COUNTERCLAIM
First Cause of Action - Breach

21. The Plaintiff is a citizen and resident of York County, South Carolina.
22. The Defendant is a citizen and resident of York County, South Carolina.
23. The property at issue, a 2003 Kenworth W red truck (hereinafter referred to as "truck"), is located in York County, South Carolina.
24. In February 2016, the Plaintiff and the Defendant entered into an oral agreement wherein the Defendant would purchase the truck from the Plaintiff. The parties agreed that the Defendant would make installment payments and upon these payments being made the

Plaintiff would release the title to the truck to the Defendant.

25. The Defendant has made the required payments to the Plaintiff under the terms of the oral agreement.
26. The Defendant made these payments in reliance on the agreement between the parties that the Plaintiff would provide him with the title to the truck.
27. The Defendant has made improvements to the truck in reliance on the agreement of the parties that the Plaintiff would furnish him with the title to the truck after payments were made.
28. The Plaintiff is refusing and has failed to provide the title to the truck as required by the terms of the oral agreement despite receiving and accepting the payments.
29. The Defendant has recently discovered that the truck at issue in this case was fraudulently reported stolen by the Plaintiff.
30. Based upon information and belief, the Plaintiff has received payment for the stolen truck in the approximate amount of \$35,000.00 by Sentry Insurance.
31. Based upon information and belief, the Plaintiff had reported the trailer stolen and/or was in the process of settling the insurance claim with Sentry Insurance when he was negotiating with the Defendant to purchase the truck.
32. The Defendant had no knowledge that this truck was reported stolen; that Plaintiff had recovered insurance proceeds or that the truck is titled to Sentry Insurance.
33. The Defendant has complied with all terms of the oral agreement.
34. The Defendant has suffered damages as a result of the Plaintiff refusing to comply with the agreement.
35. The Plaintiff is unable to transfer title to this truck because legally it is no longer his.

36. In the event this Court deems that the Plaintiff is the rightful owner of the truck, the Defendant seeks an Order granting him the sole use, ownership and possession of the truck as well as requiring the Plaintiff to transfer the title of the vehicle to him.
37. In the alternative, if the Court finds the invalidity of the oral agreement, Defendant seeks an Order requiring the Plaintiff to return all funds he has paid as well as the reimburse him for the parts and increase in value of the truck due to improvements he made.
38. As a result of the Plaintiff's refusing to comply with the terms of the agreement, the Defendant has incurred attorney's fees and costs. The Defendant seeks an Order requiring the Plaintiff to reimburse him for attorney's fees.

For a Second Cause of Action - Fraud

39. To the extent not inconsistent herewith, the allegations of paragraphs 1-38 are incorporated herein.
40. At the time that the Plaintiff contacted the Defendant, the Plaintiff had already reported the truck stolen and based upon information and belief had filed a claim with Sentry Insurance.
41. The Plaintiff falsely represented to the Defendant that he was the rightful owner of the truck and had the ability and authority to sell the truck. The Plaintiff represented that he was in the position to transfer title to the truck upon payment. The Plaintiff never made any statement regarding the reporting of the truck as stolen or any claim filed with an insurance company.
42. The representation and oral agreement made by the Plaintiff to the Defendant was false and material. The Defendant would not have entered into an agreement with the Plaintiff if he knew that the vehicle had been reported stolen or the Plaintiff was attempting to

defraud an insurance company.

43. The Plaintiff knew of the falsity of these representations when he made them to the Plaintiff and made these representation to the Defendant with the intent that Defendant would accept his offer to purchase the truck and he would be double paid for the truck

44. The Defendant had no knowledge that the truck was reported stolen or that an insurance claim was filed.

45. The Defendant was ignorant as to the false statements and representations of the Defendant.

46. The Defendant relied upon the Plaintiff's representations and statements when he agreed to purchase the truck from the Plaintiff.

47. As a result of Plaintiff's fraudulent conduct and representations, the Defendant has suffered a pecuniary loss including, but not limited to, the cost of the truck, improvements to the truck, and attorney's fees and costs.

For a Third Cause of Action – Negligent Misrepresentation

48. To the extent not inconsistent herewith, the allegations of paragraphs 1-47 are incorporated herein.

49. The Plaintiff falsely represented to the Defendant that he was the rightful owner of the vehicle.

50. The Plaintiff falsely represented to the Defendant that he had the authority to sell the truck to the Defendant.

51. The Plaintiff had a pecuniary interest in making these statements as he was in the position to receive \$35,000.00

52. The Plaintiff had a duty of care to the Defendant to that information he communicated to

the Defendant was truthful.

53. The Plaintiff breached this duty by failing to exercise due care in his representations.

54. The Defendant justifiably relied on the Plaintiff's representations when he entered into the agreement to purchase the truck.

55. As a result of the Plaintiff's representation, the Defendant has suffered a pecuniary loss including, payments for the truck, improvements to the truck and attorney's fees and costs.

WHEREFORE, having fully answered, the Defendant seeks dismissal of the Plaintiff's complaint as well as the following relief:

- a. Order granting sole use, ownership and possession of the truck in the event it is determined that the Plaintiff is the rightful owner;
- b. Order requiring the Plaintiff to transfer the title to truck to him immediately or in the alternative, requiring the Plaintiff to reimburse all funds paid, cost of all improvements as well as increase in value; and
- c. Attorney's fees and such other relief as this Court deems just and proper.

SIXTEENTH JUDICIAL CIRCUIT

REPLY TO
AMENDED ANSWER AND COUNTERCLAIM
OF ROBERT DUNCAN, Jr.
C.A. No. 2017-CP-46-02487

Plaintiff, replying to the Answer and Counterclaim of Defendant ROBERT WAYNE DUNCAN, Jr. herein, would respectfully show the following:

AS A FIRST DEFENSE AND REPLY

1. The Plaintiff reaffirms and reiterates all of the allegations contained in the Complaint and denies those allegations inconsistent therewith.

AS A SECOND DEFENSE AND REPLY:

To the First Cause of Action for Breach

2. All allegations stated or referenced elsewhere in this pleading and relevant to this defense are hereby realleged by this reference to them.
3. In response to the allegations of Paragraphs 10., 12. and 17. of DUNCAN, Jr.'s Amended Answer and Counterclaim, the Plaintiff would plead that at no point has he been paid the agreed price for the subject truck, and on knowledge and information, could therefore have no duty to turn over the title to the same to DUNCAN, Jr.
4. The Defendant DUNCAN, Jr. pleads, in the alternative and in the event the Court finds the parties' oral agreement invalid, for the return of funds paid by him for parts and for any increase in value of the subject truck. (Para. 21 of DUNCAN, Jr.'s Amended Answer and Counterclaim.)

5. In the alternative to the requested relief in his Amended Complaint, and in the event the Court finds the parties' oral agreement invalid, the Plaintiff pleads for credit owed to him for the use of the subject truck while the same was in the Plaintiff's use and control.
6. In response to the allegations of Paragraph 22. of DUNCAN, Jr.'s Amended Answer and Counterclaim, the Plaintiff pleads that in South Carolina, as in other jurisdictions, attorneys' fees are ordinarily not recoverable by any party to an action unless:
 - a) a statutory provision so allows: *See, e.g., Andrews v. Central Sur. Ins. Co.*, 271 F.Supp. 814 (D.S.C. 1967), *aff'd* 391 F.2d 935 (4th Cir. 1968); *Duke Power Co. v. S.C. Pub. Serv. Comm'n*, 284 S.C. 81, 326 S.E.2d 395 (1985); *Brown v. Spann*, 21 S.C.L. (3 Hill) 324 (1837);
 - b) a contract between the parties expressly provides therefor: *See, Duke Power Co. v. S.C. Pub. Serv. Comm'n, supra*; or
 - c) there is a right to fees established by Common Law precedent (*e.g.*, a common fund or the successful prosecution of a *Mandamus* action). *See*, 38 S.C. LAW REVIEW 865 (1987).
7. As to this cause of action, no statutory provision allows the recovery of attorney fees. There was no provision for such fees in the parties' agreement. No precedent exists under the Common Law allowing attorney's fees for the alleged failures of the Plaintiff.
8. The Defendant DUNCAN, Jr.'s pleading for attorney's fees is defective and the same must be stricken or amended.

AS A THIRD DEFENSE AND REPLY:

To the Second Cause of Action for Fraud and

To the Third Cause of Action for Negligent Misrepresentation

9. All allegations stated or referenced elsewhere in this pleading and relevant to this defense are hereby realleged by this reference to them.
10. The Plaintiff would affirmatively allege that the Defendant DUNCAN, Jr. was fully aware of the status of the subject truck as it related to an insurance claim by the Plaintiff, at and after the time of the parties's dealings as to that truck.

11. The Plaintiff would further affirmatively allege that his dealings with the said insurance claim never presented, and does not present, any problem as to his ability to convey the said truck.
12. In response to the allegations of Paragraph 31. of DUNCAN, Jr.'s Amended Answer and Counterclaim, the Plaintiff realleges the facts and arguments above as to the unavailability of attorney's fees to the said Defendant.

IN THE COURT OF COMMON PLEAS
SIXTEENTH JUDICIAL CIRCUIT

REPLY TO
AMENDED ANSWER AND COUNTERCLAIM
OF ROBERT DUNCAN, Sr.
C.A. No. 2017-CP-46-02487

Plaintiff, replying to the Answer and Counterclaim of Defendant ROBERT DUNCAN, Sr. herein, would respectfully show the following:

AS A FIRST DEFENSE AND REPLY

1. The Plaintiff reaffirms and reiterates all of the allegations contained in the Complaint and denies those allegations inconsistent therewith.

AS A SECOND DEFENSE AND REPLY:

To the First Cause of Action for Breach

2. All allegations stated or referenced elsewhere in this pleading and relevant to this defense are hereby realleged by this reference to them.
3. In response to the allegations of Paragraphs 10., 12. and 17. of DUNCAN, Sr.'s Amended Answer and Counterclaim, the Plaintiff would plead that at no point has he been paid the agreed price for the subject truck, and on knowledge and information, could therefore have no duty to turn over the title to the same to DUNCAN, Sr..
4. The Defendant DUNCAN, Sr. pleads, in the alternative and in the event the Court finds the parties' oral agreement invalid, for the return of funds paid by him for parts and for any increase in value of the subject truck. (Para. 21 of DUNCAN, Sr.'s Amended Answer and Counterclaim.)

5. In the alternative to the requested relief in his Amended Complaint, and in the event the Court finds the parties' oral agreement invalid, the Plaintiff pleads for credit owed to him for the use of the subject truck while the same was in the Plaintiff's use and control.
6. In response to the allegations of Paragraph 22. of DUNCAN, Sr.'s Amended Answer and Counterclaim, the Plaintiff pleads that in South Carolina, as in other jurisdictions, attorneys' fees are ordinarily not recoverable by any party to an action unless:
 - a) a statutory provision so allows: *See, e.g., Andrews v. Central Sur. Ins. Co.*, 271 F.Supp. 814 (D.S.C. 1967), *aff'd* 391 F.2d 935 (4th Cir. 1968); *Duke Power Co. v. S.C. Pub. Serv. Comm'n*, 284 S.C. 81, 326 S.E.2d 395 (1985); *Brown v. Spann*, 21 S.C.L. (3 Hill) 324 (1837);
 - b) a contract between the parties expressly provides therefor: *See, Duke Power Co. v. S.C. Pub. Serv. Comm'n, supra*; or
 - c) there is a right to fees established by Common Law precedent (*e.g.*, a common fund or the successful prosecution of a *Mandamus* action). *See*, 38 S.C. LAW REVIEW 865 (1987).
7. As to this cause of action, no statutory provision allows the recovery of attorney fees. There was no provision for such fees in the parties' agreement. No precedent exists under the Common Law allowing attorney's fees for the alleged failures of the Plaintiff.
8. The Defendant DUNCAN, Sr.'s pleading for attorney's fees is defective and the same must be stricken or amended.

AS A THIRD DEFENSE AND REPLY:

To the Second Cause of Action for Fraud and

To the Third Cause of Action for Negligent Misrepresentation

9. All allegations stated or referenced elsewhere in this pleading and relevant to this defense are hereby realleged by this reference to them.
10. The Plaintiff would affirmatively allege that the Defendant DUNCAN, Sr. was fully aware of the status of the subject truck as it related to an insurance claim by the Plaintiff, at and after the time of the parties's dealings as to that truck.

11. The Plaintiff would further affirmatively allege that his dealings with the said insurance claim never presented, and does not present, any problem as to his ability to convey the said truck.
12. In response to the allegations of Paragraph 31. of DUNCAN, Sr.'s Amended Answer and Counterclaim, the Plaintiff realleges the facts and arguments above as to the unavailability of attorney's fees to the said Defendant.

If more than one person responds or participates in the preparation

of the response to a request, each person responding or participating in preparation of the answers to each shall be similarly identified. The person under whose control or supervision these responses are prepared, shall be similarly identified.

C. Accompanying information. For each such request the following further information shall be given:

- iii. The date on which the document was prepared;
- iv. The identity of the person(s) who prepared the document;
- v. The identity of each signatory to the document;
- vi. The person(s) for whom the document was prepared, and each recipient;
- vii. The title of the document, or some other means of identifying it;

D. Legibility and clarity of documents requested. In order to minimize duplication of time and effort in the discovery process, it is specifically requested that each and every document in response to the requests be proofread by a reasonable employee of the respondent to ensure that all text, figures, etc. on copies are clearly legible and that all abbreviations and any symbols are intelligible to any person who may have occasion to read the responding documents.

G. Continuing status of request. Each document request is considered continuing, and if respondent obtains further or different information, directly or indirectly, from the time the answers are served until the time of trial, which renders its response to one of them incomplete or inaccurate, respondent is obligated to serve amended responses on the undersigned.

H. Clarification of requests. If respondent feels that any of the document requests is unclear or ambiguous in any way, it should notify the attorney for the requesting party so that the item(s) may be properly clarified prior to production of the documents.

I. Claim of privilege, work-product or confidentiality. If any document which is required to be produced is claimed to be privileged or to constitute work-product or to be otherwise confidential, state the grounds upon which such privilege, work-product or confidentiality is being asserted, and include a brief description of the document, identifying its author and persons receiving copies thereof.

AFFIDAVIT

I am Robert Wayne Duncan Sr. I am President of Rock City Heavy Haul Inc. My son is Robert Wayne Duncan Jr is Vice President. He entered into a verbal contract with Mark Giles Pafford in 2015 to purchase one 2003 Kenworth road tractor, one 1998 Trailking trailer and one 2009 Trailking trailer for the total sum of \$ 85,000.00. No set payment schedule was agreed to. The agreement was when amount was paid in full Mr. Pafford would turn over titles. We have cancelled checks for the total amount and on 10/10/2016 Mr. Pafford was supposed to sign over titles. Mr. Pafford only had one title to the 2003 Kenworth tractor but it was in some womans name. We told Mr. Pafford he had to transfer ownership to him so he could transfer to us. He had no trailer titles. He was working on obtaining titles. We have had numerous meetings with Mr. Pafford about this matter and he has promised to deliver his part of contract.

Mr. Pafford has broke into our garage and did considerable damage to security fence, garage doors, motorcycles, and 2003 Kenworth tractor Mr. Pafford faces charges on this offence. Mr. Pafford also was arrested later for violating a court order for trespassing on our property. I have information and beleif that Mr. Pafford has been trying to sell the equipment that we purchased to someone else. If Mr. Pafford gains possession of tractor he will sell to someone else.

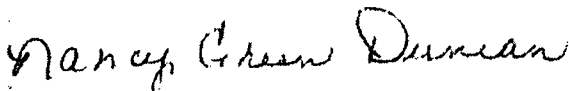

We are filing a lawsuit against Mr. Pafford for titles. We are trying to obtain rightful ownership with the court. We do not beleive that Mr. Pafford was the rightful owner of equipment when he sold this equipment.

AFFIDAVIT

I am Nancy Green Duncan. I am employed by Rock City Heavy Haul, Inc. I am the bookkeeper and Control checking accounts. I handle all accounting matters. Mark Pafford sold our company a 2003 Kenworth Tractor and 2 trailers for \$85,000.00 in 2015. Payments were made from the company Checking account. In Oct 2016 last payment was made and Mr. Pafford was supposed to give the Company titles for equipment. He tried to submit one title to 2003 Kenworth and no trailer titles. The Kenworth was in the name of some woman and was not acceptable. I met with Mr Pafford numerous times and showed him Where monies were paid. I gave Mr. Pafford copies of all transactions. I met with Mr. Pafford on July 11 2017 when he said he had not been paid. I showed him all transactions and he finally agreed. He was Supposed to bring in proper titles the next morning but did not. He insisted on more money and was Paid an additional 10,000.00 overpayment. He never furnished proper titles to anything. It seemed that Mr. Pafford was not the rightful owner to the equipment. I advised Mr. Pafford that if he lost title's he could go to the Department of Motor Vehicles and obtain duplicates

I own an antique Harley Davidson motorcycle with a custom paint job. It contains 4 different colors with flames and stripes. I keep this vehicle at my son's house at 1215 Paraham Rd. York S.C. 29745. I just use this vehicle for competition shows.

On or about August 16, 2017 Mark Pafford and 2 other men broke into my son's Garage. They broke a window above my motorcycle and shattered glass on my motorcycle causing damage to paint job. Then they climbed through window and used My motorcycle as a ladder. Damage was done to my paint job in this robbery. To repair The damage I have estimates over \$4000.00.

Respectfully:

Robert Wayne Duncan Sr.

TWO WAGE EARNER CREDIT WHEN BOTH SPOUSES WORK**Your filing status must be married filing jointly to claim this credit.****Line 12 TWO WAGE EARNER CREDIT (MARRIED COUPLE)**

This credit can only be claimed by a married couple filing jointly when both spouses have earned income taxed to South Carolina. This credit is not allowed on returns with a filing status of single, married filing separately or head of household. Do not include gambling or bingo winnings reported on federal form VV-2G.

Example - You earned a salary taxed to South Carolina of \$20,000. Your spouse earned \$17,000 taxed to South Carolina and had an IRA deduction taxed to South Carolina of \$1,000. Your SC qualified earned income is \$20,000 and your spouse's is \$16,000 (\$17,000 minus \$1,000). Because your spouse's qualified earned income is less than yours, the credit is based on your spouse's income. Therefore, the credit is \$112 (\$16,000 x .007).

Compute your earned income separately for yourself and your spouse. South Carolina earned income is generally income you receive for services you provide. It includes wages, salaries, tips, commissions and sub-pay. It also includes income earned from self-employment, business income or loss, partnership income or loss, farm income or loss and any other earned income taxed to South Carolina. Earned income does not include gambling or bingo winnings, interest, dividends, Social Security benefits, IRA distribution, unemployment compensation, deferred compensation or non-taxable income. It also does not include any amount your spouse paid you.

	(a) You	(b) Your Spouse
1. Wages, salaries, tips, etc., taxed to South Carolina from South Carolina Schedule NR, Column B, line 1 or federal form (Do not include pensions or annuities.)	68,750	23,400
2. Net profit or (loss) from self-employment (from Schedule C and on Schedule K-1 of Form 1065) and any other earned income taxed to South Carolina.	65,174	0
3. Add lines 1 and 2. This is your total earned income taxed to SC.	133,924	23,400
South Carolina qualified earned income. This is the amount on which the credit is based. Compute it by subtracting certain adjustments from South Carolina earned income. The adjustments are:		
• Deductible part of self-employment tax • Self-employed SEP, simple, and qualified plans • Self-employed health insurance deduction • IRA deduction • Repayment of sub-pay		
4. Add the adjustment amounts entered on federal Form 1040. If filing South Carolina Schedule NR, enter amounts from lines 21, 22, 23, 26 and any repayment of supplemental unemployment benefits (sub-pay) allocable to South Carolina income.	4,497	0
5. Subtract line 4 from line 3. This is your qualified earned income taxed to South Carolina. If the amount in column (a) or (b) is zero (-0-) or less, stop here. You may not take this credit.	129,427	23,400

Compute the credit.

6. Enter the smaller of 5(a) or 5(b). Do not enter more than \$30,000.

23,400

7. Multiply the amount on line 6 by .007. Do not enter more than \$210. Enter the amount here and on SC1040, line 12.

For taxpayers filing a joint return, the election to use the reduced rate in SC Code Section 12-6-545 is effective for both taxpayers.

Mr. Pafford was advised by Detectives Hoffman and Strickland that he is given notice not to be on the propriety of Robert Duncan located at 1215 S. Parham Road, York SC 29745. Mr. Pafford stated that he understood. This notice occurred during an interview at MJC Detention on 08-16-2017.

OfficerID: oliverw, Narrative

2017-30034

On 08/16/2017 I responded to 1215 South Parnham Road in reference to damage to property. Robert Duncan (property owner) called and advised that he was watching 2 white males break into his garage and driving away in his truck. I met with Mark Giles Pafford who was driving a Peterbuilt commercial tow truck at the entrance to 1215 South Paraham Road. Mark advised that he was here to get his truck that he owns the Peterbuilt truck that he is driving. Mark then provided me with the South Carolina Title to the truck with his name on it. Mark advised that Robert was going to buy the truck but came to his residence back in July and took the truck from his property. Mark advised that he had a Deputy respond out to his residence in reference to his truck being missing. Mark did stated that he was advised that there was nothing that could be done. Mark advised that he was here to get his truck back. Mark did admit to going into Robert's building through an unlocked door and then cutting the lock on the door (\$20) to get the truck out of the building. I then spoke with Daniel who assisted Mark with retrieving the truck. Daniel advised that Mark showed him a title so he was just here helping Mark get his truck back. Daniel advised that he knows mark through his father's church. Daniel advised that his father is a pastor and is the one that drove them here to get the truck

I then spoke with Larry Soles who advised that he drove Mark and Daniel here to get Mark's truck. Larry advised that he only knew that Mark had a title to a truck and they were coming to get Mark's truck. Larry advised that he did drive them here and did not know any more information about this situation. I then spoke with property owner Robert Duncan who advised that he observed Daniel and Mark on his camera's walk up his driveway and go into his building. Robert advised that he observed them drive the truck out of the building and down the driveway. Robert then advised that he bought the truck from Mark and has a bill of sale on the vehicle. Robert did not provide me with that information while on scene. I then placed Mark and Daniel under arrest for damage to property and transported them to YCDC without further incident.

Steve:

This case needs to move forward. You sent discovery in August. The tax returns have not been filed. Rumor has it that your clients are dissolving the business.

Unless we have satisfactory responses within 20 days, I must move to compel.

I also ask your cooperation in setting up a Scheduling Order. Please get me some dates.

By his Request for Production dated June 7, 2018, the Plaintiff requested the production of:

12. The personal and business, State and Federal, Income Tax Returns of any of the Responding Parties and/or "Rock Hill Heavy Hauling, Inc." for the years 2016 and 2017.

By in their response to the Request above, dated August 10, 2018, the Defendants stated:

RESPONSE: Robert Duncan, Jr. - Tax returns have been prepared but they have not been release d by Yarborough, Certified Public Accountant, therefore Duncan, Jr. does not have possession of them nor access to them.

Rock City Heavy Haul, Inc, 2016/2017 tax returns not filed.

Robert Duncan, Sr. 2016 Federal Return attached

Eason, 2017 Federal Return attached

By e-mail dated November 30, 2018, counsel for Plaintiff made demand for a full response to Request for Production No. 12. No such response has been received. By a recent letter, counsel for Defendant restated the response above.

No objection to the production requested has been made. No Motion for protection against such production has been made. It is the general rule that in the absence of objection or

protection, the documents requested must be produced. *See, e.g., Beirnat v. Powell*, 757 S.W.2d 115 (Tex.App. Houston (1st Dist.) (1988)).

In this regard, the Plaintiff would also note the standard instruction contained within his Request for Production:

F. Inability to provide document(s). If you cannot provide any or all of the documents requested, after exercising due diligence to do so, provide any documents available and state your inability to provide the documents or the remainder of them (including a list of sources which were consulted for a response), and state whatever information or knowledge you have concerning the present location of the document(s) and the identity of its present custodian.

No recitation of sources consulted, or attempts made, to effect production of the returns exists.

If it is assumed that production of tax returns is objectionable, even in light of the Defendants' failure to oppose, the Plaintiff cites *Paramount Film Distributing Corp. v. Ram*, 91 F.Supp. 778 (D.S.C. 1950) where such discovery was specifically allowed as relevant. The Plaintiff would note that the existence of a corporate entity in this case is in dispute, as well as the parties' relation to the business of "Rock City Heavy Hauling"; tax returns are directly relevant to those questions.

The Defendants would seem to demur on the basis that the said documents (or some of them) are not within their possession. It is true that Rule 34(a), S.C.R.C.P. requires that documents must be in the possession, custody or control of a party to be discoverable. In interpreting this Rule's language, the Commentators of AMERICAN JURISPRUDENCE 2D have, however, stated:

However, a party need not have actual possession of documents to be required to produce them. The true test is whether the party has a legal right to control or obtain the documents. Production may be ordered when a party has the legal right to obtain papers, even though he or she has no copy, and regardless of whether a paper is beyond the jurisdiction of the court.

[23 AM.JUR.2D *Depositions and Discovery* § 149; footnotes omitted.]

The Defendants obviously have the legal right to their tax return in the possession of a

third party. The problem here is either a failure to pay a bill, or theft by the third party accountant named. Neither is an excuse preventing production. *See, e.g., Franzen v. Dunbar Builders Corp.*, 132 Ill.App.2d 701, 270 N.E.2d 118 (Ill.App. 1971).

Rule 37(a)(2), S.C.R.C.P. provides, in relevant part:

If . . . a party, in response to a request for inspection submitted under Rule 34, . . . fails to permit inspection as requested, the discovering party may move for an order compelling an answer, or a designation, or an order compelling inspection in accordance with the request.

In the absence of prepared returns, this Court has the authority to compel disclosure of the Defendants' raw financial data. The Plaintiff is willing to enter into an Order for Protection for the documents so produced. In the alternative to such a resolution, the Plaintiff will be forced to wait some indeterminate period before the returns are produced, or to proceed to trial without completing discovery. Neither outcome is proper under our Rules of Civil Procedure, on in accordance with due process.

SIXTEENTH JUDICIAL CIRCUIT

Mark Giles Pafford
Plaintiff

Case No: 2017 CP 46-2487

vs.

**DEFENDANTS
MEMORANDUM IN OPPOSITION
TO PLAINTIFFS MOTION TO
COMPEL**

Robert Dwayne Duncan, Jr. Robert Wayne
Duncan, Sr. and Frank Eason d/b/a "Rock
City Heavy Hauling, Inc."
Defendants.

This Memorandum of Law is submitted in response to Plaintiff's Motion to Compel and supporting Memorandum.

The Defendant was served with production requests on or about June 7, 2018. The request at issue is as follows:

12. The personal and business, State and Federal, Income Tax Returns of any of the Responding Parties and/or "Rock Hill Heavy Hauling, Inc." for the tax years 2016-2017.

The Defendants responded on or about August 10, 2018 as follows:

RESPONSE: Robert Duncan, Jr. Tax returns have been prepared but they have not been released by Yarborough, Certified Public Accountant, therefore, Duncan, Jr. does not have possession of them nor access to them.
Rock City Heavy Haul, Inc. 2016/2017 tax returns not filed.
Robert Duncan, Sr., 2016 Federal Return attached
Eason, 2017 Federal Return attached.

On November 30, 2018, counsel for Plaintiff sent an email to counsel for Defendant. Although counsel for Plaintiff indicates in his brief that he made demand for a full response to

Request for Production No.12, his email does not reflect this demand. Counsel acknowledges in his email that the tax returns have not been filed.

The Defendants are not claiming an objection or that such returns are privileged, rather they either have not been prepared and are non-existent or as indicated in the Response the Defendant Duncan, Jr. accountant, Yarborough, Certified Public Accountant has refused to release the returns.

At this point, the Defendants do not have a "legal right" to obtain the tax returns as the returns are considered "work product" of the certified public accountant until fees are paid to the accountant. Yarborough is governed by North Carolina law. Pursuant to 21 NCAC 08N .0305, Yarborough only has an obligation to return client-provided records, not his work product until payment is received. Yarborough and Defendants are in a dispute as to the proper fee for the preparation and filing of the returns. At this time, based upon information and belief, Yarborough is demanding \$6,000.00 for the release of the tax records. Requiring the Defendants to pay this amount in order to produce the requested tax returns would be overly burdensome and expensive taking into account the needs of the case. SCRCP Rule 26. Requiring the Defendants to pay the funds to the CPA to allow release of the requested documents would greatly prejudice the Defendants in any cause of action they may have against the CPA.

The issues in this case revolves around a dispute as to whether the Defendants have paid the entire amount to the Plaintiff for the purchase of a trailer and an allegation that the Defendants have failed to pay wages to the Plaintiff. Defendants have never asserted that they have the inability to pay the Plaintiff wages; rather the Defendants assert that all wages have been paid to the Plaintiff. Therefore, the necessity of the tax returns is irrelevant to this action. Arguably, the only tax return that would be relevant would be the business entities tax return as

that is who the Plaintiff worked as a subcontractor for. The Plaintiff never worked for the individual Defendants.

Plaintiff's Memorandum also refers to the "standard instruction contained within his Request for Production:

F. Inability to provide document(s). If you cannot provide any or all of the documents requested, after exercising due diligence to do so, provide any documents available and state your inability to provide the documents or the remainder of them (including a list of sources which were consulted for a response), and state whatever information or knowledge you have concerning the present location of the document(s) and the identity of its present custodian."

The Plaintiff alleges that "no recitation of sources consulted, or attempts made, to effect production of the return exists. Defendants responses specifically state (1) Rock City Heavy Hauls are not being provided because they have not been filed (2) Defendant Duncan Jr., cannot provide the requested documents because they are being held by Yarborough Certified Public Accountants and they were refusing to release them. This information complies with the "standard instruction" demanded by Plaintiff: statement of inability to obtain, the present location and identity of its present custodian (Yarborough, CPA).

The Defendants has not failed to permit inspection of the tax returns, rather they do not have the ability to produce documents that have not been filed. The Defendant's object to this Court requiring Defendant produce his raw financial data as this would essentially allow the Plaintiff to obtain information regarding the business that is irrelevant to this case or the Plaintiff. The Defendants have produced all their records relating to the payment of wages to the Plaintiff as well as all records relating to the payment of the trailer in dispute.

In the event the dispute between the Defendant and the CPA is resolved, the Defendant understands that he has an immediate obligation to provide the Plaintiff with the requested

returns.

ORDER ON DISCOVERY

C.A. No. 2017-CP-46-02487

The Plaintiff's Motion to Compel Discovery came on for hearing at 4:00 P.M. on February 28th, 2019. John Martin Foster appeared for the Plaintiff, who was also present. Stephen D. Schusterman appeared for the Defendants.

By his Request for Production dated June 7, 2018, the Plaintiff requested the production of:

12. The personal and business, State and Federal, Income Tax Returns of any of the Responding Parties and/or "Rock Hill Heavy Hauling, Inc." for the years 2016 and 2017.

By in their response to the Request above, dated August 10, 2018, the Defendants stated:

RESPONSE: Robert Duncan, Jr. - Tax returns have been prepared but they have not been released by Yarborough, Certified Public Accountant, therefore Duncan, Jr. does not have possession of them nor access to them.
Rock City Heavy Haul, Inc, 2016/2017 tax returns not filed.
Robert Duncan, Sr. 2016 Federal Return attached
Eason, 2017 Federal Return attached

By e-mail dated November 30, 2018, counsel for Plaintiff made demand for a full response to Request for Production No. 12. No such response has been received.

No objection to the production requested has been made. No Motion for protection against such production has been filed. It is the general rule that in the absence of objection or protection, the documents requested must be produced. See, e.g., *Beirnat v. Powell*, 757 S.W.2d 115 (Tex.App. Houston (1st Dist.) (1988)).

The Defendants demur on the basis that the said documents (or some of them) are not within their possession, being either in the hands of Yarborough, a North Carolina accountant, or the tax returns not having been filed. All parties acknowledge that "Rock City Heavy Haul, Inc." does not exist and cannot have produced any tax returns. Rule 34(a), S.C.R.C.P. requires that documents must be in the possession, custody or control of a party to be discoverable. The Defendants do not contest that the financial information needed to file the missing tax returns is within their possession, custody or control.

After argument, and by agreement of counsel as to the main points herein, this Court finds the following to be the equitable approach to this matter:

1. Any tax returns for Robert Duncan, Sr. from 2016 forward shall be supplied to the Plaintiff within ten (10) days after Counsel for Defendants' receipt of this Order;
2. Any tax returns for Frank Eason from 2016 forward shall be supplied to the Plaintiff within ten (10) days after Counsel for Defendants' receipt of this Order;
3. The Defendants shall, within ten (10) days after Counsel for Defendants' receipt of this Order, make a good faith effort to retrieve the financial data for any party from the North Carolina accountant;
4. Upon making such effort, the Defendants shall file with this Court, and deliver to Counsel for Plaintiff, proof that such effort has been timely made and the nature of that effort;
5. The Plaintiff shall designate an independent accountant and disclose the same to the Court and opposing Counsel;
6. That Defendants shall, within ten (10) days after request, deliver to the said accountant all data and documents, in Defendant's possession, custody or control, necessary to formulate tax return information for any years from 2016 forward in which returns have not been filed;
7. In default of such timely delivery, the Defendants shall file with this Court, and deliver to Counsel for Plaintiff, a statement of why such delivery has not been timely made;
8. That accountant is authorized, after analysis of the said data, to report his conclusions to the Plaintiff;
9. All information discovered pursuant to this Order shall not be used or disclosed by the parties or counsel for the parties or any other persons for any purposes whatsoever other than preparing for and conducting the litigation in which the documents were disclosed

(including any appeal of that litigation); and

10. The Plaintiff's claim for reasonable expenses, including attorney's fees, is held in abeyance.

AND IT IS SO ORDERED.

You or your attorney should appear before this Court to present evidence or argument, if any you have, relating to the Motion herein, as follows:

DATE AND TIME: To be set by the Clerk of Court,
or as soon thereafter as counsel may be heard.

PLACE: The Equity Court
York County Historic Courthouse
Courtroom 2
2 South Congress Street
York, South Carolina 29730,
or such other place as may be designated by the Judge or
the Clerk of Court.

Pursuant to Rule 43, S.C.R.C.P., the Plaintiff, by and through his attorney undersigned, moves this Court for an Order *In Limine* as indicated hereinbelow.

Pursuant to Rule 11(a), S.C.R.C.P., counsel for the Movant is under no duty, prior to filing this Motion, to consult with opposing Counsel or to attempt in good faith to resolve the matter contained in this Motion. Counsel for the Movant further certifies that such consultation would serve no useful purpose, as defined by the said Rule.

The Movant herein argues and would show that:

- i. The matter discussed in the following paragraphs is incompetent, irrelevant and/or prejudicial to any of the material issues in this civil action;
- ii. The injection of such matter into the trial of this civil action by any party, attorney or witness would cause irreparable harm to the Movant's cause; and

iii. Should any of these matters be brought to the attention of the trier of fact, directly or indirectly, the Movant may be compelled to file a Motion for mistrial.

Therefore, in an effort to avoid to avoid possible prejudice and a possible mistrial in this civil action, the Movant moves this Court *in limine*:

- A. To instruct all attorneys in the said action, and
- B. To order all attorneys in turn to instruct all witnesses they place on the stand:
 - i. Not to interrogate about, mention, argue, make any reference, or draw the attention or notice of the trier of fact, to any of the below-referenced matters of fact within the hearing of the trier of fact, absolutely, whether opening or closing arguments, interrogation or witnesses, argument or objections before the jury or during any other phase or portion of the said trial, without first obtaining the express permission and authority of this Court to do so; and
 - ii. Not to read any pleading or any papers concerning such matter, or to utilize any other media which would publish or place such matter before the jury's notice, without such prior permission and authority; and
- C. To instruct all attorneys that because violation of any or all of such Order would cause great harm to the Movant's cause and would deprive the Movant of a fair and impartial trial, failure to abide by such Order of this Court may constitute contempt of court.

Matter to be Limited

The Movant seeks the protection of an in limine order as to the following matter:

- 1. The personal habits of the witnesses for Movant, including Movant herself;
- 2. That the Movant has called or failed to call any particular witness during the trial of this civil action, unless and until a proper showing of admissibility of the same has been made for such reference;
- 3. That any document, communication, or the existence, substance, or contents thereof, which document or communication has not been timely produced in response to the discovery of Movant, or listed on the responses to discovery by Movant, exists or has any relevance to this action;

For the purposes of this Motion, the following definitions apply:

- A. The terms "document" or "documents" shall refer to all writings and recorded materials, of any kind, that are or have been in the possession, control or custody of the responding party or of which the responding party has knowledge, whether originals or copies. Such writings or recordings include but are not limited to:

advertisements, agreements, applications, appraisals, bank statements, bills of sale, books, bulletins, charts, circulars, computer print-outs or discs or tapes, computer programs, confirmations, contracts, correspondence, desk calendars, diagrams, diaries, documents, drawings or other visual materials, e-mails, file memoranda, files, forecasts, forms, graphs, intra-

or inter-office memoranda, journals or other books of account, ledgers, letters, lists, logs, manuals, minutes, note-books, notes, opinions or reports of consultants, orders, pamphlets, papers, periodicals, photographs or microfilm, plans, promissory notes, records, reports and/or summaries of interviews or conversations, reports and/or summaries of investigations, reports, research material, rough drafts, statements or expressions of policy, statistical computations, studies, tax invoices, telegrams, transcripts, voice or phono-records, working papers,

and other data compilations from which information may be obtained, of all natures and kinds whether handwritten, typed, printed, mimeographed, xeroxed, photocopied or other matter are written, printed or recorded. If any document(s) asked to be produced, identified, attached or described is not in your possession or subject to your control, give the reason therefor and its present location and the identity of the present custodian of the document and of any copy of summary thereof.

B. "Communication" shall mean any or all transmittals of information, whether oral or reduced to writing, whether hand-written, type-written, tape-recorded, or produced by electronic data processing, irrespective of how conveyed (e.g., telephone, telegraph, United States mail, foreign mail, private mail or courier service, facsimile or "fax" transmittal, face-to-face contact), including but not limited to: inquiries, discussions, conversations, negotiations, agreements, understandings, meetings, telephone conversations, letters, notes, telegrams, advertisements, or other forms of verbal intercourse, whether oral or written.

The Movant requests that this Court grant:

PLACE: The Equity Court

Pursuant to Rule 59, S.C.R.C.P., the Plaintiff, by and through his attorney, moves this Court:

To reopen the Order dated May 4, 2020, amending the findings of fact and conclusions of law or making new findings and conclusions, and directing the entry of a new Order; and
For such other and further relief as this Court may deem just and proper.

on the grounds that the Order of the Court is contrary to law and the evidence as proven at trial, on the following bases:

1. The Honorable Master enters her Findings as to the amounts paid and the allocations thereof between the Plaintiff's wages and payments on the Kenworth Truck, the 2009 TrailKing trailer and accessories. The Court notes that there are some \$98,000.00 in payments to be attributed and concludes that it cannot find the intent behind such payments. This figure is not backed by the evidence.
2. The failure to attribute monies paid to a purpose is a misstatement of the Court's powers and duties. Given that the amount stated was paid, the Court is obliged to attribute such payments to some end, based upon such evidence as it has.
3. The Court concludes that proof of how the amounts paid is the Plaintiff's burden. The assignment of amounts paid is the Defendants burden to establish. In fact, no evidence on point was offered by the Defendants.
4. Allowing the reasoning adopted by the Court, the Plaintiff worked 120 weeks at \$1,000.00 per week. This period of work was undisputed. Given this fact, the Plaintiff was owed at least \$120,000.00 in wages by the Defendants.
5. The Court finds and concludes that the amount payable on the parties' contract of sale referenced above should be reduced to the value claimed by the Defendants. The Court is without power to amend the parties' contract, and any deficiency in the value of the goods covered thereby has been waived by the Defendants.

Pursuant to Rule 11(a), S.C.R.C.P., counsel for the Movant hereby affirms that this motion is dispositive in nature, and, to that end, requires no communication with opposing counsel, and, in the alternative, certifies that such consultation would serve no useful purpose or could not be timely held.

The basis for this Motion is the applicable law and rules of procedure, the above-cited

COMES NOW, the Defendant by and through undersigned counsel and files this motion for Brady and other favorable material and incorporated Memorandum of Law requiring the production of material to the Defendant within thirty days of the receipt of this request or at least ten (10) days prior to trial. As grounds therefore, the undersigned would show as follows:

1. Under the United States Supreme Court decision Brady v. Maryland, 373 U.S. 83, 83 S.Ct. 1194 (1963), the Solicitor has an obligation to produce all Brady material for the Defendant well in advance of the scheduled trial date.

2. Defendant claims under Brady and its progeny, as well as the language and spirit of Giglio v. United States, 405 U.S. 105, 92 S.Ct. 763 (1972); United States v. Tashman, 478 F.2d 129 (5th Cir. 1973); and Napue v. Illinois, 360 U.S. 264, 79 S.Ct. 1173 (1959); Alconta v. Texas, 355 U.S. 28 (1957); Mooney v. Halliham, 294 U.S. 103 (1935); and Moore v. Illinois, 408 U.S. 786 (1962); that he is entitled to any and all reports, memoranda and documents, as well as a statement of the Circuit Solicitor and all appropriate state, federal and local law agencies as to:

a. All statements by the Defendant, whether oral or written; if written whether signed or unsigned.

b. All handwritten notes made by police or other investigating officers of their interview or conversations with the Defendant or any other witness.

c. Any oral, written or recorded statements made by any person to the Solicitor's office, Grand Jury or any law enforcement agency in connection with this case.

d. A copy of all tape recordings, audio or visual, made by the Defendant, a witness or any other person in connection with this case. If these tape recordings have

been transcribed, then a copy of the transcribed conversation is also requested.

3. Any and all investigation reports, information or material which tends to establish the Defendant's innocence, to mitigate punishment or to impeach, discredit or contradict the testimony of any witness whom the State will or may call at trial. Giles v. Maryland, 386 U.S. 66, 87 S.Ct. 793 (1967); Napue v. Illinois, 360 U.S. 264, 79 S.Ct. 1173 (1959); Giglio v. United States, supra.

4. The names and addresses of all witnesses interviewed by the Solicitor's office or any other law enforcement agency who might establish the Defendant's innocence, mitigate punishment or to impeach, discredit or contradict the testimony of any witness of the State whether or not the witness may testify at trial.

5. Any and all photographs taken of the Defendant on any portion of his body.

6. Any and all photographs taken at the scene of the alleged crime and/or the alleged victim or prosecuting witness.

7. Any photographs that have been exhibited to any person for the purpose of establishing the identity of the perpetrator of the crime charged and the name and current address of the person or persons to whom the photographs were shown.

8. Any scientific or medical report which tends to establish the Defendant's innocence, to mitigate punishment or to impeach, discredit or contradict the testimony of any witness whom the State will or may call at trial. Ashley v. Texas, 319 F.2d 80 (5th Cir.), Cert. denied, 375 U.S. 931, 84 S.Ct. 331 (1963). This request shall include any reports by or to the State Law Enforcement Division (SLED) criminalistic laboratory, Federal Bureau of Investigation Laboratories, County Sheriff's Department laboratory or any other law enforcement laboratory concerning an examination made by said laboratories and/or personnel thereof, of any physical, photographic, oral or written evidence concerning the investigation of this case.

9. All reports from the State Law Enforcement Division (SLED), Sheriff's Department or any other law enforcement agency, including Federal Bureau of Investigation, concerning fingerprints checked in connection with this case.

10. All records of arrests or criminal convictions of the Defendant or any co-defendant and all State's witnesses in relation to this case. Giglio v. United States, supra.

11. All "inconsistent" statements made by a particular witness or between witnesses, whether written or oral, that is known to the Solicitor's office or any other law enforcement agency.

12. Any statement or admission by a witness for or on behalf of the State with respect to the witness' memory or loss thereof.

13. Whether or not any witness called before the Grand Jury or who has or will give testimony to any investigative agency or at trial has ever been psychiatrically hospitalized or undergone psychiatric treatment, examination, mental status examination or care, and if so, a list of names and addresses of the psychiatrists, hospitals and copies of any and all relevant records and reports.

14. All notes or memorandum by psychiatrists or other medical or mental health examiners of their conversations with the defendant.

15. Any and all plea bargains, promises, rewards, reductions, dismissals, agreements not to bring criminal charges or any other inducements made to any witness herein, whether or not they have testified before any State or Federal Grand Jury or other investigative agency and regardless of whether or not they will testify at trial.

16. Any offers or grants of immunity to any witness from loss of property, fine, forfeiture, prosecution or punishment in this case or any other case, related or otherwise.

17. In addition, Defendant requests copies of any and all memoranda, reports and correspondence to and from the various law enforcement agencies of the United States and all state, county, municipal and local law enforcement agencies regarding the investigation herein.

18. Any and all physical or tangible items in the possession, custody or control of or which could be brought with the possession, custody or control of the Solicitor's Office, State, Federal or local law enforcement agency.

19. Defendant contends that this Court should specifically direct the Government in the spirit of fairness and equity, seek and produce for the defendant the documents, letters, records and other items sought, irrespective of the State's determination of whether a witness' statement or a particular letter or exhibit can "help" the defendant. The Defendant and his attorney, not the Solicitor, should be the judge of his defense and the documents relevant thereto and necessary in support of same.

20. To the extent the defendant is specifically required to demonstrate the materiality of the requested information, the defendant submits this requirement is satisfied in this motion. United States v. Agurs, 427 W.S. 97 (1976).

21. Recognizing that Brady v. Maryland, supra, and other authorities cited require that information favorable to the defendant be made available, and further recognizing that a genuine disagreement may arise as to whether or not a particular item of evidence is favorable, it will be requested that the Court provide for and in camera inspection of the items sought to be discovered should you feel such items are not favorable to the defendant. By permitting the Court to examine the items requested, the legitimate interest of the State will be protected in that no disclosure in excess of Brady, et al. will occur. Further, it will be requested of the Court that said Order will be a continuing one, and if,

prior to or during trial, the prosecution is hereby requested promptly to notify counsel for the defendant of the existence of the additional evidence or material.

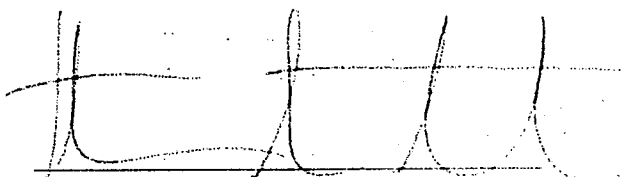

22. With regard to any road block that may have existed in this case please provide the following:

- a) Any and all documents, paperwork, or documentation concerning the establishment of the roadblock.
- b) A list of rules and regulations followed in establishing and administering the roadblock.
- c) Any documentation establishing that your agency complied with the requirements of the Fourth Amendment of the United States Constitution.
- d) A complete list of the names of persons involved in the establishment and administration of the roadblock.
- e) If A sobriety checkpoint advisory committee was established or exists please list their names.
- f) Produce any documentation or activity of the advisory committee in establishing this roadblock.
- g) Set forth all procedures established in governing this checkpoint operation.
- h) Set forth the facts in determining the site location for this checkpoint and any publicity regarding it which was delivered to the public.
- i) State whether or not every vehicle coming to the checkpoint was either required to be stopped or was in fact stopped during the time of the checkpoint.
- j) State the specific times of this checkpoint.
- k) State specifically what command or supervisory participation existed for the officers in the field at the checkpoint.
- l) State specifically what demonstration of need or efficacy existed at the particular time and place of this checkpoint.
- m) State specifically why, when, and where and by whom this checkpoint was to be set up.
- n) State specifically the number of arrests made at this checkpoint and the number of drivers stopped.

o) State specifically whether or not the roadblock was set up to detect and apprehend drunk drivers.

p) State specifically the purpose of the checkpoint, the policy established by the department for the checkpoint, the department's guidelines and procedures for the checkpoint, and the procedures actually followed by the department during this checkpoint.

It is further requested that the prosecution promptly respond to the within request by notifying counsel for the defendant of the existence and availability of the information requested herein with thirty days of the receipt of this motion and at least ten days prior to trial.

MEMORANDUM ON

RULE 59 MOTION

C.A. No. 2017-CP-46-02487

BACKGROUND: TRUCK SALE

The agreement of the parties was the sale of a used 2003 Kenworth W 3900 red truck, VIN # 1XKWDB9X03J392961, a 1998 TrailKing trailer and a 2009 Trailking trailer by the Plaintiff to the Defendants DUNCAN. The Plaintiff also testified that the agreement included a joe-dog and an extra axle. (This transaction is referred to herein as "the truck sale".)

PAFFORD testified that the agreed price was \$95,000.00 for the truck sale; this is confirmed by the Defendants' handwritten notes entered as their Exhibit 1.

CLAIMS OF FRAUD/NEGLIGENT MISREPRESENTATION

The Defendants allege fraud and misrepresentation as to the 2009 Trailer. The evidence proffered by Defendants on these claims was statements allegedly made to a witness and a printout from a third party website: this evidence is inadmissible to prove the DUNCANS' claim of fraud or negligent misrepresentation.

The Defendants' assertion of lack of title was not proven by any sworn statement by a person with knowledge or by any certified title document. PAFFORD retained title to the property to be sold, or had control of such title, as shown by the Certificates of Title entered as Plaintiff's Exhibit 4, including that of the 2009 Trailer. Under South Carolina law, a Certificate of Title is *prima facie* evidence of ownership.
