RE: *Nationwide v. Andrew Green*
Appellate Case No.: 2021-000243

RECEIVED

SC Court of Appeals

*OF COUNSEL

Dear Ms. Kitchings:

Respondent respectfully requests a thirty (30) day extension of time to file its initial brief and designation of matter. Appellant's initial brief and designation of matter were filed and served on May 7, 2021. By our calculation the current deadline to file Respondent's initial brief and designation of matter is today, June 7, 2021.

This is Respondent's first request for an extension of these deadlines. The request is premised on Respondent's counsel being in trial and Respondent's servers being down – denying Respondent's counsel access to her drafted brief for editing and filing. Respondent does not foresee needing the full thirty (30) day extension, but if the Court grants the same, the new deadline for Respondent's initial brief and designation will be July 7, 2021.

Pursuant to Administrative Order 2020-5-29-02, no filing fee is required for this request.

Sincerely,

Alexis W. McCumber
