Re: Transcript Request
Mary Melinda Ballard v. City of Charleston ARB
Date of Hearing November 7, 2012

Dear Tim:

Thank you for your letter of February 27th, 2013, following up on your request for a transcript of the hearing of November 7th, 2012, in the above-captioned matter. I apologize for my oversight in not responding to your initial request.

I received your initial request, which was postmarked December 17, 2012, on my return from extended medical leave on February 19th, 2013. This makes the delivery date for your transcript to be on or before April 19th, 2013. I expect to have your transcript out on or before the 19th, without the necessity for an extension.

Should you have a hearing date scheduled, please let me know as soon as possible so that I can provide the transcript to accommodate any hearing(s).

Best regards,

Deborah Garrison
