Re: JAMES A. Giles V. The State of S.C.

Appellate Case No. 2020-00033

Dear Mr. Shearouse

I would like to bring to the Supreme Court Attention: That I am no longer housed at Tyger River C.I. because back in June, 2020 I caught the COVID 19 Virus, and I almost lost my life, and I still have not fully recovered, because the Coronavirus damaged my lungs so badly that when I walk my oxygen drops down to 83%. So therefore I am at Perry C.I. 24 hours infirmary due to the fact that I need to be on an oxygen machine, when I walk, and when I sleep according to Pulmonary Doctor in Columbia, S.C. So please send all of my mail to Perry C.I.

THANKS

JAMES A. Giles
