Attached please find for filing my Petition for Additional Extension to file Initial Brief of Appellant due to Missing Transcript, COS on Opposing Counsel and Attachment A to Petition., 3 pages long. The Petition and Attachment are self explanatory. I really regret having to file this, but I was unaware of this hearing at the time I ordered the other records in this case and only just today discovered the reference to this July, 2019 hearing. Thank you for your assistance in filing this.
