Re: Tyrone Perry v. State
Appellate Case No. 2021-000538
Lower Court Case No. 2019CP4201661

Dear Mr. Perry:

This Court has received your notice of appeal, and the case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at www.sccourts.org/courtreg. Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at

www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-04-15-02. Please note that the responsibility for insuring that information is redacted or sealed as required by this order rests with counsel and the parties. This office will not review filings for redaction or to determine if materials should be sealed.

Within twenty (20) days of the date of this letter, you must:

- (1) Provide this Court with a proof of service showing that a copy of the notice of appeal has been served on the counsel for the State as required by Rule 203(d)(1)(B)(ii), SCACR.¹ The failure to provide this proof of service may result in the dismissal of this matter. I note that the proof of service you provided with the notice of appeal only indicates a copy of the notice of appeal was sent to me as the clerk of court.
- (2) Since the order of the circuit court determined that this action is barred as being successive and as being untimely under the statute of limitations, you must provide this Court with the written explanation required by Rule 243(c), SCACR. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that these determinations by the circuit court were improper. The failure to make a sufficient showing may result in the dismissal of this matter.
- (3) Since you have filed multiple post-conviction relief applications challenging the underlying criminal conviction, the Court, if it determines that you have failed to provide an adequate explanation under Rule 243(c), SCACR, may decide to prohibit you from filing a post-conviction relief application, habeas corpus action or any other action, motion or petition in the circuit court challenging this conviction and sentence (including a motion under Rule 29 of the South Carolina Rules of Criminal Procedure) without first obtaining the permission of this Court to do so. If you believe that there are any reasons as to why such a prohibition should not be imposed on future filings by you in the circuit court, you will need to provide a

¹ While you did not provide a copy of the order(s) to be challenged on appeal as required by Rule 203(d)(1)(B)(ii), SCACR, this Court has obtained a copy of the conditional order of dismissal and the final order of dismissal from the public case index in Spartanburg County.
