Re: Jennifer McMaster v. James McMaster
Appellate Case No. 2021-000278

Dear Counsel:

This court is reviewing Petitioner's motion to suppress. In the motion, Petitioner references transcripts of the recorded communications. Specifically, Petitioner stated "Respondent attempted to forward on to Petitioner's counsel transcripts of the conversations and further Respondent provided to the court along with his motion attached hereto, transcripts and copies of those recorded conversations."

Within two days, the parties shall provide clarification as to whether the above referenced "transcripts" is the same document Respondent labeled as "Chronological Index of Videos" and attached to his return as Exhibit I.

Very truly yours,

V. Claire Allen
