Dear Chief Judge James D. Lockemy,

I'm not sure where to go or what path to take but I greatly appreciate that you taking time to read my letter my name is John F Green. I stood before Hon. Deadra L. Jefferson on November 5th 2020. As I stated to her that I was asking because I was still incarcerated that they would allow me to get an attorney but as I also was trying to state to her on my particular lawsuit that she has a copy of in the attorney has a copy of stated that I asked for a jury trial. So as I appear in front of Judge Jefferson concerning my lawsuit claiming the procedure for her to please give me some time to get an attorney as I was incarcerated I was denied and also I was denied a jury trial which I clearly and stated on my lawsuit which truly felt as I my rights and due process was denied and violated my right to a trial so I'm asking to appeal her decision based on my rights I'm asking the court to to allow me to be able to have these rights that I was denying of . I'm asking the court to be able to allow me to appeal both of these violation denial and due process has been violated jury trial in my lawsuit that I asked specifically for a jury trial. Your Honor I thank you for your time and your patience and understanding in this matter.
