MOTION FOR EXTENSION OF TIME TO SERVE AND FILE INITIAL RESPONDENTS' BRIEF AND DESIGNATION OF MATTER TO BE INCLUDED IN RECORD ON APPEAL

Appellants-Respondents hereby move pursuant to Rule 263(b), SCACR, for an extension to June 3, 2021, of the time in which to serve and file their initial respondents' brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellants-Respondents' initial respondents' brief and designation of matter is due tomorrow, May 14, 2021. If this request for an extension is granted, this

initial brief and designation of matter to be included in the record on appeal will be due on June 3, 2021.

2. This is the third extension sought of this deadline.
3. The undersigned counsel was just hired in matter to which he has had to devote immediate attention. This has interfered with his ability to spend the time needed to review the record and draft the brief. Further, Appellants-Respondents' initial appellants' brief is due May 24, 2021, and it is logical for their respondents' brief in this cross-appeal to come after their appellants' brief.
4. This appeal is still very early in its life.
5. Appellants-Respondents believe there is good cause to grant the requested extension.
6. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellants-Respondents pray for an order extending the time in which to serve and file their initial respondent's brief and designation of matter to be included in the record on appeal to June 3, 2021.

Respectfully submitted,

/s/ Andrew S. Radeker
