SC Court of Appeals

I'm understanding that the State has filed its brief for the 2nd writ of Certiorari in which I have read several times over and over and all that I can make of it is nothing is true and there are no facts. From my 1st and only PCR after 5 yrs of waiting for it last year in Jan. The 2nd My PCR lawyer Mr. Aiken proved that this case was solely based on Hearsay. In which we know that is an admissible Court of law is in admissible. And then Ms. Hackett filed the 2nd writ in which she pointed out the same facts and provided the appendix as well. I also have been patiently waiting on the Supreme Court twice, as well as the Court of Appeals twice. In which this ^{case} has been pending in court and has been processed in the normal fashion. Knowing that it is difficult to predict when a case will be decided by the Court because of the many variables that affect the briefing and decision making process of any given case... It has been 5 years of this... I can only hope that now the Court can finally see that ^{LEGAL} it should be released as soon as possible. Because I have not committed

any crime whatsoever and I have spent the last 6 yrs of my life in here for nothing. I understand that your courts are full of many cases but ~~this~~ case of mine should have never been in front of any Judge or Courtroom for that matter. In fact after this one day Jury trial back in July 2013 in which the 2nd Judicial Circuit does not have General Sessions court while the grand jury is present?? Its only JAN, MAR, OCT no other time is a lawful meet?? S.C. legis nature has not changed this. How ~~can~~ the grand jury meet twice within a few days apart (July 2 + July 6) True billed on which date?? The trial started on the 7th of July after jury selection in which the jury of my peers consisted of 8 white women, 2 white men & women of color?? The state produced no Affiant, no credible witness, no physical or circumstantial evidence, no DNA, nothing to prove that I entered this building at all?? Because nobody lived there and still don't. (Burg 1st) the arrest warrants doesn't show probable cause to arrest me?? Unprovable. indictment papers (sham legal)?? This entire 6 yrs I've been here in prison has been for nothing. All because of few racist Police officers and Judges; Court officers. Why else would they all throw their careers away to convict and send me to prison for a crime they all knew from the beginning that I did not do??

If I done this stupid crime why would I risk my life and freedom for something I could have pleaded down to a 3rd degree burglary (trespassing) I have never committed any crime like this ever no prior B&E's, burglaries none of that I shouldn't have never been sent to prison at all. I have had enough of this taking my freedom and life from me and my family. I have written 1,000's of letters to everybody asking and begging for my freedom. I would not have written anybody if I was guilty of any crime. Please hear my words I'm writing to you Please let me go home or take me back to trial whatever need to be done to free me from bondage. ?? Show me where I did wrong to anybody out there or in here... and I'll do the time no problem. I've did the last 6 yrs and 2 months for nothing. A couple weeks ago I wrote Mr. Dudek at Independent defense along with another letter addressed to your Court asking that Ms. Hackett be relieved as my Counsel. Did you receive it ?? If so why haven't I heard anything back from you ?? an answer of some sort. anything's she has answered back twice not knowing whether or not she has

has been relieved or is she still Representing me? She told me in the letter well the 1st letter I could defend myself with a (pro se) motion. Is this true?? or Since the State has filed it's brief to the 2nd writ of Certiorari is it too late in this case to go through all that hoping that the Court will see what is right and finally give me my freedom and my life back to me in which it should have never been taken from me in the 1st place. The 5th of next month is wednesday that will be 30 days since the state filed its brief. This brief has no truth in it or any facts I'm certainly hoping this will be finally over with. I know for a fact the Supreme Court, the Appeals Court and all the lawyers involved or know about this case or Appeal know that I have not committed any crime and that I should not be in here why haven't anybody came to me and apologized and work out so kind of deal and release me instead of just keeping me locked up in prison all this time?? Just violations all of my rights as a man. This is wrong no matter how you look at it. Do the right thing and Free me please I'm begging you. enough is enough.
