Reference: Case # 2020-000853, Petition of Redress of Grievances of the First Amendment of the US Constitution. Title 62 Probate Code Article 7 SC Trust Code Section 62-7-706 Removal of Trustee.

Your honor,

.....As a legal beneficiary I file a legal grievance or complaint that Rose Walsh in unison with my brothers

Jessie Fred Crosby and Robert E Crosby, be legally removed as she has violated A and B, parts 1,2,3,4 of

this code through her legal actions which alone has cost me rightfully the sum of \$99,770.00 thus far and C Section 62-7-1001(b) is necessary. That as a result of

including legal fees and lose of estate funds due to hier dishonesty. That she has legally used the system

to her advantage in starving me out and her sole intentions are a result of greed and dishonesty for a

parcel of land for development. The legal jargon has gone to excess of 1000 pages but the true answers...

lie in the original hearing in 2018, by *Judge Condon in Charleston County where she was initially

removed as Personal

Representative. All these other pages are nothing more than trying to hide the untruths and dishonesty

and no one can be expected to read such a fiasco of the rule of law.

.....I as a beneficiary have no trust nor faith in any action she takes with regard to this estate of my

deceased mother, Annie Mae Crosby. There is no trust nor faith in my regard to her, stressed again...

Signed,

Kelvin W. Crosby

Kelvin Wayne Crosby, *Beneficiary of estate of Annie Mae Crosby

*Honorable disabled USAF and Army veteran
