Re: James A. Giles V. The state of S.C.  
Appellate CASE NO. 2020-00033

Dear, Honorable Judge Beatty

Respectfully I would like to bring a situation to your attention  
Mr. James H. Falk have been my lawyer going on two (2) years, and I only  
talked with Mr. Falk one (1) time, and I have wrote Mr. Falk several of letters,  
but Mr. Falk will not respond back to any of my letters.....

Mr. Falk filed a Petition For Writ of Certiorari on September 25, 2020, but  
Mr. Falk have never discuss my case with me at all, due to the fact: That  
Mr. Falk will never answer his telephone when I try to call him, and my  
family cannot contact Mr. Falk,.....

So therefore Judge Beatty I don't feel comfortable with Mr. Falk filing  
a Petition For Writ of Certiorari on my behalf,..... When Mr. Falk have  
failed to keep me reasonably informed about the status of my matters,

1).

And Promptly Comply With reasonably requests for information Concerning My Case,  
Also a lawyer shall explain a Matter to the extent reasonably Necessary to Permit  
the Client to Make informed decisions regarding the representation.....

So therefore Judge Beatty, according to the Professional Conduct Rules, Mr. Falk is  
in Violation of Rule 1.1 and Rule 1.4, because Mr. Falk has Failed to Communicate  
With me at all, before Mr. Falk file a Petition For Writ of Certiorari on My behalf,

Judge Beatty, Mr. Falk have Not given Me the representation, that the six amendment  
guarantee Me, because Mr. Falk is Providing Me With ineffective assistance of  
counsel, because Mr. Falk representation is deprived Me of a fair Appeal,

Also Judge Beatty I fee like the Court system has Violated My Fourteenth  
Amendment of the United States Constitutional, due to the fact: That Now I  
have been incarcerated in the Department of Correction going on fifteen (15)  
Years and I still have Not exhausted all My Lower Court remedial and by the time I  
can file My Federal habeas, I Will have Max-out My sentence, And Judge Beatty  
that does Not Make any sense at all.....

And Judge Beatty, When I Came out the hospital COVID 19 Virus, I Wrote My  
Lawyer Mr. Falk. And I ask Mr. Falk to file a Motion for Me to be release on  
Bail Pending My Appeal, Review, but once again Mr. Falk has Not responded  
back to My request,.....

Judge Beatty, I Would like to bring to Your Attention: that back in  
June 2020, I Caught the CoronaVirus, And I almost Lost My Life, because  
I Was in I.C.U. With a Ventilator down My throat for around 20 to 30 days  
the hospital Call My Family, And told them, if they Wanted to see Me alive

Then they must immediately come to the hospital, because I would not be living much longer, Judge Beatty by the Grace of God, that I am still living, because I did not do anything to deserve another chance at life,

Judge Beatty, I still have not fully recover, because now I have the long haul side-effect, because the coronavirus have damage my lungs so badly the pulmonary doctor, say: that I have pulmonary fibrosis in my right lung and hyperinflated left lung, and my bronchial tubes are permanent damage, so therefore I got to be on an oxygen machine, when I walk and when I sleep.

so that is one (1) of the reason, why I request for Mr. Falk to file a motion for a bail pending appeal review, because I am not a danger to my community and I am not a flight risk, because I only got two (2) years before I max-out my sentence, so therefore I will be a fool to flee.

Judge Beatty will you please order Mr. Falk to provide me with a telephone number that I can contact him, because he will not answer phone # 843-6066007, because Mr. Falk is hindering me from going forward with my case,

Judge Beatty I have wrote Mr. Falk about my illness, and that I have transfer from Tyger River to Perry C. I. Medical 24 hours infirmary, because I needed to be on an oxygen machine, but Mr. Falk still will not respond back to my letter.

THANKS Judge Beatty

JAMES A. GILES
