Ms. Burns,

The clincher agreement will need to be approved by the commission. How do we go about getting the physical file remanded to the commission for further handling?

Good Afternoon,

Thank you for this notification. Pursuant to Rule 261, SCACR, the settlement agreement itself does not need to be submitted to the Court unless approval by the appellate court or lower court is required before the agreement can be effective. You just need file notification of the settlement via email, mail, e-filing or fax.

Respectfully,
