Reference Case # 2020-000853, Petition of redress of grievances of the First Amendment of the US Constitution. Deficiency letter of Appeal

Your honor,

I follow up with the procedural events of this case due to the legal fact I am a beneficiary of the estate

of my deceased mother Annie Mae Crosby. It is clear that Rose Walsh acting as the Personal

representative will go to any lengths to silence my voice in this matter.

***The Deficiency letter that deleted my name entirely from this appeal would of silenced my legal voice to**

(be heard) by at least it being placed into record my correspondence. * To my understanding it would of

kept any of my information being even submitted into this appeal and it was done so in a blatant

disregard for the rule of law. Her attorney does not want me to be heard nor does she, Rose Walsh is

quite obvious her intent. I ask a question what is the reason for that your Honor? What is being or tried to be

hidden?, the truth of the matter is the truth and will I hope be brought to light.

This matter is a travesty of law and to the subsequent numerous delays being done by the Appellant's attorney.

I have incurred so much debt, \$61,770.00 over this matter and it's all about holding on to a property to

retain ownership for development reasons by Rose Walsh. I lost \$38k due to her disregard for the

consent order and she is to safeguard my rights as a beneficiary. Yet she deeds the strategic property

through no legal determination, deeds another property to herself adjoining this development but

denies my brother, Jessie Fred Crosby his piece of property on Mill Street. It can be verified through the

Register of Deeds of Charleston County the date she did so! My Non-probate Inventory request was

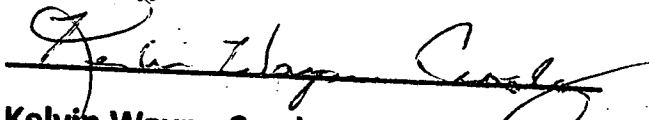

never answered and I did it in the legal way, she did not respond nor answer it, nor has she but went so

far as to quash a Subpoena by my two other brother's request nearly 8 months later.

I am bewildered by these actions that seem to linger on with no conclusion as to the settlement, once

and for all so this matter is concluded and ended in it's entirety.

Sincerely,

Kelvin Wayne Crosby, Legal beneficiary estate of Annie Mae Crosby

Disabled USAF and Army veteran
