FILING EMAIL Carroll v Mowery 2020-000396.pdf

Dear Ms. Kitchings,

Pursuant to the May 19, 2021 deficiency letter I am attaching for filing and service by AIS email only a motion to allow the correction of the deficiencies along with the necessary documents. The filing fee in the amount of \$50 has been mailed via U.S. Mail today. I have also mailed the Court a printed and bound copy of the Final Reply Brief.

From today's conversation with Ms. Burns it is my understanding that the Court never received the March 10, 2021 electronic filing of the Final Brief. I looked back and found the email where sent it to the Court and counsel but could not find the corresponding email from the Court confirming receipt and providing back a clocked copy. I'm not sure what happened with the email but I have attached a copy for the Court's review. The missing email is in pdf format above as "FILING EMAIL" sent on March 10, 2021 at 5:37:00 PM. I do not see where I received an email error message so I am at a loss to explain where in the world wide web it ended up.

Hopefully the motion and many attachments will fix the problem and I can take this off my to-do list. If I need to do anything further to perfect this appeal please let me know.
