RE: 2020-000910

Dear South Carolina Court of Appeal:

I am in receipt of your paper dated May 04, 2021 which I received on May 19, 2021, thank you. I am not an attorney, I am not trained in the complex science of law, I cannot afford an attorney due to consequences of incarceration by and through conviction, an attorney is not available through legal services who forbid providing representation to convicts, my efforts to procure an attorney have failed because all of them require monetary compensation which I do not have, I am forced to be pro-se. The technical rules of court are beyond my powers of comprehension and I do not understand them, I do not understand your paper, the person who helps me with my legal papers is no longer available to me at the prison law library, and the prison law library remains largely and predominantly closed due to circumstances of Covid-19 and other security reasons, I cannot have your paper explained to me nor can I provide you with papers until I can get the help I need in the law library, I request an extra thirty days to file any papers required due to circumstances beyond my control.

I declare under penalty of perjury the foregoing is true and correct.

Very truly yours,

ROBERT WILLIAM WAZNEY
