Hey Mrs. Kitchings

You mail the order to Denie my appeal to a internet/web mailing system in Lebanon MO which is a Public accessable site. I really wish to have the order that you mail there to Lebanon MO, To be mail here to the address on the envelope that I sent to you. Any legal mail can and should be sent directly to me at this address at the Hurry County Detention Center. The Lebanon Mailing address can & do review & monitor all mail that goes there and This County Reviews all correspondence from Lebanon MO also. I really wish to keep my correspondence Privileged. You can stamp it Privileged and Confidential and I'll get it like all my other legal mail. Thank You
