Re: Rickie Joe McKnight v Cinda Barnes McAlum
Case Number: 2011-CP-22-00545

Dear Mr. Cole:

After following up with Court Administration concerning the revision of the transcript in the above-referenced matter, I am writing to advise that I will not be transcribing the video deposition of Dr. James Aymond as part of the official trial transcript. If you will recall, there was a parenthetical in the official trial transcript indicating that the video deposition was being played. The reason Dr. Aymond's testimony was not included in the official trial transcript is that the video deposition was played for the jury's review, and I did not attempt to take down that portion since I would be unable to certify proceedings where another court reporter was present. This is our standard practice.

I apologize for any inconvenience this may cause.

Sincerely,

Kay H. Richardson
