

Appellate Case No. 2021-000443 May 13, 2021

RECEIVED

SC Court of Appeals

To whom it may concern, My name is Janya Murphy. This letter is to notify the South Carolina Department of Social Services, Respondent of an appeal for case No. 2021-000443 that was filed November 13, 2020 for the Packet No. 20-AJT-18-0331 AP in which the Respondents sent a fraudulent response from a previous appeal from January 2020. I requested the AJT Judge to request the correct response from the date November 2020 which Judge S. Phillip Lenski AJT should have been aware the two cases were not the same case. My allegations are the Judge was aware because it wrote a separate letter for him to investigate which he dismissed, claiming the name Dy' Redmond acted inappropriately on a DSS case, Chris Shuman was the hearing officer on both cases. I am attaching additional paperwork to support my allegations.

To whom it may concern,
My name is Tanya Murphy. Once again I am being denied due process, I filed an appeal on November 13, 2020 for the amount of benefits I received from June-October. The dependants sent all paperwork from another date from January 2020 where I filed an appeal and was denied, guessing I didn't push the issue they acted against me again (Please also look at the 1/2020 motion) and determine that I am factual. Therefore I am asking the courts for them to look over the appeal I filed again that was filed for November because they should not have anything from Tanya Murphy on 1/2020. I am asking the courts to also respond to why was this not addressed with the dependants that this was not the same, I also turned in additional paperwork showing the dates are not the same. I've had several motions filed against judges acting inappropriately, so I prefer I make accusations about S. Phillip Henaki please look over this case thoroughly, because if he finds inconsistencies I should not be doing a brief because this would determine the Department

made a mistake in calculating my benefits, I will also like to know how was this missed by the appeals court and has this been going on causing a person to miss or dismiss their cases when its CLEAR they tried to defraud me and the courts, I was defrauded because obviously this was calculated incorrect, was this to protect my husband in any way because this is whom said I asked to dismiss my hearing! Please look over all paperwork because this is causing emotional distress. Chris Blumenthal is on both dismissals (Hearing Officer)
DSS

I thank in Advance

I called and spoke with Lrika S. Easter and she stated the Judge looked over this before signing because I hadn't did my appellant-brief, the Judge should have clearly seen the dates on this case did not match the case and ordered the correct paperwork, but I'm sending this letter because this case will not be dismissed once I receive some type of response I will do the next necessary step.
