Attention: Supreme Court,

The petitioner attests the Respondent's response. To meet the Court's 10-day filing rule, though not ideal, the Petitioner is forwarding his response via email and fax this afternoon in good faith. The additional (6) copies have been forwarded in the U.S. mail for reply.

Note: The reply is split into two documents (i.e. pages 1-3 and 4-9).

Regards,

*Chawn Simon*
