RE: James Michael McMaster v James McMaster
Appellate Case No: 2021-000278

Dear Ms. Allen:

In response to your letter dated April 15, 2021. The Petitioner's motion to suppress and the statement, "Respondent attempted to forward on to Petitioner's counsel transcripts of the conversations and further Respondent provided to the court along with his motion attached hereto, transcripts and copies of those recorded conversations." In reference to the "transcripts" it is correct that this reference is the document I labeled as "Chronological Index of Videos" and attached to the return as Exhibit 1.

Please call should you have any questions.

With Kindest Regards,

Rhett D. Klok
