Clerk, Supreme Court of South Carolina
P.O. Box 11330
Columbia, SC 29211

Re: State of South Carolina v. Julian C. Young; 2011-GS-38-1833.
Appellate Case No. 2020-000896

Dear Mr. Shearouse:

My Petition for Writ of Certiorari in the cross-appeal filed by Respondent/Petitioner in the above captioned matter is due today. In addition, my Return to the State's Petition for Writ of Certiorari filed by the Petitioner/Respondent is due today as well. I deeply regret having to ask for another extension in this matter, however I have been dealing serious side effects ever since my first COVID vaccine shot on March 1, 2021 and my second shot on March 29, 2021. For this reason, I have been unable to complete work on this Return. I am now requesting a thirty (30) day extension of time in which to serve and file this Return. I did not get the opportunity to discuss this request with opposing counsel, Ben Limbaugh, today and I am therefore asking that he advise the Court directly concerning his position on this first extension request since my Motion to Dismiss the State's appeal was denied. By my electronic signature below, I hereby certify that I have copied him on both my email to the Court and this request letter. Thank you very much for your kind assistance in this matter.

Sincerely,

Tara D. Shurling
