RE: 1st Franklin Financial Corporation v. Roby
A. Adams Appellate Case No. 2020-001127

Dear Miss Kitchings:

Please let this letter serve as a motion for a first extension of the time for the Appellant to serve the Record on Appeal in this case. The current deadline was yesterday, April 14, 2021, but I had improperly calendared the deadline as today, most likely due to the fact that I had failed to take into account the fact that March has 31 days instead of only 30. Upon requesting consent yesterday from opposing counsel to extend the deadline, he pointed out today that the deadline was actually yesterday. I would like to request that the time to file the Record on Appeal be extended for 15 days until April 29, 2021, since I have a pending deadline in a federal case in the next few days.

Also, I hereby certify that I have served a copy of this letter motion on all other parties to this appeal by simultaneous email only as indicated below.

I have consulted with opposing counsel for all parties of record on this appeal, and they do not consent to the requested extension, but they have also indicated that they will not oppose it.
