Clerk
Supreme Court of South Carolina
P.O. Box 11330
Columbia, SC 29211

RE: O'Shaun Robinson, Respondent v. State of South Carolina, Petitioner

Dear Mr. Shearouse,

Respondent's Return to the State's Petition for Writ of Certiorari in the above captioned matter is due for service and filing on today's date. Due to my busy schedule this past month, and the fact that I have been dealing with serious side effects ever since my first COVID vaccine shot on March 1, 2021 and my second shot on March 29, 2021, I have been unable to complete work on this Return. For that reason, I am now requesting a thirty (30) day extension of time in which to serve and file this Return. I did not get the opportunity to discuss this request with opposing counsel, Lilly Meadows, today and am therefore asking that she advise the Court directly concerning her position on this second extension request. By my electronic signature below, I hereby certify that I have copied her on both my email to the Court and this request letter. Thank you very much for your kind assistance in this matter.

Sincerely,

Tara D. Shurling
