibromyalgia-type syndrome. I am essentially in agreement with this interpretation, although I do not feel he has a full fibromyalgia clinical presentation if this was diagnosed.

The patient continued to be symptomatic on subsequent visits of 03/28/13, 04/08/13 and 04/18/13. On 04/18/13, the patient reported that, "I just want to get back to normal and return to work" as before. He reported having no neck or back problems prior to this accident.

It is this examiner's opinion that the patient is at maximum medical improvement and, unfortunately, I am not optimistic that he will improve to any significant degree in the future. Perhaps physical therapy might be helpful, as suggested previously. He would benefit from an EMG nerve conduction study to see if there is, indeed, nerve decompression in his neck requiring surgical intervention.

Unfortunately, this patient is not improving to the extent that he would like to see. I do feel that earlier intervention and neurologic treatment may have benefited him, and perhaps lessened his degree of pain and lack of mobility that he now has.

At the time of his last visit of 05/16/13, the patient was walking with a limp, using a cane and holding his neck and back area stiffly. He was significantly more tender in the paracervical and paralumbar region with painful range of motion.

Although the patient is at maximum medical improvement, I will continue to see him to assure continuity of care. He did return on 05/23/13 expressing concern with transmission of hepatitis B at Tri-county Spinal Care where he had received two

injections in November. He was referred for hepatitis testing. As I continue to see him, I hope we can find some way to proceed with his further testing and physical therapy if insurance will allow. I will be glad to issue an impairment evaluation in writing if you so desire.

I hope this information is useful to you.

PROCEDURES

Facet Injection

The patient was given IV sedation.

The target area was identified under fluoroscopic guidance.

The area was prepped and draped in the usual sterile fashion.

The skin was anesthetized with 1% lidocaine using a 25 ga needle.

A 22 ga spinal needle was advanced into each identified facet space. Level C 3-4 RT SIDE

Placement was verified under fluoroscopy with contrast dye.

A mixture of 0.25% Marcaine, and 40 mg of Depo-Medrol was divided equally at each facet space.

The needle was removed, the skin cleaned, and a sterile bandage was applied.

No complications were encountered.

DX STUDIES

Cervical MRI was ordered.

HISTORY: Cervical radiculitis.

COMPARISON STUDIES: None.

TECHNIQUE: Multiplanar multisequence images cervical spine without contrast.

FINDINGS: *Alignment and bony structures:* C5/6 mild degenerative retrolisthesis and mild lateral discogenic endplate irregularity. C6/7 moderate disc narrowing and discogenic endplate irregularity. Both levels have mild type I Modic change. C5/6 mild right facet edema. Remaining marrow and alignment preserved. Patchy STIR hyperintensity within lower cervical interspinous ligaments most noticeable at C6/7, possibly ligamentous strain or sprain. *Spinal cord:* Normal signal and caliber. *Craniocervical junction:* Unremarkable central elements and junction as visualized. *Findings by level:*

C2/3: Normal.

C3/4: Mild left uncovertebral and bilateral facet hypertrophies. No stenosis.

C4/5: Mild disc bulge and facet hypertrophy. No stenosis.

C5/6: Moderate disc-osteophyte complex extends biforaminally. Moderate uncovertebral and facet hypertrophy. Moderate exit crowding of C6s bordering on severe. Mild central narrowing.

C6/7: Disc-osteophyte complex extends biforaminally. Uncovertebral and facet hypertrophy are mild. Mild exit narrowing. There may be slight contact exiting C7s.

C7/T1: Mild disc bulge and facet hypertrophy. No stenosis.

IMPRESSION:

1. Midcervical spondylosis most impressive at C5/6 where prominent uncovertebral hypertrophy causes moderate exit stenosis bordering on severe. Correlation for C6 radiculopathies might be helpful. Lesser findings discussed above.
2. Lower cervical interspinous ligament edema is mild and may represent ligamentous strain or sprain.

Seen at the request of Richard Kollett, M.D. for evaluation of his neck and knee pain since being involved in a rear-end MVC in which he was the restrained driver of the truck that was rear-ended at a speed of 45 MPH. He was taken to MUSC where he was admitted for 2 days for neck, back and knee pain. Since then, he has had headaches that won't go away, pain in the neck that is in the back and sides without paresthesias, low back pain that is in the middle and lower part and is sharp and worse with movement and improved by sleeping. His R knee is painful when he walks and he states it feels like the knee is twisted. He has associated swelling of the right knee at times. He denies locking or popping of the knee. He currently uses a cane for ambulation, but he does so in the injured hand for a right knee injury. His pain is a 10/10 in all areas and he has not been able to work since the accident. He has been treated with LEST's x 3 and a back brace for the LBP, as well as cortisone injections into the back of his head and a radiofrequency ablation to the back of his head as well. Nothing has helped his pain at all and he states that his pain is sometimes better, sometimes worse than when the accident first occurred.

ROS Detailed review of systems, past medical, social, and family histories, medications and drug allergies can be found on the patient intake form and were scanned into the electronic chart and reviewed by me today.

I would further like to get copies of the MUSC records and Dr. Keller's notes to find out what exactly has been done to date and the diagnoses he has been given to date. I do not think that he is currently a reasonable surgical candidate as most of his complaints are rather nonspecific and are out of proportion to his physical exam findings. SOUTHEASTERN SPINE INSTITUTE

ROSE, SAMUEL

Independent medical evaluation

Patient #600980

DOB: [REDACTED]

July 15, 2013

Mr. Rose is seen for the purposes of an independent medical evaluation.

This man has a history of a job-related injury and motor vehicle accident dating to 2011. It is a fairly well-documented accident where he was rear-ended at moderately high speed by another tractor trailer while driving a tractor trailer. Apparently the effect of the accident was, per the patient, for his truck to jackknife; and then he had to be pulled out of the car. He had severe pain into his knee, pain into his back, into his neck. He has had multiple injections in the cervical and lumbar spine. He was seen by Dr. Wildstein. He has been potentially recommended for surgical intervention. He has seen Dr. Jones who is a physical medicine and rehabilitation doctor who did not recommend surgery. He was recommended per Dr. Jones to return to work without restrictions.

On exam he has limited motion in his neck and back. He has positive Spurling's test with rotation of his neck to the right. He has positive straight leg raising on the right. He has tenderness in and around his right knee on the right. He has pain with extension and forward flexion of his spine. There are no long tract signs.

His MRI scan of the cervical spine shows him to have two-level disc herniations at C5-6 and C6-7. There is disc material that's herniated causing compression of the C6 roots bilaterally. At the C6-7 level there is degeneration with exit stenosis. He has not to my interpretation had any type of MRI scanning of his lumbar spine. There is a report of an MRI interpretation per Dr. Wildstein where Dr. Wildstein feels that he has an impaction fracture of his medial femoral condyle.

Diagnoses:

1. Cervical disc herniation with cervical spondylosis and cervical radiculopathy.
2. Low back pain of indeterminate etiology.
3. History of right knee contusion/impaction fracture.

Comment: First with regards to this man's knee, he has gotten an opinion from his chiropractor and from Dr. Jones who is a physical medicine and rehabilitation doctor that there is nothing to be done for his knee. The only orthopedic doctor that I can see having evaluated him is Dr. Wildstein, and the MRI interpretation per him is that of an impaction fracture of his medial femoral condyle. He obviously has some significant pain in and around his knee. He requires evaluation by a knee specialist. I suspect that he may require additional MRI scanning of his knee and perhaps even knee surgery.

With regards to his cervical spine, he has pain into his neck, two-level disc disease; and he has gotten an opinion again from Dr. Jones that "It is my opinion that this patient would likely not benefit from a single-level fusion at C5-6" and an opinion from Dr. Wildstein that surgery could reasonably be expected to decrease his disability.

I do agree with Dr. Wildstein that surgical intervention is indicated. This man has two-level disc disease. He does have pain radiating into his arm. That is consistent with cervical radiculopathy. Without belaboring the point, a non-surgical recommendation from a non-surgeon doesn't really mean all that much to me. Although surgery may not be a magic wand answer, it is clearly indicated and clearly related to his pain. With regards to his lumbar spine, he has not had an MRI scan. He has had an interpretation by Dr. Jones in his independent medical evaluation that he "has multilevel degenerative disc lesions and facet arthropathy L2-3 through L5-S1 levels with chronic bilateral sacroiliitis and preexistent SI joint arthritis". The details of that make me wonder if he has, in fact, had a scan; but everything that I've seen in the medical records would indicate that he has not.

This man has a potential surgical lesion in his neck, requires further MRI imaging of his lumbar spine, and should be evaluated by an orthopedic surgeon for his ongoing problems with his knee. His current impairment is 13 percent to the cervical spine with an additional 5 percent to his lumbar spine, and I would leave any impairment up to Dr. Wildstein or the orthopedist with regards to his knee. He is on off-duty status pending recommendations as mentioned.

I have seen this gentleman for the purpose of an independent medical evaluation and hold my opinions true, most probable, to a reasonable degree of medical certainty.

STATEMENT OF THE CASE

This claim is before the South Carolina Workers' Compensation Commission pursuant to a Form 50 filed by the Claimant on November 18, 2011, and Form 51 filed by Defendant, Chris Thompson Services on December 15, 2011, and Form 51 filed by Defendant, SC Uninsured Employers' Fund on January 4, 2012. The Claimant alleged that on August 10, 2011 he sustained an alleged injury to his right knee, back, neck and head. Defendants denied the claim.

It was the Claimant's position that he was injured on August 10, 2011 while employed by JJS Trucking. Claimant asserted that JJS Trucking was a subcontractor to Chris Thompson Services. JJS Trucking is uninsured and Chris Thompson is insured by Bridgefield Casualty Insurance Company. The Claimant seeks a finding of compensability that includes medical treatment, payment of temporary total benefits less any amounts paid by the carrier of Chris Thompson Services.

It was the position of Chris Thompson Services that the Claimant sustained an admitted injury by accident as alleged on August 10, 2011. However, the severity of permanency of injuries and need for future treatment was specifically denied. Chris Thompson Services also made a Motion to Transfer Liability to the South Carolina Uninsured Employers' Fund pursuant to §42-1-415 because Mr. Cedric Smalls, a principal of JJS Trucking, had represented to Chris Thompson Services that it had workers' compensation coverage. Chris Thompson Services had obtained an ACORD Form 25 Certificate of Insurance indicating coverage. Chris Thompson Services also stated to the Commissioner that it had, through its insurance carrier, Bridgefield, paid temporary total disability payments since the date of the accident in the amount of \$75.00 per week and requested that the South Carolina Uninsured Employers' Fund reimburse Bridgefield for those benefits paid. Chris Thompson Services argued that JJS Trucking never provided notice that his coverage had changed or lapsed. Chris Thompson Services argued that a

certificate of insurance presented distinguished this case from the Hopper case, (Hopper v. Terry Hunt Construction, 383 S.C. 310, 680 S.E.2d 1 (2009).)

Because the case at had a description of the policy terms. The distinction was also offered that the Hopper case dealt with an out of state employer or multi-state employers and regulations and that this case did not.

It was further argued that the signature of David Hayes as the authorized agent for the insurance company satisfactory the face of the certificate of insurance rose no red flags regarding the authority of the signature. It was also argued that a copy of the certificate of insurance was filed with the South Carolina Workers' Compensation Commission on November 4, 2011, which was believed to be a timely filing.

The SC Uninsured Employers' Fund argued that liability could not be transferred to the UEF. It was argued that the certificate of insurance presented was sufficient pursuant to the law set forth in the Barton v. Higgs case (Barton v. Higgs, 381 S.C. 367, 674 S.E.2d 145 (2009)) as well as the Hopper v. Terry Hunt Construction case. The SC Uninsured Employers' Fund argued that the description of operations box was blank and that the cases of Barton and Hopper stood for the proposition that incomplete certificates were not sufficient to transfer liability. It was also argued that the certificate of insurance only stated it was a "binder" and never conveyed any information that there was ever a policy written.

The Uninsured Employers' Fund argued that the timing of the presentation of the certificate was contrary to §42-1-415. That statute provides that documentation must be turned over to the Commission "at the time a claim is filed". This certificate was not turned over for several months. The UEF argued that §42-1-415(A) stated that the upstream contractor must first pay all benefits due before requesting liability to be transferred and at the time of the

hearing. However, only a few benefits had been paid, certainly not all. Therefore, the UEF argued that the case was premature as far as the motion to transfer liability.

EVIDENCE OF THE CASE

The Claimant testified that he was working on August 10, 2011 for JJS Trucking in Summerville, SC at the Keystone Lumber Mill. He stated that JJS Trucking was owned by Cedric Smalls and that he had been working there for about 4 ½ to 5 months prior to his accident. Claimant testified that during his time at JJS Trucking, his job was to haul loads from Summerville, SC to North Charleston, SC, specifically from Keystone Lumber Mill to Westvaco. He explained that he was injured when he was rear-ended by a truck that was following him causing his truck to jackknife and hit the median wall. Following the accident, Claimant testified that he suffered a fractured knee, low back and neck injury as well as dizziness and problems with his left hand. He testified that following the accident, he went to MUSC where he was to receive further treatment from a neurologist and orthopedist but never got those because of having no insurance. Instead he went to a general practitioner by the name of Dr. Abel and from there, he was referred to Tri County Spinal Care for pain management and then to Dr. Wildstein, an orthopaedic surgeon.

Claimant testified that he has been unable to work since August 10, 2011, because of the nerve damage he sustained in his neck and back. He further testified that he still has headaches, numbness in his left arm and fingers and his back. He is currently on several medications such as Flexeril, Neurontin, Elavil and Viracept as well as Ibuprofen. He testified that it is his understanding that he needs to see a neurologist and needs to have surgery.

On cross-examination, the Claimant stated that he had to reschedule his last hearing because he had been incarcerated, accused of stealing a 32" television, some barstools and a laptop. Claimant stated, "the police said a witness observed me running across the parking lot

running from an apartment across the street to my mom's car and putting it in the car". Claimant testified that he was using a cane recommended by Dr. Avery because he had fallen down the stairs once. He said he had fallen down the stairs in January when at his mother's house but after that fall, his pain became worse.

On cross-examination by Mr. Smalls, the Claimant testified that he was hired by JJS Trucking as a contractor. He testified that he worked his own schedule but that Cedric Smalls told him to work 12 hours from the time he started. On further cross-examination by Mrs. Cofield, the Claimant clarified that he was a sub-contractor for Chris Thompson Services, but was an employee of JJS. He also stated that when he was arrested last month, he was not using his cane, but he was on Oxycodone and other medications.

On cross-examination by Mrs. Barr, it was stated that it was his responsibility to keep his truck clean and would be responsible for any fines due to his own negligence. He also stated that he is responsible for any state and federal taxes and any workers' compensation insurance.

Christopher Thompson testified that his business was Chris Thompson Services, LLC, and in August of 2011 JJS Trucking was a subcontractor for Chris Thompson Services. He indicated he had been using JJS Trucking since approximately 2008. He explained that when he first hired JJS Trucking he was given a certificate of insurance showing that they had workers' compensation coverage. He said that he requested updated documentation once a year.

Mr. Thompson was shown a certificate of insurance that he identified to be dated October 18, 2011, and issued by Swamp Fox Agency. He stated that he was familiar with Swamp Fox Agency and knew David Hayes who signed the certificate of insurance as being the owner of Swamp Fox Insurance Agency. He stated that his view of the certificate of insurance gave him no reason to question whether or not JJS Trucking had insurance. He conveyed that it was not

until about September or beginning of October before he was positively told that he did not have insurance. After that information was received, he severed his relationship with JJS Trucking.

On cross-examination by Mrs. Cofield, Mr. Thompson acknowledged that there was no description in the Description of Operations box on the certificate of insurance. Mr. Thompson also acknowledged that it did not have a policy number, but in fact, stated that it was a "binder". Mr. Thompson testified that he did not believe that Mr. Smalls purposely defrauded him or purposely gave a false certificate of insurance.

FINDINGS OF FACT

1. Samuel Rose was an employee of JJS Trucking on August 10, 2011.
2. On August 10, 2011, Samuel Rose sustained an injury by accident to his head, knee, leg back and neck arising out of and in the course of his employment with JJS Trucking.
3. Claimant has an average weekly wage of \$650.00 and a compensation rate of \$433.34.
4. Claimant is not at maximum medical improvement.
5. As a result of his accident, Claimant is entitled to temporary total disability benefits beginning on August 10, 2011 and continuing until such time as he reaches maximum medical improvement.
6. As a result of his accident, Claimant is entitled to an evaluation to determine the extent of his injuries and is entitled to ongoing medical treatment as prescribed by an authorized treating physician to be selected by the carrier.
7. On or about October 8, 2010, JJS Trucking, LLC represented to Chris Thompson Services, LLC that it had workers' compensation insurance.
8. On August 10, 2011, JJS Trucking was operating without proper insurance as required by the Workers' Compensation Act.

9. On August 10, 2011, JJS Trucking was operating as a subcontractor for Chris Thompson Services, LLC. Chris Thompson Services, LLC, is an "upstream employer" pursuant to §42-1-415.

10. Chris Thompson Services, LLC is liable to pay Claimant all benefits to which he is entitled under the Act.

CONCLUSIONS OF LAW

1. On August 10, 2011 Samuel Rose was an "employee" of JJS Trucking as defined in S.C. Code Ann. § 42-1-130 (1976).

2. At the time of the Claimant's accident, JJS Trucking possessed over the Claimant the actual right and authority to control and direct his particular work or undertaking and the manner or means of its accomplishment, consistent with the definition of an employee provided in Young v. Warr, 252 S.C. 179, 189, 165 S.E.2d 797, 802 (1969).

3. The testimony of the Claimant, his immediate employer, Cedric Smalls, and the upstream contractor, Chris Thompson, combined with the evidence available in the record, when evaluated using the factors outlined in Nelson v. Yellow Cab Co., 564 SE 2d 110 (S.C. 2002), weigh towards finding Claimant is an employee and not an independent contractor. This finding is consistent with South Carolina's policy to resolve jurisdictional doubts in favor of the inclusion of employers and employees under the Workers' Compensation Act. See South Carolina Workers' Compensation Comm'r v. Ray Covington Realtors, Inc., 318 S.C. 546, 459 S.E.2d 302 (1995).

4. Claimant is entitled to temporary total disability benefits beginning on August 10, 2011 pursuant to § 42-9-10 until such time as he is able to return to work.

5. Claimant is entitled to medical treatment causally related to his injury pursuant to §42-15-60. Claimant is entitled to reimbursement for all out of pocket medical expenses incurred to date. Carrier shall select an authorized treating physician.

6. Claimant was an employee of JJS Trucking which, at the time of his accident, was an uninsured subcontractor. Pursuant to § 42-1-415(A) Chris Thompson Services, LLC, as the higher tier contractor, shall pay all benefits due the Claimant under the Workers' Compensation Act.

7. Chris Thompson Services, LLC, asserted in its pleadings and at the Hearing that liability for this claim should be transferred to the South Carolina Uninsured Employer's Fund. § 42-1-415 only permits the higher tier contractor to petition the Commission to transfer responsibility for benefits to the UEF after it has paid all benefits due the Claimant under the Act. The evidence in the record indicates that Claimant has not received all benefits he is due under the Act from Chris Thompson Services, LLC, or its carrier. Therefore, the issue of transfer of responsibility to the UEF is not ripe for adjudication at this time.

8. Chris Thompson Services, LLC is entitled to credit for any compensation paid to the Claimant prior to the date of this Order.

9. Traveler's Indemnity was not the carrier for JJS Trucking, LLC on the date of Claimant's injury and therefore is dismissed as a party to this claim.

ORDER

IT IS THEREFORE ORDERED that the statutory employer, Chris Thompson Services, LLC, through its carrier, Bridgefield Casualty Insurance Company, is liable for this claim and shall pay Claimant's medical treatment and temporary total disability benefits beginning August 10, 2011 and continuing through such time Claimant is able to return to work.

All other issues are held in abeyance.

Any party wishing to appeal this Decision and Order may, within fourteen (14) days of the date this Decision and Order is received, file an application for review by the Full Commission, along with the appropriate filing fee.

Statement of the Case

This matter is before the Commission's Appellate Panel pursuant to the Form 30 filed by Chris Thompson Services and Bridgefield Casualty, seeking review and reversal of the August 23, 2012 Decision and Order of Hearing Commissioner McCaskill. The Appellants respectfully contend that Commissioner McCaskill erred as a matter of law in failing to transfer liability to the UEF pursuant to S.C. Code Ann. § 42-1-415, erred as a matter of law in ordering the Appellants to reimburse "all out of pocket medical expenses," and erred as a matter of law in awarding the Claimant future medical treatment pursuant to S.C. Code Ann. § 42-1-415.

The Hearing Commissioner's Decision and Order contained the following findings of fact and conclusions of law:

FINDINGS OF FACT

1. Samuel Rose was an employee of JJS Trucking on August 10, 2011.
2. On August 10, 2011, Samuel Rose sustained an injury by accident to his head, knee, leg back and neck arising out of and in the course of his employment with JJS Trucking.
3. Claimant has an average weekly wage of \$650.00 and a compensation rate of \$433.34.
4. Claimant is not at maximum medical improvement.
5. As a result of his accident, Claimant is entitled to temporary total disability benefits beginning on August 10, 2011 and continuing until such time as he reaches maximum medical improvement.
6. As a result of his accident, Claimant is entitled to an evaluation to determine the extent of his injuries and is entitled to ongoing medical treatment as prescribed by an authorized treating physician to be selected by the carrier.
7. On or about October 8, 2010, JJS Trucking, LLC represented to Chris Thompson Services, LLC that it had workers' compensation insurance.
8. On August 10, 2011, JJS Trucking was operating without proper insurance as required by the Workers' Compensation Act.
9. On August 10, 2011, JJS Trucking was operating as a subcontractor for Chris Thompson Services, LLC. Chris Thompson Services, LLC, is an "upstream employer" pursuant to §42-1415.
10. Chris Thompson Services, LLC is liable to pay Claimant all benefits to which he is entitled under the Act.

CONCLUSIONS OF LAW

1. On August 10, 2011 Samuel Rose was an "employee" of JJS Trucking as defined in S.C. Code Ann. § 42-1-130 (1976).
2. At the time of the Claimant's accident, JJS Trucking possessed over the Claimant the actual right and authority to control and direct his particular work or undertaking and the manner or means of its accomplishment, consistent with the definition of an employee provided in Young v. Warr, 252 S.C. 179, 189, 165 S.E.2d 797, 802 (1969).
3. 6. Claimant was an employee of JJS Trucking which, at the time of his accident, was an uninsured subcontractor. Pursuant to § 42-1-415(A) Chris

Thompson Services, LLC, as the higher tier contractor, shall pay all benefits due the Claimant under the Workers' Compensation Act.

5. *Chris Thompson Services, LLC, asserted in its pleadings and at the Hearing that liability for this claim should be transferred to the South Carolina Uninsured Employer's Fund. § 42-1415 only permits the higher tier contractor to petition the Commission to transfer responsibility for benefits to the UEF after it has paid all benefits due the Claimant under the Act. The evidence in the record indicates that Claimant has not received all benefits he is due under the Act from Chris Thompson Services, LLC, or its carrier. 7. *Traveler's Indemnity was not the carrier for JJS Trucking, LLC on the date of Claimant's injury and therefore is dismissed as a party to this claim.*

Furthermore, the Form 30 filed by the Appellants alleges the followings errors and exceptions:

1. *The Hearing Commissioner erred in finding that Chris Thompson Services, LLC is liable to pay Claimant all benefits to which he is entitled under the Act, as this "finding" is arbitrary, capricious, impermissibly vague, and contrary to the greater weight of the evidence and the applicable law.*

2. *The Hearing Commissioner erred in finding that the Claimant sustained an injury to his head, knee, leg, back, and neck, as this finding is arbitrary, capricious, impermissibly vague, and otherwise contrary to the greater weight of the evidence and the applicable law.*
3. *The Hearing Commissioner erred in "finding" that the Claimant is entitled to temporary total disability benefits from August 10, 2011 and continuing until, as this finding is arbitrary, capricious, impermissibly vague, and otherwise contrary to the greater weight of the evidence and the applicable law.*

5. *The Hearing Commissioner erred in "finding" that the Claimant is entitled to ongoing medical treatment, as this finding is arbitrary, capricious, impermissibly vague, and otherwise contrary to the greater weight of the evidence and the applicable law.*
6. *The Hearing Commissioner erred as a matter of law in concluding that the Claimant is entitled to reimbursement for all out of pocket medical expenses incurred to date, as this conclusion is arbitrary, capricious, and otherwise contrary to the greater weight of the evidence and the applicable law.*

7. *The Hearing Commissioner erred as a matter of law in concluding that the Claimant has not received all benefits due under the Act, as this "conclusion" is arbitrary, capricious, and otherwise contrary to the greater weight of the evidence in the record and the applicable law.*
8. *The Hearing Commissioner erred as a matter of law in concluding that the issue of transfer of responsibility to the UEF is not ripe for adjudication at this time, as this conclusion is arbitrary, capricious, and otherwise contrary to the greater weight of the evidence in the record and the applicable law.*

Evidence Summary

The Claimant testified that he was employed as a driver for JJS Trucking on August 10, 2011 when he was injured in a motor vehicle accident. Since the accident, the Claimant has received medical treatment from MUSC, Dr. Abel, and Dr. Wildstein for alleged injuries to his back, knee, and left hand. Although the Claimant testified that he has been unable to work since the accident, the originally hearing in this case had to be rescheduled due to the Claimant's incarceration. According to the Claimant, he was accused of stealing a 32" television, some barstools, and a computer. The Claimant testified that, "the police said a witness observed me running across the parking lot running from an apartment across the street to my mom's car and putting it in the car." In addition, the Claimant testified that he fell down the stairs in January 2012 at his mother's house, which increased his pain and resulted in him using a cane.

Chris Thompson testified that JJS Trucking was operating as a subcontractor Chris Thompson Services, LLC, at the time in question. Mr. Thompson testified that he obtained a

Certificate of Insurance from JJS Trucking at the time his relationship with the company began in 2008 and that he has requested and obtained updated Certificates of Insurance from JJS Trucking on a yearly basis since that time. Mr. Thompson identified the October 18, 2010 Certificate of Insurance contained in the Record (Appellants' APA #6, p.39). This Certificate shows that JJS Trucking had workers' compensation coverage through Travelers Insurance for the period from October 8, 2010 through October 8, 2011. This Certificate shows Chris Thompson Services as the Certificate Holder and is signed by David W. Hayes, whom Mr. Thompson identified as the owner of the Producer, the Swamp Fox Agency. Mr. Thompson testified that after receiving this Certificate of Insurance, he had no reason to believe that JJS Trucking did not have workers' compensation insurance until after the Claimant's accident.

The record reveals that Travelers Insurance did, in fact, insure JJS Trucking for a period after the Certificate of Insurance was issued, but the policy lapsed without notice to Chris Thompson Services by any person or entity. Cedric Smalls, the owner of JJS Trucking, confirmed that he did not ever inform Chris Thompson Services that his workers' compensation insurance had lapsed and further testified that Chris Thompson would not allow him to work as a subcontractor if his workers' compensation insurance ever lapsed.

At the time of the hearing, the Claimant was receiving weekly temporary total disability compensation from the Chris Thompson's carrier, as reflected on the Form 18.

5. Claimant was an employee of JJS Trucking which, at the time of his accident, was an uninsured subcontractor. Pursuant to § 42-1-415(A) Chris Thompson Services, LLC, as the higher tier contractor, shall pay all benefits due the Claimant under the Workers' Compensation Act.
6. Chris Thompson Services, LLC, asserted in its pleadings and at the Hearing that liability for this claim should be transferred to the South Carolina Uninsured Employer's Fund. § 42-1415 only permits the higher tier contractor to petition the Commission to transfer responsibility for benefits to the UEF after it has paid all benefits due the Claimant under the Act. The evidence in the record indicates that Claimant has not received all benefits he is due under the Act from Chris Thompson Services, LLC, or its carrier. Therefore, the issue of transfer of responsibility to the UEF is not ripe for adjudication at this time.
7. Chris Thompson Services, LLC is entitled to credit for any compensation paid to the Claimant prior to the date of this Order.
8. Traveler's Indemnity was not the carrier for JJS Trucking, LLC on the date of Claimant's injury and therefore is dismissed as a party to this claim.

ORDER

IT IS THEREFORE ORDERED that the statutory employer, Chris Thompson Services, LLC, through its carrier, Bridgefield Casualty Insurance Company, is liable for this claim and shall pay Claimant's medical treatment and temporary total disability benefits beginning August 10, 2011 and continuing through such time Claimant is able to return to work.

All other issues are held in abeyance.

IT IS SO ORDERED!
