The State of South Carolina
 Appeal From Charleston County
 Motion for Extension of Time for initial brief and designation of points

Greetings The Appellants in this matter Tyrhimba Salim Grant Amer Bey
 Rashman L Dawson and Sangwinette Elmore are in receipt of the
 motion granted by the Court of Appeals of South Carolina. In the
 granted motion an extension of time was granted to Appellants. Respectfully
 Appellants are asking that the courts extend their grace and favor
 and grant this motion for an extension to put forth the
 initial brief and designation of points for this matter. Due to
 the complexity of this matter appellants are requesting a 30
 day extension to put forth the initial brief and designation of points.
 Due to the complexity of this matter an extensive amount of research
 and data of which more time will be required to fulfill
 a clear and concise initial brief a designation of points. We
 respectfully ask that the Courts grant a 30 day extension so
 appellants can conclude extensive research and data as well
 as documentation and facts to present a fair and equitable
 argument. As Equity sees what ought to be done as done it
 is our intent that no one is wronged or harmed by this extension.
 Also if the opposing party would ~~the~~ need an extension for
 their consent to an extension for them as well. It is our
 intent that complete justice be done and not by halves as equity
 imputes an intent to fulfill an obligation we thank you for
 granting this continuance. Matthew 7:7 Ask seek it and it shall
 be given unto you knock and
 the door shall be opened to you.

God Bless
