**STATE OF SOUTH CAROLINA
ADMINISTRATIVE LAW COURT**

RM & sons, LLC, d/b/a Anderson Liquor,

Petitioner,

vs.

South Carolina Department of Revenue,

Respondent.

Docket No. 20-ALJ-17-0177-CC

**ORDER GRANTING
MOTION TO INTERVENE**

This matter is before the Administrative Law Court (ALC or court) for a contested case hearing pursuant to S.C. Code Ann. §§ 1-23-310 et seq. (2005), S.C. Code Ann. § 1-23-600(B) (Supp. 2014), and S.C. Code Ann. § 61-2-260 (2009). RM & Sons, LLC, d/b/a, Anderson Liquor (Petitioner) applied for a Retail Liquor Store license, which was denied by South Carolina Department of Revenue (Department or Respondent) due to a finding of unsuitability for the proposed location at 1311 Williamston Road, Anderson, South Carolina. On August 24, 2020, the City of Anderson filed a Motion for Leave to Intervene pursuant to SCALC Rule 20. Neither Petitioner nor Respondent have filed a response to the Motion.

SCALC Rule 20 governs intervention in contested cases pending before the ALC. Rule 20 states in pertinent part:

Any person may intervene in any pending contested case hearing upon a showing that: (1) the movant will be aggrieved or adversely affected by the final order; (2) the interests of the movant are not being adequately represented by existing parties, or that it is otherwise entitled to intervene; (3) that intervention will not unduly prolong the proceedings or otherwise prejudice the rights of existing parties.

SCALC Rule 20(C). A party seeking to intervene has the burden of showing that intervention is proper. See In re Horry Co. State Bank, 361 S.C. 503, 508, 604 S.E.2d 723, 725 (Ct. App. 2004) (stating that the applicant for intervention bears the burden of demonstrating required elements for intervention).

The interests of the City of Anderson may be adversely affected by a final order in this matter and the City will not be adequately represented unless it is allowed to intervene in the proceedings.

SC ADMIN. LAW COURT

FILED

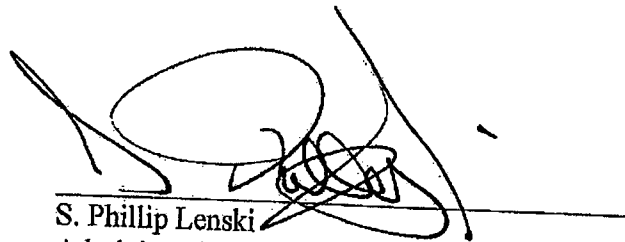

SEP 29 2020

There is no evidence to indicate that the City's participation in the hearing will lengthen the proceedings or adversely affect the rights of the existing parties. Furthermore, neither Petitioner nor the Department has objected to the City's Motion to Intervene. Having carefully considered the City's arguments, the court finds intervention is warranted pursuant to SCALC Rule 20.

THEREFORE, IT IS HEREBY ORDERED that the Motion for Leave to Intervene is **GRANTED**.

IT IS FURTHER ORDERED that the Contested Case Hearing is scheduled for **Thursday, November 5, 2020 at 11:00 AM**.

AND IT IS SO ORDERED.

Docket No. 20-ALJ-17-0177-CC

FINAL ORDER

APPEARANCES: For the Petitioner: Kenneth E. Allen, Esq.
For the Department: Patrick A. McCabe, Esq.
For the Intervenor: J. Franklin McClain, Esq.

STATEMENT OF THE CASE

This case is before the Administrative Law Court (ALC or court) pursuant to a request for a contested case hearing filed by RM & Sons, LLC, d/b/a Anderson Liquor (Petitioner or Anderson Liquor) on July 14, 2020. Anderson Liquor applied to the South Carolina Department of Revenue (Department) for a retail liquor license for its location at 1311 Williamston Road, Anderson, South Carolina (proposed location). Thereafter, the Department received a public protest to the proposed license from Chief James S. Stewart of the Anderson Police Department on the grounds that the proposed location was not suitable for licensure due to the high-crime area that surrounds it.¹ The Department denied the Petitioner's application based solely on the suitability of the location.

On August 24, 2020, the City of Anderson (City) filed a motion to intervene, which the court granted without objection on September 29, 2020.

A hearing in this matter was held on November 5, 2020, at the ALC in Columbia, South Carolina. After careful consideration of the evidence presented, the applicable law, and the

¹ Due to a clerical error, the Anderson Police Department did not have notice of the Petitioner's application initially. As a result, its protest was untimely filed with the Department and, therefore, invalid. That notwithstanding, the City of Anderson was later granted leave to intervene without objection and was able to file its protest to the Petitioner's license via its Chief of Police.

NOV 18 2020

concerns raised by the City, the court finds that the Petitioner's retail liquor license application should be granted, subject to the conditions set forth herein.

ISSUE

The only issue in dispute is the suitability of the Petitioner's location.

FINDINGS OF FACT

Having carefully considered all testimony, exhibits, and arguments presented at the hearing in this matter, and considering the credibility and accuracy of the evidence, the court makes the following findings of fact by a preponderance of the evidence:

1. On February 28, 2020, RM & Sons, LLC, d/b/a Anderson Liquor applied for a retail liquor store license for its proposed location at 1311 Williamston Road, Anderson, South Carolina.
2. On April 10, 2020, the Department received a letter from Mr. Tony Stewart, then Pro-Tem Mayor of the City of Anderson, expressing concern about the suitability of the proposed location. According to Mr. Stewart, the proposed location is in a high-crime area with gang activity. Mr. Stewart stated that he believed the sale of alcoholic liquor would adversely affect the welfare of the surrounding community.
3. On April 15, 2020, the Department received a protest form from Chief James Stewart² of the Anderson Police Department. Chief Stewart expressed his concerns about the suitability of the proposed location based upon the numerous service calls in the surrounding area. According to CAD reports from Anderson County Emergency Services submitted with his protest, the area surrounding the proposed location received 749 calls for service in 2019, including for seven sexual assaults, twelve overdoses, five shootings, and three murders.
4. By letter dated April 29, 2020, the Department conditionally denied the Petitioner's license application.
5. On May 6, 2020, the Petitioner timely protested the denial of the license to the Department.
6. On July 8, 2020, the Department issued its determination denying the Petitioner's license application on the grounds that the proposed location is unsuitable. Specifically, the Department found that the proposed location: (a) is within close proximity of two churches

² Chief Stewart bears no relation to Mr. Stewart.

and low-income housing; (b) is in a high-crime area with ongoing gang activity; (c) is a constant strain on law enforcement, as evidenced by the 749 calls for service to that location; (d) would increase calls for service if its license was granted due to the "increase in loitering, littering, and crime that normally accompany the operation of a liquor store"; and (e) if granted the license it seeks, "would create a situation that is not conducive to the health, safety, and welfare of the community."

7. At the hearing, Raj Patel and Ken Blakely testified on behalf of the Petitioner. Mr. Patel is the owner of the proposed location and manager of a Shell fueling station and convenience store located across the street that is owned by his grandmother. Mr. Patel testified that he has managed the neighboring Shell station since his grandmother purchased it five years ago. He testified that the Shell station, which holds a valid beer and wine permit, has not incurred a single alcohol warning or violation during his tenure as manager, nor has it had any criminal issues with its three employees.³ Mr. Patel stated that this is due in part to the location providing alcohol training for all staff, and age verification equipment at the register. He further stated that, because he primarily serves repeat, local customers, he is acquainted with roughly 95% of his customer base. These repeat customers are law abiding citizens who do not cause problems at the store.
8. As for the proposed location, he stated that the building operated as a convenience store and check cashing location prior to his purchase of the location. The location had an off premises consumption beer and wine permit for at least some of the time it operated. Mr. Patel testified that, after acquiring the location, he invested roughly \$250,000 of his own money to undertake major renovations to the building's structure, repave the parking lot, add lighting, and landscape the exterior. Mr. Patel stated that, as a part of this process, the building was divided in half and that only one-half would be used as the liquor store, with the remaining half being allocated to storage. He testified that he would manage the store himself and would not allow littering, loitering, or any other criminal activity at the business. Mr. Patel stated that the store, which will close no later 7 p.m. daily and will not be open on Sundays, will also have a security system with cameras, electronic age verification equipment, and that all of its employees would undergo alcohol training. To

³ Mr. Patel noted that the City did not protest the issuance of the permit to the Shell station after his grandmother acquired the building, nor have they protested any of the subsequent renewals of that permit.

that point, Mr. Patel readily acknowledged that he understood his license and financial investment would be at risk if there were any compliance issues at the proposed location.

9. With respect to the character and suitability of the surrounding area, which is at the heart of the City's protest, Mr. Patel stated that, in addition to his grandmother's gas station located across the street, there is a motel (Southerner Motel) near the proposed location and an apartment complex (Fairview Garden Apartments) a few hundred yards down the road. When questioned about the Anderson Police Department's records of calls for service (CAD data) in the general vicinity of the proposed location, Mr. Patel acknowledged that there has been criminal activity in the area, including at the apartment complex and motel, but testified that he did not believe that the level of crime was abnormal, based on his experience. He further stated that, while the CAD data showed a number of calls to the location of the Shell station he manages, none of those calls originated from the Shell station, and he has never had any arrests or legal issues stemming from the store or its employees.
10. Mr. Blakely, who lives near the proposed location, frequents the Shell station and has become familiar with Mr. Patel in the process. He testified that both he and his wife have come to know Mr. Patel quite well and have found him to be an upstanding citizen.⁴ Mr. Blakely stated that he had no doubt that Mr. Patel would responsibly manage the liquor store and that he would be comfortable patronizing the establishment. Regarding the suitability of the proposed location, he likewise acknowledged that the area has its share of crime, but stated that there is nothing unique about the proposed location. In fact, Mr. Blakely, who is retired from the Anderson Police Department, testified that the proposed location was not a burden on law enforcement during his time in the police department and he did not believe the location would be an undue burden on law enforcement if licensed. With respect to the CAD data, he stated that calls are generated based on the location entered when the report is made, even if it is simply where a traffic stop occurred, and that the location listed does not mean the business or occupants at that location were involved in any way. Thus, Mr. Blakely testified that calls for service to the Shell station for things such as domestic issues are not reflective of or fairly attributable to Mr. Patel or the

⁴ Mr. Blakely noted that he was not under subpoena, but rather appeared voluntarily at the hearing to testify on behalf of the Petitioner.

Petitioner. As for the motel and apartment complex, he opined that the calls for service to those locations are on par with similar facilities in Anderson and that the proposed location was not in a higher crime area than other areas.

11. For the Department, Shayna Thompson testified. Ms. Thompson works at the Department as an Alcoholic Beverage Licensing (ABL) analyst, the tasks for which include reviewing ABL applications for approval or denial. As a part of that process, she stated that she reviews all documents submitted with the application, including leases, public protests, and law enforcement input. Ms. Thompson testified that, in this case, there were protests against the license submitted by the Mayor Pro Tem of Anderson and the Anderson Police Department that raised concerns regarding the suitability of the proposed location. Although the police department's protest was untimely, she nevertheless considered CAD logs submitted with the protest as evidence of unsuitability. Ms. Thompson determined that the level of calls for service in the general vicinity of the proposed location casts doubt on the suitability of the location and, consequently, denied the permit.
12. Finally, Chief James Stewart and Tony Stewart testified on behalf of the City. Chief Stewart has been with the Anderson Police Department for twenty-nine years and has served as Chief since 2012. He testified that he considers the surrounding area a high-crime zone and was concerned with the proposed location's proximity to Anderson University, two churches, and a day care center. Chief Stewart testified that 2019 CAD data for a section of Williamston Road revealed a total of 1022 calls for service, including 749 from the Fairview apartments, 151 from the Southerner Motel, 53 from a C & L Quick Stop, and 69 from the Shell station managed by Mr. Patel.⁵ Of those 1022 calls for service to the general area, 128 were for a domestic disturbance, seven were for sexual assaults, five were for shootings, and two were for murder.⁶ Chief Stewart stated, however, that he was not concerned with the number of calls to the C & L Quick Stop or Mr. Patel's Shell station, which he characterized as typical. Rather, he was concerned with the volume and type of calls to Fairview Apartments and the Southerner Motel.⁷ Chief Stewart testified that, from October 1, 2019, to October 27, 2020, the largest categories of offenses were

⁵ Chief Stewart noted that numbers for 2020 were lower as a result of the COVID-19 pandemic.

⁶ According to the data submitted by Chief Stewart, the two largest sources of calls for service were for "Keep Check" (19.3%) and "911 Hang-up/Open Line" (14.8%).

⁷ Chief Stewart noted that his office is also protesting the license of a bar located across from Fairview Apartments.

simple assaults, followed by drug/narcotics, and larceny/theft, which he opined would all be perpetuated by the addition of another establishment selling liquor.⁸ Nevertheless, Chief Stewart stated that he has no issues with Mr. Patel or his Shell station and conceded that without Fairview Apartments or the Southerner in the equation, he would not have protested the Petitioner's license. His principal concern is with crime at the Fairview Apartments, though he acknowledged that the Fairview is not unique in that regard. Chief Stewart further acknowledged that the two churches in the vicinity, neither of which protested the instant license, are outside of the statutorily prescribed distance parameters.⁹

13. Mr. Stewart is a former Mayor Pro Tem of Anderson and current owner of a telecom site management company. Additionally, he presently serves as a City of Anderson council member representing the district that includes the proposed location. Mr. Stewart similarly testified that, while he had nothing against Mr. Patel specifically, he was concerned with the suitability of the proposed location in light of the crime in the general area. He stated that people elected him to clean up the community and he believes that the Petitioner's establishment would contribute to the "social ills" he has sought to clean up for twenty-four years.

CONCLUSIONS OF LAW

Based upon the above findings of fact, the court concludes the following as a matter of law:

1. Section 1-23-600 of the South Carolina Code grants jurisdiction to this court to hear contested cases under the Administrative Procedures Act. S.C. Code Ann. § 1-23-600 (Supp. 2019). Specifically, Section 61-2-260 grants the ALC the authority to hold contested case hearings in matters governing alcoholic beverages, beer, and wine. S.C. Code Ann. § 61-2-260 (2009).
2. Unless otherwise required by law, the standard of proof in an administrative proceeding, such as this, is by a preponderance of the evidence. S.C. Code Ann. § 1-23-600(A)(5); *Anonymous (M-156-90) v. State Bd. of Med. Exam'rs*, 329 S.C. 371, 375, 496 S.E.2d 17, 19 (1998). A 'preponderance of the evidence' is evidence which convinces as to its truth.

⁸ Chief Stewart stated that, had the Petitioner applied for a beer and wine permit instead of a liquor license, he would have to "go back and look at the data" to determine whether he would have protested the application.

⁹ See S.C. Code Ann. § 61-6-120(A) (Supp. 2019) (stating that the Department shall deny a liquor license application if "if the place of business is . . . within five hundred feet of any church, school, or playground situated outside of a municipality.").

Frazier v. Frazier, 228 S.C. 149, 168, 89 S.E.2d 225, 235 (1955). An applicant for a liquor license has the burden of proving it meets all the statutory requirements for licensure. 48 C.J.S. *Intoxicating Liquors* § 186 (September 2020 Update).

3. In this state, the requirements for retail liquor licenses are set forth in Section 61-6-110 and Section 61-6-910 of the South Carolina Code. S.C. Code Ann. § 61-6-110 (2009); S.C. Code Ann. § 61-6-910 (2009).
4. Section 61-6-910 instructs, among other things, that a liquor license application must be refused if “the store or place of business to be occupied by the applicant is not a suitable place” S.C. Code Ann. § 61-6-910(2). Yet, the statute does not set forth what constitutes a suitable place, nor does it contain any requirements that a location must meet in order to be deemed suitable. Accordingly, broad discretion is vested in the trier of fact to determine the suitability of a particular location for licensure. *See Fast Stops, Inc. v. Ingram*, 276 S.C. 593, 595-96, 281 S.E.2d 118, 120 (1981). The “determination of suitability is not solely a function of geography,” rather, “[i]t involves an infinite variety of considerations related to the nature and operation of the proposed business and its impact on the community wherein it is to be situated.” *Kearney v. Allen*, 287 S.C. 324, 326-27, 338 S.E.2d 335, 337 (1985).
5. Additionally, qualifying members of the public may formally object to the issuance of a retail liquor license by tendering a valid protest to the Department in accordance with the applicable filing requirements. *See* S.C. Code Ann. § 61-6-185(A) (2009); *see also* S.C. Code Ann. Regs. 7-201 (2011) (providing additional information on the protest requirements set forth in Section 61-6-185).
6. The mere fact that a permit or license is protested, however, is not a sufficient reason, by itself, to deny an application. Protests founded upon opinions, generalities, and conclusions that are not supported by evidence, or that are based upon purely speculative concerns, do not provide an adequate basis for the denial of a permit. *See, e.g., Taylor v. Lewis*, 261 S.C. 168, 171, 198 S.E.2d 801, 802 (1973). Rather, in the absence of a sufficient reason to deny the application, “[a]n applicant who meets, or complies with, the statutory requirements is entitled to the issuance of a license or permit” 48 C.J.S. *Intoxicating Liquors* § 194 (September 2020 Update).

OPINION

The sole disputed issue in this case is the suitability of the Petitioner's proposed location given the City's concerns regarding criminal activity in the vicinity. The concerns of Chief Stewart and Mr. Stewart are premised on the belief that the liquor sold by the Petitioner, if granted the license, would contribute to an increase in crime and undesirable activity in an area that is already marred by a high level of crime. However, neither Chief Stewart nor Mr. Stewart have specific concerns about Mr. Patel or his proposed liquor establishment. Rather, they are concerned about the adverse impacts that his liquor store would have on activity at the Fairview Apartments and the Southerner Motel. While this court understands and appreciates the concerns raised by the City, and the efforts made by Chief Stewart and Mr. Stewart in the interest of community safety of the citizens they represent, as set forth below, there is insufficient evidence that the proposed location would not be suitable for the retail liquor license it seeks.

Here, the court thoroughly considered the testimony and data presented on the criminal activity in the area. The designation of the area around the proposed location as a hotspot for criminal activity was not sufficiently developed at the hearing. While Chief Stewart testified that area around Williamston Road, including Fairview Apartments and the Southerner Motel, is a high-crime area, there was nothing presented at the hearing to contextualize the number of calls for service near the proposed location with calls made in other locations in Anderson. Without that information, this court is unable to determine whether the calls for service on Williamston Road account for five percent or fifty percent of the City's total call volume, or whether the type or volume of calls for service in the area around the location are disproportionate to other parts of the city. Thus, while the court accepts the Chief's assessment that it is a high crime area, without some evidence of how dangerous it is compared to other parts of the city, the weight the court attaches to that designation is diminished.

Moreover, even if the vicinity of a proposed location is deemed a high crime area when considering the general character of the neighborhood, that does not end the inquiry.¹⁰ While there was ample testimony at the hearing on drug offenses, assaults, weapons charges, murder, etc., there was nothing presented linking alcohol to those offenses. There was also nothing to suggest that

¹⁰ As an aside, there was also mention of several churches, a school, and a daycare center being in the vicinity of the proposed location. The mere fact that there are churches, universities, and/or childcare facilities in the general area, however, does not make a location unsuitable for the possession of a liquor license. There are minimum distance parameters set forth in statute and, provided an establishment is outside of those prescribed distances, a license must be granted. See S.C. Code Ann. § 61-6-120(A). Here, no argument was made by any party that the proposed location is within the prohibited distance from the childcare center, the churches, or Anderson University.

the specific proposed location has been a source of criminal activity. In fact, Chief Stewart noted that the Shell station managed by Mr. Patel has not been the source of an inordinate amount of calls for service and that he was not particularly concerned with the proposed location itself. Rather, the City's concern is that placing a liquor store in a low-income, high-crime area would be like "putting gasoline on a fire." However, there was no evidence submitted at the hearing to substantiate this claim. The Shell station managed by Mr. Patel directly across from the proposed location sells beer and wine until 10 p.m., the proposed location has possessed a beer and wine permit in the past, and there was – until this year – a bar across the street from Fairview Apartments that sold liquor by the drink late into the night. Conversely, Anderson Liquor, the proposed location, will have to close by 7 p.m. every night and will not be open on Sundays. Thus, given that there has been no shortage of locations offering intoxicating beverages for purchase near the proposed location, it is difficult to see how the addition of the Petitioner's proposed establishment with more limited hours would bring about an increase in crime that is feared by the City.

Furthermore, Mr. Patel himself is, by all accounts, a careful manager and law-abiding citizen who has operated a neighboring permitted facility for five years without issue. He has invested a large sum of money to remodel and improve the proposed location for licensure as well. Mr. Patel understands his substantial investment in the location, and the risk of forfeiting all of that if he were to incur any alcohol violations at the proposed facility. He has every reason to operate a safe and lawful operation, and the court cannot hold him responsible for the unlawful or unsafe actions some patrons may choose to engage in at other locations such as the Fairview Apartments or the Southerner Motel. This is especially true when the evidence presented to the court drew absolutely no connection between the sale of alcoholic beverages at the existing licensed entities, and the reported criminal activity in the area. Consequently, in view of the above, the court finds insufficient evidence that the proposed location is unsuitable for licensure.

A review of case law on this subject further supports such a finding. In *Kezo Quick Stop*, an applicant's beer and wine permit was similarly protested by the City of Anderson on suitability grounds. See *Tsegay Haile, d/b/a Kezo Quick Stop v. S.C. Dep't of Revenue*, Docket No. 17-ALJ-17-0372-CC at *1 (S.C. Admin. Law Ct. April 11, 2018). Specifically, it was alleged in that case that the proposed location was not suitable for permitting because: (1) there were over 700 calls for service in a five-block radius of the proposed location; (2) six of those calls for service were for criminal offenses that occurred at the proposed location itself, including a murder in the parking

lot, shots fired, receiving and possessing stolen goods, and larceny; (3) one of the six incidents at the proposed location involved the stealing of the Petitioner's own handgun, which he kept for personal protection; (4) there was a school for at-risk children in the immediate vicinity; (5) there had been an noticeable improvement in conditions since the Petitioner's facility had its renewal application declined; and (6) the specific location had twice previously been found unsuitable for permitting by this court. See *id.* at *3-5. The court denied the permit upon finding that "area immediately surrounding the Petitioner's store is the site of frequent criminal activity" and that "criminal activity around the location [was] worse when the location was licensed to sell beer and wine." *Id.* at *8-9. In doing so, the court highlighted the fact that the Petitioner's store itself "was the site of a murder, one report of shots being fired, larceny of the Petitioner's own handgun from the premises, and three other offenses." *Id.*

The circumstances in the present case are notably different than those in *Kezo Quick Stop*. While the Petitioner's location is similarly bordered by higher-crime areas, the site itself has not been the source of any criminal activity and there is no evidence that the neighboring areas have experienced an uptick in crime as a direct consequence of Mr. Patel's convenience store receiving its beer and wine permit. What is more, there is no evidence of a reduction in crime when the former permitted business at the proposed location closed or when the bar across from Fairview Apartments ceased operations. This further supports a finding of suitability in this case.

In sum, neither the City nor the Department demonstrated that granting a liquor license to this applicant for this location would increase crime or that, without licensure, the area would be more safe. Some evidence of a nexus between the sale of alcohol and the crime rate would certainly have strengthened the City's argument, but there was nothing to show that by reducing the immediate availability of alcoholic beverages in the area, crime was or would be reduced. All of the evidence presented at the hearing suggests that the general vicinity is simply one with a higher rate of crime and that such is the case irrespective of whether the Petitioner receives a liquor license. There is, therefore, insufficient evidence of a correlation between the Petitioner's proposed alcohol sales and crime in the area to justify denying the license.

Nevertheless, the court is concerned about the criminal activity in the area. Therefore, while the court grants the Petitioner's license, its establishment must have interior and exterior security cameras with recording capabilities, and those recordings must be made available to law enforcement personnel upon reasonable request. Additionally, the parking lot must be well lit and

there must be "no loitering" signs displayed on the building's exterior, and such a policy must be enforced at all times the facility is open. This will require Mr. Patel or his staff to routinely police the parking lot and grounds to ensure that patrons are not loitering, littering, or engaging in other activity that may be criminal in nature, or that may lead to criminal activity occurring. Patrons must depart the premises immediately upon making their purchases.

ORDER

Based upon the foregoing findings of fact and conclusions of law, the court finds that the Petitioner complies with the applicable requirements for licensure at its proposed location.

IT IS THEREFORE ORDERED that the Department shall **GRANT** the Petitioner's application for a retail liquor license for its location at 1311 Williamston Road, Anderson, South Carolina, subject to the conditions set forth herein.

AND IT IS SO ORDERED.

11 STIPULATIONS

12

13 It is stipulated and agreed that this hearing
14 is being taken pursuant to the rules of the
15 Administrative Law Court and the South Carolina Rules
16 of Civil Procedure.

1 (All Exhibits were marked prior to the hearing.)

2 CALL TO ORDER:

3 THE COURT: Good morning, everybody. My name is

4 Phil Lenski, and this is the case of RM & Sons,

5 LLC, d/b/a Anderson Liquor, petitioner, versus

6 the South Carolina Department of Revenue and

7 The City of Anderson, South Carolina,

8 respondents, Docket Number 20-ALJ-17-0177-CC.

9 It is the 5th of November 2020.

10 I just want to make mention of the fact that

11 the City of Anderson did file a motion with

12 this Court to intervene on the 24th of August.

13 And after no objections by the parties, the

14 Court granted that motion on the 29th of

15 September. And so the caption shall now read

16 as I stated when I called the case, The

17 South Carolina Department of Revenue and the

18 City of Anderson, South Carolina, respondents.

19 Let's see here, representing the petitioner, we

20 have Mr. Allen.

21 How are you doing, sir?

22 MR. ALLEN: Fine, your Honor. Good morning.

23 THE COURT: Good to see you again. Good morning.

24 And for the Department, we have Mr. McCabe.

25 How are you doing, sir?

1 MR. McCABE: Good morning, your Honor.

2 THE COURT: Good, good.

3 And for the City of Anderson, we have

4 Mr. McClain; is that right, sir?

5 MR. McCLAIN: Yes. Good morning.

6 THE COURT: Good morning, sir. How are you?

7 MR. McCLAIN: I'm good.

8 THE COURT: Welcome. Yes, sir. Wonderful.

9 Okay. Do we have any pre-trial matters we need
10 to take up before we get started? Any motions
11 or anything like that?

12 PRELIMINARY MATTERS:

13 MR. McCABE: Your Honor, with the consent of the
14 petitioner, the Department would like to offer
15 into evidence a copy of the Department's file.

16 THE COURT: Okay. Any objection?

17 MR. ALLEN: Your Honor, if I -- may I unmask?

18 THE COURT: Yes, you may.

19 MR. ALLEN: Thank you.

20 THE COURT: Yes. If that -- please, whatever you're
21 more comfortable with.

22 MR. ALLEN: Thank you, Judge. Normally I would not
23 object to the Department's file. But the --
24 Judge, this case is a little bit unique in that
25 the police department's protest came in late.

1 So it's not really a legitimate protest. But
2 based upon apparently the information the City
3 sent in, the Department of Revenue has decided
4 that they're gonna deny the location. Okay.
5 A lot of the information the City sent in, I
6 plan to object to for a number of reasons. So
7 I don't have a problem with the application
8 portion of the file going into the record, but
9 all this other stuff is hearsay, and we need to
10 address it when it's offered later.

11 MR. McCABE: Your Honor, these are not being offered
12 for the truth of the matter, just that this is
13 a copy of the Department's file. We're not
14 attesting to any of the statements made by the
15 police. It was, this is what was received by
16 the Department and that's all we're asserting.

17 THE COURT: All right.

18 Well, Mr. Allen, I totally understand your
19 objection, and I do agree with you that these
20 matters that were included in the police report
21 and all the incident reports and things of that
22 nature's sort of the record of activity
23 recorded by the law enforcement and the
24 community would be just as a -- as it appears
25 in the record, would be hearsay. I'm -- I'll

1 tell you what I'm gonna do. I'm gonna go ahead
2 and let the Department introduce its file, but
3 I understand that's hearsay to which you
4 object. And I will not consider it for the
5 truth of the matter asserted or -- other than
6 it was just -- it was part of the Department's
7 file. And then at that -- at whatever time, if
8 the intervener attempts to offer something, you
9 may -- I'm sure you'll lodge the appropriate
10 objection at that take when you take that up at
11 that time.

12 MR. ALLEN: Thank you, your Honor.

13 THE COURT: Thank you very much, sir. So with that,
14 then I'll allow the Department's file to go in.

15 (Respondent South Carolina Department of Revenue's
16 Exhibit Number 1 was admitted into the evidence at
17 this time.)

18 MR. McCABE: Thank you, your Honor.

19 THE COURT: Anything else that we need to take up?

20 MR. McCABE: I don't believe so, your Honor.

21 THE COURT: Okay. All right.

22 MR. ALLEN: Brief opening, Judge?

23 THE COURT: Brief opening. Yes, sir.

24 OPENING STATEMENT:

25 MR. ALLEN: Very brief opening. Judge, this is a

1 application just for a retail liquor store.
2 And it's not for a bar or a night club like
3 some of the folks I brought before you in the
4 past, Judge. It's just a liquor store today.
5 And it is across the street from a Shell gas
6 station/convenience store that my client has
7 managed for many years. And the liquor store
8 is basically surrounded by trees. And with
9 that, we're ready to proceed, your Honor.

10 THE COURT: All right. Thank you very much.

11 Anything from the Department?

12 MR. McCABE: Yes, your Honor. Just briefly.

13 THE COURT: Okay.

14 OPENING STATEMENT:

15 MR. McCABE: The Department received an application,
16 as Mr. Allen said, for a retail liquor store.
17 During the review of the application, the
18 Department became aware that the area
19 surrounding the proposed location experiences
20 high volumes of calls for police service. This
21 high volume of calls raised questions as to
22 whether the proposed location is a suitable
23 location for a retail liquor store as required
24 by 61-6-910. Because we had that question, we
25 could not confirm that this location was

1 suitable and then, of course, denied the
2 application for the retail liquor store.

3 THE COURT: All right. Thank you.

4 Mr. McClain?

5 OPENING STATEMENT:

6 MR. McCLAIN: Your Honor, the City did intervene
7 because ---

8 THE COURT: Yes, sir.

9 MR. McCLAIN: --- of the fact that this is a very
10 high-crime area. And although the station
11 itself has had numerous calls at this location,
12 across the street at the Southerner motel is
13 sort of a bad motel, the best way to say it --
14 in Anderson. It's right across the street.
15 It's also very close to a low-income housing
16 project, which basically exacerbates the
17 situation with all the numerous calls that come
18 out there, it's a strain on the police
19 department.

20 THE COURT: All right. Yes, sir. Thank you very
21 much.

22 All right, Mr. Allen?

23 MR. ALLEN: May I proceed, your Honor?

24 THE COURT: Yes, sir.

25 MR. ALLEN: Your Honor. I have two witnesses.

1 First I call the applicant, Raj Patel.
2 Raj, will you step over here, please, sir, and
3 be sworn in?

4 RAJ PATEL, having been duly sworn, testifies as
5 follows:

6 MR. ALLEN: Your Honor?

7 THE COURT: Yes, sir?

8 MR. ALLEN: May he unmask?

9 THE COURT: Absolutely. If you're more comfortable
10 taking your mask off, Mr. Patel, please do so.

11 MR. ALLEN: Your Honor, it's -- I have hearing
12 problems to begin with.

13 THE COURT: Absolutely. We've got the screens up,
14 and think we're distanced enough that
15 everything's safe. So if that's more
16 comfortable and easier, let's do it.

17 MR. ALLEN: Thank you, your Honor.

18 MR. PATEL - DIRECT EXAMINATION BY MR. ALLEN:

19 Q: Raj, state your full name, please?

20 A: Rajelish [ph] Patel.

21 Q: Speak up nice and loud.

22 A: Rajelish Patel.

23 Q: Okay. How old are you?

24 A: 24.

25 Q: Where do you live?

1 A: In Piedmont, South Carolina.

2 Q: Okay. How close is that to 1311 Williamston

3 Road, Anderson?

4 A: 20, 25 minutes.

5 Q: 20 to 25 minutes?

6 A: Yeah.

7 Q: Okay, okay. And are you the owner of the

8 applicant LLC here today?

9 A: Yes, sir.

10 Q: Okay. And the LLC's applying for a liquor

11 store; is that correct?

12 A: Yes, sir.

13 Q: Okay. I am gonna show you what's been marked

14 Petitioner's Exhibit Number 10 and ask if you

15 recognize it.

16 (Petitioner's Exhibit Number 10 was introduced into

17 the record at this time.)

18 Q: The bottom photo I have just marked B, do you

19 recognize this overhead photo?

20 A: Yes, sir.

21 Q: It says Shell. Is that the Shell convenience

22 store I referred to?

23 A: Yes.

24 Q: Okay. And over here where it stays 1311

25 Williamston Road, is that the location of your

1 proposed liquor store?

2 A: Yes, sir.

3 Q: Okay. All right. And the photograph labeled

4 A at the top of the picture, do you recognize

5 that?

6 A: Yes, sir.

7 Q: What is it and what direction is it looking in?

8 A: It's Williamston Road meeting up with Highway

9 29 North.

10 Q: Would that be going ---

11 A: That would be going towards -- out of the city.

12 Q: Out of the city?

13 A: Yeah.

14 Q: Okay, okay. So looks like -- is this part of

15 the Shell station awning here (indicating)?

16 A: Yes.

17 Q: Okay. And so your liquor store would be off to

18 the left; is that correct?

19 A: Yes, sir.

20 Q: Okay. With basically just trees in the

21 background?

22 A: Yeah.

23 Q: Okay. And, again, looking at the bottom

24 Photograph B, trees around your store; is that

25 correct?

1 A: Yes.

2 Q: And the Shell station across the street. Are

3 you involved in it? Do you manage it?

4 A: Yes, sir.

5 Q: Okay. Who does it belong to?

6 A: My grandmother.

7 Q: Your grandmother?

8 A: Yes.

9 Q: Okay. How long has your grandmother had that

10 station?

11 A: Five years almost.

12 Q: About five years?

13 A: Yes.

14 Q: Okay. And you said you're the manager?

15 A: Yes.

16 Q: Okay. How long have you been the manager?

17 A: Five years.

18 Q: Since she took over?

19 A: Yeah.

20 Q: This is 2020. So maybe 2015?

21 A: Yeah.

22 Q: Be about right? Okay. As the manager, what

23 days, hours, whatever are you usually there?

24 A: I'm usually there every day almost all day.

25 Q: Okay. And what are the hours of operation?

1 A: Monday through Friday 6:00 to 10:00, Saturday
2 7:00 to 10:00, Sunday 8:00 to 8:00.
3 Q: Okay. And is there a beer and wine to-go
4 permit there?
5 A: Yes, sir.
6 Q: All right. Are you often at the register
7 yourself?
8 A: Yes.
9 Q: Do you -- are there other employees?
10 A: Yes. There are about three other employees.
11 Q: Do you and they check IDs?
12 A: Yes, we do.
13 Q: You have electronic age verification equipment?
14 A: Yes, yes.
15 Q: Okay. In the five years that you and your
16 family have been there, have you had any
17 alcohol violations?
18 A: No, sir.
19 Q: Any warnings?
20 A: No.
21 Q: Okay. You, any your staff, whatever, ever been
22 arrested at this store?
23 A: No.
24 Q: Okay. How do you get along with the Anderson
25 Police Department?

1 A: Pretty good.
2 Q: Okay.
3 A: Yeah.
4 Q: Any complaints?
5 A: No.
6 Q: Have they ever protested the renewal of that
7 beer and wine permit?
8 A: No. Never.
9 Q: Okay. Was it a new station, or was it already
10 there when your grandmother took it over?
11 A: It was already there.
12 Q: Okay. So did anybody protest the beer and wine
13 application at that time?
14 A: No, sir.
15 Q: Okay. So the police department didn't protest
16 it when your grandmother took it over, and they
17 haven't protested any renewals since then; is
18 that ---
19 A: Yeah, that's correct.
20 Q: --- accurate?
21 A: Yeah.
22 Q: Okay, okay. I'll show you what's marked
23 Exhibit Number 1, and ask if you recognize
24 that.
25 (Petitioner's Exhibit Number 1 was introduced into

1 the record at this time.)

2 A: Yeah. That's the Shell station.

3 Q: That you were just testifying about?

4 A: Yes, sir.

5 Q: Okay. And Number 2, do you recognize that?

6 (Petitioner's Exhibit Number 2 was introduced into
7 the record at this time.)

8 A: Yes, sir.

9 Q: What is it?

10 A: It's the same Williamston Road meeting Highway
11 29 going out of the city.

12 Q: Okay. So this where my -- where I'm pointing,
13 is that the parking -- part of the parking lot
14 for the Shell station?

15 A: Yes, sir.

16 Q: And the canopy's up overhead?

17 A: Yeah.

18 Q: Okay. And you're looking away from Anderson,
19 again, basically trees?

20 A: Yes.

21 Q: Okay. Do you recognize Exhibit Number 3?

22 (Petitioner's Exhibit Number 3 was introduced into
23 the record at this time.)

24 A: Yes. That's Williamston Road going into the
25 city.

1 Q: Okay. And you heard the gentleman comment
2 about a motel. Is it way in the back of this
3 picture?

4 A: Yes.

5 Q: Okay. And your liquor store would be off to
6 the right across Williamston Road?

7 A: Yes.

8 Q: Okay. Let me ask you this. I know we're gon'
9 hear some conversation about the apartments
10 down the road. Are those apartments visible
11 from the Shell station or are visible in this
12 photograph?

13 A: No, sir.

14 Q: Approximately how far away are they to you; do
15 you know?

16 A: If you're walking, about 15 minutes maybe.

17 Q: 15 minutes?

18 A: Yeah.

19 Q: Give or take?

20 A: Yeah.

21 Q: Okay. Photograph Number 4, do you recognize
22 that?

23 (Petitioner's Exhibit Number 4 was introduced into
24 the record at this time.)

25 A: Yes.

1 Q: What is it?

2 A: That's the bar across from the apartments.

3 Q: Okay. Let me back you up just a minute.

4 MR. ALLEN: And, Judge, I'm just using the Shell
5 station for reference.

6 Q: If you're leaving the Shell station and go out
7 to the road, walk over the crest of this hill,
8 do you eventually come to the bar on the left
9 side of the road?

10 A: Yes, sir.

11 Q: And is it across the street from the
12 apartments?

13 A: Yes.

14 Q: Okay. Number 5, what is that?

15 (Petitioner's Exhibit Number 5 was introduced into
16 the record at this time.)

17 A: The Fairview Garden Apartments.

18 Q: And, again, that's over the crest of that hill
19 down on the right side of the road?

20 A: Yes.

21 Q: Across from the bar you just testified in the
22 last photograph?

23 A: Yes.

24 Q: Okay. Number 6, do you recognize this?

25 (Petitioner's Exhibit Number 6 was introduced into

1 the record at this time.)

2 A: Yes.

3 Q: What is it?

4 A: That's the proposed liquor -- proposed location
5 for the liquor store.

6 Q: Okay. This is what we're here about right
7 here?

8 A: Yes.

9 Q: Okay. Let's stop right here and talk a little
10 bit about the history of this location. How
11 long have you had it? What was it before you
12 got it? Just give us a little background.

13 A: Before I got it, it was a regular convenience
14 store, grocery store, check cashing place.
15 After we took over in April 2020 and after
16 that, the location's been closed pending a
17 remodel.

18 Q: Okay. Prior to you taking over in April of
19 this year when it was open, did it have a beer
20 and wine permit?

21 A: Yes, sir, it did.

22 Q: Do you think how long it was licensed for beer
23 and wine?

24 A: It's way before I got there.

25 Q: So for the five years that you've been there,

1 it's always had a beer and wine license; is
2 what you're saying?

3 A: Yes, yes.

4 Q: Okay, okay. And you took over in April of this
5 year 2020?

6 A: Yes.

7 Q: Okay. Have you made any improvements or
8 modifications to the building?

9 A: Not to the building itself.

10 Q: Okay. Is -- are you remodeling it?

11 A: Yes.

12 Q: Is it basically gutted at the moment?

13 A: Yes.

14 Q: Pending this hearing?

15 A: Yeah.

16 Q: Okay. Have you borrowed substantial dollars to
17 invest in it?

18 A: Yes, sir.

19 Q: Approximately how much?

20 A: Almost about 240-, \$250,000.

21 Q: 240,000?

22 A: Yes.

23 Q: Okay. And just in the photograph, you got new
24 asphalt, new parking area?

25 A: Yes.

1 Q: And is it gonna be well lit?

2 A: Yes.

3 Q: Will it have adequate parking?

4 A: Yes.

5 MR. McCABE: Your Honor, just a quick objection.

6 Mr. Allen has been leading for some time. I
7 think -- I let it go a little bit, but at this
8 point, it's more Mr. Allen testifying than his
9 client. I have to raise an objection to that.

10 MR. ALLEN: I'll be more careful, your Honor.

11 THE COURT: All right. Thank you. Mr. Allen?

12 Q: Will it have parking?

13 A: Yes.

14 Q: Will it be adequate?

15 A: Pardon me?

16 Q: Will it be adequate for the customers you
17 expect?

18 A: Yes, sir.

19 Q: Okay. Do you know approximately how many
20 parking spaces you'll have?

21 A: Roughly about eight to ten.

22 Q: Okay. Will you have outside lighting?

23 A: Yes, sir.

24 Q: And do you know what time liquor stores close?

25 A: They close at 7:00 p.m.

- 1 Q: 7:00 o'clock?
- 2 A: Uh-huh.
- 3 Q: And that's quite a bit earlier than you're
- 4 currently selling beer and wine across the
- 5 street until ---
- 6 A: Yes.
- 7 Q: --- 10:00; correct?
- 8 A: Yes.
- 9 Q: Okay. Are you gonna allow people to loiter
- 10 around the liquor store?
- 11 A: No, sir.
- 12 Q: Okay. Are you gonna allow litter to accumulate
- 13 around the liquor store?
- 14 A: No, sir.
- 15 Q: Are you going to manage the liquor store?
- 16 A: Yes.
- 17 Q: If -- and as the manager of the liquor store,
- 18 are you gon' have electronic age verification
- 19 equipment in the store ---
- 20 A: Yes.
- 21 Q: --- to check for IDs?
- 22 A: Yes.
- 23 Q: And if you have employees, will they be trained
- 24 to check IDs?
- 25 A: Yes.

- 1 Q: Okay. And, again, you've never had a alcohol
2 violation across the street at your
3 grandmother's store; is that correct?
- 4 A: Yes, that's correct.
- 5 Q: Okay, okay. And the building actually has two
6 doors, just to clarify. Tell the Court why it
7 has two doors.
- 8 A: It originally had two doors.
- 9 Q: Uh-huh.
- 10 A: But the previous owner kept one of the doors
11 closed. It was only used -- the right door was
12 the only one inside and out access.
- 13 Q: All right.
- 14 A: But we're gonna put -- we're only gonna utilize
15 that same door, not the other door. We're
16 gonna put a wall in the middle and use the
17 other side as a storage area.
- 18 Q: So customers would go in and out through the
19 door on the right; is that what you just
20 testified to?
- 21 A: Yes, yes.
- 22 Q: And the other will be for storage?
- 23 A: Yes.
- 24 Q: So it'll all be one building and one business;
25 correct?

1 A: Yes, yes.

2 Q: Okay. And do you recognize Number 7?

3 (Petitioner's Exhibit Number 7 was introduced into
4 the record at this time.)

5 A: Yes, sir.

6 Q: And is that another shot at the proposed
7 location?

8 A: Yes.

9 Q: Where is it taken from?

10 A: From the Shell station parking lot.

11 Q: Okay. And, again, the -- just woods in the
12 background?

13 A: Yes.

14 Q: Photograph Number 9. Do you recognize that?
15 (Petitioner's Exhibit Number 9 was introduced into
16 the record at this time.)

17 A: Yes.

18 Q: What is it?

19 A: It's the Shell station facing the liquor store.

20 Q: Okay. Is this looking through the Shell gas
21 pumps at your proposed location ---

22 A: Yes.

23 Q: --- across the street?

24 A: Yes.

25 Q: Okay. And the last photograph marked Number 8,

1 do you recognize that and what is it?

2 (Petitioner's Exhibit Number 8 was introduced into
3 the record at this time.)

4 A: It's Williamston Road and the Fairview Garden
5 Apartments on the left.

6 Q: And is it looking in the direction of the
7 apartments?

8 A: Yes.

9 Q: And would they be over the crest of that hill?

10 A: No. They're right there on the left.

11 Q: I'm sorry?

12 A: They're on the left right there.

13 Q: In the photograph here, would the Shell station
14 be on the left or the right?

15 A: The right.

16 Q: Okay, okay. All right, all right. Now, during
17 the five years that you've been at the Shell
18 station -- well, let me stop.

19 MR. ALLEN: Judge, I'm gon' offer these into
20 evidence as a group.

21 THE COURT: The photographs? Okay.
22 Any objection? Okay.

23 MR. McCABE: Your Honor, I don't believe they're the
24 proper -- excuse me -- I don't believe he's
25 authenticated the photos as of yet, your Honor.

1 So we would have an objection as to that.

2 THE COURT: All right. Do you want to ...

3 MR. ALLEN: The client's identified each and every
4 one of them, your Honor.

5 THE COURT: He did identify them. Could they -- is
6 there -- I think what Mr. McCabe's objecting to
7 is there's the contemporaneous nature of the
8 photographs or something along those lines or
9 who took the pictures or whatever the
10 situation. Do they accurately reflect -- I'm
11 not trying to tell you how to do ---

12 MR. McCABE: Correct, your Honor.

13 THE COURT: --- lack of authentication.

14 Pardon me?

15 MR. McCABE: I'm just saying that's correct, your
16 Honor. That's mainly our objection.

17 MR. ALLEN: Please?

18 THE COURT: Please.

19 MR. ALLEN: Did the photographs that you just
20 testified about accurately reflect the location
21 as it exists today?

22 A: Yes, sir.

23 Q: And either you took them or I took them off
24 Google; right?

25 A: Yes.

1 Q: Okay. These you took, and this I took off
2 Google; correct (indicating)?

3 A: Yes.

4 Q: All right.

5 THE COURT: The actual photographs are photographs
6 taken by your witness? And the one there that
7 you're holding up. The paper document is one
8 that you pulled off of the Google Map?

9 MR. ALLEN: Correct, your Honor.

10 THE COURT: All right.

11 MR. ALLEN: 1 through 10, your Honor.

12 THE COURT: Mr. McCabe, I'm gonna go ahead and admit
13 those this time.

14 (Petitioner's Exhibit Numbers 1 through 10 were
15 admitted into evidence.)

16 MR. McCABE: That's fine, your Honor.

17 MR. ALLEN: Are they still in the little box, or how
18 does it work, Judge?

19 THE COURT: Well, they've been marked; right?

20 MR. ALLEN: Yeah, they've been marked.

21 THE COURT: Okay. You can actually just put them
22 right there.

23 MR. ALLEN: Okay.

24 THE COURT: Thank you very much. I appreciate it.

25 We're all just trying to gets used to this new

1 way of doing things. Thank you.

2 MR. ALLEN: Thank you, Judge.

3 Q: Raj, you testified that you got basically a
4 quarter of a million dollars invested in this?

5 A: Yes.

6 Q: Okay. If the judge issues the license, do you
7 realize if you don't run the store correctly,
8 you could lose that license?

9 A: Yes.

10 Q: And lose your investment?

11 A: Yes, sir.

12 Q: Okay. So is this matter serious to you?

13 A: It is very serious. We're currently, with just
14 income and paying the mortgage out of the
15 pocket; yes.

16 Q: So you make your mortgage payments out of
17 pocket, and you're not open?

18 A: Yes.

19 Q: Is there anything else now that I haven't asked
20 you that you want to tell the judge while
21 you're on the stand?

22 A: I mean, I know what's at risk here. My
23 investment, it's a pretty huge investment.
24 I've worked hard for the past five years. All
25 my money's in there. And I know about

1 90 percent of the clients there, sir. And
2 they're regular customers. And we -- I
3 would -- we would -- sorry.

4 Q: Take your time.

5 A: We would, you know, not sell to minors, you
6 know, follow all the guidelines, everything.

7 Q: Okay. And let me ask you this: I'm sure we're
8 gonna hear that this is a high-crime and
9 drug-infested area. What is your experience at
10 the Shell station, which is across the street
11 from your proposed liquor store?

12 A: There's crime everywhere. It's all over. Even
13 here in Columbia, Anderson. Everywhere.
14 There's crime everywhere. You can't stop that.

15 Q: Right.

16 A: But as far as -- as long as we've been there,
17 there's crime. But it's not like any
18 serious -- like, I don't know how to say it.
19 Sorry.

20 Q: Well, let me ask you this: At the Shell
21 station you currently manage, did -- usually
22 when there are drugs, people pull up, you see
23 bags handed to one car or the other and money
24 changing hands. Do you let that sort of thing
25 happen at the Shell station?

1 A: No, we do not.

2 Q: Are you gonna let it happen at the liquor
3 store?

4 A: No, no, we would not.

5 Q: Okay, okay. When you see something that
6 concerns you from a law enforcement standpoint,
7 do you call the police department?

8 A: Yes, we do.

9 Q: Does it concern you that -- is that what you're
10 supposed to do?

11 A: Yeah, that's what I'm supposed to do. If
12 anything illegal's going on, we report it to
13 the authorities ---

14 Q: Okay.

15 A: --- and let them handle it. And we don't let
16 anyone loiter, you know, around the parking lot
17 or any place.

18 Q: Okay. And does it concern you when you do what
19 you're supposed to do then you come to court
20 and they use that against you?

21 A: Yeah, it does. Like, I'm doing my job.
22 There's no violations against me.

23 Q: Right.

24 A: I'm just ...

25 Q: Never, to your knowledge, have been any arrest

1 at the Shell station?

2 A: Not -- there are people that, you know, got
3 pulled over into the parking lot or some -- or
4 they see someone walking down the road and, you
5 know, they stop them, ask them questions. And
6 if the authorities feel like they have done
7 something wrong or they have a warrant or
8 something, they arrest them right then and
9 there.

10 Q: Okay. That's just to pull over and park? It's
11 not involved in your business there?

12 A: No.

13 Q: Or your employees?

14 A: No.

15 Q: Okay. Please answer any questions that either
16 attorney may have.

17 MR. ALLEN: Thank you, Judge.

18 THE COURT: Thank you, Mr. Allen.

19 Mr. McCabe, you want to go first?

20 MR. McCABE: Yes, your Honor, please. Just briefly.

21 MR. PATEL - CROSS-EXAMINATION BY MR. McCABE:

22 Q: Mr. Patel, have you ever had an alcohol license
23 or a beer or wine -- or beer and wine permit
24 revoked or suspended?

25 A: No.

1 Q: All right. Do you hold any other retail liquor
2 licenses?

3 A: No, sir.

4 Q: All right. Does anyone in your household hold
5 a liquor license?

6 A: No.

7 Q: No. All right. Are you planning on hiring any
8 type of security for your business?

9 A: No. 'Cause everything is gonna be behind the
10 counter. There's no ...

11 Q: Okay. Are you gonna have any type of security
12 cameras, security system?

13 A: Yes.

14 Q: All right. And that's not installed currently?

15 A: That's not. No currently -- none currently.

16 Q: How much -- I guess, where are you in the
17 renovation period? Are you ready to open now,
18 or is there more work?

19 A: At least a couple more months.

20 Q: Okay. All right. So it's your testimony
21 you're not ready to open right now?

22 A: No.

23 Q: Okay.

24 MR. McCABE: No further questions, your Honor.

25 THE COURT: All right. Thank you.

1 Mr. McClain?

2 MR. McCLAIN: I'd like to ask a couple questions.

3 THE COURT: Yes, sir.

4 MR. PATEL - CROSS-EXAMINATION BY MR. McCLAIN:

5 Q: Mr. Patel, Fairview Gardens, you said it takes
6 15 minutes to walk there?

7 A: 10, 15 minutes.

8 Q: Isn't it about 100 yards?

9 A: No. It's more than that.

10 Q: Wouldn't you say it's about 100 or 200 yards?

11 A: Yeah. Somewhere around there.

12 Q: Something like that? Okay. Where would you
13 expect most of your clientele will be coming
14 from to patronize this liquor store?

15 A: From all around the neighborhood.

16 Q: Do you expect Fairview Gardens would be a good
17 client for that?

18 A: They'll be there. There's houses around the
19 neighborhood.

20 Q: And like the people from the Southerner motel
21 to come across the street? That would be a
22 good place for them to buy liquor?

23 A: Yeah. If it's close; yeah.

24 Q: Describe the Southerner motel. What kind of
25 motel is that?

- 1 A: It's a regular hotel. They have been some
2 crime over there.
- 3 Q: Okay. All right. And would it surprise you to
4 know that there were 69 calls for service at
5 your Shell station in the year 2019?
- 6 A: Yeah. I was surprised to find out that.
- 7 Q: And in Fairview Gardens, there was over 700
8 calls during that same year.
- 9 A: Okay.
- 10 Q: You aware of that?
- 11 A: Yeah. The ---
- 12 Q: Okay. And at this place, this area here, there
13 was 53 calls for service.
- 14 A: Okay.
- 15 Q: Okay. Don't you think that's a lot of calls
16 for service for the police department?
- 17 A: But -- that is a lot of calls. But see, we
18 weren't -- I wasn't the owner of that location
19 last year.
- 20 Q: But you think that's sort of a strain? How far
21 is this from the police department?
- 22 A: I don't know.
- 23 Q: Say it's about three or four miles?
- 24 A: Maybe more. I don't ...
- 25 Q: Okay. This is almost at the edge of out town;

1 right?

2 A: Yes.

3 Q: If you go further up the road on the left,
4 there's some other motels that are not so
5 great; isn't that right?

6 A: Yeah. There's one that's closed.

7 Q: Yeah.

8 A: And there's one on the right; yeah.

9 Q: And the bar across street that you showed the
10 picture of, it's closed too?

11 A: Yes. And I have heard someone else bought it.
12 And they applied for a liquor license.

13 Q: Do you know if that license has been approved
14 or denied?

15 A: I don't know anything about that.

16 Q: Okay. Why did you decide to make this a liquor
17 store instead of just keeping it being a
18 convenience store?

19 A: There is already a convenience store across the
20 street.

21 Q: Okay. But that's true in a lot of occasions,
22 isn't it?

23 A: Huh?

24 Q: A lot of convenience stores get across the
25 street from each other?

1 A: Yeah.

2 Q: And that's not unusual?

3 A: I mean, but my family owns the one across the
4 street. Why would I go against them?

5 Q: Okay. Are you related to the Patel that owns
6 the Southerner Motel?

7 A: No.

8 Q: Okay.

9 MR. McCLAIN: That's all the questions I have.

10 THE COURT: Thank you, sir.

11 Mr. Allen, from that, did you have any
12 redirect?

13 MR. ALLEN: Judge, just a question follow-up.

14 Again, your Honor, this is subject to my later
15 objection.

16 THE COURT: Yes, sir.

17 MR. PATEL - REDIRECT EXAMINATION BY MR. ALLEN:

18 Q: But, Raj, he asked you about 60-something calls
19 for service at the Shell station. I don't have
20 my glasses on, but it looks like at least 21 of
21 those were domestic disturbance calls. Do you
22 know anything about that or why there would be?

23 A: No. That hasn't been from our location. We
24 haven't called them. Maybe it's someone
25 calling telling that they're at this location;

1 they need help; or something like that.

2 Q: So if somebody pulls over in your -- in the

3 Shell station parking lot with a cell phone and

4 calls the police department to meet them at

5 your address ---

6 A: Uh-huh.

7 Q: --- is that a possible explanation?

8 A: Yeah.

9 Q: Okay, okay. But it's, again, nothing you or

10 your staff are involved in at all, is it?

11 A: No.

12 Q: Okay. Thank you.

13 MR. ALLEN: Thank you, Judge.

14 THE COURT: Thank you, sir.

15 All right. Nothing further, Mr. Patel. Thank

16 you very much for your testimony. You can

17 return to your seat, sir.

18 THE WITNESS: Thank you, sir.

19 (The witness was excused.)

20 THE COURT: Mr. Allen?

21 MR. ALLEN: Your Honor, very briefly, my second and

22 last witness, Mr. Ken Blakely.

23 THE COURT: All right.

24 Mr. Blakely, sir?

25 MR. ALLEN: Go around and be sworn in, please.

1 SERGEANT KENNETH BLAKELY, having been duly sworn,
2 testifies as follows:

3 THE COURT: Mr. Blakely, please make yourself
4 comfortable.

5 MR. ALLEN: Your Honor, may I refer to the exhibits?

6 THE COURT: You certainly may, please.

7 MR. ALLEN: Thank you.

8 THE COURT: You may retrieve those if you need them.

9 MR. ALLEN: Thank you.

10 THE COURT: Absolutely.

11 SGT. BLAKELY - DIRECT EXAMINATION BY MR. ALLEN:

12 Q: Mr. Blakely, again, state your full name,
13 please, sir.

14 A: Kenneth Wayne Blakely.

15 Q: All right, sir. And where do you live?

16 A: I live about two miles up the street from the
17 Shell station.

18 Q: Okay. Are you currently employed or retired?

19 A: No. Well, I'm currently employed, but I am
20 retired.

21 Q: And where did you retire from?

22 A: I retired from the Anderson City Police
23 Department after 26 years of service, my last
24 six years of being employed by the Anderson
25 City Police Department.

1 Q: And at what rank did you retire at?

2 A: I retired at a sergeant, on the road patrol.

3 Q: Sergeant on the road patrol. Okay. Are you
4 familiar with a location we're on here today at
5 1311 Williamston Road?

6 A: Yes, sir.

7 Q: Was it part of your area?

8 A: Yes, sir. As the supervisor, the whole city
9 was my area.

10 Q: Okay, okay. All right. Are you familiar with
11 Raj and the family and their operation at the
12 Shell station?

13 A: Yes, sir. I buy there quite frequently.

14 Q: All right. In your five years of policing
15 them, was it -- tell is a little bit about it.
16 What's your relationship with them? Were they
17 a problem? Are they good citizens? Tell us
18 about it.

19 A: They're very good citizens. I've never had a
20 issue with them. As I said, my wife and I shop
21 there all the time because it's back and forth
22 right by our jobs on the way to our jobs and
23 right below the house where we live.

24 Q: Right.

25 A: So we've come to know them very well.

1 Q: Right. And just to be clear, you're here
2 voluntarily today? You're not under any
3 subpoena or anything, are you?

4 A: No, sir. I'm volunteering.

5 Q: Okay. You're here to offer supportive
6 testimony 'cause you know these people; isn't
7 that correct?

8 A: That's correct.

9 Q: Okay. And you've heard him testify that his
10 liquor store's going across the street; do you
11 understand that?

12 A: Yes, sir.

13 Q: Okay. And for the five years that they've been
14 at the Shell station, you were the police
15 officer. The building he's going into, what
16 was it previously?

17 A: Previously it was C&L Quick Stop, which was the
18 little convenience store that sold beer, food
19 items, as well as he checked -- cashed a lot of
20 checks for the locals.

21 Q: Okay, okay. And you understand those people
22 have moved on?

23 A: Yes, they have.

24 Q: Okay. We're gon' hear a lot of testimony, I
25 assume, about the motel down the street and the

1 apartments further down the street and drugs
2 and crime. Is there any -- is crime everywhere
3 in Anderson?

4 A: Yes, it is.

5 Q: Are drugs everywhere in Anderson?

6 A: Yes, it is.

7 Q: Okay. You got a number of other liquor stores
8 already in Anderson, don't you?

9 A: Yes, we do.

10 Q: Okay. And are they close proximity to
11 residences and motels ---

12 A: Yes, they are.

13 Q: --- churches and ---

14 A: Yes, sir.

15 Q: So anything really unique about this place to
16 make it different ---

17 A: No.

18 Q: --- than the others?

19 A: No, sir.

20 Q: Nothing. Okay, okay. In the five years that
21 you've policed the convenience store, were they
22 a undue burden on law enforcement?

23 A: No.

24 Q: And based on your experience as a sergeant with
25 the police department, do you think the liquor

1 store will or will not be a undue burden on law
2 enforcement?

3 A: I don't think it'll be any more of a burden.

4 Q: Okay. Would you expect it to be run correctly?

5 A: I know it would be run correctly.

6 Q: Okay. Would you be comfortable taking yourself
7 and your family in there?

8 A: Yes, I would.

9 Q: Okay. And y'all already shop with them at the
10 convenience store?

11 A: Yes, sir.

12 Q: You buy gas there?

13 A: Yes, sir.

14 Q: Okay. All right. You've heard about -- let's
15 talk about the motel, anything you need to
16 share with the Court about the motel down the
17 street? Is it any different than other motels
18 in Anderson?

19 A: It's no different than any of the others. I
20 mean, you can buy by the week or by the month
21 or however you want to do it, but it has its
22 share of calls just like all the rest of them
23 do ---

24 Q: Right.

25 A: --- in the city.

1 Q: Okay. And there's been some question about
2 distance. You policed it all those years. If
3 you leave the proposed liquor store or the
4 Shell -- across the street from it. If you
5 leave there, approximately how far you got to
6 go before you hit the motel on the left?

7 A: The motel on the left, maybe 100 yards.

8 Q: Okay. All right. And then crest of the small
9 hill?

10 A: Crest over the small hill, pass two roads
11 entering.

12 Q: That's ---

13 A: Pass two roads and then cross over the crest of
14 the hill.

15 Q: Okay. And then how far down the hill on the
16 other side before you come to the apartments?

17 A: Realistically, it's about maybe 500 yards from
18 the proposed location.

19 Q: About 500 yards. Okay, okay. And during the
20 time you policed there, was the bar across the
21 street from the apartments open?

22 A: It was.

23 Q: Okay, okay. About how long?

24 A: It was open up until the owner died last year,
25 I believe it was.

1 Q: Okay. And, again, you retired from the police
2 department when?

3 A: I retired October 10th of last year.

4 Q: October 10th of 2019?

5 A: That's correct.

6 Q: Okay, okay. During that time -- and you
7 understand these alcohol licenses come up for
8 renewal every two years; do you understand
9 that?

10 A: Yes, sir.

11 Q: Okay. To your knowledge, did the Department
12 ever protest the renewal of the alcohol license
13 at that bar?

14 A: To my knowledge, I don't know.

15 Q: Okay, okay. And to your knowledge, did they
16 ever protest the renewal of a alcohol license
17 at the Shell station?

18 A: No, sir.

19 Q: Okay. All right. Domestic disturbance calls
20 at the Shell station ---

21 A: That has nothing to do with that business.
22 That's -- they can't control who pulls up in
23 their parking lot or who runs to that location
24 for safety because it's a public access
25 building.

1 Q: Right.

2 A: And they're calling for help.

3 Q: Right.

4 A: It didn't originate at his location; however,
5 it's unfair that when the law enforcement are
6 dispatched, his address is what comes up in the
7 CAD. And therefore it reflects as a call at
8 that location. Let's respect, it is a call,
9 but it's not a call pertaining to that
10 particular location.

11 Q: Okay, okay. And may that well be true to some
12 of the other calls that may testified about?

13 MR. McCABE: Your Honor, I'd object. It's
14 speculation. He's asking about what may have
15 occurred and what may be a reasoning behind
16 these calls.

17 A: Here's what I know as far as the calls ---

18 THE COURT: Sir, just give us a second to resolve
19 this, and then you can go on with your
20 testimony. But we have an objection, so we
21 have to resolve that. So just give us a
22 second. Thank you, sir.

23 MR. ALLEN: I'll withdraw the question.

24 THE COURT: Okay. All right.

25 The question's withdrawn. You don't even have

1 to answer it. Thank you very much, sir.

2 Q: Now, tell us what you can about calls in
3 general and how they are generated.

4 A: Any time an officer, for example, pulls a
5 vehicle over, that call in the CAD originates
6 the case number. When that final stop is
7 called over the radio, if they happen to pull
8 into his parking lot or wherever the parking
9 lot is, that location is marked as the stopping
10 point of that traffic stop. If you go back and
11 pull up that address, it's gonna show you it
12 was the Shell gas station. Doesn't mean, to
13 anyone that doesn't know how that works, that
14 that call didn't come from the Shell gas
15 station. That's what it looks like on paper.

16 Q: And you mentioned a CAD system ---

17 A: The CAD system is run by dispatch. That's
18 where all the calls -- any time they enter a
19 call, it's assigned a case number.

20 Q: So is that a computerized tracking system?

21 A: It is a computerized tracking system. And it's
22 used all over the city and county of Anderson
23 because it's a centralized location.

24 Q: Okay. And just to be clear, you just testified
25 that just because CAD picks up a street

1 address, that does not mean that the business
2 or the occupants at that address were involved
3 in any nefarious activity?

4 A: That is correct. That is the -- only the
5 address that the officer or deputy was
6 dispatched to.

7 Q: Okay, okay. All right, sir. Anything else
8 you'd like to tell the judge?

9 A: No, sir. Other than the fact that, like I
10 said, I don't see any issue with the going into
11 the location. I know these folks. I know
12 they're gonna run them correctly.

13 Q: Okay. Please any questions the attorneys or
14 the Court may have.

15 MR. ALLEN: And, Judge, Ill give you your exhibits
16 back.

17 THE COURT: All right. Thank you, Mr. Allen.
18 Mr. McCabe?

19 MR. McCABE: No questions from the Department, your
20 Honor.

21 THE COURT: All right. Mr. McClain, did you have
22 any questions on behalf of the City, sir?

23 MR. McCLAIN: I just have a couple of questions of
24 the officer. We certainly appreciate his
25 service to the City of Anderson Law Enforcement

1 throughout his career.

2 MR. BLAKELY - CROSS-EXAMINATION BY MR. McCLAIN:

3 Q: But, Mr. Blakely, don't you think the
4 Southerner's a little bit different than just
5 any motel in Anderson as far as drug cases and
6 those type things?

7 A: That would be a opinion on my part. I mean,
8 they do have cases but no different than any
9 other.

10 Q: So if you hear any talking about with the
11 Southerner there was 151 calls service there,
12 would that be unusual for a hotel or a motel?

13 A: It just depends.

14 Q: And if the Fairview Gardens there were 749
15 calls for service in the year, don't you think
16 that's a pretty ---

17 A: That's a lot of calls, but it ain't no
18 different than any other year.

19 Q: And they've had murders there and drug cases
20 there and things like that?

21 A: Yes, sir.

22 Q: Okay. But you don't think this is a higher
23 crime area than other areas?

24 A: I don't personally think it is.

25 Q: Okay.

1 MR. McCLAIN: That's all the questions.

2 THE COURT: All right. Thank you, sir.

3 Mr. Allen, from that, any?

4 MR. BLAKELY - REDIRECT EXAMINATION BY MR. ALLEN:

5 Q: Again, just to reiterate your answers to his
6 questions and your earlier testimony, crime,
7 murders, whatever, all over Anderson?

8 A: Yes, sir.

9 Q: Other departments?

10 A: Yes, sir.

11 Q: Some of them have lots of calls?

12 A: Yes, sir.

13 Q: Other liquor stores close to them; correct?

14 A: Yes, sir.

15 Q: Okay. Thank you.

16 THE COURT: Mr. Blakely, sir. Thank you. You can
17 return to your seat.

18 THE WITNESS: Thank you.

19 THE COURT: Yes, sir.

20 (The witness was excused.)

21 MR. ALLEN: Judge, we may have some rebuttal later,
22 but that's the case for now.

23 THE COURT: Okay. Thank you, Mr. Allen.

24 All right. It appears the petitioner's rested.

25 Does anybody need a brief comfort break or

1 anything like that, or are we ready to just
2 jump in?

3 MR. McCABE: The Department has one witness, your
4 Honor.

5 THE COURT: Okay.

6 MR. McCABE: And it will be very brief.

7 THE COURT: All right.

8 MR. McCABE: So I think we might be able to at least
9 get that out of the way.

10 THE COURT: Oh, absolutely. I just wanted to know
11 if anybody needed a break. I'm not suggesting
12 we to take one.

13 MR. McCABE: I understand.

14 THE COURT: I wanted to make sure. Thank you very
15 much, Mr. McCabe. So ...

16 MR. McCABE: Yes. We would call Shannon Thompson to
17 the stand.

18 THE COURT: All right.

19 SHANNON THOMPSON, having been duly sworn, testifies
20 as follows:

21 MR. McCABE: Shannon, if you want, you can take off
22 your mask while you're testifying. Make it a
23 little bit easier.

24 MS. THOMPSON - DIRECT EXAMINATION BY MR. MCCABE:

25 Q: So, Shannon, where are you employed?

1 A: The Department of Revenue.

2 Q: And how long have you been employed by the
3 Department of Revenue?

4 A: About four and a half years.

5 Q: All right. And what is your job title?

6 A: I'm an ABL analyst.

7 Q: All right. And what exactly does an ABL
8 analyst do?

9 A: We review applications for new in-state
10 locations and approve or deny their alcohol
11 license for beer, wine and/or liquor.

12 Q: All right. So could you give us a rough
13 estimate of how many applications you review in
14 a year?

15 A: Well, there's about 150 a month so ...

16 Q: Okay. That's fine. That's fine. Plenty.

17 A: Yes.

18 Q: So when you're reviewing applications for
19 permits or licenses, what type of information
20 do you look for to determine the suitability of
21 a location?

22 A: We will look at their leases, the SLED
23 investigation, public protests, and any
24 documentation submitted by local law
25 enforcement.

1 Q: All right. And were you the analyst who was
2 assigned to review the application for RM &
3 Sons?

4 A: Yes.

5 Q: All right. In reviewing this application, did
6 you receive information from the pro tem mayor
7 of Anderson?

8 A: Yes.

9 Q: And was the pro tem mayor in favor of granting
10 the license?

11 A: No.

12 Q: All right. In reviewing this application, did
13 ABL ever receive information from the Anderson
14 Police Department?

15 A: Yes.

16 Q: All right. And what did the Anderson Police
17 Department provide to the Department?

18 A: It was the CAD 9-1-1 service call log with all
19 of the service calls in the surrounding area of
20 the proposed location.

21 Q: All right. And do you remember an estimate of
22 how many service calls were logged for the
23 surrounding area?

24 A: 749.

25 Q: All right. Does that number of calls raise

1 questions about the suitability for the
2 Department?

3 A: Yes.

4 Q: All right. And was the Anderson Police
5 Department in favor of granting the license?

6 A: No.

7 Q: All right. So did the Anderson Police
8 Department file a protest?

9 A: They did. But it was deemed not timely.

10 Q: All right. So what was the Department's
11 final -- or not the -- well, what was the
12 Department's ABL's finding in regards to the
13 suitability of the proposed location?

14 A: It was conditional. We denied for
15 unsuitability.

16 Q: All right.

17 MR. McCABE: No further questions, your Honor.

18 THE COURT: All right. Thank you, Mr. McCabe.
19 Mr. Allen, sir?

20 MR. ALLEN: Thank you, your Honor. It's employee
21 lunch appreciation at DOR for these folks, so
22 I'll be brief.

23 THE COURT: Is that right? I did not know that.
24 Well, we certainly want to get them back for
25 that, if possible.

1 MR. ALLEN: I'll be brief.

2 THE COURT: Hopefully they're gonna hold something
3 for you.

4 MS. THOMPSON - CROSS-EXAMINATION BY MR. ALLEN:

5 Q: SLED investigated that location?

6 A: Yes.

7 Q: Did SLED object to it?

8 A: They don't really have that option.

9 Q: Okay.

10 A: So, no, they don't. They didn't.

11 Q: Okay, okay. And you have testified that the
12 City's protest came in late?

13 A: Yes.

14 Q: Okay, okay.

15 MR. ALLEN: That's it. No questions.

16 MR. ALLEN: I'm -- fine with me to excuse the
17 witness, your Honor.

18 THE COURT: All right. Thank you.

19 Did you have any questions, Mr. McCabe?

20 MR. McCLAIN: I have no questions, your Honor.

21 THE COURT: All right. Anything from that?

22 MR. McCABE: Your Honor, just one question.

23 MS. THOMPSON - REDIRECT EXAMINATION BY MR. McCABE:

24 Q: Shannon, does SLED ever protest -- do we ever
25 receive a protest from SLED on a specific

1 location?
2 **A:** **No.**
3 **Q:** **Okay.**
4 **A:** **I don't think they have that option to protest.**
5 MR. McCABE: No question -- no further questions,
6 your honor.
7 THE COURT: Being no further questions, thank you
8 very much. You can return to your seat.
9 (The witness was excused.)
10 MR. McCABE: Your Honor, that was the only witness
11 from the Department?
12 THE COURT: All right. Okay.
13 Mr. McClain, sir?
14 MR. McCLAIN: I have two witnesses, the chief of
15 police ---
16 THE COURT: All right. Would you like to call the
17 chief first?
18 MR. McCLAIN: Yes, sir.
19 THE COURT: All right.
20 CHIEF JAMES STEWART, having been duly sworn,
21 testifies as follows:
22 THE COURT: Please make yourself comfortable, sir.
23 Mr. McClain?
24 MR. McCLAIN: I was gonna bring something up for the
25 chief.

1 THE COURT: Oh, absolutely, absolutely.

2 CHF. STEWART - DIRECT EXAMINATION BY MR. McCLAIN:

3 Q: Would you state your name, please?

4 A: James Stewart.

5 Q: And you're employed by the City of Anderson
6 City Police Department?

7 A: Yes, sir.

8 Q: And you're the chief?

9 A: Yes, sir.

10 Q: And how long have you been the chief?

11 A: Since 2012.

12 Q: Okay. How long have you been with the
13 department?

14 A: This is my 29th year.

15 Q: Okay. And are you familiar with the
16 establishment that is seeking a permit in this
17 matter?

18 A: Yes, sir.

19 Q: Okay. Would you please describe the general
20 area?

21 A: Yes, sir.

22 If you could move to the next slide?

23 (Respondent The City of Anderson, South Carolina's
24 Exhibit Number 1 was introduced into the record at
25 this time.)

1 MR. McCABE: You can just click that. Click the
2 mouse and it should do it.

3 A: This is a general overview picture of the area.
4 And this was provided from Google. It is the
5 location of it. You'll see at the very top
6 right, you will see where the liquor store is.
7 Probably about 200 yards down, 100 yards down,
8 you see Cedar Ridge, which is a residential
9 community.

10 200 yards down you'll see the Fairview Gardens
11 apartment complex. You see a very large swamp
12 there in the middle where there are no houses?
13 And if you look down to your right, you'll see
14 Anderson University, which houses about 4,000
15 students currently there in attendance.

16 You can't see on the picture, right above there
17 is two churches. There's another church across
18 right there, a DMV, and a daycare center almost
19 at a diagonal across.

20 And, Mr. McClain, if you'll go to the next
21 slide, maybe I can show that one better. That
22 shows -- this is provided from Zillow Maps,
23 which -- Zillow Real Estate. You see the big
24 star? Again, right above there, there are two
25 churches that are just outside the city. You

1 have another church that's on Highway 29 North
2 Bypass. Almost directly across where you see
3 the L-shaped road, there's a daycare center.
4 The big vast there in the middle is a swamp.
5 And, again, this map shows Anderson County
6 Fair, but that's Anderson University now.

7 Q: That's Anderson University and the soccer field
8 and all that stuff and the athletic department?

9 A: Yes, sir.

10 Q: And between, there's not a whole lot of stuff
11 here between Anderson University until you get
12 to this area that's sort of concentrated to
13 where the liquor store is; is that right?

14 A: Correct.

15 Q: Okay. And this is the area we're talking
16 about. Do you consider this particular area
17 here a high-crime area?

18 A: Yes, sir, I do. And I will mention that the
19 Pass N' Time, the saloon bar that has been
20 mentioned, that's currently under protest from
21 the Department also at this time.

22 Q: All right. And did you have an analysis done
23 of the crime in the area?

24 A: Yes, sir.

25 If you'll just skip to the next slide.

1 This is just some data details, and I'll
2 authenticate this comes from our record
3 management system, which is called Adjacent
4 Record Management Systems. What you see of
5 important data here, those are incident reports
6 where it says incident reports. Those are what
7 has been taken by our incident management
8 system. You'll see two different things today.
9 What I'll mention is actual incident reports
10 that we've taken. And you'll also hear of
11 calls for service.

12 Q: All right.

13 A: Calls for service are actually logged calls,
14 such as Sergeant Blakely had said, that came in
15 from the dispatch system. Incident reports are
16 actually written reports that we've done. What
17 is noted here is from 2017 to 2020. There were
18 21,688 incident reports taken during those 3.2
19 years. 701 of those were on Williamston Road,
20 and 102 were actually there at the location,
21 1311 Williamston Road.

22 Q: At this actual location?

23 A: Yes, sir.

24 Q: Those incident reports? Okay.

25 A: To the next slide.

1 And what I'd like to mention on this next
2 slide, this is the reason we filed the protest,
3 based on this area. So in overall in 2019
4 there were 1,022 calls in this immediate area.
5 And those of really significance to me that
6 caused alarm to myself were 7 sexual assaults,
7 12 overdoses, 2 murders at Fairview Apartments,
8 and another murder at the Stop A Minit, which
9 is roughly a mile, a mile and a half down the
10 road.

11 Not only that, during 2020 we've had another
12 homicide in this area that was not in the City
13 of Anderson but in the county's jurisdiction
14 because it's like a jigsaw puzzle in this area.
15 And that was a strangulation, and the sheriff's
16 office has not solved that murder yet.

17 Q: All right.

18 A: But it's still in this immediate area.

19 Also note there were five shooting calls at
20 Fairview Apartments where we luckily did not
21 have homicides out of those but drive-by
22 shootings.

23 749 calls to Fairview Apartments, which
24 troubles me very much. It's not so much the
25 location. I have nothing against Mr. Patel and

1 his business. The immediate area and the large
2 amount of crime is what troubles me.

3 There's a daycare across the street. Eureka
4 Baptist Church, The Church of Anderson, a
5 Church of God all within this immediate are.
6 Not only that, but there is Anderson University
7 right down the street.

8 If you can skip to the next slide -- and you
9 can go on to the next one.

10 So these are the CAD statistics that I pulled
11 from 2019. These are all the calls for service
12 that came in at these four locations. Again as
13 I said, seeing how Quick Stop had 53, Shell
14 station had 69, those don't trouble me. It is
15 Fairview Apartments and the Southerner.
16 Fairview had 749 calls for service. That is a
17 large amount of calls for one apartment
18 complex. In particular, you see the top
19 calls there for Fairview are the 9-1-1
20 hang-ups, 94 domestic disturbances, 5
21 shootings, and 2 homicides. That is what
22 causes me concern. I think to put a liquor
23 store in that area would kind of like be
24 putting gasoline on a fire.
25 Go to the next slide.

1 So this information shows the top offenses in
2 the Williamston Road area. This, again, is not
3 subjected to strictly to 1311 Williamston Road.
4 We pulled all these from the Williamston Road
5 area. This came from our incident management
6 system, Adjacent. We pulled this from when
7 we'd been doing the incident reports from
8 January of '17 to October of '20.

9 I just want to single out four top ones. The
10 top ten offenses but the top four in this area
11 are drugs & narcotics, assaults, trespassing,
12 and vandalism. Share that -- I just share that
13 for the fact that a liquor store would still
14 inhibit the crime in this area.

15 You can go to the next slide.

16 This is the Williamston Road offenses. This is
17 where we narrowed it down even more. It is
18 basically the same. You can see we did 40 --
19 this is from October 1st, 2019, basically when
20 we filed this protest until most recently
21 October 27th, 2020, just to update the numbers
22 of what's happened since we've actually filed
23 the protest in 2019.

24 The top again, you see assaults, 40 incident
25 reports for assaults, 12 for burglary, 40 for

1 drugs & narcotics, 23 for larceny and theft.

2 So just sharing this slide with you to show you
3 that not only does crime inhibit that area with
4 assaults, drugs, but you also have property
5 crime that also results from ...

6 Next slide.

7 This is -- I know this is hard to read by
8 seeing the numbers because it's so spread out.

9 This was prepared from our DataWalk, which is
10 our crime analysis software. It allows us to
11 do -- look further to look into neighborhoods
12 and see what's going on. This is the entire
13 Williamston Road area. And, again, the data
14 was pulled from July 17 to October 20th.

15 At the top you'll see there's 1954 parties at
16 the very top. That's where you see the three
17 icons of the people. So on Williamston Road in
18 our record management system, the incident
19 based management system, that's how many
20 parties are connected to Williamston Road.
21 Those again, those could be victims, offenders,
22 suspects, everyone.

23 And do you see down at the bottom, there's 701
24 incident reports in the Williamston Road area.

25 That's where the exclamation point. Those of

1 priority are the ones that are in the middle.

2 And, again, I would say that's what troubles me
3 the most. You'll see there are 328 property
4 crimes, 127 drugs, 94 vehicle crimes, and 98
5 weapon crimes. Again, that is not the property
6 that we're looking at today. That's the entire
7 Williamston Road area from the city limits to
8 the property of Anderson University.

9 And the next slide, sir.

10 Pulling from that data, we looked at the drug
11 trends, the weapons, and the violence. As you
12 see in our drug trends, on your far right,
13 you'll see H22020 on your far right. So this
14 is divided by year: January, February, March.
15 As you see the two spikes there on your far
16 right, that's in July. In September 2020, we
17 had a spike in the amount of drug cases that we
18 made in the Williamston Road area. This is not
19 the entire city of Anderson. This is just the
20 Williamston Road area.

21 So it shows me that the numbers have been low
22 due to the coronavirus pretty much this year.
23 As our enforcement has started back up, we have
24 really hit that immediate area on Williamston
25 Road and made drug cases.

1 You'll see to the left some notes regarding
2 this. 127 incidents of those involve drugs.
3 This is from July 17 to October 20th. 127 of
4 those involve drugs, marijuana, crack cocaine,
5 meth, amphetamine, opiates, Oxycontin, and
6 heroin. 98 calls involved weapons. 35
7 included gun.

8 And you'll see there to the right that that is
9 our most, with weapons broke down, guns were
10 involved, 35 times.

11 And that's all I have, Mr. McClain, to present
12 with the slide show.

13 Q: Okay. Chief, based upon your opinion, this
14 would not be a good location for a liquor
15 store? Is that ---

16 A: No, sir.

17 Q: And this is why? This is your -- this backs up
18 your ---

19 A: Based on the amount of crime, in particularly
20 what stands out to me is the drive-by
21 shootings. The homicide we've had in the
22 immediate area of the city is very successful,
23 and we have arrested individuals with three of
24 our homicides. But the sheriff's office is
25 still unable to get any information on there

1 currently.

2 Q: And this place -- this area has placed a strain
3 on the police department as far as enforcing
4 the law?

5 A: I believe it would. I believe it's a
6 low-income area. Fairview Apartments is
7 privately owned, but it's Section 8 housing.
8 That is a basis on the need for law enforcement
9 more than anything is the low-income housing.
10 I think to add a liquor store to that would be
11 just exacerbate that problem.

12 MR. McCLAIN: That's all the questions, your Honor.

13 THE COURT: Thank you very much, Mr. McClain.

14 Mr. Allen, anything?

15 MR. ALLEN: Yes, your Honor. May I? Thank you.

16 CHF. STEWART - CROSS-EXAMINATION BY MR. ALLEN:

17 Q: Chief, I'll start where counsel had just
18 stopped. I understand you just testified that,
19 in your opinion, adding a liquor store here
20 would exacerbate the crime; is that ---

21 A: Yes, sir.

22 Q: But that's just speculation; right?

23 A: Just from other areas of the city where we've
24 seen that, it doesn't help the situation in any
25 means.

1 Q: Okay. But whether it will or won't has yet to
2 be determined; correct?

3 A: Yes. I think that would be much to like what
4 you asked your client, that he would have to
5 follow all the rules. And if he followed all
6 the rules, then it would be successful. If he
7 didn't, it would be a problem.

8 Q: All right. And how long have you been chief
9 you testified?

10 A: Eight years.

11 Q: Okay. And to -- again, he and his family's
12 convenience store across the street, are they
13 rule-followers or rule-breakers?

14 A: No, sir. I'm very -- I'm not familiar with
15 Mr. Patel, but we've never had issues at the
16 Shell station. Again, that's not my concern.
17 It's the immediate area and the high crime
18 within Fairview Apartment and the Southerner.

19 Q: Okay. And -- well now, let's just cut to the
20 chase. If you take the Fairview Apartments out
21 of the equation, put that on the shelf for the
22 moment, would you be here?

23 A: I think you would have to take Fairview and the
24 Southerner out. If you took both of those out
25 of that equation -- which is a large population

1 at Fairview Apartments, over 20 units there,
2 probably close to maybe 150 apartments. Yeah.
3 If you took those out, I don't think that would
4 be a issue. It's on a major highway. It's on
5 US 29.

6 Q: Right.

7 A: But there's also that residential aspect with
8 the apartments.

9 Q: Right.

10 MR. ALLEN: And, Patrick, I need to cross him on the
11 slides. Can you put them back up and just walk
12 through them quickly?

13 MR. McCABE: Well, that's not the slides.

14 Q: While he's doing that, Chief, a number of your
15 comments were related to the crime on
16 Williamston Road. How long is Williamston
17 Road, approximately?

18 A: Probably from one end to the other, a mile and
19 a half, two miles.

20 Q: Okay, okay. And what -- Highway 29 -- help me
21 here. It forks, some of it? Is it a bypass
22 and one goes downtown?

23 A: Actually so the business itself is on Highway
24 29.

25 Q: Right.

1 **A:** The road to the adjacent side is 29 North
2 bypass.

3 **Q:** Okay. Goes around?

4 **A:** Right. That's what intersects together.

5 **Q:** Or did. Yeah. Okay. All right.

6 MR. ALLEN: Patrick, will you back up to the first?

7 Your Honor, may I step around here?

8 THE COURT: Please, please.

9 MR. ALLEN: One more. Let's go to the Google
10 overhead shot. Okay. Great, great.

11 **Q:** Chief, help me here. Is this the Shell station
12 where I'm pointing?

13 **A:** Yes, sir.

14 MR. ALLEN: Judge, I don't know if I touched this on
15 the screen is it gonna -- in the old days, it
16 was kind of interactive. I don't know.
17 Anyhow ---

18 THE COURT: I'm not sure if it is or not.

19 **Q:** So this is the Shell station here; is that
20 correct, Chief? Where I'm pointing.

21 **A:** Yes.

22 **Q:** Okay. And I don't know how old this aerial is,
23 but the proposed liquor store would be across
24 the street; is that correct?

25 **A:** Right. The little small box.

1 Q: Okay. All right. And proceeding toward
2 Anderson in this direction, you come down here,
3 and this is the motel you testified about; is
4 that correct?

5 A: Yes, sir.

6 Q: Okay.

7 THE COURT: The Southerner Motor Lodge, just for the
8 record.

9 MR. ALLEN: Southerner Motor Lodge.

10 THE COURT: Right?

11 MR. ALLEN: Okay.

12 Q: And continuing on, we got the Pass N' Time
13 here. Is that the bar that's been testified
14 about?

15 A: That has recently been sold and under new
16 ownership.

17 Q: Okay. And y'all are protesting it?

18 A: Yes, sir.

19 Q: And that's good 'cause they might hire me and
20 I appreciate that. As you continue on, these
21 buildings here, are these the apartments you
22 testified about?

23 A: Yes, sir. That's Fairview Apartments.

24 Q: All right. All right, sir. And you made some
25 broad comments about crime in the area. Did

1 you ever really define the area? Is there --
2 I mean, is it all of Williamston Road or is
3 it -- how big is the area?

4 A: The area that we drew from for the stats from
5 our incident management system, if you'll look
6 up to your left right there, you kind of see
7 Anderson University on the property where
8 there's like an amphitheater arena. Do you see
9 that cross intersection right there?

10 Q: Here (indicating)?

11 A: A little further down on the next one. Right.
12 And if you move your pointer to the pin all the
13 way down where that road slants? No. The
14 other way. You were going the right way.

15 Q: Okay.

16 A: All the way to the -- like an X intersection at
17 the top.

18 Q: Here?

19 A: There's Williamston Road. That's where it
20 starts.

21 Q: Okay. Starts ---

22 A: And it runs all the way basically where your
23 client's business is at. Yes, sir.

24 Q: Okay, okay.

25 MR. ALLEN: Thank you, Patrick. Next slide, please.

1 Q: And again, Chief, you testified about some
2 churches, but there are none within 500 feet of
3 the liquor store, are there?

4 A: Two are -- where you see it say Quick Stop and
5 the red dot?

6 Q: Yes, sir.

7 A: Where you see the work in the road, that's
8 where two of the churches are at ---

9 Q: Yes, sir.

10 A: --- to your right.

11 Q: Yes, sir.

12 A: The other church is almost directly under the
13 star. Basically look where that dead-end road
14 comes out right below that. Not within
15 500 feet. Maybe 2,000 feet.

16 Q: Maybe 2,000 feet. And neither of those
17 churches protested to this application, did
18 they?

19 A: No, sir.

20 Q: Okay, okay.

21 MR. ALLEN: All right. Patrick, let's go on to the
22 next one, please.

23 Q: And, Chief, is this the location as it
24 previously was before Raj took it over?

25 A: I believe so.

1 Q: Okay, okay. And there was a beer license here?

2 A: Beer license, yes.

3 Q: And let me ask you, if Raj were here today for
4 a beer license, would you be here?

5 A: I don't know. I can't answer that. I would
6 have to, like, look over these details. And
7 what troubles me again, the crime. You know,
8 usually Anderson has about two homicides per
9 year. This particular year 2019, we had three
10 in that immediate area.

11 Q: Okay. And, again ---

12 A: That does cause me concern.

13 Q: I don't want to interrupt you. But, again,
14 when you say immediate area, you're talking
15 about the apartments?

16 A: Right.

17 Q: Okay. And do you have unfortunate crime and
18 occasional murders at other apartments in
19 Anderson?

20 A: Sometimes.

21 Q: Okay. You haven't had any murders at this
22 location or at the Shell station, have you?

23 A: No, sir.

24 Q: Okay.

25 MR. ALLEN: All right. Patrick, if you don't mind,

1 next slide.

2 Q: And again, Chief, these huge numbers, they're
3 coming from the apartments, correct, the vast
4 majority of your calls?

5 A: The vast majority of those calls would come
6 from Fairview Apartments and the Southerner;
7 yes, sir.

8 Q: They hadn't come from the Shell station?

9 A: No.

10 Q: Okay. All right.

11 MR. ALLEN: Thanks Patrick. Next slide.

12 Q: And I know I sound like a stuck record but,
13 again, the vast number of calls, crimes,
14 whatever you're referring to here have come
15 from the apartments, not from the Shell station
16 or where this liquor store is going; is that
17 correct?

18 A: Yes, sir. I -- the majority of our calls were
19 serviced there, again, at Fairview Apartments.
20 7 sexual assaults, 12 overdoses, 2 murders.
21 But there was another murder down the street.

22 Q: Right.

23 A: Those cause me great concern.

24 Q: Okay. And that, unfortunately, happens
25 particularly where you got lots of people

1 living together, other apartment complexes in
2 Anderson. It's not the only -- Fairview
3 Apartment is not the only place with problems,
4 is it?

5 A: No.

6 Q: Yeah.

7 A: No, sir.

8 Q: It happens at others?

9 A: Probably not as -- the calls for service are
10 not as high as our other apartment complexes.

11 Q: Uh-huh.

12 A: We have two that probably cause us great
13 concern. Two or three that cause us great
14 concern.

15 Q: Okay. So Fairview would be in the top three,
16 you're saying?

17 A: Yes, sir.

18 Q: Okay. And you heard the retired officer say
19 it's maybe 4- or 500 yards from where this
20 store will be to the actual entrance to the
21 apartments. Does that sound accurate to you?

22 A: I would say about 200 yards that if I left that
23 store, I could be on Fairview's property in
24 five minutes.

25 Q: But I'm talking about the entrance of Fairview.

1 A: I would say about 200 yards.

2 Q: Okay. All right.

3 MR. ALLEN: Patrick, if you would, the next slide?

4 Q: And I believe you testified the incidents at
5 the Shell station property don't give you any
6 big concern?

7 A: No. And if you go to the next slide, that's
8 where your totals will show.

9 MR. ALLEN: All right. Let's go to the next slide,
10 Patrick.

11 Q: Again, the Shell station doesn't give you --
12 that's for typical?

13 A: That's about right. Yes, sir.

14 Q: Typical. And even though this number here 53,
15 I assume, would be under the prior operator of
16 this building?

17 A: This was pulled from the year 2019.

18 Q: Okay. 'Cause it's not open now.

19 A: Right.

20 Q: Okay. So these numbers don't give you great
21 concern, the 53, the 69? It's the big number
22 at the apartments and the still significant
23 number at the motel?

24 A: Yes, sir.

25 Q: All right. Okay.

1 MR. ALLEN: Thank you, Patrick.

2 Q: I'd just be repeating myself on this one.

3 MR. ALLEN: Is that the end of it, Patrick?

4 MR. McCABE: There's one more.

5 Q: And, Chief, again, this is all of Williamston
6 Road?

7 A: Yes, sir.

8 Q: It's not specific as to his proposed location,
9 is it?

10 A: It's the entire -- I would say approximately
11 two miles.

12 Q: Okay. To your knowledge, any of these actually
13 happen at and involve him as the manager of the
14 convenience store, their customers, or their
15 employees?

16 A: I would refer back to the Excel sheet.

17 Q: Uh-huh.

18 A: We just had the slide up. If you want to know
19 the exact where we pulled from 2019, the actual
20 calls that we answered there, the Shell
21 station. I mean, I can tell you exactly what
22 those calls were.

23 Q: Okay. But, again, they weren't significant
24 enough that by themselves you would be here
25 protesting?

1 A: The highest that I believe that -- and I think
2 you talked with Sergeant Blakely when he was up
3 here -- our highest was 21 domestic
4 disturbances. That's -- that was the worst;
5 yes, sir.

6 Q: Yeah. And, again, they have testified if a
7 spouse pulls over into that parking lot and
8 calls you folks, need help at that street
9 address, that's the address it goes in? That
10 doesn't mean he or his employees or customers
11 are having a knock-down drag-out themselves,
12 does it?

13 A: Yes, sir. It's just a call that we respond to.

14 Q: Just the address that you ---

15 A: Just happens to be the location where they're
16 at.

17 Q: Okay, okay, okay.

18 MR. ALLEN: Patrick, thank you. Is that the end of
19 it?

20 MR. McCABE: The end. There's that.

21 Q: And again, Chief, this is -- all of Williamston
22 Road is not specific to his location, is it?

23 A: No, sir. This just shows you the overall again
24 701 incidents during the time period and shows
25 you what the most calls in that area were.

1 Q: And, again, by far most of them were at
2 Fairview Apartments, correct?

3 A: Yes.

4 Q: Okay.

5 MR. ALLEN: Any more slides, Patrick?

6 Q: And, Chief, the exact same questions: Any --
7 vast majority of the referenced calls here at
8 the apartment complex?

9 A: Yes, sir. This is, again, the entire
10 Williamston Road area. And the spike you would
11 probably see there in September where it's
12 showing the end of that graph, most of those
13 cases are made there are at Fairview
14 Apartments.

15 Q: At the apartments, not at the Shell station?
16 And, of course, his store's not open yet.

17 A: Right. Yes, sir.

18 Q: Thank you. Thank you.

19 MR. ALLEN: Is that it, Patrick?

20 MR. McCABE: Yep.

21 MR. ALLEN: Okay. Thank you.

22 Q: Chief, if the Court sees fit to issue the
23 license, can you afford them the best police
24 protection that you're capable of?

25 A: Yes, sir. We'll still do compliance checks to

1 make sure they're not selling underage. But,
2 yes, sir.

3 Q: Okay. And you understand a liquor has to close
4 at 7:00?

5 A: Yes, sir.

6 Q: It's not open nearly as late as the convenience
7 store across the street selling beer and wine?

8 A: Yes, sir.

9 Q: Okay.

10 MR. ALLEN: I think that's all. Thank you, Judge.

11 THE COURT: Thank you.

12 From that, did you have anything, Mr. McCabe?

13 MR. MCCABE: Nothing from the Department, your
14 Honor.

15 THE COURT: Mr. McClain, any redirect from that,
16 sir?

17 MR. MCCLAIN: I have no redirect, your Honor. I do
18 have a copy of the slides if, I could present
19 that, Judge, for his ...

20 THE COURT: Any objection for the slides coming in?

21 MR. ALLEN: I crossed him on them. No objection.

22 THE COURT: All right. There being no objection,
23 those are admitted, sir.

24 (Respondent The City Of Anderson, South Carolina's

25 Exhibit Number 1 admitted into evidence at this

1 time.)

2 THE COURT: You could go ahead -- if it's all right,
3 you can go ahead and put them right up here.

4 Thank you very much, Mr. McClain.

5 All right. If there's not further questions
6 for Chief Stewart, can he return to his seat
7 then? All right.

8 Chief, thank you very much for your testimony,
9 sir.

10 THE WITNESS: Thank you, Judge.

11 (The witness was excused.)

12 MR. McCLAIN: Judge, I have one more brief witness.

13 THE COURT: Yes, sir. Absolutely.

14 MR. McCLAIN: Mr. Tony Stewart.

15 THE COURT: All right. The mayor. Welcome, sir.

16 THE WITNESS: Mayor pro tem.

17 THE COURT: Sure. Mayor pro tem.

18 JAMES ANTHONY STEWART, having been duly sworn,
19 testifies as follows:

20 MR. STEWART - DIRECT EXAMINATION BY MR. McCLAIN:

21 **Q: Are you Tony Stewart?**

22 **A: I am. My official names is James Anthony**
23 **Stewart. No relation to Chief Jim Stewart.**

24 **Q: Okay. Thank you. Mr. Stewart, how are you**
25 **employed?**

1 A: I own my own business. I -- my business is
2 Telecom Site Management. We build cell towers
3 for various carriers, but I'm also an elected
4 official for the City of Anderson.

5 Q: Okay. And you are a city councilman?

6 A: I'm a city councilman, former mayor pro tem.

7 Q: Okay. And where do you live?

8 A: I live at 604 Lanford Street in Anderson,
9 South Carolina. It's approximately maybe a
10 mile and half from this location.

11 Q: I don't think I -- how long have you been on
12 the City council?

13 A: I just got re-elected to my sixth term, which
14 I'll be going into 24 years.

15 Q: Okay. Is this area in your ward or your
16 section ---

17 A: It is.

18 Q: --- that you're the councilman for this area?

19 A: It is.

20 Q: And could you describe your area that you live
21 in and this area too?

22 A: Yes, sir. The area, there's myself and a
23 fellow council member. We represent the -- two
24 basically the low-income districts in the city
25 of Anderson. And I represent the east side and

1 the south side of Anderson. And our districts
2 is primarily low-income residents, a lot of
3 Section 8 housing, a lot of social ills in the
4 community, high crime, high drugs, other crimes
5 that most of our other counsel members don't
6 get to hear all the time. They always get to
7 hear about the zoning issues and where the
8 residents of my community is just looking at a
9 good quality of life.

10 Q: And you're familiar with this convenience store
11 on 1311 Williamston Road?

12 A: I'm very familiar with it.

13 Q: And do you think that, based upon your
14 familiarity with the area, you think it's a
15 suitable location for a liquor store?

16 A: I do not. And the reason why is because when
17 the people elected me 24 years ago to serve,
18 they elected me to help clean up the community,
19 to help make a good quality of life for the
20 children that live in the community and for the
21 families. And I firmly believe that putting a
22 liquor store there would only contribute to the
23 social ills in the community, which we've been
24 trying to help get rid of for the last 24
25 years.

1 We've been very successful in cleaning up other
2 neighborhoods. And I came before this Court
3 before to stop previous cases that would
4 contribute to social ills. And I just think
5 that -- there's nothing against Mr. Patel.
6 Our -- my -- the people I represent, they would
7 love to see a grocery store in the community
8 because there's no grocery stores around. I
9 just think that with the Southerner Motor Lodge
10 being right across the street, you got -- I
11 think it was on the Exhibit 4 from counsel --
12 there is a daycare literally 100 yards directly
13 across the parking lot from the gas pumps you
14 could throw a stone and hit. Got all those
15 small children over there. And then you've got
16 the Fairview Garden Apartments. I just think
17 that that is not what I was elected to do to
18 help clean up -- and with Cedar Ridge
19 Apartments there -- and that community is to
20 help clean up that area. And I just don't
21 think it would be a good fit for that
22 community.

23 Q: Thank you. That's -- do you have anything
24 else?

25 A: Yeah. I'd just like to say -- I know it was

1 mentioned by, you know, counsel that the City
2 of Anderson filed the petition late. And I'd
3 just like to explain the reason why. And the
4 reason why is because when this first came up,
5 the Department, I guess, served the wrong
6 jurisdiction. This was in the City of
7 Anderson, and they served the county. So when
8 I was made aware of it as elected official, I
9 immediately got with our police chief and said,
10 hey, this is in my district. Why weren't we
11 notified? And then after further research, the
12 wrong jurisdiction was served. So that was the
13 reason why we came in late because we didn't
14 know about it. And I also just wanted the
15 Court to know that as well.

16 Q: Thank you.

17 THE COURT: And, Mr. Stewart, the Court -- you're an
18 intervener now and a party to the action, so I
19 certainly don't attribute any negligence or
20 anything on behalf of the City not responding
21 in this matter. I totally understand. If
22 there's any concern by you on behalf of the
23 City, I just want you to know I don't attribute
24 any negligence to the City on this. And you're
25 an intervener now, so you're a party to the

1 matter so ---

2 THE WITNESS: Sure.

3 THE COURT: Yes, sir.

4 THE WITNESS: Thank you.

5 THE COURT: Absolutely.

6 Do you have any ---

7 MR. ALLEN: No questions, your Honor.

8 THE COURT: All right.

9 MR. McCABE: No questions from the Department, your
10 Honor.

11 THE COURT: All right. No other questions.

12 And, Mayor Stewart, you can return to your
13 seat, sir.

14 THE WITNESS: Thank you.

15 THE COURT: Thank you very much.

16 THE WITNESS: Thank you.

17 (The witness was excused.)

18 THE COURT: Mr. McClain, did you have any anything
19 further, sir?

20 MR. McCLAIN: I have nothing further.

21 THE COURT: All right. The City rests then?

22 MR. McCLAIN: The City rests.

23 THE COURT: Do we have any rebuttal?

24 MR. ALLEN: None. Brief closing.

25 THE COURT: All right. No rebuttal. All right.

1 Then the Court is ready to hear closing
2 arguments then.

3 MR. McCABE: Yeah. I'll go ahead. Yeah. That's
4 fine.

5 CLOSING ARGUMENT:

6 MR. McCABE: Thank you, your Honor. Your Honor, the
7 Department believes that the volume of calls
8 for this general area is problematic. And the
9 Department believes that this may not meet the
10 qualifications as a suitable location.
11 Now, Mr. Allen has pointed out that this is not
12 his client's business, not responsible. There
13 are two cases, Palmer versus South Carolina
14 Alcoholic Beverage Commission from 1984, which
15 is a Court of Appeals case, and a Supreme Court
16 case -- South Carolina Supreme Court case
17 Fowler v. Lewis from 1973. And both of those
18 cases point out that it's appropriate to deny
19 a permit or license when the area is a site of
20 frequent disturbances and criminal activity.
21 So it at least sets something the Department
22 believes the Court should consider. So as
23 such, we would request that the Court affirm
24 the Department's denial of the retail liquor
25 permit.

1 THE COURT: Thank you.

2 MR. McCABE: Thank you.

3 THE COURT: Mr. McClain?

4 CLOSING ARGUMENT:

5 MR. McCLAIN: Your Honor, I'll just add a little
6 bit ---

7 THE COURT: Yes, sir.

8 MR. McCLAIN: --- that I agreed with the cases
9 there, that the denial would be appropriate
10 where the location -- even those it's not this
11 particular location, the location is near a
12 location that have been a strain, a constant
13 strain on the department. And I think it's
14 clear from the evidence that that's where this
15 location is.

16 THE COURT: Thank you, sir.

17 Mr. Allen, sir?

18 MR. ALLEN: Thank you, your Honor.

19 CLOSING ARGUMENT:

20 MR. ALLEN: Judge, my client's obviously joining the
21 city's efforts to clean up the area. The two
22 cases that were just cited talked about crime
23 at the site. This was a site applied for in
24 those two cases. And, again, Judge, the
25 testimony here by the chief is undisputed that

1 there's basically no crime at this convenience
2 store, and the proposed liquor store is not
3 open. Okay. Obviously there's a problem, as
4 the retired police officer testified, about 500
5 rows -- 500 yards down Williamston Road at the
6 apartments. And as he testified, your Honor,
7 crime and drugs unfortunate -- are everywhere
8 in Anderson. It's everywhere in
9 South Carolina.

10 They tried to push my guy under the Fairview
11 Apartment's tent, your Honor. I would submit
12 to you, Judge, it's -- you don't have to worry
13 about what kind of operator Raj is going to be.
14 He's had five years as the manager of that
15 convenience store across the street. And
16 everybody has admitted it was an impeccable
17 record, a well-run business. I would argue
18 that that's a pretty good sign. Plus he's
19 borrowed a quarter of a million dollars. Those
20 two things I think are gonna make him run this
21 liquor store correctly, Judge.

22 And if he doesn't, we invite the City to
23 protest the next renewal and shut him down if
24 he doesn't do it right. Thank you, Judge.

25 THE COURT: Thank you, very much.

1 ADJOURNMENT:

2 THE COURT: I think that's concludes what we have.

3 I want to thank everybody for being here today.

4 I want to thank -- first of all, we have Mr.

5 Patel and to the Department and to City, I will

6 consider everything you have presented, and I

7 will make a decision just as quickly as

8 possible. I want to thank everybody for making

9 this very easy for me. The evidence that you

10 presented today was very helpful. Excellent

11 job of presenting it. Arguments were truly

12 wonderful. I thank the City for being here

13 today and taking this matter responsibly. I

14 know it's a good trip down from Anderson. I

15 appreciate you being here, and I wish everybody

16 a safe return home. And you'll have my

17 decision very shortly. Thank you very much,

18 everybody.

Analysis of data DataWalk (our new analytics system)

This link chart contains data from Agisent and from BluHorse (jail management system)

Agisent data is July 2017-late October 2020, and BluHorse is 2015-late October 2020

After filtering the incident data down to "Williams" as a location, there are 1954 parties (individuals) connected to the 701 incidents; and you can see the additional connections with weapons, vehicles, drugs. (Used "Williams" because of several misspellings of Williamston Rd).

The 1954 parties represents a wide range of roles. It could be reporting officer, victim, offender, suspect, etc.

90% of those individuals also are connected to BluHorse data again. They could be named in a wide range of roles.

When we look specifically at BluHorse individuals who are named as arrestees, we are taking a look at 164 specific incidents in the database connected to 29 females and 40 males.

JAIL

The next two pages examine one full year's Call for Service (CAD) data, comparing the three other major call sources on Williamston Road in close proximity to the Quick Stop.

The four locations include the Quick Stop; The Southerner Hotel; Shell Service Station; and Fairview Apartments.

- There were (5) shooting calls at Fairview Apartments, which is 3/10 of a mile from this location.
- Of the 749 calls to this location, the greatest was 911 hang-ups or open lines followed by domestic disturbances. **Domestics continue to plague this location.**

To whom it may concern,

As Mayor Pro-Tem of the City of Anderson, I write with great respect in opposition to a liquor store application at 1311 Williamson Road in Anderson, SC. The police department submitted a written protest on April 6, 2020 to intervene in this application. It is my understanding that the protest was denied due to the protest period having expired. SLED notified the Anderson County Sheriff's Office and not the City of Anderson Police Department regarding the application for the liquor store. As the Mayor Pro-Tem for the City of Anderson, I am very disappointed that SLED notified the county and not the city when this was applied for. The current business "C&L Quick Stop" has a City of Anderson business license clearly posted on the premises.

My concern is the suitability of this location. This is a high crime area with gang activity. Given the history of criminal problems and other disturbances in this community, the issuance of the proposed location would be detrimental to the community. Offenses range from minor to major offenses such as trespass, sale of illegal drugs, suspicious persons, public intoxication, and vandalism to assault, fighting, shooting and murder. The sale of alcohol in this environment contributes to undesirable and illegal activity. There is also a concern that the sale of alcohol close to a low-income housing complex exacerbates conditions for children growing up in that area that is already considered high risk and compromises children's safety.

The issuance of this license of this establishment would adversely affect the public interest, the nature of the neighborhood. The premise is such that the establishment would be detrimental to the welfare of the surrounding community. It is my request that you allow this matter to be decided in Administrative Law Court.

Respectfully,

Tony Stewart

Mayor Pro-Tem

Please note the following:

1. If your protest states that the protestant does not wish to attend a contested case hearing before the Administrative Law Court, then the protest is invalid and the Department, by law, must continue to process the application and must issue the permit or license if all other statutory requirements are met.
2. If the protest is valid and states that the protestant wishes to attend a contested case hearing before the Administrative Law Court, then the Department must determine, via letter, email, fax, or some other method, that the protestant does intend to attend the contested case hearing and offer testimony before the Administrative Law Court.
3. If the protestant advised the Department of his or her intention to attend the contested case hearing before the Administrative Law Court, but does not attend the hearing, then such protestant may, by law, be assessed a fine or penalty to include court costs.

REQUIRED: Specific reasons why the application should be denied. (Attach additional pages if needed.)

The location of this business is in a known high crime and drug infested area and granting a liquor license would adversely affect law enforcement. The department has responded to numerous calls, including homicides, shots fired, shootings, larcenies, assaults, and the use and sale of illegal drugs. This location is within a mile of (2) churches, a government subsidized housing complex, a conservatory park owned by Anderson University. Community and Church leaders are opposed to the sale of alcohol citing it contributes to higher crime which inhibits the neighborhoods' revitalization.

DEPARTMENT DETERMINATION

Applicant:

RM & Sons, LLC
d/b/a Anderson Liquor
1311 Williamston Road
Anderson, SC 29621

File No.:

103841951-PRL

Date of Application:

February 28, 2020

Matter in Dispute:

Did the South Carolina Department of Revenue (Department) properly deny the issuance of the Retail Liquor Store license due to the fact that the Proposed Location is unsuitable?

Determinations:

The Department properly denied the issuance of the Retail Liquor Store license due to the fact that the Proposed Location is unsuitable.

Relevant Facts:

1. On February 28, 2020, the Department received an application for a Retail Liquor Store license from RM & Sons, LLC d/b/a Anderson Liquor (Applicant), located at 1311 Williamston Road, Anderson, South Carolina (Proposed Location).
2. As a result of the filing the application, the South Carolina Law Enforcement Division (SLED) conducted a standard investigation of the location to determine compliance with the statutory requirements for licensure.
3. On April 10, 2020, the Department received a letter from Mr. Tony Stewart, Pro-Tem Mayor of the City of Anderson. Mr. Stewart expressed his concern about the suitability of the Proposed Location. According to Mr. Stewart, the Proposed Location is a high crime area with gang activity. Mr. Stewart believes the sale of alcoholic liquor would adversely affect the welfare of the surrounding community.

4. On April 15, 2020, the Department received a protest form from Chief James Stewart, of the Anderson Police Department.¹ Chief Stewart expressed his concerns about the suitability of the Proposed Location based upon the numerous service calls for the surrounding area. According to the CAD reports from Anderson County Emergency Services, the area surrounding the Proposed Location received 749 calls for service in 2019. These included: 7 sexual assaults, 12 overdoses, 5 shootings, and 3 murders.
5. The Department denied the issuance of the Retail Liquor Store license pursuant to a denial letter dated April 29, 2020.
6. The Applicant timely protested the denial of the license pursuant to a letter sent to the Department on May 6, 2020.

Analysis:

The Department properly denied the issuance of the Retail Liquor Store license due to the fact that the Proposed Location is unsuitable.

Pursuant to S.C. Code Ann. § 61-6-910 (2009), the Department must refuse to issue any license if the department is of the opinion that the store or place of business is not a suitable place. "The issuance of a liquor license ordinarily rests within the sound discretion of the body or official to whom the duty of issuing it is committed; moreover, the power to issue such a license also involves the power to refuse it." Wall v. S.C. Alcoholic Beverage Control Comm'n. 269 S.C. 13, 235 S.E.2d 806 (1977) (citing Terry v. Pratt, 258 S.C. 177, 187 S.E.2d 884 (1972)).

The Department's discretion in determining suitability is broad. Smith v. Pratt, 258 S.C. 504, 189 S.E.2d 301 (1972). While "suitable" is not statutorily defined, in determining whether a location is suitable, the Department may consider any evidence that shows adverse circumstances of the location. Kearney v. Allen, 287 S.C. 324, 326-327, 338 S.E.2d 535, 337 (1985) (citing Smith v. Pratt, 258 S.C. 504, 189 S.E.2d 301). The determination is not solely a function of geography - it involves an infinite variety of considerations related to the nature and operation of the proposed business and its impact on the community wherein it is to be located. Id. (citing Schudel v. S.C. Alcoholic Beverage Control Comm'n. 276 S.C. 138, 276 S.E.2d 308 (1981); 48 C.J.S. Intoxicating Liquors §§ 118-119, 121 (1981)).

A license may be refused on the grounds that the location would adversely affect the public interest, that the nature of the neighborhood, and of the premises is such that the establishment would be "detrimental to the welfare . . . of the inhabitants, or that the manner of conducting the establishment would not be conducive to the general welfare of the community." 48 C.J.S. Intoxicating Liquors § 168 at 366 (2004). S.C. Code Ann. § 61-2-260 (2009) grants the Administrative Law Court the responsibility to determine contested

¹ The protest of the Anderson Police Department was not timely. Therefore, it is not a valid protest. However, the Department cannot ignore the evidence presented by the police department; specifically, the 749 service calls for the area surrounding the Proposed Location.

case matters governing alcoholic beverages, including beer, wine, and liquor. The factual determination of whether or not an application is granted or denied is usually the sole prerogative of the executive agency charged with tendering that decision. Palmer v. S.C. ABC Comm'n, 282 S.C. 246, 317 S.E.2d 476 (Cl. App. 1984). As the trier of fact, an administrative law judge is authorized to determine the fitness of an application for alcohol permits and licenses using broad but not unbridled discretion. Byers v. S.C. ABC Comm'n, 281 S.C. 566, 316 S.E.2d 705 (Cl. App. 1984).

Here, the Proposed Location is within close proximity of two churches and low-income housing. Furthermore, the Anderson Chief of Police indicated that the Proposed Location is in a high crime area with ongoing gang activity. The 749 calls for service is evidence that the area surrounding the Proposed Location is constant strain on law enforcement. The increase in loitering, littering, and crime that normally accompany the operation of a liquor store would increase the calls for service. Ultimately, the licensing of a retail liquor store would create a situation that is not conducive to the health, safety, and welfare of the community.

For the reasons stated above, the Department finds that the Proposed Location is not suitable for a Retail Liquor Store license.

Conclusion:

If you agree with this Department Determination, please withdraw (in writing) your application within thirty (30) days of the Date of this Determination. If you disagree, please appeal the Determination within the thirty-day (30) period as noted on the attached cover letter.
