I had a deadline of 5/20/21 12:00 AM to forward my amended initial brief, in a substantially conforming form and I timely served the required documents on the Respondent. However, I became very ill last night and uploaded these documents to the court as soon I could sit before the computer at 3:34 AM

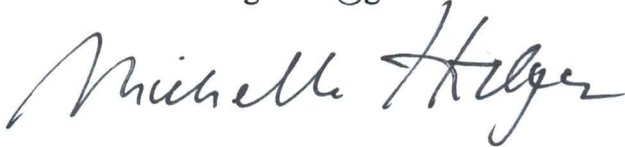

I respect the court's deadlines and I realize the seriousness of this delay and I thank the court for giving me time to present this document in a conforming manner, as it has been a monumental task for me. I know that extensions are not automatic, but they are within the court's discretion and I pray for an extension of time to cover this delay, so that I can continue this necessary fight for justice.

I have requested one other extension, which was to provide the court with an ~~unbound~~<sup>unbound</sup> copy of the record and that was due to financial reasons.

I am forwarding a money order in the amount of \$50.00, for the filing fee associated with this request.

Respectfully submitted
