Affidavit of Facts Giving  
Judicial Notice; motions for  
an extension of time

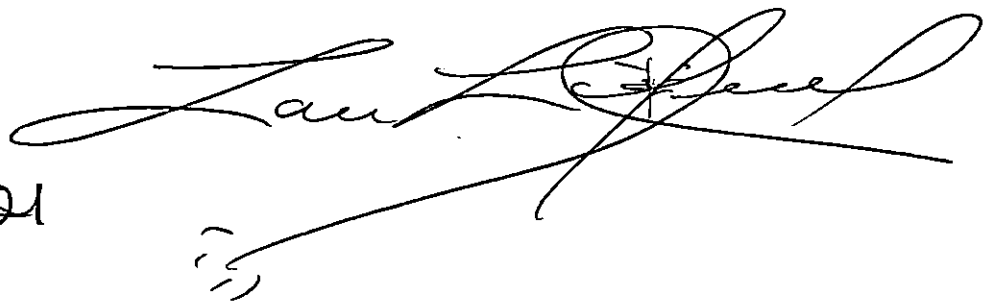

JO: THE SC COURT OF APPEALS  
ET AL.

The court recently notified  
the appellant of the case  
number assigned to this pro-  
ceeding. The appellant is  
laboring under a life long  
disability to his hands placing  
him under the constitutional  
cliff

protections established by the  
Americans with Disabilities Act.  
The appellant has severe nerve  
damage in both his hands  
causing him pain in writing  
where he is also under strict  
doctor's orders not to engage  
in repetitive movements with his  
hands that is necessary to  
meet the demands placed  
upon him by the court. This is  
why he traces his letters to  
make them legible. The appellant's  
typewriter is attached to the  
disability in his hands and

has been sent out to the  
company for repair and will  
not return until June of 2021.  
Therefore, the appellant  
motions for an extension of  
time until June 10, 2021 to  
file any required pleadings to make  
this case to its proper conclusion.

Respectfully,  
Jonah The Jishbite
