Re: Buddy Newsome, #220855 v. SCDC  
Appellate Case No. 2020-001512

Dear Mr. Newsome:

The Court is in receipt of your corrected proof of service of the record on appeal that is presumed to be in response to the Court's letter dated April 13, 2021. The deficiencies outlined in the Court's letter must be corrected in their entirety before this appeal can proceed. The record on appeal deficiencies that are still outstanding are proper pagination and a corrected title on the title page.

The Court also sent a deficiency letter on March 23, 2021 in regards to the appellant's final brief. These deficiencies are still outstanding and must be corrected before the appeal can proceed. The corrections needed are proper pagination of the appellant's final brief and a certificate of counsel.

The outstanding deficiency corrections must be served and filed within ten (10) days from the date of this letter or your appeal will be dismissed.

Very truly yours,

*V. Claire Allen*
