Re: McMillan Pazden Smith, LLC v. Donza H. Mattison etc.,
Appellate Case No. 2020-001645

Dear Ms. Kitchings:

I represent Appellant, Donza H. Mattison, in the above-referenced appeal. Appellant's initial reply brief and designation of additional matter to be included in the record on appeal are currently due on Monday, April 19, 2021. Please accept this letter as a request for a 10-day extension of this deadline, until Thursday, April 29, 2021, to serve and file this brief and additional designation. This request is due entirely to personal circumstances, as my wife and I are having to put our two elderly dogs to sleep today, and we are putting our house on the market this weekend.

I have consulted with Respondents' counsel, who have indicated their consent to this request. Thank you in advance for your consideration of this matter. If you have any questions or need any additional information from me, please let me know.

Sincerely yours,

David E. Rothstein
