Re: Donna Erickson v. Felicia Ruff, Appellate Case No. 2018-001277
Our File No. 19-116

Dear Ms. Kitchings:

The Appellant's letter/Motion for Late File and Proofs of Service for both the Motion and the Record on Appeal, dated March 22 and March 4 respectively, and stamped by your office as received April 27, 2021, asserts that the Record on Appeal was served, via mail, to counsel on March 4, 2021. Please be advised that, despite the representation that Ms. Ruff has served Record on Appeal in the time and format as required by Rule 210, SCACR (and including all of the properly designated material), we have not received said record. In addition, we have not actually received the above-referenced Motion or Proofs of service by mail, but pulled them from C-Track database earlier today. As Ms. Ruff has failed once again to correct the deficiencies outlined in the Court's final deficiency letter of April 16, 2021, this appeal should be dismissed.

Sincerely yours,

Ariail E. King
