

The South Carolina Court of Appeals

The State, Appellant,

v.

Derrick Martino Miller, Respondent.

Appellate Case No. 2021-000052

ORDER

Appellant has filed two petitions, which this court construes together as a petition to rehear the dismissal of this appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.¹
