**RE: Kenneth L. Barr v. Darlington County School District  
Appellate Case No. 2018-001237**

Dear Ms. Kitchings:

Gerald Malloy and I are co-counsel representing the Appellant in the above referenced matter. I am lead counsel for the Appeal, and due to health reasons and in fairness to Mr. Barr and our other clients, I am hereby requesting an extension of time at the Court's discretion to file a Petition for Rehearing as to the Opinion of the Court No. 5815 filed April 7, 2021, pursuant to SCACR, Rule 263(B).

On Tuesday, April 13<sup>th</sup> I underwent two outpatient heart procedures, and due to my condition leading up to that, and recovery from that, and while I am doing my best to properly represent my other clients and at the same time file a Petition for Rehearing, I would respectfully request an extension of time to file the Petition for Rehearing. While I would respectfully request a period of thirty (30) days to file a Petition, any relief the Court would provide me would be greatly appreciated. Enclosed is the required \$50.00 filing fee for making this request and by copy of this letter I am notifying Defense Counsel of this request for an extension of time to file the Petition for Rehearing.

If I can be granted relief through an extension, notice of same as soon as possible would be greatly appreciated. I am sure the Court can understand what being out of or ineffective in my practice for well over a week has done to my practice.

As always, I appreciate all the courtesies and kindnesses shown to me by you, your office and the Court, and I hope that this is sufficient for filing this request.
