Motion to Proceed; Defendants Response

To whom it may concern,  
 My name is Tanya Murphy.  
 This motion is being filed because  
 of a letter I received on April 2,  
 2021 dated for March 26, 2021.  
 There is inconsistency with  
 the letter, the letter states on February  
 11, 2021 a motion was filed to dismiss  
 the appeal (that had not been verified)  
 in which the judge told me I  
 could file an appeal on 1/7/2021.  
 The dismissal stated the letter  
 came back with the incorrect address.  
 (Please provide the envelope with the  
 incorrect address). The appellant  
 did not receive the dismissal letter  
 until after the Appellant Brief  
 had been filed. This letter should  
 be void because fraud is present.  
 An attorney showed up on behalf  
 of Antonius Hill, this is fraud  
 due to the filing being under an  
 alias used by his father. Attorney  
 Hayes contract is Dead On Arrival!

On the website it's filed under  
Antonious Rice in which the  
new attorney should have had  
this name corrected if he was  
not in cahoot with this case

Rule 11 Signing of Pleadings:  
ATTORNEYS: (A) Request to Correct  
Data Entry error. Claire Allen  
should have also been aware because  
she had the correct spelling on the  
letter that is present. This attorney  
needs to present the documents the  
victim signed to compare names  
(Did the victim have T.B. or a  
witness present at the time of his  
signature) if not this attorney  
is crooked! The original appellant  
brief should stand due to these  
issues, and the fact it took so  
long to resend the ridiculous  
dismissal see Rule "PSALMS 37"

This attorney's name should not reflect to represent the victims. For every day here and after the Judge and Attorney Hayes is attached to this case I will ask the "Jury" for Special Damages, Punitive Damages and Consequential Damages separately from what has already incurred.

This can not be clear enough that these fools are trying to corrupt the victim to save themselves. This appeal usually takes 12 to 14 months to be heard, therefore the only thing should be taking place is for the defendants to answer the brief and there is no delay due to Claire Allen's DISTRACTION!!!

The Judge said I could do the appeal so stop being absurd. This Judge will Not be making Any decisions on this case... Try corrupting a different one to drain all of the corruption out before Retirement!

Why is Sue K. Carpenter not listed on the letter dated Feb 11, 2021 if it hadn't recieved it in error shouldn't the courts have a copy of the letter that was sent back.
